Facts You Should Know Of The Canadian Institute For The Blind

There are 400 blind persons registered with the Canadian National Institute for the Blind on Cape Breton Island. The breakdown for counties is: Cape Breton 252, Inverness 79, Richmond 49, Victoria 20.

Among the Services available though the Institute are employment, recreation, library, home teaching, sales room and concessions.

The opportunity to earn a living is the desire of us, and the loss of sight does not remove the urge. For this reason, the employment of the blind with full or part time work is one of he most important functions of the Institute. It constantly seeks openings for blind persons on its own staff, in its canteens, in sighted industry, in small businesses, and in small jobs in the home. In this field the blind people of Cape Breton are enjoying their full share. There are two on the Institute staff; 10 in Institute canteens; 3 in Institute factories; 8 in sighted industry; and a number who are engaged in home industry, which gives them occupation and money for a few comforts they would not otherwise enjoy.

Recreation is most important in normal living and the Institute encourages the blind to arrange and conduct their own social evenings. A nicely furnished recreation room with games adapted for the use of the blind are available at the Centre, 99 Dorchester Street, Sydney, and their meetings and parties are held several times each month.

The Institute library contains more than 23,000 volumes of Braille Books, as well as a wide variety of Talking Book records and Moon type Books. These books and records are available, on loan, to blind persons without charge, and postage free.

The Institute also administers a large variety of concessions which include free theatre passes, radio licenses, reduced fares for travel on trains and busses, and a special discount on radio batteries and other electric appliances.

The other major objective of the Institute is the Prevention of Blindness. When we consider that last year approximately 1,000 Canadians lost their sight, and that three out of every ten school children need eye attention, we can see the impotance of a proper Prevention Program; with this in mind, the Institute operates an Eye Clinic at its centre, 99 Dorchester St., Sydney. At this clinic several leading eye specialists give their services without charge. Anybody with serious eye trouble and who is not in a position to pay the cost of treatment as a private patient is eligible to attend this Clinic. Some of these persons can contribute towards the cost of glasses, but the few who cannot pay anything are not refused assistance. During the past year, some 250 people, mostly children, were examined at the Clinic and this involved more than 300 examinations as a number had to return for a recheck.

To carry the cost of its services to the blind people of Cape Breton and to carry on its Prevention Work, the Canadian National Institute for the Blind is asking you to support its Campaign. The sum needed is $14,000.00.

Canvassers in Richmond County will be calling on you shortly. Help this worthy cause.

Mrs. Guy Russell, Moore's Mills, N. B., 1952 winner at St. Stephen Fair, uses Fleischmann's Yeast exclusively.

Her Baking Wins Prizes For 28 Years

As you can see, winning prizes for home baking is an old story with Mrs. Guy Russell, of Moore's Mills, N.B. Her collection of prize-winning tags from the St. Stephen Fair goes back to 1924! She can give good reasons for her success, too. "I have baked bread as many as four times in a week," says Mrs. Russell. "But it isn't just experience or baking skill that makes you a prize winner. First you have to have the finest ingredients. For rolls and bread my choice is Fleischmann's Yeast. With Fleischmann's I'm sure of quick rising and fine results."

That's just what they all say! Prize-winning cooks throughout the Maritimes depend on Fleischmann's Yeast.

MacDougall Home And School Meeting Held

A large number of Home and School members attended the regular monthly meeting of the MacDougall Association held Oct. 8th in the High School Room at St. Peter's, with the Vice President, Mrs. Clark Kaplan, presiding.

The Home and School "Creed" was read by Mrs. Donald Johnston, Secretary, and the President's Message was read by Miss Helen Archibald, Principal.

This was followed by a short business session, during which reports were given by the Chairmen of the various committees,. Miss Margaret Madden, Chairman of the Ways and Means Committee, reported that plans were being made to hold a Card Party on October 15th in the Domestic Science Room.

