Lynch's Bakery Opens New Modern Delivery In Rural Cape Breton

A pioneering venture launched on a modest scale 30 years ago came into complete realization recently when W. T. Lynch and Sons Limited sent off two large trucks on a bi-weekly Cape Breton Island rural delivery service.

In 1924, W. T. Lynch, president and founder of the firm mulled over in his mind the idea of a Cape Breton Island coverage of the products of his bakery and crystalized his intentions into action by having one truck carry out a rural delivery service. The venture proved most successful and drew a substantial patronage.

This new project swung, into action recently on a large scale and widespread coverage— bringing to the residents of Cape Breton island the many and varied popular products of W. T. Lynch and Sons headlined by the widely known and extensively used yellow label co-dated Lynch's Pan-Dandy bread— the only guaranteed fresh daily bread on the two-for-one basis.

A bi-weekly service will usher in the operation of this service and it is expected to extend the coverage to three trips a week as the patronage expands—and which it undoubtedly will.

This will be a regular year round service.

One of the most modern bakeries in eastern Canada, W. T. Lynch and Sons firm is a household name in industrial and rural Cape Breton.

Founder and president of the firm W. T. Lynch directs the activities of this great bakery enterprise and his background of over a half century of active ,aggressive service has placed him far in the forefront in the bakery field and he is recognized and esteemed by his associates in the national scene.

Associated with him in managing the business is his son, Donny, popularly known Sydney young business man, also his youngest son, Vaughn.

A staff of 63 men and women is employed by the firm with rolling stock of 17 trucks used in local and out-of-town routes.

In charge of the new service for Cape Breton island will be Stan MacDonald and Paul Hashem, both well-known and valued employees of the organization.

J. W. CORBETT who has been appointed Manager of the Arichat Branch of The Royal Bank of Canada, succeeding C. D. Campbell who moved to Sydney Mines. Mr. Corbett, who has served the bank at a number of points in Nova Scotia, comes to his new post from the Glace Bay Branch of the "Royal".

C. W. L. MEETS

At the June meeting of the L'Ardoise Guardian Angel C. W. L. Sub-division, two delegates were appointed to attend the convention at Little Bras d'or, namely The President, Mrs. Joseph Gracie and Rose Monbourquette. The President reported on the regional meeting held at River Bourgeois, which was attended by a large delegation from this sub-division.

The lobster supper held in conjunction with the Home and School was a great success and a card party is planned for this month to raise additional funds.

A spiritual bouquet was offered by the members to our pastor in commemoration of his forty years in the priesthood, Two new members were added to the membership. There being no further business, meeting adjourned with a hymn to Our Lady.

L'ARDOISE NEWS

A lobster salad supper was served representatives and other Home and School members of various districts who attended Richmond County Council here on Thursday, May 27th in school auditorium, by the ladies of Home and School Association and high school girls.. The lobster supper was followed by a card game which was also held on Friday night, was well attended. A substantial amount was realized, which will be used for school purposes.

The death of James P. Berrette occurred at his home on Tuesday, June 1st. following a lengthy illness. Mr. Berrette was in his 85th. year. At time of writing (Monday) fine dry weather prevails on these sun-kissed slopes.

During the week James Goswell sold his farm and equipment as a going concern.

The new occupants will reside with their fellow countryman, Een Konning until Mr. and Mrs. John Goswell vacate in July.

The road grader operated on Sporting Mountain the past week, and thus our highways have been much improved.

Jimmie Flannigan had occasion to be in Seaview, Friday, transferring the new comers and their furniture.

We were glad to meet this good looking and prepossing scion of the McLeod family at the Points.

Alfred Boudreau motored to Port Hawkesbury, Friday morning, and Margaret MacDonald accompanied him back.

Mr. and Mrs. John N. Morrison were motor visitors from St. Peters Sunday afternoon, and made neighbourly calls at the Boudreau home, the Goswell home and our little home by the roadside.

In the evening, Thomas Morrison motored up for an extended social chat with some of his old neighbors.

We were glad for a warm shake-hands with Frank Burns this morning.

He was driving a spirited horse enroute to St. Peter's to get him shod. However, Samuel Boudreau accompanied him from Seaview.

Though in his eighty-second year, Mr. Burns wintered alone on the farm regardless of the fact that he had no neighbors within a radius of two miles.

The late John Angus McPhail of Oban, made good precedent, when he put a significant sum of money in trust for the church that would commit his ashes to the dust in Sporting Mountain Cemetery.

