FIFTY-SEVENTH YEAR | ARICHAT, CAPE BRETON, N. S., OCTOBER 31, 1953 | No. 9

World's Plowing Champion

Toronto — A modest, almost shy young Ontario dairy farmer, who placed second in both provincial and Canadian championships is the first tractor plowing champion of the world. ....

In fact, so modest is James Eccles, 34, of Brampton, Ont., about his plowing abilities, that he was not intending to enter this year's Ontario Plowmen's Association International Match at all. He did so at the last minute only at the close urging of close friends.

For the first two days of the four-day plowing match, Eccles trailed behind 28-year-old Robert Timbers of Stouffville who came in ahead of him to win the Ontario and Canadian championships. But during the last two days, when the world classes were held, it was a different story.

Eccles was almost the last man to get started, but when the final score was announced he had beaten competitors from ten other countries and Bob Timbers as well. Timbers placed third in the world class.

Both Eccles and Timbers are past winners of the Esso Trans-Atlantic Class and have made the six-week's trip to Great Britain and Europe to compete in plowing matches there. Bob Timbers was silver medalist in the Esso-Trans-Atlantic in 1948 and Jim Eccles was gold medalist in 1949.

They will both compete in the second world match to be held in Europe, early next fall. They will travel as guests of Imperial Oil.

Eccles who has been match plowing for 19 years, is the first winner of the Esso Golden Plow, the World Championship trophy. He had three clear points over his nearest competitor. In a field of 20 champion plowmen the judges rated the first seven as follows: Eccles, 154 points; Odd Braut, Norway, 151; Timbers, 150; Allan Helin, Sweden, 147; Leslie Dixon, Great Britain, 146; Olav Nedberg, Norway, 145 and F. T. L. Van Gallen Holland, 144.

Jim Eccles works a 425-acre dairy and mixed farm four miles west of Brampton. His farm has been in the Eccles family since it was settled by his great grandfather who crossed from the British Isles in a sailboat. He is married to the former Margaret Ford of Milton, Ont., and has two daughters, Wilma, three and Heather Marie, eight months.

Bob Timbers, one of the youngest veterans of match plowing in Ontario, has been contesting OPA Internationals since 1946. When he won the first Canadian championship this month he became the first holder of the Esso Silver Plow, the national championship trophy donated by Imperial Oil.

Bob has been coached by his father, Winfred, since he was nine. An uncle, Fred Timbers, won the 1946 Esso Trans-Atlantic award, and a cousin, Eugene Timbers, won the 1951 overseas trip.

Bob owns a 100-acre mixed farm, near Stouffville, where he was born. He is married to the former Leatrice Nicholson. They have a son, Barry, four who proudly watched his father plow his way to the national title, and a daughter Karen, five.

J. D. Thomas of Toronto, who was elected president of World Championship Ploughing Organization. He succeeds J. A. Carroll of Toronto, first president of the organization. The first world ploughing match organized by W.C.P.O. was held at Cobourg, early in October. Eleven countries competed. The second match will be held in Republic of Ireland next October.

Meeting Home And School County Council

The Richmond County Council of Home and School Associations will meet in Arichat on Wednesday, November 4th. Afternoon session will begin at 2.00 oclock and will be held in the school house, and the evening session starting at 7.30 o'clock will be in the Convent Hall.

Supper will be served by the local Home and School Association.

The afternoon will feature group discussions and the problems of the local Home and School Associations and other educational groups.

The evening session will feature a report of the group discussions, guest speakers and other items of interest to the people.

Teachers have been urged to attend whether they have a Home and School Association or not in their school section. The Home and School Council endeavours to reach as many pupils as possible all over the County through their projects, and therefore the help and advice of the teachers in the school is necessary.

Each Association is entitled to send five delegates; one of whom should be a member of the teaching staff, the President of the local Association and three members from the membership at large. The general public is cordially invited to attend.

River Bourgeois News

The annual meeting of our local Credit Union was held on October 19 at the R. B. parish hall.

The secretary treasurer gave the yearly report, which showed a capital of $35,427.49. The amount of shares collected during the year was approximately twenty thousand dollars.

The following officers were elected for the forthcoming year. Mr. Walter Fougere was re-elected to the supervisory committee and Mr. John Landry was appointed to act on the credit committee.

Guest speakers who attended the meeting were Mr. Rod McMullin and Mr. McDougall from the extension department Antigonish.

After the meeting two educational films were shown and a delicious lunch was served by the ladies of the parish.

Cpl. George Bowser, RCAMC who is stationed at Fredericton, is home on sick leave. We wish George a speedy recovery.

Ord. Seaman Maurice Landry RCN spent several days with his mother Mrs. Charlie Landry.

Quartermaster Peter Boudreau and Charlie Landry, ship's carpenter, both of the government operated Lady Laurier spent the week-end at their respective homes.