The following delegates were appointed to attend the Fall Sessions of the County Council of Home and School Associations at Point Tupper on the 9th of October: Rev. J. H. MacEachen P. P; Mrs Clark Kaplan, Mrs Donald Johnston, Mrs. Allister Calder and Miss Margaret Madden.

The business meeting was followed by a well planned recreational period arranged by the Program Convener, Mrs. Paul White, and her Committee. This program consisted of an 'Art' Competition which caused much merriment and in which all members participated, and a Quiz on the Education Act prepared by Inspector R. J. Chiasson, which also took the form of a competition among the members , and brought them up to date on many of the rules and regulations as set forth in the Education Act.

An invitation was extended by Miss Madden on behalf of her Committee to inspect the newly decorated Domestic Science and Music Room. The members of the Association felt well gratified with the attractive appearance of the room and the completion of this their latest project. Miss Archibald moved that a vote of thanks be extended to the Committee in charge of this work, and to all who had given so freely of their time and labor to add to the appearance of this room.

The social convener, Mrs. J. D. McNeil and her Committee, had a delicious lunch in readiness in this department, and an enjoyable social hour followed, during which Miss Margaret Ladd, Music Teacher, delighted her audience with a beautifully rendered piano selection.

Municipal Election Results

RESULT OF VOTING MAKES ONE CHANGE IN COUNCIL

In the five Municipal Contests, held on Tuesday, one change was the result, when Frank Mombourquette, of West L'Ardoise, defeated veteran Councillor Arthur U. Sampson, of L'Ardoise.

Warden James Johnston and nine other Councillors were elected by acclamation two weeks ago. Following is the results of Tuesday's elections:

District No. 2, Petit de Grat, Coun. David E. Boudreau, defeated Harry T. Boudeau, by a majority of over 400 votes. The largest majority ever recorded at a Municipal election, in this County.

District No. 4, Louisdale, Coun. Alex Marchand defeated Albert J. Samson, by a majority of 192 votes.

District No. 11, West Arichat, Coun. John Doiron, defeated Joseph Terrio, by a majority of 42 votes.

District No. 12, Loch Lomond, Coun. William Morrison, defeated Donald MacLeod, by a majority of 2 votes.

District No. 15, L'Ardoise, Frank Mombourquette, defeated Coun. Arthur U. Sampson, by a majority of 95 votes.

In our next issue we will endeavour to bring to our readers the offical number of votes received by candidates in each district.

St. Peter's Royals County Champions

The last game of the finals of the Richmond County Baseball League played at the River Bourgeois diamond on Sunday saw St. Peter's come through as County Champions by a score of 10-5 over the Point Tupper Hawks.

After five innings with the Royals coming up to bat in the bottom half, Umpire Fogarty, of Sydney, stepped out in the field and announced the game called ending the 1952 Series of the Richmond County Baseball League.

Notwithstanding a cold afternoon, more in keeping with a hockey game, fans from St. Peters, Port Hawkesbury, Point Tupper, River Bourgeois and Isle Madame disregarded the elements and watched the game with keen interest.

This is St. Peter's first win since the League was formed five years ago. For two consecutive years, River Bourgeois won both series. The next two series were won by Petit de Grat Red Caps. The latter team also captured the Urquhart Shield two series. This year the Shield was won by St. Peter's Royals, the team with the highest standing in the semi-finals.

The Richmond County Record Trophy and Earl W. Urquhart Shield will be presented to the Royals on Saturday, Nov. 1st at St. Peter's.

Meeting County Council Home and School

Delegates and visitors from the various Home and School Associations in Richmond County gathered at Point Tupper on October 9th for the Fall Sessions of their Council. Mrs. Paul White, President of the Council presided. The Home and SchoolsPrayer was read by Inspector R. J. Chiasson, and Mr. Byron Langley welcomed those assembled on behalf of the Point Tupper Association.

