Trophies Presented to River Bourgeois Tigers - County Baseball Champs

River Bourgeois Tigers Celebrate Victory

The Richmond County Baseball League, held their annual banquet at the River Bourgeois Parish Hall, on Wednesday, the 24th. inst.

Rev. Father Dan MacDonald, of the Johnstown Parish, President of the League, was master of ceremonies at the banquet, and performed his duties in a very humorous and efficient manner. Father MacDonald also lead in the blessing.

The Earl W. Urquhart Trophy for the team in the highest standing in the League, was presented to the River Tigers by Father MacDonald, on behalf of Mr. Urquhart, who was unable to be present, due to attending a business meeting in Halifax.

Steve Smith, coach of the Tigers expressed his thanks and appreciation on behalf of the team, to Mr. Urquhart, and in his remarks, outlined the victory of the Tigers as outstanding.

The Richmond Record Trophy, was presented by M. J. Bourinot, Publisher, who congratulated the Tigers on their victory. He also spoke of early baseball in the County and how River Bourgeois played a big part in first bringing the game to the forefront, by the efforts of the late Herbie Boyd, a sports editor on the staff of the Ottawa Citizen, for many years, and was considered one of the leading sports writers in Canada at that time.

He expressed regret that all the teams in the League were not represented, to take part in the celebrating of the Tiger's victory.

Arthur Digout, manager of the Tigers, on behalf of his team accepted the Record Trophy, and in a very brilliant address, thanked the donor, and congratulated his team on a great victory. He also spoke highly of Rev. Father Samson, Parish Priest for his noble efforts in the construction of their ball field, at the rear of the Parish Hall.

Mr. Digout's humorous remarks were much appreciated and applauded.

Mr. Remi Chiasson, the efficient Secretary-Treasurer of the League presented a financial statement of the League, showing the cost of operations during the season, and notwithstanding the cost a surplus was showing.

Mr. Chiasson pointed out that a greater interest must be forthcoming, if the League was to carry on in its efforts to bring healthy sport to the County.

In his usual genial manner his remarks were well received and applauded.

The guest speaker at the Banquet was, Rev. Father Charles W. MacDonald, of St. F. X. Junior College, Sydney.

His address gave inspiration to all who had the pleasure of hearing him.

Father MacDonald outlined the true meaning of sport, and how the game should be played.

He remarked that the good loser in a game is what really builds character in sport.

He also said that we should encourage sport in all communities.

The banquet was sponsored by the ladies of River Bourgeois Parish, which consisted of a turkey supper with all the fixings.

The tables were artistically decorated for the occasion.

St. Ann's College Of Church Point

By Joe LeBlanc
Herald News Editor

More than any other single factor in influencing the lives of hundreds of Acadians in Western N. S. has been the presence at Church Point of St. Ann's College or to give it its official french title, College Sainte Anne.

Situated in the heart of a district not otherwise blessed with higher institutions of learning, "Le College" has been the means of many getting the opportunity to advance into the professions through their attendance at Church Point.

The student body is not necessarily limited to Western Nova Scotia, as many come from New Brunswick, Quebec and the New England States. Nor is it reserved for Acadians alone as many of Irish and other English speaking parentage have graduated from its halls.

In fact the history of St. Ann's College is in its origin and infancy blended with the name of the Most Reverend Cornelius O'Brien Archbishop of Halifax from 1883 to 1906. As early as 1883 the project of an institution of learning for Southwestern Nova Scotia had been on the active mind of the learned prelate.

On a later pastoral visit to the district he discussed the idea at length with Rev. J. M. Gay, Missionary Priest at Church Point and Saulnierville. As this had been the fond dream of Father Gay for some years, he not only offered the Archbishop his full cooperation, but offered to turn over the Missions to a teaching order of priests. The project was soon undertaken and the Archbishop set immediately towards achieving his goal.

After several orders had declined to become associated with the proposed school, the Eudist Fathers were contacted through the good intervention of Rev. A. Rouxel, S.S. of the Montreal Seminary, with the result that the offer was accepted by their Superior General, Very Reverend A. LeDore. This was followed later by the arrival of two Eudist Fathers, Rev. Gustave Blanche and Rev. A. Morin. Construction was started soon after and on Sept. 7 1891, the first classes were heard in the new college. Since that time many priests have played great parts in the enlargement and advancement of the institution of learning, and in many cases, hard work, sacrifice and staunch faith was necessary to maintain its successful operation.

