St. F. X. University Centennial Opening

St. Francis Xavier University opened a year-long centenary celebration at Antigonish, the 400th anniversary of the death of its patron saint.

A full day's program of events, largely religious, opened the celebrations. Accent was on solemnity but a colorful academic procession preceded the Pontifical Mass.

Celebrant was James Cardinal McGuigan of Toronto while Most Rev. E. Q. Jennings, Bishop of Fort William, will deliver the sermon.

Most Rev. James Boyle, Bishop of Charlottetown and Judge W. F. Lane of Moncton were chief speakers at a diocesan dinner.

Hockey took the spotlight in the evening when the St. F. X. team took to the ice against Laval University of Quebec, which has just completed its own centenary celebration.

The religious observance touches off a 12-month program which continues in May with the holding of annual commencement-week ceremonies. Highlights include the National Conference of Canadian Universities which assembles in June for a three-day meeting on the campus.

Early in August the Diocesan Eucharistic conference is expected to draw thousands.

The Jubilee Convocation Sept. 1-2, one of three planned for the centenary year, will have international representation.

LEWIS W. SIMMS, Saint John, N. B., elected President of The Canadian Chamber of Commerce at the organizations recent annual meeting in Toronto is now making plans for the year ahead during which he will contact Board and Chamber workers, educationists, government leaders and businessmen across Canada. In business life he is President and Chairman of the Board of T. S. Simms and Company, a brush manufacturing firm which was founded by his father in 1872. Mr. Simms has long been associated with the Chamber of Commerce movement in this country and was one of the founders of the Canadian Chamber, Canada's national business organization. A charter vice-president of the Canadian Chamber, a past president of the Saint John and the Maritimes Board of Trade, Mr. Simms has long believed in businessmen taking a direct and personal interest in national affairs. It has always been his philosophy that Canada, and each of its sections, must make progress and prosper together.

HIGHWAY TRAILERS ON FLAT CARS

MONTREAL—A new type of transportation — railway service using highway trailers—will be introduced in Canada on January 1 by the Canadian National Railways, S. F. Dingle, vice-president of operation for the system, announced here recently.

Under the new plan, railway owned trucks will haul company trailers to railway freight terminals. There the trailers will be placed on flat cars and transported in fast freight trains to their destination where they will be attached to trucks and hauled to plants and warehouses. The initial operation will be between Montreal and Toronto, and its development will be watched for possible extension to other sections of Canada.

DAMAGES CAR ESCAPES INJURY

A car owned and driven by Peter Samson of Little Anse was badly damaged when it skidded and left the icy road near D'Escousse on Wednesday.

The driver and occupants of the car escaped without serious injury.

Our main paved highway on Isle Madame should be sanded and more especially the approaches at the Bank Corner here at Arichat and at D'Escousse and also the big hills on the D'Escousse Road.

Home and School Association For Framboise

The evening of November 25th a meeting was held in Framboise School for the purpose of organizing a Home and School Association. About fifteen persons were present which represent practically all the ratepayers of the Section. Interest was very keen and everybody agreed that there was a need for a Home and School Association in their district.

The organizer was R. J. Chiasson, Inspector of Schools, who spoke on the aims, ideals and purposes of Home and School Associations. He pointed out that we were living in a changing society, and that the Home and School movement had come to fill a need created by this changing society. As long as the schools' activity was concerned with the Three R's there was no need for a Home and School Association, but with the expanding concept of Education which considers the emotional and social side of the child as well as the intellectual, it was necessary to link together the Home and the School, for parents have information about the child which the School does not possess, and similarly the School has information about the child which parents do not possess.

The following officers were elected:

President: Mrs. John Strachan
Vice-Pres: Mr. Dan Alex Morrison
Sec'ty-Treas.: Mr. Hector MacCormack
Program Convener: Mrs. Marion MacDonald, teacher.

It was agreed that the meeting date would be the Second Tuesday of each month.

After the organiation was completed the officers were installed by Inspector Chiasson, then the ladies served a delicious lunch which was appreciated by all.

All Home and School people will rejoice that Framboise has now been added to the family of Home and School Asociations in the County, and also over the fact that they have joined with Grand River, and very soon we hope we'll join with Stirling in Home and School Associations to bring to the people of that area some of the Educational advantages which others in the County have been enjoying.

"Fleischmann's Yeast never lets you down", says Mrs. G. Arthur MacDonald, Pictou, N.S.

Repeats Baking Successes at 1952 Pictou Fair

With a fresh batch of awards for her prize-winning baking at the 1952 Pictou County Fair, **Mrs. G. Arthur MacDonald** is rated tops in turning out home-made bread.