Executive members and guests introduced by the Council President included Rev. C. P. Girroir, P. P., Louisdale; Rev. J. H. MacEachen, P. P. S., Peter's; Rev. S. MacDonald, P. P. Port Hawkesbury, Mr. Herman Timmons, Regional Representative of the Adult Education Division, Dr. L. A. DeWolfe, Past President of the N. S. Federation, and Miss Dora Baker, Home and School Adviser for the Province.

Mrs. W. G. Langley, Corresponding Secretary read a letter from Miss Beverley Steward of St. Peter's, thanking the Council for sponsoring her attendance at the Summer School of Music at Big Cove this past summer, and giving a description of life at the camp and the benefits derived from her experience there.

Mrs. Donald Johnston gave a splendid report of the Home and School Convention at Wolfville which she attended in July. She reported that emphasis was placed on Program Planning, and the following quotation was used, "The chain is only as stong as the weakest link". Mrs. Johnston outlined the highlights of talks

Why Farmers Use the Low Cost BLAST LIME SOIL CONDITIONER

ONLY $1.25 PER TON

- Builds better soils by adding lime and other plant foods which arrest plant diseases. Sweetens soils, increases yields, hastens maturity.
- Contains magnesium, sulphur, iron, manganese, titanium, and other trace elements in addition to lime and calcium.
- Dept. of Agriculture tests show it increases yields 30% at 2 tons per acre — as much as 200% for poor soils.
- May be used on sod, pastures, land being seeded — any time of the year.

U.N. Highway Signs Would Eliminate Language Problems

The highway signs shown above represent the recommendations of a group of U.N. experts for adoption throughout the world, which would enable highway users everywhere to understand road signs. Lack of understanding of any given language would not impair comprehension of the signs. The reproduced signs are the result of 20 months of work on the part of six experts appointed by the U.N. Secretary-General in 1950. The recommendations now go to the U.N. Transport and Communications Commission and the Economic and Social Council for further action.

given by the various speakers at the Convention and gave a vivid descripton of the Art Workshop she attended there.

The President then called upon Miss Baker to address the meeting. Miss Baker said it was her first time to attend a Council meeting since Mr. Chiasson became Inspector of Richmond County, but she was reminded from time to time of the very fine work he was doing in the County Miss Baker went on to speak of the emphasis being placed this year by the Home and School on Parent Education, School Education and Creative Art. She mentioned Richmond County as already having made considerable progress in emphasizing Creative Art by way of annual Art Exhibits for the schools of the county.

Dr. DeWolfe was the next speaker and while he presented his message in an amusing way to the audience he also left them with a challenge to find solutions to problems existing in their communities and urged them to act wisely upon them.

Inspector Chiasson announced the dates of Training Courses sponsored by the Home and School to be held in four centres of the County during the month of October as follows: Arichat, 22nd; Evanston, 23rd; St. Peter's, 24th; Stirling 27th. Emphasis to be on Program Planning. Under Inspector Chiasson's direction the meeting broke up into three divisions to discuss the three projects being sponsored by the County Council this year, Music Festival, Speech Festival and Creative Art Exhibt. After a period of discussion suggestions and recommendations were presented by the Chairman of these groups.

The President, Mrs. White, in her message to the Council, urged that each Association in the County have as a slogan "every parent a member". She reported that the progess being made in Home and School work in the County was very encouraging. In closing she suggested "we use our stumbling blocks as stepping stones and we will ultimately reach our goal."

Mr. Herman Timmons, Regional Representative of the Division of Adult Education, was guest speaker at the evening session. Mr. Timmons chose as his topic "Discipline". He outlined the different theories on the subject of discipline and he said the essential purpose of discipline as of training in general, is the development of self control in all the vicissitudes of life. Mr. Timmons urged that tolerant guidance should be given in disciplinary matters.

Father MacEachen expressed appreciation of the address given by Mr. Timmons and moved that a vote of thanks be extended to him.

Inspector Chiasson gave a resume of the work accomplished during the sessions, and in his remarks to the audience said that we are faced with the problem of making a democratic way of life work in a changing society. He reminded those present that it was a difficult time also for teachers and urged that every co-operation be given them. Together, he said, we can do much educationally for the Country.

