FIFTY-SEVENTH YEAR — ARICHAT, CAPE BRETON, N. S., NOVEMBER 7. 1953 — No. 1

1953 Cape Breton Folk School to Open

Cape Breton's fourth Folkschool will open at Mabou on Monday, November 23 and will end on December 4. This year's school is being undertaken under the sponsorship of the Farmers' Associations of Inverness County with the cooperation of groups throughout Cape Breton Island. It is anticiated that the bulk of the students will be drawn from various centres of Cape Breton Island with some representation from the eastern mainland counties.

As in past years, the folkschool will be organized and staffed by the Nova Scotia Division of Adult Education, the Nova Scotia Department of Agriculture and the Physical Fitness Division of the provincial Department of Education. The staff will comprise personnel who have an intimate insight into the problems facing the small rural commuity of today.

Subjects treated during the course will include public speaking, conduct of a meeting, dramatics, discussion group techniques, Nova Sotia history and literature, organization of community programs, physical recreation and community singing.

Reading, discussion and participation in group activity are the basic educational methods of the folkschool. Emhasis is placed on the principle of learning by doing. Community problems are treated by group discussion carried on by the students, rather than by lectures; dramatics is learned by having the students develop and set out their own plays and skits; skill in public speaking is acquired gradually through practice in putting one's idea before the whole school; community recreation techniques are developed through active participation rather than spectatorship. There are no examinations of any kind.

The whole program of the folkschool is designed to provide a rich and enjoyable experience in community living for those who attend. It offers an opportunity for men and women interested in the problems of the rural community to live, think and study and play together under the guidance of a staff group of diverse skills. The total folkschool program is aimed at the growth and development of the students in ideas, in reading and speaking ability and in a healthy outlook and attitude towards the possibilities of the small farming and fishing communities of Nova Scotia.

Organizations throughout Cape Breton -- Farmers' Groups, Home and School, Women's Institutes, Cooperative Societies, Credit Unions, Young People's, Church Groups etc. -- are invited and urged to select and sponsor one or two students to attend this year's school. The investment is small; and the return to the organization and to the community will be great. Past experience has shown that folkschool students return to their home communities to organize groups, to help make meetings more interesting, to initiate community programs of action, and generally to share with others their rich experience at the folkschool.

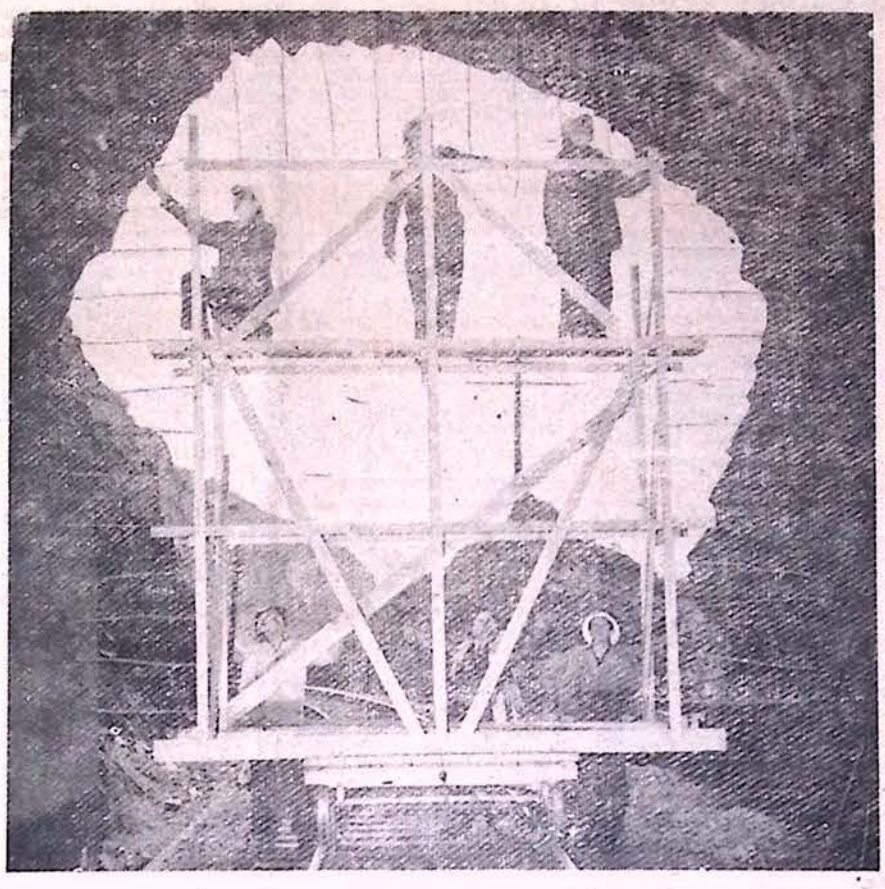

Any individual or organization interested in obtaining further information about this year's Cape Breton Folkschool is invited to contact the local agricultural representative; the Sydney office of the Division of Adult Education; or the secretary of the folkschool committee, Miss Mary MacNeil, Mabou.