Talking shop with her husband (he's a baker by trade!), Mrs. MacDonald attributes much of her success to her care in selecting ingredients. "Ingredients are *so* important," she says. "For instance, you have to use an extra-good yeast—one with plenty of pep and action—for the best results. I personally never use any yeast but Fleischmann's, because I know from experience how fast and peppy it is."

Right to the point! Across the Maritimes Fleischmann's Yeast is the favorite with prize-winning bakers because they've proved it's so dependable.

Meeting Arichat Home and School

The monthly meeting of the Arichat Home and School Association was held on Friday Nov. 28th. Notwithstanding the unfavorable weather, twenty members were present. Action was planned for the raising of funds to help the school trustees meet unforseen expenditures. Mrs. J. E. Benoit, health convener, reported the purchase of Fish Liver Oil capsules. The second order will be sent later this month. The Principal called attention to children's reading, and suggested the giving of books as Christmas gifts. "A child with a good book in his hands, suitable to his age, has less time for expensive and harmful trash". Dr. Cusack gave a much-appreciated reading on "What is a Community" This was followed by a short self-evaluation scale for parents by Mrs. W. Stone and a talk by Mrs. C. Paon on Co-operation between Parents Teachers and Trustees. The film, "Families First" was shown after which discussion was led by the President, Mr. C. D. Campbell, and Mrs. James Power, Mrs. M. Britten, Mr. Simon LeBlanc and Mrs. C. Boucher. Membership cards and magazines were distributed. The next meeting was set for December 19th when each member will bring a small gift. Lunch was served and the meeting adjourned.

Red Cross News Items

Over 2500 calls were received by the Home Services of the Nova Scotia Division of the Canadian Red Cross Society during 1951. As a result of the response by the Society actually thousands of homes were helped though periods of emergency in certain centres where it was found possible to conduct the service.

• • •

For a sick person, who needs one, a hospital bed, which makes hours of illness less tedious, and often is an imperative necessity, is a real boon. In many homes where sickness strikes the securing of such a bed is next to an impossibility, that is without help from the outside. In 1951 the N. S. Red Cross Society, through its Sickroom Loan Service, provided 135 hospital beds on temporary or permanent loan, in addition to 34 adjustable gatch beds for special cases, plus a variety of other very essential sickroom needs which otherwise would not have given relief to the patients concerned.

CAR BADLY WRECKED

While on a sick call to Samson's Cove, recently, Dr. F. Whyte of Grand Anse, struck a big boulder which fell from a truck hauling ballast to the new pier at Petit de Grat.

The doctor's car was badly wrecked and he luckily escaped injury.

More caution should be taken by truck owners hauling large boulders and a tail board should be used to keep them from falling off.

Dr. Whyte's car was practically new and had only been driven a few hundred miles when the accident occurred.

15th ANNIVERSARY OF GAELIC MOD

Baddeck, Nov. 15—The Nova Scotia Gaelic Mod will observe its 15th anniversary next August with a week-long celebration to be known as "Gaelic Mod Week" when an outdoor pageant of the '45 "Prince Charlie — Flora MacDonald" will be staged by 100 tartan clad students of the Gaelic College Summer School on the hills around Black Cove at historic St. Ann's and when "Gaelic Mod Week" will be opened with the introduction of "Theatre Under the Stars" on August 3rd, for the staging of Jacobite and Gaelic plays, Gaelic and Scotch Choral singing and pipe band events, it was decided at an executive meeting of the Gaelic Foundation this week at Baddeck.

In announcing the Anniversary features Gaelic Mod Director, Rev. A. W. R. MacKenzie, expressed the widespread popular demand that the Mod be extended for a full week; the ever-increasing number of Mod competitors and the opportunity presented to celebrate the 15th Anniversary of Gaelic Foundation Institutions led the Executive to inaugurate "Gaelic Mod Week."

In fifteen short years the infant Mod-Festival of 1939, then opened by Premier Angus L. Macdonald, just one month before the outbreak of the Second World War has grown from a two-hour competition program having less than fifty competitors to an event consuming several days of keen competition with over 500 entries and to be widely and officially recognized as Nova Scotia's Provincial Highland Scottish Gaelic Festival, and today promotes the Nova Scotia championship in Gaelic Singing, Highland Dancing and Bagpipe Playing. In 1950 the Nova Scotia Legislature passed a special Act naming the Mod—"The Nova Scotia Gaelic Mod."

Other outstanding features of the 1953 Mod will be "Highland Clans Day", August 6th when a Scottish Clan Chief will be present to address the annual "Gathering of the Clans, and when on August 4th, the 15th anniversary program of the Gaelic Summer School will be presened and the feature program celebrating the 15th birthday of the Gaelic Mod on August 5th.