A delicious lunch was served by the ladies of the Point Tupper Association, and a vote of thanks was extended to this Association for the hospitality the members of outside Associations received throughout the day.

Winners of Scholarships To Nova Scotia Agricultural College

The Nova Scotia Farmers' Association announces the winners of the 1952 Scholarships for boys or girls to enter the Farm Class at the Nova Scotia Agricultural College.

Jefferey Rice, son of Mr. and Mrs. Vernon Rice, Bridgetown, Annapolis County, has been successful in winning the award in the western zone which covers the six western counties. In the Central zone, Page Keith Baird son of Mr. and Mrs. Frank K. Baird, RR No. 5, Truro, Colchester County has been selected by the scholarship committee. No applications were received from the Eastern zone, which covers Antigonish, Guysboro, and Cape Breton Island counties.

Three scholarships, amounting to $100.00 each, have been offered for the past few years by this association to assist and encourage rural boys and girls to further their education in agriculture, prepare them for leadership in the communities and take their place in farm organizations.

Candidates are chosen on the basis of practical progress, standing in the community, general character and intelligence.

Both students named above plan to enter the Farm Class which opens on October 29th, at the Nova Scotia Agricultural College.

RICHARD — DOREY

A very pretty autumn wedding of interest to their many friends took place at the Immaculate Conception Church, West Arichat, on Monday, Oct. 20th at 8.15 a.m. when Rev. Fr. C. P Girroir, united in marriage Marie Zilda Dorey, daughter of Mr. and Mrs. Miller Dorey, of Janvrin's Harbour to Valma Richard, a son of Mrs. Fred Richard and the late Mr. Richard of Arichat.

The bride looked lovely in a floor length gown of white satin covered with nylon net and lace insertions with long sleeves covered with lace. Her floor length veil was held in place by a halo with rhinestones and a row of heartshaped roses. She carried a bouquet of American beauty roses and fern.

Miss Marie Gurney, of Arichat, niece of the groom was bridesmaid and wore a floor length gown of light blue taffeta with matching veil and accessories. She carried a bouquet of pink and white roses and fern.

Leonard Richard, a brother of the groom was best man.

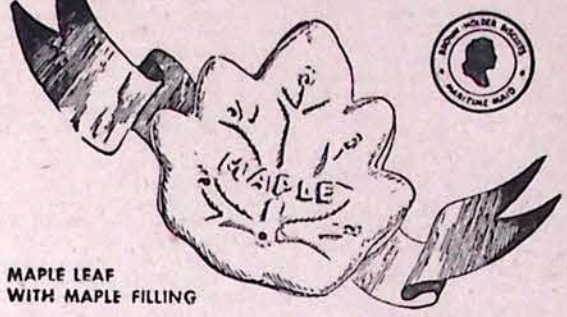

Following the mass they motored to the brides' parents at Janvrin's Harbour where breakfast was served to relatives and a few invited guests. Later in the day supper was served to a large number of invited guests. They received many beautiful gifts.

Prior to her marriage the bride was on the staff of LeBrun's Store.

They will reside in Stellarton where the groom is employed.

We wish them a long and happy wedded life.

JAMES LAFFORD

The recent passing of James Lafford at his home in Grand Greve removes a native son and except for a few brief intervals a life resident of his home district.

"Jim" Lafford was familiarly and favorably known to veteran citizens of this vicinity.

His good wife, Minnie Morrison who so tenderly cared for him throughout his extended illness was a Sporting Mountain product and the sympathetic sentiments of her old home community go out to her and the family in their hour of bereavement.

MRS. W. HILL
Minnie McDonald

We were sorry to read Mrs. Hill's obituary in a recent issue of the Richmond County Record.

During our incumbency at Kempt Road she was an intelligent girl in her teens on the farm with her hospitable parents, the late Mr. and Mrs. Malcolm McDonald; and what with her niceness in the home, and her niceness in community life we had occasion to cherish grateful memories of "Minnie".