Richmond County Council Home and School Meeting

A cordial welcome to Point Tupper was extended by the President of the local Home and School Association, Mr. Byron Langley, to the Richmond County Council of Home and School Associations, which met on November 16th, with Mrs. Paul White, President of the Council, presiding at afternoon and evening sessions. Prayer was offered by Very Rev. A. F. Poirier, V. F., P. P., of Arichat.

The Council was pleased to welcome to its afternoon session Dr. L. A. DeWolfe, Past Pres. of the National and Provincial Federation of Home and School; and Miss D. M. Baker, Provincial Organizer. The inspiration and encouragement which Dr. DeWolfe and Miss Baker have given to the Richmond County Council on this and many previous occasions are deeply appreciated.

Other guests from outside the County contributing greatly to the success of the afternoon session were: Mr. Gerald L. Lewis, Regional Vice President of the N. S. Federation of Home and School and Miss Mary Gillis, Department of Agriculture, Sydney. Mr. Herman Timmons, Regional Representative of the Adult Education Division, who was unable to attend, sent a message reminding the Council of the Folk School to be held at Mabou November 22 to December 3rd.

Under the direction of Mr. R. J. Chiasson, Inspector of Schools, the afternoon session, following the theme "Looking at Our Schools" broke up into five groups Topics of discussion and leaders of groups were as follows:

1. Garment Clubs and Budgeting, Miss Mary Gillis, Dept. of Agriculture, Sydney.

2. Credit Unions in the Schools and Savings, Mr. Urbain LeBlanc. Field Worker with the Extension Department of St. F. X. University.

3. Folk Schools and 4-H Clubs, Mr. James Campbell, Principal, Johnstown.

4. Clinic on Home and School Problems, Mr. M. A. MacNeil, teacher, Louisdale.

5. Duties and Responsibilities of Trustees, Mr. R. J. Chiasson.

A Secretary from each group reported to the meeting. These Discussion Groups where the people from all points of the County delve into matters of common interest have become a popular part of the sessions of the Richmond County Council.

A clinic for Conveners of Council and local Associations was conducted by Miss Baker and Mrs. White immediately after the supper hour. To those concerned with these duties, this clarification was found to be most beneficial.

In the evening, Inspector Chiasson, in an evaluation of the afternoon's session expressed his pleasure in seeing representatives from so many Associations thruout the County, as well as from Sections where the pepole have as yet no Association but are planning to organize. Mr. Chiasson mentioned the growth of the Home and School Movement in the County during the past four years, which has been built up slowly but solidly to double its number of Associations. He expressed his appreciation of the wonderful cooperation he received throughout the County. Mr. Chiasson drew attention to the Cup on display at the Council meeting, an indication that once again a student from our schools had brought honor to Richmond County. The L. A. DeWolfe Trophy was won by Hughie West, student at Johnstown, as provincial winner of the Junior Class in the Nova Scotia Co-operative Union Public Speaking Competition.

Reporting on the Miniature Folk School held at St. Peter's on November 3rd, 4th and 5th, which was sponsored and financed by the County Council of Home and School, Mr. Chiasson explained that the purpose of the Folk School was to help teachers in the carrying on of Music and Speech Festival Work, and to give all who attended an idea of what a real Folk School would be like. He felt sure that eventually the experience gained through this Miniature Folk School would bear fruit.

Mr. Chiasson introduced the Guest Speaker for the evening, Mr. John Chisholm, recently appointed Director of Rural Education, St. F. X. Extension Department, Antigonish. Mr. Chisholm spoke on "Education for World Development", stressing the challenge offered by the six eastern counties of Nova Scotia, with their natural resources of land and sea, and with their scenic beauty. The great objective of the future, he said, would be to sell eastern Nova Scotia to eastern Nova Scotians. The most important type of education, Mr. Chisholm continued, is one that will teach the people to earn a daily living. Here, in eastern Nova Scotia, he said, there are sufficient acres of arable land to produce food, and sufficient population to consume it. Here, he said, there is an opportunity to establish an industry in food products owned and operated by the people themselves.

