Dr. F. Whyte of Grand Anse--Nominated Progressive-Conservative Candidate

R. F. Stanfield, Opposition Leader Addresses Convention

St. Peter's, April 21st — Dr. F. Whyte, Grand Anse physician, who emigrated to Canada from Scotland three years ago, was named Progressive Conservative candidate at a meeting held here on Monday.

Dr. Whyte's nomination was moved by L. W. Morrison of St. Peter's and seconded by Arthur B. Martell, of Petit de Grat.

In accepting the nomination Dr. Whyte gave a very fitting address expressing his hope for election and his desire to serve the people of Richmond County.

Dr. Whyte will oppose Earl W. Urquhart, Legislature Member and a Liberal.

The meeting was under the chairmanship of Mr. J. H. MacIntosh of Dundee, president of the Richmond County PC Association. Mr. MacIntosh stated that is was one of the largest Conservative conventions held in a good many years.

The principal speaker was R. L. Stanfield, leader of the PC party in Nova Scotia.

Other speakers were A. O. Gunn LL.B., of Sydney, candidate in Cape Breton South and president of the Party organiation in the steel city; Walter Colquhoun, president of the provincial organization; J. W. Sampson of River Bourgeois, warden for Richmond County; Deputy Warden John Doiron, Port Royal and Byron S. Langley of Point Tupper.

After the convention a meeting was held to appoint the executive for the ensuing year, namely:

James Richard, River Bourgeois, appointed president, replacing J.H. MacIntosh; Henry Samson, Louisdale, re-appointed vice-president, and Alex Morrison, St. Peter's re-appointed secretary.

Recognized as an authority on cooking, Mrs. Frank Good, of Stanley, N.B., gets top results with Fleischmann's Yeast.

Winner of 25 Cooking Prizes at 1952 Stanley Fair

Over the years at Stanley's century-old fair, a goodly crop of top awards for baking has come to **Mrs. Frank Good**, of Stanley, N.B.

At the most recent exhibition Mrs. Good's rolls, bread, cakes, cookies, pies and preserves won no less than 25 awards — an enviable record in a county where home cooking is a fine art.

"Certainly it takes experience to be a good cook," says Mrs. Good, "but it also takes the best ingredients. For example, you have to use a good reliable yeast to get top results for rolls and bread. I myself use Fleischmann's Yeast . . . Fleischmann's is so active and dependable."

That's where they all agree! Prize-winning cooks say that Fleischmann's Yeast simply has what it takes to give you perfect risings each time. No wonder it's been the favorite with Maritime women for over 80 years!

First Mass Celebrated In New St. Peter's Church

The electronic bells of the new St. Peter's Church at St. Peters, Richmond County, pealed out for first time Easter Sunday morning to summon the parishioners to the first Mass to be celebrated in the imposing new structure.

Under a warm Spring sun, altar boys in red soutane and white surplice preceded the clergy vested for Mass in solemn procession from the Glebe House to the Church where the choir in joyous Easter hymns voiced the triumph and thanksgiving of the congregation for the completion of this beautiful new edifice dedicated to the honor and glory of God.

Solemn High Mass immediately followed the first blessing given by the pastor, Rev. J. H. MacEachern, assisted by Rev. R. A. Peterson, OSA, of St. Augustine's Monastery and Rev. Cyril Tobin of St. Francis Xavier University.

Mighty Fortress

The sermon was given by Fr. Peterson, who congratualted pastor and parishioners for their co-operation in the great project of building a new church. The new St. Peter's, he said, would stand as a mighty fortress erected for the honor of God, the divine Teacher.

After the Mass, Fr. MacEachern briefly expressed his joy on the occasion and said that the whole parish could share in the significance of the Easter text: "This is the day that the Lord hath made. Let us be glad and rejoice in it."

Fr. MacEacern recalled his appointment to the parish two years ago when the new church soon became a matter for serious study and consideration. May 14, 1952, His Excellency Bishop MacDonald broke the ground on the site of the new church and actual construction began shortly thereafter, with the result that the building is now a reality. Fr. MacEachern congratulated the parishioners on the excellent spirit of sacrifice which had made the new church possible.