Taximan Louisdale Native Will Be First To Get "Merit Driver Award"

A 38-year old taxi driver will be the first of five Halifax motorists to be honored in the Nova Scotia-wide "safety driving campaign" sponsored by the Maritime Automobile Association.

William Joyce, 160 University avenue, a native of Cape Breton and cabbie with a Hollis street taxi firm the past three years, will receive the "Merit Driver Award" for the first week of the campaign at a presentation to be held before Mayor R. A. Donahue, QC at City Hall.

Officials of the Maritime Auto mobile Association informed Mr. Joyce of his selection as the week's most courteous and commonsense driver on the recommendation of an independent panel of judges.

Mr. Joyce at home with his family last night after his day shift with the cab company said the boys had read about the safety campaign in the newspapers. "But I didn't know I did anything special to be picked out from all other drivers", he said.

Joyce, a native of Louisdale, Richmond County, Cape Breton, said during his three years' experience in the taxi business in Halifax he always adopted a policy of "giving the other motorist and the pedestrian a decent break.

"I'm careful all the time." he said. Of course, there are times when one makes mistakes in driving, but I try to do my best all the time." Joyce admitted taxi driving was pretty tough business during peak traffic but outside of that it's okay."

Four other Halifax motorists will be selected during weekly periods of the campaign which will continue until the end of the year Similar campaigns are being conducted in other communities throughout the province, where groups of spotters looking for acts of courtesy, commonsense and carefulness, submit their reports to the judges, made up of mayors, police chiefs, representatives of boards of trade and newspaper editors.

After the regional winners have been selected the reports will be submitted to another panel of judges, which will decide the meritorius acts in various categories. These drivers will be presented various awards, trophies or cups, one of which will be the R.J.R. Nelson Merit Driver Award.

Officials of the Association in Halifax said they hoped the campaign would help to cut down the accident toll and more particularly the accident causes which could be attributed to human error.

Attending the presentation of the award to Mr. Joyce, Friday, will be Dr. Ira Macnab, president of the Halifax Board of Trade; Police Chief Verdun Mitchell; and Harry C. Nelson, sales manager of the Nova Scotia branch of the Maritime Automobile Association.

Aerial view of first stage of aluminum smelter now nearing completion at Kitimat, B.C.

AGAIN the Royal heads north to new industrial frontiers

For over two years the Royal Bank has provided on-the-spot service for the men tunnelling and bulldozing, building dams and transmission lines for the gigantic "Alcan" project on B.C.'s rugged coast. At Kemano, 400 miles north of Vancouver, and at work sites back of the coastal mountains, the Royal Bank has had its branches almost from the beginning.

Now, as the smelter and port are readied for operation, and the new "Aluminum City" of Kitimat emerges from the wilderness, the Royal Bank's Kitimat branch opens for business. So another page turns in the story of Canada's northward expansion, and in the pioneering record of The Royal Bank of Canada.

Elsewhere, too, the Royal has moved forward to new frontiers. Already two branches are operating in Alberta's important new Pembina oil field. And at Port Radium, on the fringe of the Arctic Circle, we maintain the "farthest north" branch bank in Canada.

New Minister Of Agriculture

(The Casket)

Changes in the Nova Scotia Cabinet were made last week. Premier Connolly annouced the appointment of Colin H. Chisholm as Minister of Agriculture and Marketing and Minister of Lands and Forests. Honorable A. W. MacKenzie takes over new duties as Minister of Highways and Public Works.

The Antigonish and Guysborough constituencies will, no doubt, feel honored at having their Members in such responsible posts.

Agriculture and Forestry in particular have as their special concern the welfare of primary producers on the land. The duties of these portfolios are great, and at this juncture must be of a creative nature. We are at a moment when something like statesmanship is needed. The partnership of the farm and the forest has not been too well realized in the past but is now coming into sharper focus here in the east—in the four counties fronting on the Canso Strait in particular. An organization has been active for many months trying to forstall unemployment in the ferry towns of Mulgrave and Hawkesbury and at the same time secure a pulp manufacturing industry that would offer a steady market to thousands of small farmers who own farm lots.

The organization of our small owners for a programme of forest conservation, and for better exploitation of our continuing forest wealth, is a must in this region. We cannot see that our rural economy can even hold its own otherwise. There are great works to be done.

Hon. Colin Chisholm is a young man, vigorous, honest and highly respected. He knows rural life with first hand experience. He comes to his duties at an auspicious time.