On behalf of the Council, Fr. Poirier thanked Mr. Chisholm for his "brilliant and thought-provoking address".

Also on behalf of the Council, Mrs. White thanked all those who had contributed in any way to the success of this Fall Session of the Council, and expressed appreciation for the hospitality shown by the Host Association.

HUMILITY

He that is down need fear no fall,
He that is low, no pride;
He that is humble ever shall
Have God to be his guide.

I am content with what I have,
Little be it or much;
And, Lord, contentment shall I crave,
Because Thou savest much.

Fullness to such a burden is
That go on pilgrimage;
Here's little, and hereafter bliss,
Is best from age to age.

Causeway Nearing Completion

The Canso Causeway fill will be completed between Dec. 6 and 15 officials said recently. Less than 300 feet remain to be filled.

Northern Constructon Company now is working in 60 feet of water and the job is proceeding without a hitch. There has been no announcement of a ceremony to mark the final load of fill that will permanently link the Island with the mainland.

The official opening of the causeway probably will take place in early summer, rail traffic will move across the causeway in February.

RAWDING TOURISTS ENJOY GOOD YEAR IN 1954

A native of Berwick and a pioneer in package tour trips to Nova Scotia, Leslie G. Rawding, of Rawding Lines, Boston, Mass., while on a business trip to Halifax reported that his organization had enjoyed in 1954, in respect to this province, the best year since the end of World War II in 1945.

"Through individual and package tours Rawding Lines brought 2000 visitors to Nova Scotia during the period from June to Sept. this year, the tops in the past nine years. We envision an even better figure in 1955," he said.

"Prospects are so much better that we are replacing our rolling stock on the Cabot Trail with two 14-passenger town and country airport model vehicles, equipped with clear glass roofs to enable visitors to enjoy to the full the wonderful and spectacular Cape Breton scenery," he announced.

Last season tour groups from Connecticut, Pennsylvania, Texas and other areas of the U. S. A. were brought to Nova Scotia by Rawding. One of these, the Reading, Pa., Chamber of Commerce, comprised of leading professional men of that city, stated the Nova Scotia tour was the best they had ever experienced.

KEEP STICKING

* * *

There was a little Postage Stamp
No bigger than your thumb:
But still it stuck right on the job
Until its work was done.

They licked it and they pounded it
'Till it would make you sick;
But the more it took the licking
Why the tighter it would stick.

Let's be like the postage stamp
In playing life's rough game,
And just keep on a-sticking,
In sorrow, joy or pain.

For the stamp stuck to the letter
'Till it saw it safely through,
There's no one could do better
Let's keep sticking and be true.

POIRIER — BENOIT

A very pretty wedding took place in St. Hyacinth Chapel, D'Escousse on November 11th when in a double ring ceremony Rev. Father Boucher P.P., united in marriage Mary Kathleen, only daughter of Mr. and Mrs. Arthur D. Poirier of Poirierville and Anthony Benoit, son of Mrs. Florence and the late Mr. Benoit of Pomquet, Antigonish Co.

The bride entered the church on the arm of her father, by whom she was given in marriage, to the strains of the Wedding March played by Mrs. Lauchlin Poirier. She looked lovely in a floor length gown of white taffeta fashioned with net flounces and lace bolero with high collar and long sleeves. Her shoulder length veil was held in place by a coronet of seed pearls and rhinestones. She carried a bouquet of pink and white carnations mingled with fern.

Miss Earleen Britten, cousin of the bride, was bridesmaid. She wore a floor length gown of taffeta with net flounce and carried a bouquet of carnations.

The groom was supported by his brother Arthur.

After the ceremony a reception was held at the home of the bride's aunt, Mrs. Wilfred Cordean.

In the evening they motored to Pomquet where supper was served at the groom's parents.

Bishop Landry and Rev. Father Vanadam, uncle of the groom presented the happy couple with a special blessing.

They will reside in Pomquet where the bride is on the teaching staff.

We wish them a long and happy wedded life.