Stations Blessed

The same evening, the Stations of the Cross were blessed and erected by the Very Rev. A. A. Boudreau, P.P., Petit de Grat, who was delegated by the Bishop for this purpose. Fr. Boudreau was assisted by Fr. MacEachern, Fr. Cyril Tobin, Fr. Dan A. McDonald, P.P. Jonstown, and Fr. A. Doucette, P.P. West Arichat. Solemn Benediction followed.

Bishop MacDonald will formally open and bless the new church May 18. Plans are being made by the parishioners to care for the large number of visitors expected on that occasion.

8. Special - French for English speaking pupils
Ursula O'Hearn, Arichat

The Third Annual Speech Festival for Richmond County, sponsored by the County Council of Home and School Associations, was held in the County Hall, St. Peter's, on April 15th. Parents, Clergy and interested citizens from all sections of the County were present to hear the fifty-two participants representing seventeen Schools in the County. Also in attendance from outside the County were Mr. H. H. Simpson, President of the Nova Scotia Federation of Home and School Associations, and Mrs. Simpson Dr. Wm. C. Ross, Director of Temperance for the Province and Mr. Herman Timmons, Regional Representative of the Division o. Adult Education.

Local eliminations were held in thirteen areas and the winners from these areas came to St. Peter's for the Final Eliminations. The program began at 7:30 under the Chairmanship of Inspector R. O. Chiasson. The Chairman introduced the two adjudicators for the evening: Mr. Clifford Edwards M. A. Inspector of Schools for Annapolis County, and a native of Arichat, Richmond County, who adjudicated the English section; and Professor Leo Doiron, M. A. a native of Pomquet, Antigonish County, and Professor of French at St. Francis Xavier University , who adjudicated the French section. Adjudication was made after the Poetry, the Prose and Original Speeches, and the Awards were presented by Mrs. Paul White, President of the Richmond County Council of Home and School Associations.

Mr. Edwards said it was always a joy to come back to Richmond, his native County, and in this case it was a very special joy. He congratulated the speakers for their excellent deliveries. Their very splendid performance, he said, reflected training of a very high calibre on the part of the teachers. He said he would like to pay tribute not only to the pupils but to the teachers who have recognized the talents of the young people; to the Inspector for his encouragement and his assistance; to the Home and School, and last but not least congratulate fathers and mothers and interested citizens. He said he was mentioning five agencies who went into the success of any venture of this kind, and said tribute should be paid to all five. The great work of Education, Mr. Edwards said, is to help unfold the talents we all possess.

In a similar vein Professor Doiron congratulated the speakers, the teachers and all those who had a part in the Festival. He expressed his amazement at the quality of the speeches and the scope of the Festival.

Both adjudicators made very constructive criticisms which later will be sent to the teachers for distribution to the pupils who participated in the Festival.

Included in the evening's program were speeches on Co-operative topics sponsored by the Nova Scotia Co-operative Union. It is well to recall that last year a pupil of Richmond County won the Provincial championship in this Public Speaking Competition. A committee of four under the Chairmanship of Inspector Chiasson worked out the details to include this competition with the Speech Festival as it was done last year.

There was one entry in the **Special Class of French given for English Speaking Pupils** given by Miss Ursula O'Hearn, Arichat.

The excellence of the speeches in the Nova Scotia Co-operative Union Public Speaking Contest made it very difficult for the adjudicators. Their excellent comments and criticism will be of great help to the teachers and pupils in the future.

Closing the program Inspector Chiasson congratulated the pupils and the teachers, and expressed his thanks to all the people who had co-operated in giving time and help in preparing the hall for the Festival, and to all who gave their support to this worth-while project by attending the final performance in St. Peter's.

The Festival closed with the singing of "God Save the Queen".

West Arichat Home and School

The regular monthly meeting of the Home and School Association was held at Acadiaville School on Sunday, April 12, with a good attendance. Mr. Francis Duann, president ,presided.

The meeting opened with the singing of "O Canada" and the Home and School prayer.

Due to illness the secretary-treasurer, Miss Gerroir could not be present. Miss Jean LeJeune was appointed secretary of the meeting for the evening.

Mr. Raymond Gerroir read the creed and Mr. Duann read the president's message. Minutes of the previous meeting and the financial report were adopted as read.