Measuring The Bores

Tunnel template being used in British Columbia to prepare 44 district tunnels for the arrival of Canadian Pacific Railways "scenic dome" observation cars next year, is an accurate, efficient, if makeshift contraption consisting of two by-fours and twigs. Acting as delicate template "fingers", the twigs probe the sides and arc of tunnels, and irregular, projecting rock is later etoped, or excavated. Here, a C.P.C. crew commences work in a curving tunnel west of Kamloops on the Vancouver Division.

Annual Plowing Match A Success

St. George's Channel — Another successful plowing match was held on the farm of Ross MacInteon, St. George's Channel, under the auspices of the Richmond County Federation, on Wednesday, October 28.

The Horse Competition was reduced to six entries, a constant decline from 18 teams a few years ago. Tractors numbered five; first prize in the walking plow competition went to the veteran A. J. Campbell, Points, West Bay, who later received a prize for the oldest plowman; second went to Angus MacInnes, former provincial runner-up; W. D. MacKay, Points, West Bay, was third; Bert Buchanan, Grand Anse was fourth; Richard Smith Lundee, fifth; W. M. Pringle, Points, West Bay, was sixth. Bert MacIntosh made a clean sweep in the tractor competition, and in the opinion of the judge, Mr. Stewart MacRae of Middle River, his work would have stood up in a Provincial Competition. Other prize winners were Ralph MacInnes, Phil MacInnes, Ross MacIntosh and Anthony Russo. Another interesting competition was a tractor with trailer turning and backing to a loading platform. In this Phil U. MacInnes had a slight margin in skill, followed by Ralph MacInnes and Bert MacIntosh.

Roast dinner was served by the ladies in the adjoining schoolhouse and the men were served a bean supper before they departed for home.

International Credit Union Day Rally

Antigonish — Credit Union members in Richmond County turned out in large numbers for the celebration of International Credit Union Day on October 15 in the Community Hall at Louisdale. Reports from ten of the twelve credit unions in the county indicated substantial growth during the past year. Savings increased by more than $100,000 to bring total savings up to $294,000 as of September 30, 1953. During the year more than $141,000 was loaned to members for provident and productive purposes.

Guest speaker for the occasion was Rev. Daniel MacCormack, Director of Radio Education for

HOCKEY'S HEWITT

When the 1953-54 hockey season gets under way, Foster Hewitt, Canad's best-known sports commentator will celebrate 23 years of broadcasting play-by-play accounts of the great Canadian sport. His vivid descriptions of NHL games from the Maple Leaf Gardens are heard each week during the winter months by an estimated audience of 5,000,000 sports fans in Canada and the United States. By way of the exciting voice on CBC networks, Saturday night has truly become "Hockey Night in Canada"

Sporting Mountain Echoes

The copious rain during the past week was needful to replenish natures reservoirs for the winter months and moreover was opportune for the salmon and trout to reach their spawning sands on the upper reaches of the River Tillard and its tributaries.

His native Sporting Mountain where he was familiarly and favourably known is sorry for the mysterious disappearance of Neil MacIntosh.

Mr. and Mrs. Martens have the sympathy of their newly made friends in the untimely death of their infant daughter.

Neighbors and friends are glad to see Mrs. Anthony Burke back from St. Rita's Hospital where she underwent a minor operation.

Mr. and Mrs. John N. Morrison were recent motor visitors from St. Peter's to call upon their former neighbours.

A. W. H. McDonald spent the week-end at Port Hawkesbury where he was the guest of his brother and sister-in-law, Mr. and Mrs. D. R. McDonald.

We congratulate a native citizen (a comparatively young man) who went down to the Royal Bank at St. Peter's the other day and bought a three-thousand dollar Govt. Bond.

George Latimer, meat dealer, called upon his customers on Sporting Mountain, Saturday.

Arthur Fougere was a week-end visitor from Stirling.

Wilfred Bouchard is spending a furlough at the Bouchard homestead in Oban.

We were glad to see Wilfred when he accompanied Ceretha Mc Lennan over the mail route the other evening.

Mrs. E. McDonald of Isle Madame has opened school in Oban and thus Sporting Mountain schools are both functioning with good teachers.

When Fred Digout was motoring Mrs. Digout to the schoolhouse Monday morning he succeeded in securing his quota of venison on the "Spruce Hill".

Whilst in the McDonald home on our recent visit to Port Hawkesbury the intelligent Mrs. D. R. McDonald placed something interesting on a table before us.

It comprised the old common school series of "Royal Readers" well preserved and complete down to and including the primer with its "hen' and its "tub", and its "pig" and its "fly" on the first page.

Replete with golden knowledge and morals doubly impressed upon the plastic minds of the children by engaging story and apt illustration we wonder if the youth of today have gained anything by the change.

