TRAVELLING IN CAPE BRETON

By W. H. ARCHIBALD

A recent drive to that interesting town of Arichat, close to the water's edge. An added attraction on the day in question was the Mauger—Connelly wedding where hosts of friends and relatives crowded, first, in the church and later in the home of the bride at Cape LaRonde, altogether, giving so many a most memorable day on Isle Madame.

Later, a long and interesting drive took us to that popular summer resort at Mira, where also stands the fine summer home of Mrs. Rose McKegian, which was formerly a farm home, but now, an ideal home for summer living where one can relax and thoroughly enjoy the wondrous surroundings. The house, tastefully painted in a golden shade with red trim, sits high on the hill overlooking a wide expanse of the River where speed boats, motor boats, sail and row boats, as well as canoes and one large pleasure boat for those that prefer that type, can be seen moving over the smooth waters of the river.

The house is so "Homey" and comfortable throughout where friends and strangers, alike, are given the "glad hand of welcome", a true hospitality in "Capital Letters" from all the household. Here, in this district, as well as other parts of Cape Breton, nature has lavishly left its imprint of wondrous beauty on all sides. The winding road, twisting through the shrubs and trees on either side, each bend revealing another fascinating landscape where are summer cottages, picnic grounds and what not, all inviting folk to the, "Great out of doors", while the summer season is with us.

Leaving Mira, our next call was with friends in Glace Bay and later in Sydney, still farther along through the new district on "King's Road", where many home owners have made their place of residence most attractive, with work showing the job of a professional landscape artist.

Following this road much improvement has been noted along the way, but from Ben Eoin to St. Peter's is one long vista of nature's hand-i-work at its best, with the wooded mountains on one side, the Lakes on the other with hundreds of pretty houses conveniently placed, adding to the already, beautiful roadside. Following this road on a fine evening at Sunset, the coloring in the sky reflected on the still waters of the lake together with the trees and foliage, one thrills at the sight failing to express in words the wondrous, painting that none but God in nature can display thus, this another part of Cape Breton Isle stands well to the fore, for native and stranger alike to enjoy while motoing along in this "New Scotland" of Canada, where hospitality is TOPS and the teapot is ever ready.

Inspector C. R. Edwards, Bridgetown Selected To Attend Conference

Mr. Clifford E. Edwards, of Bridgetown, N. S., Inspector of Schools for Annapolis County has been selected as one of a group of school superintendents and inspectors from Canada's ten provinces who will gather in Quebec City for a one-week work conference commencing on October 24th. The conference, which will deal with evaluating and reporting on the classroom work of teachers, is sponsored by the Canadian Education Association in collaboration with the Quebec Department of Public Instruction.

Tht conference will be unique in that it will probably be the first all-Canada conference for both French and English-speaking educators conducted mainly in the French language. The conference which is being called "Quebec en scene" (Spotlight on Quebec), will give superintendents and inspectors from the other provinces of Canada an opportunity not only to sit down with inspectors from Quebec to discuss the best methods of evaluating teaching, but also to see French-Canadian schools in operation and get first-hand information about the administration and supervision of education in Quebec. A further purpose will be to review and extend the experiences of those participants who have previously attended one of the CEA short courses at the University of Alberta in Edmonton.

Although lectures and formal sessions will be conducted in French, a translation service has been arranged to aid those who may not be too fluent in the French language. Group discussions will be bilingual in nature.

Special speakers at the conference will include M. Treffle Boulanger, Diretor of Studies of the Montreal Catholic School Commission; Dr. Carl Stern, Psychiatrist, of the University of Ottawa, R. P. Noel Mailloux, Director of the Institute of Pedagogy, University of Montreal; Dr. J. G. Althouse, Chief Director of Education for Ontario; and M. Michel Savard, Inspector General of Catholic Schools for Quebec.

Provinces are sending members to the oourse roughly in proportion to the number of superintendents or inspectors in each province.

Home and School Council to Meet At Point Tupper

The annual Fall meeting of the Richmond County Council of Home and School Associations will be held at Point Tupper school-house on Wednesday, November 10th., with sessions beginning at 2:00 p. m. and the evening session at 7:00 p. m.

