Nova Scotia Perfect For Holiday

Wherever his clerical duties and journeys may take him, Rev. G. MacGregor Grant, Minister of Rosedale United Church, Toronto, never fails to get in some missionary work on behalf of his native province.

Rev. Mr. Grant who is in Halifax on the start of a five weeks visit to Nova Scotia, four of which will be spent at Parrsboro Beach --last winter gave an illustrated lecture on Nova Scotia to the Rotary Clubs of Troy and Rochester in New York State, as well as service clubs and church groups in Ontario cities. He reports intense interest among American and Upper Canadian audiences in the seaside province as a holiday centre.

"Following a travel talk given at a Chamber of Commerce luncheon in Rochester, New York, he said, "At least two dozen men told me that they had been to Nova Scotia and were delighted with its superb scenery, salty tang, and unspoiled people."

Mr. Grant, who will address the Lake Placid Club at Lake Placid New York, on the same subject0 next winter, is full of enthusiasm for his native province. He said: "I have visited much publicized resorts in Muskoka, Georgian Bay and the Adirondacks, but I have seen nothing to equal the beauty and charm of Nova Scotia. I believe that the influx of summer visitors will increase in ever growing proportions because Nova Scotia has attractions for the tourist that are quite unique. For the perfect holiday, give me "CANADA'S OCEAN PLAY-GROUND".

Sporting Mountain Echoes

A recent motor trio to arrive from Boston, Mass., comprised Mrs. Annie McMahon (Annie Morrison) her son-in-law and daughter Mr. and Mrs. Eddie McIntosh.

Enroute to the Pringle home at The Points, Sunday afternoon, accompanied by Mr. and Mrs. Kyte of River Tillard, they parked at our gate that Mrs. McMahon might thus renew cherished associations that date back to school days in the old school-house at the crossroads.

Surely we had occasion to be glad for a visit from Annie.

Jas. R. Morrison called upon friends in Seaview Monday, preparatory to returning to resume his position with the Lynn, Mass. Electric Company.

While a guest for a few days of the Chestnut Inn, Baddeck, he had occasion to visit friends and places of interest in the vicinity including the Gaelic College.

Thursday, accompanied by his cousin, Mabel McKenzie of the well and popularly known R. D. McKenzie family, St. Peter's, he was Boston bound.

We are sorry to report that at time of writing our veteran neighbour John W. Goswell lies seriously ill at his home in Seaview.

We are indebted to our friend W. L. McPhee of St. John, N. B. for a publication relative to a theme in which we are interested.

Love is to the moral nature what the sun is to the earth.
Honore de Balzac.

"I'd like to say this to all Canadians..."

UNDER a Liberal government, Canadians have added every year to the national strength and national unity of Canada;

We have had the greatest expansion of social welfare in our history;

We have increased our employment, our production and our national income every year;

We have had the greatest expansion of our primary and secondary industries — truly an industrial revolution;

Because of the outstanding contribution of the members of our Navy, Army and Air Force, we have been able to do our full share to prevent and to stop Communist aggression;

We have reduced the national debt every year, and, in the last two years, reaped the reward in lower tax rates.

Do we want all that to be continued?

Do you really think it's time for a change?

For a change to a Parliament of regional groups — a handful of Social Crediters from the Far West, a few Socialists from the Prairies, a few more Conservatives from Ontario or the Maritimes and some so-called Independents from Quebec?

In such a Parliament without the leadership and responsibility of a united national party, how could the government help being weak and insecure?

Do we want a weak and divided government to deal with the formidable problems of the next few years? I ask you, IS it really time for a change?

We believe most Canadians want a government which encourages enterprise, promotes trade and fosters the exploration and development of our resources; and you know it as well as we do, that requires balanced budgets, paying off debts in prosperous times and a tax structure which, while fair to all, is adequate to meet these demands.

Marine Railway Issues Booklet

We thank our good friend Arthur J. Langley, president of the Port Hawkesbury Marine Railway Company, for a copy of a splendid book, entitled "Strait of Canso".

A progressive business man, Art Langley is a credit to Cape Breton and to his native town of Port Hawkesbury.

The book contains some excellent photos of the dry docks at Point Tupper operated by the Port Hawkesbury Marine Railway Company since 1864. Other photos of ships are shown together with charts and data on the Strait of Canso.

Regardless of the Canso Causeway we are confident that the Strait towns will continue to prosper and with such men as Art Langley who will see to it that some avenue of industry will be established along one of the best waterfronts in Nova Scotia.

Mrs. Harley Mattinson, of Springhill, N.S., gets prize-winning results from a famous yeast.

TURNS OUT PRIZE BAKING FOR OXFORD COUNTY FAIR

Around her home on Heriott Road, Springhill, N.S., Mrs. Harley Mattinson rates as a swell cook. The judges at Oxford County Fair seem to be of the same opinion, for each year she brings home prizes for her yeast - raised baking!

For folks who aspire to prize-winning baking, Mrs. Mattinson has some good commonsense advice. "Good ingredients are the basis of good baking," she says. "You have to use a *yeast* with lots of pep and go—or else your results won't be up to scratch. I've used Fleischmann's Yeast for years—it's one yeast you can depend on for fast rising and fine results."

Sound advice! Clever Maritime cooks everywhere get tip-top baking results with Fleischmann's Yeast.