Her only surviving sister Marie was likewise a personification of niceness, and to her, and the bereaved husband and daughter, we extend personal sentiments of sincere sympathy.

Mr. and Mrs. J. J. McMillian (Elizabeth Grant) of Sydney, were welcome guests over the holiday weekend of Mrs. McMillian's stepfather and mother, Mr. and Mrs. John Goswell.

Roy J. Morrison of Halifax was home for Thanksgiving Day, and the family reunion was supplemented by Mr. and Mrs. R. A. McFie (Agnes Morrison) and sons Norman and Johnnie of Glace Bay.

Mr. and Mrs. Wm. Bissonnette, their son Roland, and three little granddaughters, comprised a motor party from Port Hawkesbury to Seaview on Sunday.

They were the guests in turn of Mr. and Mrs. Leonel LeBlanc and Mr. and Mrs. Francis Gilmette.

Enrcute to Halifax where he holds a responsible position with the Dept. of Fisheries William Mc Pherson of Sydney was a motor visitor to Seaview, Thursday and called to see his sister at the schoolhouse.

Lillian Cooke has secured service with Mrs. McQueen of Framboise. We predict success for Lillian among those good and hospitable people down there.

George Latimer, The Points, and Ffancis Boudreau, of Cannes, dealers in meat and fish respectively called upon their customers here during the week.

While piloting Messrs. McInnis and Fancy of Halifax up the old Post Road and thence over Sporting Mountain on a hunting expedition the other day, Michael Kyte dropped in for a brief visit.

Though there is no more active octogenarian in the entire countryside, Mr. Kyte does not have occasion to pass this way as often as in years gone by and we were particularly glad to see him.

We were glad because he is a veteran native citizen; glad because the Kyte's have always been neighborly; and glad because our forebears have been friends through successive generations since pioneer days.

Mr. and Mrs. Burge Ross, Anne and Louise Land, spent the weekend in their bungalow here. We are always glad to see them and hope to have them back with us for the winter months.

We are sorry to report that Mrs. Ross's mother, Mrs. Mary Anne MacLeod a former resident of this place and who is now residing in Dutch Brook, is confined to her home here. We wish Mrs. MacLeod a speedy recovery.

Mr. R. J. Chiasson, Inspector of Schools, visited The Points and Roberta Schools on Tuesday.

The month of October, especially to the men, is looked at as a special month. It is the month of one of the most popular sports of the fall and now that it is with us, the leaves and trees with their many beautiful colors and deer alert watching for their human enemies, one can see in every direction red-coated hunters on the trail. The hunters this year report fairly good luck.

We wish to extend our sympathey to Mr. Dan MacKay in the death of his son-in-law, Gary Kachan of Allston.

We would like to say "thank you", to D. A. S., for the kindly reference to our notes in a recent issue of the Recrod, We will continue to do our best in reporting the news from this section in the future.

We congratulate D. A. S., on his splendid Echoes from Sporting Mountain and would like to express our thoughts with the pen in the same manner as our brother scribe.

Liberia Donates Rubber for Korea

Since the United Nations began its collective action in Korea, in the Summer of 1950, a total of forty-six nations have contributed or offered assistance ranging from military forces to contributions of emergency relief assistance. Above, Richard de Roussy de Sales, Director of the U.N. Information Center in Liberia, receives part of a shipment of rubber donated by the Government of that country.

"My son has chosen banking"

When a bank manager retired last year, he wrote his General Manager to tell why he was proud his son also had chosen a banking career:

"I shall always recall my banking days with pleasure and I cannot think of any other occupation that gives one a greater opportunity to meet people and form lasting friendships. I have been privileged to serve the bank in three provinces . . . That my son has chosen banking is also a great satisfaction to me. He is most anxious to make good on his own account."

Any young man on the lookout for an interesting and worthwhile career—for opportunities to grow and get ahead—should take a look at banking. Have a talk with the bank manager in your neighborhood branch. It may well prove an important turning point in your life.