NEWS ABOUT TOWN AND COUNTY

REYNOLDS J. SMITH

* * *

The passing of Reynolds J. Smith at his home here on Friday, the 28th of November, has removed from Arichat, a beloved and highly respected citizen who had reached the advanced age of 86 years.

Of a cheerful and friendly disposition, Reynolds Smith was always ready and willing to help his neighbours and friends.

A devout member of St. John's Anglican Church, Mr. Smith served as warden for many years and in later years as a vestryman always taking a keen interest in the progress of the parish. Christian devotion was exemplified during the lifetime of the deceased.

Surviving besides his wife are two sister, Mrs. Daisy Camiot of Brooklyn, Hants Co., and Mrs. Thos. Gue (Clara) of Halifax; one brother Frank Smith of Glace Bay; also a nephew Morton S. Binet of this town.

Funeral took place on Sunday afternoon from St. John's Church with Col. the Rev. William Rippon officiating and was largely attended.

The rector in his address took as his text, "Goodness and mercy all my life" taken from the hymn "The Lord is My Shepherd", a paraphrase of the 23rd Psalm and a favorite of the deceased. Speaking of the many fine qualities of the late Mr. Simth, the rector said that he was pleased that this hymn had been chosen for the service as it portrayed the "Goodness and Mercy" which was found in the character of the late Reynolds Smith during his lifetime.

He also spoke of the love and devotion which was attended the deceased and his widow by Mr. and Mrs. Gerald LeBrun and family.

The following hymns, favorites of the deceased were rendered, "Forever With the Lord" "The Lord's My Shepherd" and "Abide With Me". Marian Bourinot presided at the organ.

The pallbearers were, Charles E. Latimer, Alex M. Boudreau, Leighton Amey, Joseph V. Boudreau, Ralph Cutler, and Charles Donahue.

Honorary pallbearers were, Arthur LeBrun Sr.; Chas. S. Malzard, F. A. Thugood, John Tyrrell Thos. Shaw and Murdock Boudreau.

A kindly gentleman he fulfilled his mission on earth well and has left behind cherished memories that will always dwell in the hearts and minds of his bereaved widow, relatives and friends.

"Goodness and mercy all my life
Shall surely follow me,
And in God's house for ever-more,
My dwelling place shall be.

We extend our sincere sympathy to the bereaved wife, brother and sisters in the passing of a loving husband and brother.

Sporting Mountain Echoes

...

After tarrying for a time with other members of the family at Big Pond Centre home which is maintained and kept up-to-date for reunions, holiday outings, and other respites from city environment, Eunice MacPherson, returned to her charge in Seaview, Sunday evening.

It is complimentary to the courtesy of the motoring public that Miss MacPherson rarely pays transportation to or from her week-end studies in the Steel City.

Arthur Morrison motored up from River Tillard Sunday afternoon to enjoy a social period with a few of his old neighbours.

Ceretha McLennan and her mother Mrs. Dan McDonald were business visitors to Sydney Monday.

Enroute from Sydney to Halifax Thursday, Wm. McPherson of the Dept. of Fisheries, visited his sister at Seaview school.

Our new neighbours, Mr. and Mrs. Theodorus Yohannes Martens down on the Kaplan Farm are beginning to find their bearings, and their son is attending Seaview school.

Yohannes junior began at nine years, but maybe that is not a disadvantage.

We remember a pupil who came to us at that age, and she made rapid progress.

A. W. H. McDonald drove over from Oban Thursday evening, and his sister, Margaret, accompanied him back for an indefinite visit.

Yvonne LeBlanc, one of Miss Archibald's Grade XII class spent the week-end at home.

We had a big rainfall on Sporting Mountain, Friday, November 28th and thus were nature's reservoirs replenished for the winter months.

It was a neighbourly act on the part of Mr. and Mrs. Finlay Ross, of St. Peter's to send a significant contribution of house furniture to the home of the McLeod — Cooke children; but if neighbourliness is a heredity trait, it comes naturally to Mr. and Mrs. Ross from both ancestral lines.

TELEPHONE RATES REDUCED BETWEEN NFLD. & MAINLAND

OTTAWA — Substantial reductions in long distance telephone rates between Newfoundland and the mainland will become effective December 1, according to an announcement made in the House of Commons recently by Hon. Lionel Chevrier, Minister of Transport.

New rates for three-minute calls between Newfoundland and the Maritime Provinces are based on mileage, instead of the present flat charge of $7.20. For example the new rate between St. John's and Halifax will be $3.20 and between Port aux Basques and Sydney $1.20. Toll reductions will be borne by Canadian Overseas Telecommunication Corp., Avalon Telephone Co., Canadian National Telegraphs, Maritime Telegraph and Telephone Co., Bell Telephone Co. of Canada, and the New Brunswick Telephone Co.