An interesting program has been arranged by the Executive of speakers and discussion groups on topics of interest to parents and teachers. These discussions will be of help to Home and School Associations and to the schools who would like to sponsor projects like Garment Clubs, 4-H Clubs, School Credit Unions. There will be a discussion group to serve as a clinic for Home and School problems, and another discussion group on duties and responsibilities of school trustees.

All Associations are invited to send five delegates, which includes the President, a representative of the teaching Staff and three from the membership at large.

All teachers are invited to attend whether or not they have a Home and School Association functioning in their school section, and the afternoon may be claimed as being taught by attending the afternoon and evening sessions. Teachers are asked to announce this meeting so that the general public may be informed and attend if they so wish.

The ladies of Point Tupper will serve lunch in the break between afternoon and evening session.

Plan to attend this meeting.

The value of a SMILE;

Miniature Folk School For Richmond County

Under Sponsorship of Richmond County Council of Home and School Associations.

Arrangements have been made through the Adult Education Division, the Department of Agriculture and the Extension Department of St. Francis Xavier University to hold a Miniature Folk School at St. Peter's Parish Hall, consisting of three afternoon sessions and three evening sessions beginning on Tuesday, November 3rd. and 4th. If enthusiasm for it is high it may be possible to hold sessions on the fourth day.

The purpose of this Miniature Folk School is to bring help to teachers who have participated in Music ond Speech Festivals and Home and School Associations, and also to bring help to any other local community organization. Folk Schools for the past few years have been working with this goal in mind, but very few people from our County have been able to attend. It may be that there is a lack of understanding of what a Folk School really is, and we hope that this may give an idea and a taste of what the regular Folk School is.

We have had in this County excellent Speech and Music Festivals which are growing every year, and we need help and inspiration to go on to better things.

Mr. Donald Wetmore, Dramatics Advisor of the Adult Education Division, and Adjudicator at our last Speech Festival, will be present to help with Speech. There will be someone to help with Music, the technique of discussion groups and community organization and recreation.

The idea of a Miniature Folk School has been tried in other areas with good success, and we hope that there will be a good response on the part of teachers and the general public. A number of teachers will be selected to attend and interested people should submit names to us. We may admit a Grade XI or Grade X pupil on the recommendation of a teacher.

There is no cost attached to the Course except that of transportation and the evening meal, unless candidates bring their own lunch. The discussions will be open to the public on the second and third evening, that is on November 3rd. and 4th.

FALL FEVER

The turmoil that the city breeds,
Fain would I now forsake;
For that lone leafy lane that leads

And all the glittering lode;

Along the Oban Road.

Mrs. Bertie MacDonald, was visiting her daughter and son-in law, in Halifax. Her grandson, Jackie, returned with har recently and will spend some time with his grandparents.

It is expected that work on our new church will get underway next spring.

The loss of our church by fire was a great disaster to this community, and the financial help of outside parishes is most encouraging and with such assistance the re-building of a new St. Hyacinth Church, will lessen the burden of the parishioners of that parish, who are deeply grateful to all who are helping toward this noble cause.

Mrs. Eddie Poirier, is visiting in Boston, Mass. for a month.

May she have a very enjoyable visit, is our wish and that of her many friends.

Joe LeBlanc, a native of West Arichat, but residing in Western Canada, for the past several years, has purchased the Co-Operative Store in D'Escousse, and it is reported he will establish a grocery store or meat market.

We have so much to protect

This Canada of ours — is ours to enjoy at a price — the price of constant alertness.

We cannot take for granted our freedom to worship, to vote, to educate our children, or to order our home life as we please. All these freedoms are ours only as long as we are willing to do everything necessary to maintain and defend them.

All honour then to the Canadian Soldier — the steadfast guardian of all our free institutions. Without men like him, the Canada we love might cease to be.

We have so much to protect. Let us all do our part, without let-up, whatever way our duty lies.

SERVE CANADA AND YOURSELF IN THE ARMY