We have a feeling that the good wishes which follow Mr. and Mrs. F. A. Thurgood and family to the Prairie Provinces will eventually be realized for the marked ability and integrity of intention manifested by Lawyer Thurgood in his native Nova Scotia are invariably crowned with success in any sphere of place of endeavour.

Safe Hunting

"The following editorial was taken from the "Shelburne Coast Guard" and we endorse every word Editor Stroud has written in this brief and well pointed editorial."

The sport of hunting is greatly enjoyed by many but to some hunters the danger of serious accidents with firearms is often overlooked. Year after year there are shooting accidents which claim the lives of unsuspecting hunters. These tragedies could be avoided if only more care was taken in the handling of guns.

There are many safety rules to be observed while carrying guns which if observed will help to prevent a sad ending to your hunting trip. With care and common sense hunting accidents could almost become a thing of the past.

Care could mean the observance of rules for safety while common sense could include consideration for other hunters and especially not drinking while carrying firearms.

GEORGE "ROCKABYE" ROSS BREAKS BACK IN FALL

• • •

GLACE BAY—George (Rockabye) Ross, 32, retired former Canadian middleweight boxing champion, suffered a broken back and other injuries early the past week when he fell 45 feet from a power pole in the Reserve district.

Dr. W. M. Nicholson, of Reserve said Ross' condition was "satisfactory" but that he would be hospitalized for a lengthy period. He is in St. Joseph's Hospitl.

The fall caused a compression fracture" of the 12th dorsal vertebrae, and Ross will be in a plaster cast for about six months it was indicated.

In addition, Ross, a fighting champion in his days and for years the golden boy of Maritime boxing suffered cuts and bruises in his tumble.

The former West Bay Road soldier has been living in Sydney since his retirement following a title bout lost to Yvon Durelle of Pale St. Anne, N. B., now the Canadian middleweight champion.

The popular Inverness County native, who never lost a friend on the way up, is an employee of Canadian Comstock Company, which is stringing a power line from the Seaboard Power plant at Big Glace Bay Lake to the Sydney steel plant.

The mishap occurred in driving rain shortly after start of the shift at 7 a.m.

Ross' superb physical condition gave him from more serious injuries.

In the afternoon George had a grin for a special visitor, Gussie MacLellan, of Sydney, the prominent business men and fight promoter.

"It doesn't hurt much until I move," said Ross.

AGED L'ARDOISE RESIDENT SERIOUSLY INJURED BY ENRAGED COW

A 93-year-old L'Ardoise woman was placed on the critically ill list at the Victoria General Hospital Monday after being hospitalized eight days since she was bunted by a cow near her home.

Mrs. Angelina Samson suffered chest injuries and a fractured leg when she was knocked to the ground Oct. 25 by a cow owned by a neighbour, members of her family reported.

They said the 90-year-old great grandmother who has never before been in hospital was walking through a nearby field toward her home when she was attacked by the cow. She told relatives later the animal struck her in the chest with its head.

First news of the incident, they said, came when another neighbour, Mrs. James F. Sampson heard the woman's cries and found her in the field trying to crawl away from the cow, on her hands and knees.

Mrs. Sampson helped the victim over a fence and summoned Dr. Morrison, of St. Peter's who administered initial treatment.

The injured woman was brought to Halifax the next day by her son-in-law and daughter, Mr. and Mrs. Albert Tompkins, Halifax, and admitted to the Victoria General Hospital where officials said she had been placed on the critically ill list.

Credit Union Rally Day

(Continued From Page 1)

St. Francis Xavier University. In his remarks he expressed praise and encouragement for the splendid progress shown by the credit unions in the County. He also reminded his audience of the universality of the Credit Union Movement when he stated that its great founders were men of different cultures, races and religions. Mr. Raiffeisen, a German Protestant, Mr. Desjardins, a French Canadian Catholic and Mr Filene, a Boston Jew. He paid tribute to the leaders in Nova Scotia--Dr. M. M. Coady, and the late A. S. MacIntyre, A. B MacDonald and Dr. Jimmy Tompkins who labored that credit unions may become an important part of the economy of Nova Scotia. He urged a greater participation by the members and appealed to the leaders to go out as apostles to bring their neighbours and friends to the benefits of credit unions.

Messages of encouragement were given by Rod MacMullin, Managing Director of the Nova Scotia Credit Union League and Rev. C. J. Forest, newly appointed Parish Priest of Petit de Gras. Mr. Earl Urquhart, MLA for Richmond County was unavoidably absent but sent a message of encouragement and best wishes for the development of credit unions.

Among the many guests were the Clergy of the County, representatives from the Adult Education Division and the Department of Agriculture. The Rally was under the chairmanship of Rev. Conrad Gerroir of Louisdale.

Waterless Soil to Bloom in Jordan

Examining a soil sample in the Jordan Valley, a water development expert (left) gathers data on irrigation possibilities. The United Nations Relief and Works Agency for Palestine Refugees recently agreed with the Kingdom of Jordan to provide $40,000,000 for construction of an irrigation and power dam in the region. The dry land, given water, might support up to 20,000 refugee families.