TYPICAL PROBLEMS

The Department of Trade and Industry policy of assistance to secondary industry sometimes benefit a whole community.

A village in the Province had been practically dependant for 30 years on it's local industry, a forest products industry, which employed most of the village labor and provided a steady market for the farmer's logs, but in 1953 the plant and equipment were destroyed by fire. This meant a serious loss to the entire community.

The Owner-Manager did not wish to re-build, but he was willing to help a group of his senior employees to start operations again. They needed assistance however to finance a new Company and to establish confidence, in persons outside the village, in the economic soundness of their venture.

The advice of the Field Representative of The Department of Trade and Industry was sought and, after a thorough examination of the project, he was able to recommend the enterprise to various interested people so that the necessary capital was secured.

This effort by The Department of Trade and Industry, coupled with the determination of the former owner and his employees, has provided an economically sound industry capable of profitable operation and expansion to a community that, without this industry, had little chance to survive.

Obituaries

MRS. GERALD LeBRUN

After a brief illness, Mrs. Gerald LeBrun, of this town, passed away on Thursday, the 17th inst.

Although in poor health for some time, she bore her illness with outstanding Christian fortitude. Always of a friendly and cheerful disposition, the late Mrs. LeBrun, was a devouted wife and mother and in whose passing everyone extends their sincere sympathy to the bereaved husband and young family.

In her 42nd year Mrs. LeBrun, leaves to mourn besides her husband, five young children: Fran, Arthur, Sandra, Jerry and Betsy.

The funeral one of the largest ever held from Notre Dame Church, of which the late Mrs. LeBrun was a devout member was held on Sunday afternoon with Rev. Father A. P. Poirier, officiating in the church and graveside.

We extend our sympathy to the bereaved husband and family.

MRS. JOSEPH MARCHAND

The sudden passing of Mrs. Joseph Marchand, of Arichat, South Side, occurred on Thursday, the 17th inst. at the age of 59 years.

Mrs. Marchand was a kind wife and mother and her passing is greatly mourned.

A daughter of the late Capt. and Mrs. Edward Thibeau, she resided in the old homestead throughout her lifetime, where she raised a large family. Surviving besides her husband, are four daughters, Mrs. Amable Richard (Kathleen), Mrs. Benedict Boudreau (Clara), Mrs. Walter Poirier (Rachel), and Miss Annette Marchand, three sons, Joseph G., Leo and Alphonse Marchand. The last mentioned flew by plane from Ontario, to be present at the funeral.

The funeral took place on Saturday at 9 a. m., at Notre Dame Church. Rev. A. P. Poirier sang the High Mass of Requeim and officiated at the grave.

We extend our sympathy to the bereaved husband and family.

PHILIP PARKER

The death of Philip Parker occurred on the 19th inst., in his 76th year. For the past few months he had been resding in West Arichat, at the home of Mr. and Mrs. Stanley Digdon, where he was kindly cared for.

Although an invalid for the past 29 years, Philip Parker, was always cheerful and ready to tell a humorous yarn, when friends called on him.

He was tenderly cared for during his long years of being an invalid. by his step-mother, Mrs. Cassie Parker up to a few months ago, when ill health prevented her from giving him the attention he required, at that time he took up residence with the Digdon famly.

Surviving besides his step-mother, is one brother, John in P. E. I. and one step-sister, Sadie Parker. Wallie Parker, of the R. C. Navy was home for the funeral, which was held from St. John's Anglican Church, with Rev. W. A. Trueman officiating in the Church and at the grave.

Totally blind for 15 years, this added to his affliction of being crippled, however, this did not discourage his cheerful sense of humor.

Only recently we heard a visitor to this man remark: "That in trying to comfort Phil he in turn was taught a lesson and on leaying the invilid, he was the richer for his visit and was convinced, that Phil Parker, was the most unforgettable character he ever met."

We extend our sympaty to the berevaed family.

They were accompanied by Mother Superior and other members of teaching staff and Home and School Association.

Corporal Maurice Morrow, Mrs. Morrow and son, Sydney, were week-end visitors to Point Michaud beach.

Mr. and Mrs. James Auby, Halifax, are vacationing at the home of Mrs. Auby's mother, Mrs. Adele Sampson.

Mr. and Mrs. Charles Cameron, St. Peter's, accompanied by Mrs. Mattie McGarry, Antigonish, were motor visitors at the home of Mr. and Mrs. Ernest Martell on Sunday.