Mr. James Richard has returned home, much improved after receiving treatment at Camp Hill Hospital, Halifax. We hope this improvement will be permanent.

Mr. and Mrs. Walter Bouchie and daughter Dianne spent Sunday with Walter's parents, Mr. and Mrs. William Bouchie.

Walter is employed as a road foreman with Mr. Bob Latimer of Truro.

Mr. and Mrs. Jack Smythe (Pauline Burke) were visitors from Halifax at the home of Mrs Smythe's parents, Mr. and Mrs. Maurice Burke.

A quiet wedding was solemnized in St. John the Baptist Church, on October 19, when Mary E. Pottie and Ernest Burke were united in marriage by Rev. Fr. Samson.

We wish this young couple a long and happy wedded life.

A hunting party from Halifax comprised of Frank Hamm, Clarence Richard and Charlie Digout spent the week-end combing through the woodlands in search of the elusive deer.

The only nimrod of the party was Charlie, who with chest bulging came out of the woods with a specimen resembling more a domestic house cat than a deer. Of course there was the usual story of the "big ones that got away". Better luck next time, Charlie.

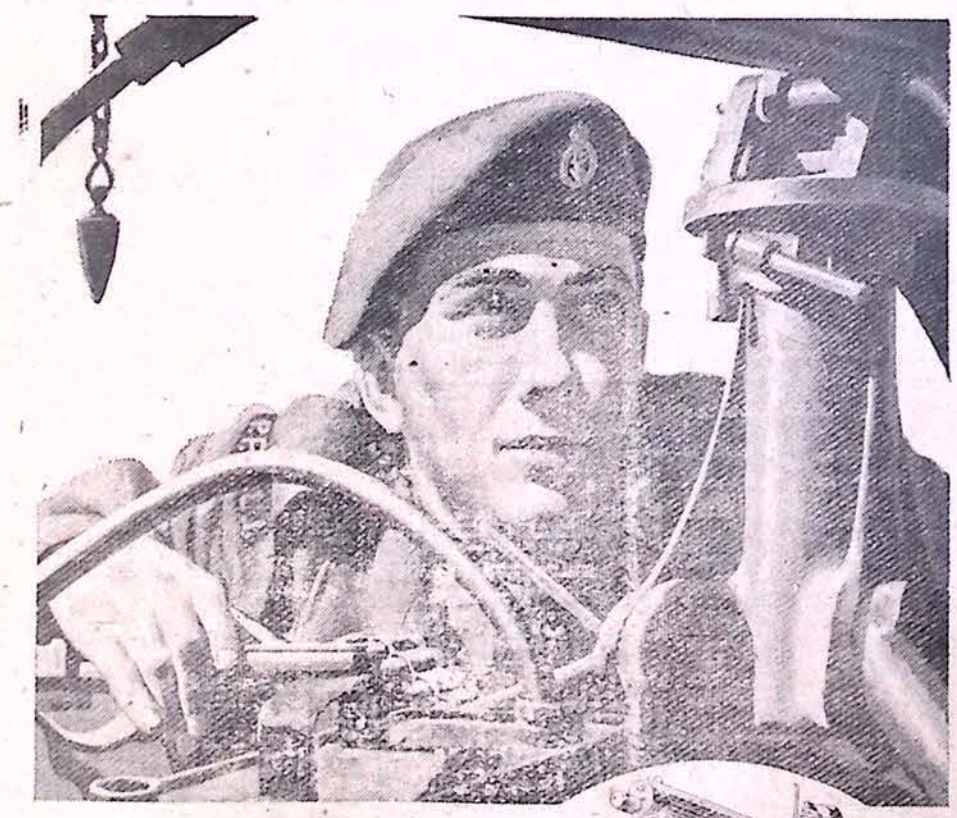

Born to Mr. and Mrs. Charlie Thibeau a daughter, Margaret Emilda.

DUNDEE DEW DROPS

Mids showers of faded falling leaves, as nature was abandoning her autumn tartan, the stork was on his way with two little baby girls.

Making his first stop at Isle Madame Hospital on Monday night at 9.30 he left a bundle of joy for Mr. and Mrs. Ralph MacInnes, St. George's Channel and the following eve at 7.30 Mr. and Mrs. Ernest MacRae were blessed with another baby girl at their new home in Dundee.

Helen Amelia MacInnes, a brunette and Flora June MacRae a blond, both weighed over 7 lbs. Helen Amelia made her debut here on Sunday eve, 25th, on her way home in the MacInnes Pontiac.

Congratulations are extended to the proud parents.

Murdock MacDougall returned to Brookline Mass., after a two weeks visit with relatives and friends in Cape Breton.

Mr. and Mrs. A. C. Russo and little son Jackie, returned to Dundee after a two weeks sojourn in USA. They were accompanied by J. J. Russo of Melrose, Mass.

We feel indebted to our worthy West Bay correspondent for the wonderful tribute accorded our departed friend, in the person of C. R. Leonard. Few people were more intimate with the deceased and no other was more capable of publishing the obituary.