Tickets on the desk kindly donated to the section by Mr. Gerroir were distributed to members who volunteered to sell them. The drawing for the desk will take place at the school closing.

Mr. Wilfred Forgeron, trustee, advised that the carpenter work in the toilets, recently installed in the school, was finished.

Mr. Alfred Boudreau suggested that a question box be placed in a convenient place in the room into which members may place questions that will be answered at the following meeting. All members approved of the idea.

Guest speaker for the evening was Father Poirier. He spoke to the members on Vocations in which he stressed the duties of parents in helping their children choose a vocation and the great need of priests and religious orders in the Diocese.

At the refreshment period, a delicious lunch was served by Mrs. Gaston Fougere, Mrs. Albert Forgeron, Mrs. Leo Forgeron and Mrs Amedee Lavandier.

The meeting then adjourned with the singing of the National Anthem.

MUSIC AND MADNESS

Canadian troops in Korea have been getting an extra shot in the arm during the past few weeks. Comedians Johnny Wayne (left) and Frank Shuster, with singer Terry Dale, have headed an entertainment troupe providing props for servicemen's fagged-out funny bones with music and madness. The gang that took off from Toronto on March 24th included dancer Zena Cheevers; musicians Lou Lewis, Jimmie Reynolds, Vic Centro, Ted Roderman and Harry Nicholson; announcer Herb May; CBC producer Jackie Rae; and sound engineer Don Bacon. So that listeners in Canada could hear their regular edition of the Wayne and Shuster Show on the CBC's Trans-Canada network, the group recorded shows on tape and shipped them back by air.

Wedding

DOREY — DOREY

The Immaculate Conception Church was the scene of a pretty wedding on Monday April 20th when Rev. Fr. Doucett united in marriage Theresa Dorey and Albany Dorey, both of Janvrin's Harbour. The bride was attractively attired in a floor length dress of white chiffon crepe, sweetheart neckline trimmed with embroidery, long sleeves and full flowing skirt. Her long veil of tulle illusion fell from a halo trimmed with seed pearls. She carried a nosegay of pink and white flowers and satin streamers.

The bridesmaid was Miss Isabelle Dorey, sister of the bride. She looked lovely in a gown of blue satin, with full flowing skirt. Her shoulder length veil was held in place by a coronet of flowers. She wore a corsage of forget-me-nots.

George Dorey supported the groom. Immediately after the ceremony a reception was held at the bride's home for immediate relatives and a few friends. Following the reception they left on a tour of the Island returning later to the home of the groom where supper was served to a number of relatives and invited guests. They will reside at Janvrin's Harbour where the groom has a new home. We wish them a long and happily wedded life.

MRS. JENNIE MacLEAN

Many are called but few mourned so sincerely and generally as Jennie MacLean.

Her gracious and democratic nature made her everybody's friend and everybody mourns her untimely passing.

A component and effective part of St. Peter's community life, Jennie MacLean must long be missed in the town of her adoption.

Down at the big funeral in St. Peter's Wednesday afternoon, it was pleasing to be greeted by a sprinkling of old friends from the Strait of Canso to the Steel City and particularly pleasing to mingle with venerable veterans like James MacIntosh, James Calder, and Frank Cotton.

When Mrs. T. Morris (Carrie MacKenzie) wedged through the crowd to contact us, it touched a responsive chord within our heart and resurrected cherished memories of sojourns in the Steel City and pleasant associations with the Sydney MacKenzie's whose forbears migrated from the Sporting Mountain area.

We are glad to have the popular Sporting Mountain teachers, Eunice MacPherson and Frances Murphy of Seaview and Oban respectively, back with us for the final period of the school-term after enjoying well earned vacations at home.

Scaler Jimmie Boudreau checked up on the pulpwood along our road margins Monday, and the operators were in cheerful mood next day.

J. N. Morrison and J. H. Ross were business motor visitors to Grand Anse, Wednesday.

Date of writing is April 18th and we are favored with one of the earliest springs that has been.

The frogs which are the most authentic authority were a few weeks ahead of schedule this season.

Mrs. Jennie F. MacLean

It is with the sense of deep sorrow that the duty devolves upon us to record the death of Mrs. Jennie MacLean which occurred recently after two months illness at the City Hospital, Sydney, N.S.