The death of Mr. Donald Finlayson occurred at his home early Thursday morning following a lingering illness. Mr. Finlayson was widely known and highly esteemed in the community and surrounding districts. Besides his widow, the former Margaret MacRae, he is survived by a son and daughter, Archibald at home and Mrs. Roderick MacLeod, Lewis Cove. One brother and sister also survive, Murdock Finlayson, and Mrs. Alex Urquhart, Grand River. Deepest sympathy is extended the family in their sad bereavement.

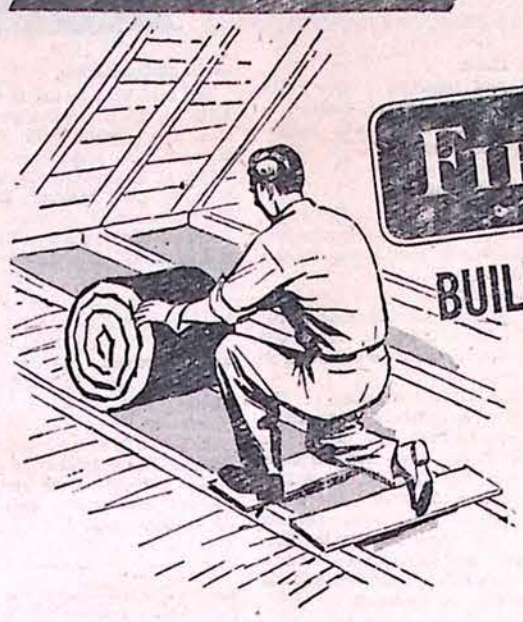

Mr. Alonzo E. Sampson, general merchant, accompanied by Mrs. George A. Monbourquette and Mr. Urbain Sampson were motor visitors to Sydney on Monday.

NOVA SCOTIA COAL
THE THRIFTY FUEL

Use NOVA SCOTIA COAL

Of all fuels used in Nova Scotia, coal is the most economical for domestic uses. With the properly designed appliances for using coal which are available today, a home can be heated with coal at a saving of 20% of the fuel bill in those areas furthest away from the coal mines. Near the coal mines, a home can be heated with coal at half the price of heating it with any other fuel. These savings can be obtained by using properly sized, washed and dustless coals in automatic stoker-fed furnaces which are now available.

Trained combustion engineers in the service of the Dominion Coal Company will gladly advise any Nova Scotian about the appliance most suited to his needs, so that the maximum economy can be obtained from the installation used.

Tenders For Stumpage

Sealed Tenders addressed to "Department of Lands and Forests, Halifax, Nova Scotia". and plainly marked "Tender for Stumpage" will be received at the office of the Department of Lands and Forests, Provincial Administration Building, Halifax, up to 12 O'Clock, Noon A. D. T., Friday, June 25, 1954, for license to cut soft and hardwood stumpage standing on the one parcel of Crown Land listed herewith:-

Parcel No. 753

Kempt Road Richmond County 55 acres. Approximately — Fir 75 cords ($2.50 per cord). Stump diameter limit 5 inches.

Cutting limits specified are diameter measurements made inside the bark one foot above the ground.

Except where otherwise stated the cutting limit for spruce and pine is fourteen inches on the stump. Fir and hardwood may be cut without limit, except where otherwise stated. No stumpage shall be cut within a distance of one hundred thirty-three feet from the centre of any public road or one hundred ninety feet from the margin of any lake.

Tenders should state the rates willing to be paid per thousand feet board measure New Brunswick Log Scale, or per cord as the case may be. A standard cord is taken as 128 stacked cubic feet.

The figures following the stumpage quantities indicate the lowest bid per thousand or per cord that will be considered.

No tender will be considered unless accompanied by a CERTIFIED CHEQUE for the sum of one half the estimated stumpage dues, unless otherwise stated.

Successful tenderers will be required to furnish a surety bond covering the remainder. License will cover a period not exceeding two years.

Cheques will be returned as promptly as possible to all unsuccessful tenderers.

If any holder of a timber license should for any reason, not carry out cutting operations under such license, a sum not exceeding $200.00 of the statutory deposit made thereon shall be retained by the Department of Lands and Forests to defray expense incurred.

Blue Print Copies of plans showing location of parcel will be supplied on receipt of the sum of $1.50 by the Department of Lands and Forests, Provincial Building, Halifax, Nova Scotia.