We feel a personal loss in the death of Mr. Leonard and there will be an aching void in the village of West Bay for many years to come.

To the many friends who may have occasion to visit in that area there will seem a 'hush' where they once heard the loud cheers of welcome as they approached the hospitable home. But we shall cherish the memories of his many fine qualities and the many pleasant visits with he and his wellmated wife, and their happy family.

To the surviving widow and family we extend our deepest sympathy.

May Providence protect them as they carry on through life without the counsel and affection of a loving husband and father.

From Grand Anse

Mr. and Mrs. Leonard MacGillivary of Grand Anse, accompanied by Mrs. Earl MacDonald, of St. Peter's were motor visitors to Arichat on Tuesday. While here the former visited their daughter Rosena at the OLA Convent.

Mr. and Mrs. MacGillivary report a very good tourist season at the White House Lodge.

Sporting Mountain Echoes

...

Deer are apparently scarce on Sporting Mountain this season and local hunters are finding it difficult to secure their quota of venison.

However Arthur Morrison succeeded in bagging a big buck, Wednesday.

The many friends of Mrs. Anthony Burke (Cbline Boudreau) regret that she is at present a patient in St. Rita's Hospital and trust that she shall soon be back with her children.

Elliott McLeod has returned from P. E. Island whither he went to help store the potato crop.

Arthur Morrison and the Burke sisters of Cannes comprised a motor trio to Seaview, Wednesday evening.

The Tousnard brothers (Allan andd Roderick) were business motor visitors from River Bourgeois to Sporting Mountain Thursday.

When Mrs. Samuel Boudreau accompanied her daughter, (Mrs. Burke) to St. Rita's Hospital Thursday, she had occasion to talk to Johnnie Angus McPhail of Oban and says he was looking alright and seemed contented.

Last week it occurred to us that ere we went into winter hibernation we should go to see our unassuming but proficient housewife Margaret McDonald, who is indisposed and receiving medical attention at the home of her brother and sister-in-law, Mr. and Mrs. D. R. MacDonald, Port Hawkesbury.

We contacted our trustworthy friend, Ceretha McLennan, who was at our service betimes Wednesday, with the Chevrolet.

Gussie Hawley of Mabou who was a guest at the hospitable McDonald home in Oban accompanied us.

A preparatory visit to Harold McDonald's tonsorial parlor at St. Peter's made us more presentable and eventually we were on the way.

A neighbourly call to our old neighbors Mr. and Mrs. John N. Morrison in their new and elaborate home at Ance de Loup proved an interesting and pleasurable prelude to an eventful day.

At Kempt Road we went to see Murdock McDonald (86) and his sister Mrs. Butcher (84) and it was pleasing to see these warmhearted old friends so active and well preserved.

Next we were at our objective and enjoyed for an extended stay the genial atmosphere of the spacious and completely finished and furnished McDonald home overloooking the harbor, The Strait and the Canso Causeway.

Returning we dropped in for a brief chat with retired Conductor W. Davis.

Unfortunately Mr. Davis is now restricted to his comfortable and commodious home, but is blessed with the kindly ministations of an active and ever cheerful wife.

In our final call we were doomed to disappointment. We failed to find Mrs. Annie (Stewart) McDonald and her prepossessing daughter Margaret at home.

New Entrance At Hospital

A new front entrance is being constructed at the Isle Madame Hospital here and when completed will add greatly to the appearance of the building. It will entail considerable expense and would be greatly appreciated by the Isle Madame Hospital Board if financial assistance were given to help defray the cost.

All donations will be acknowledged in the Record and official receipts forwarded to the donors.

A hospital in a community is a worthwhile institution and as the Isle Madame Red Cross Outpost Hospital is giving a service that must be recognized it is everyones' duty to see that it continues to function.

The September meeting was held on Sept. 24th, meeting called to order by the retiring president, Mrs. James Benoit after which Mrs. Sylvester Sampson occupied the chair.

Plans were made to have a well dug near at hand in order to have water for the Caustic toilets.

It was decided that the Home and School Association would continue to sponsor the Cod Liver Oil Capsules for the coming year.

Meeting adjourned with the singing of God Save the Queen.

The October meeting was held on the 15th and was brought to order with the singing of O Canada, Mrs. Sylvester Sampson presiding.

A motion was passed to donate $60, which was raised at a social, to the section.

The Presidents message from the October news letter was read by the principal Carl Boudreau, who also urged the members to bring in their friends in order to increase the membership.

A discussion took place on education (1) the promotion and grading (2) the advantages of the new reading program.

It was reported that a well had been dug and plans were made to complete the work.

The Health Committee reported that 2000 Cod Liver Oil Capsules had been received and were distributed to the children daily.

Six delegats were appointed to attend the meeting of the County Council to be held in Arichat on November 4th.

The meeting adjourned with the singing of the National Anthem.