She was a worthy native of Black River in the County of Richmond, N. S., but was a resident of St. Peter's for many years where she was always a prominent factor in the community and practical work of that town.

Her span of life extended to a period of three score and two years. One of her parents Donald MacLean was a renowned mathematical and classical scholar holding a permanent first class license thus enabling him to teach High School grades in an advanced department. While teaching school in St. Peter's in the earlier days one of his pupils was the late Dr. C. P. Bissett who represented the County of Richmond for a number of years in the House of Assembly at Halifax and another pupil was the Rev. A. J. MacDonald, a native of Loch Lomond but a resident of the City of Toronto for some years.

Also the late Donald MacLean referred to was a prominent elder for over a decade in the Presbyterian Church and on Friday of the annual Sacrament could ably grapple with the "text" (announced on the spur of the moment) second to none. His fluency and mastery in both Gaelic and English was equaly good. We know whereof we write because we were there ourselves and could understand both languages.

The other parent of our departed friend as Miss Jane Hill daughter of the late Venerable Robert Hill, a saintly man and a ruling elder in the Presbyterian Church together with occupying the important position of a presenter in English of the Psalms of David and the lovely paraphrases, so beautifully rendered vocally.

It is interesting to note in this connection that the late Mr. Hill referred to was married to a Miss Livingstone a descendant of the noted pioneer Missionary David Livingstone who spread the Gospel into the dark continent of Africa.

It may also be noted that Miss Jane Hill already mentioned who became the wife of the late Donald MacLean referred to was also a capable school teacher who taught successfully in her own native district.

It is only natural that we would mourn for the departure of loved ones and although time may be a great healer still it is also a great revealer which in moments of our silent meditation incidents and associations of the past vividly loom up before our minds having a tendency to renew the sorrows of broken hearts when we are prone to exclaim:

"Oh, for the touch of a vanished hand,
And the sound of a voice that is still
On earth we never more shall meet,
But in heaven we surely will."

On Wednesday at 2 p.m. a preliminary brief service was held at the home at St. Peters followed by a funeral service in the Church which was filled to capacity by people coming from far and near to pay the final tribute of respect to a friend who they admired so much.

Rev. John MacLeod, pastor of the congregation gave an excellent testimony of the value and worth of the late Mrs. MacLean in the church and community. Honourably assisted by Rev. Stewart MacDonald a former minister of the congregation who read an appropriate portion of scripture with his usual noted elocution proper accent and pleasing melody.

Burial took place in the family plot in a nearby cemetery where her husband was buried who predeceased her some years ago.

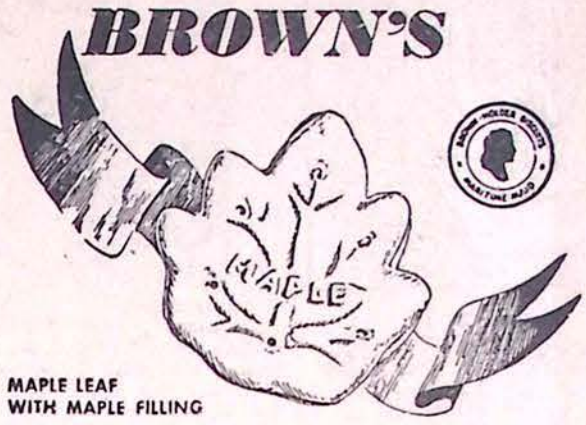

Those who survive are as follows: two daughters, Mrs. Clyde Hunt, New Hampshire, Myrtle of St. Peters one son Kenneth residing in Sydney, one sister Tina May, Mrs. Roland Butters, Danville, New Hampshire and one brother. Alexander Stirling, employed with the Department of Highways at Halifax.

To the two daughters and son who now find the vacant space in the home without the presence of a kind and devoted mother, to the sister and brother at the loss of a loyal and affectionate sister, their many friends extend heartfelt sympathy. Finally we ourselves include the following tribute in words of a distinguished poet.

"Be kind to thy sister not many may know,
The depth of true sisterly love
The wealth of the ocean lies fathoms below
The surface that sparkles above
Thy kindness shall bring to thee many sweet hours,
And blessings thy pathways to crown
Affection shall weave thee a garland of flowers
More precious than wealth or renown."
