FIFTY-EIGHTH YEAR | ARICHAT, CAPE BRETON, N. S., JUNE 11, 1955 | No 38

Hon. R. H. Winters Reports From Ottawa

June 4, 1955

Dear Mr. Editor:

While we had a busy week here in Parliament, I am sure the uppermost in the minds of many of our citizens, especially along the South Shore of Nova Scotia, was the problem of rehabilitating those who suffered so grieviously as a result of the forest fires. On Tuesday I had the opportunity of reporting to the House of Commons on the damage and the steps being taken locally to bring aid to the sufferers.

It's always a heartening experience to see people work together so well to help their fellowmen. We all hope that the efforts of those public-spirited citizens, who are providing leadership in relief and rehabilitation activities, will meet wih outstanding success.

The enormous size and diversity of Canada was again emphasized when, at the same time as we were praying for rain to quench the forest fires in Nova Scotia, the citizens of the West were being inundated by floods. Vast areas of farm land in Saskatchewan and Manitoba have been under water and it has been impossible for the farmers to sow their crops.

At the same time the problems of the Nova Scotia coal miners have not been lost sight of. We were informed that DOSCO had developed a possible market for 10,000 tons of slack coal in the United Kingdom. The British have been reluctant to take our coal because they fear that with its high sulphur content hey won't b able to use it. In order to develop te U.K. market and particularly to help educate British consumers in the use of our coal, the Government this week agreed to provide a transportation subvention for this exploratory order of 100,000 tons. This decision, coupled with the announcement that the closing date of 1B colliery has been deferred one month, will, I hope, be some encouragement to the people of Cape Breton.

Also during the week Parliament was informed that the Government intends to introduce legislation to provide loans for fishermen on about the same basis as they are being made available to farmers under existing legislation.

It goes without saying that legislation on the statute books is of no real value usless it is used by the people for whom it is intended. This was brought home to all of us very forcibly when we learned that none of the fishermen's boats destroyed by the fire in Queens County and the benefit of the Government's low cost insurance. Here again we hope that all our fishermen will look very seriously into this legislation and decide whether they wish to apply for it.

During the week we had quite a debate in which some Members of the Opposition attempted to demonstrate that the Government could save large sums of money by economy, whereas others argued that the Government should be spending more. An interesting reply to a question asked by Mr. Ralph Kirk, M.P., revealed that since 1949 the Government has spent over $4,000,000 in reclaiming marshlands in Nova Scotia.

Yours very truly,
Robert H. Winters.

Sporting Mountain Echoes

Well, it is June, the month which makes summer both official and practical.

Mr. and Mrs. John N. Morrison motored up from St. Peters Sunday afternoon to contact the remnant of their former neighbours in Seaview, and were warmly received.

For some forty years they were numbered among our most progressive citizens with no untoward incidents to mar or modify the circumstances.

Mrs. Morrison was sensible of that when on taking leave of the old home she remarked: "If things go as well with us at St. Peters, as they did here, we shall have no reason to complain."

District roadmaster Whitney Mc Phee with the grader efficiently operated by Boudreau and McDonald of Isle Madame and assisted by Robert Thibeau and Jack Madden made an excellent job of the Sporting Moutain roads from the south end of Seaview to the extreme north end of Oban.

Proprietor Fougere of the Hawker Market was in Seaview and vicinity as usual Friday morning.

Mr. Fougere has his valuable property advertised for sale preparatory to returning south of the border.

It was pleasing to see the Old Spinning Wheel grace its place of prestige in last week's Record, and interesting to read Mr. MacLeod's reminiscence of boyhood days in his native St. Peters.

Richmond County Music Festival

On Friday, May 27th, the Sixth Annual Non-Competitive Music Festival, sponsored by the Richmond County Council of Home and School Associations was brought to a close. This year with over 800 pupils participating, it was necessary to hold Festivals in three areas of the County.

Mrs. Paul White, President of the Richmond County Council of Home and School Associations and Chairman of the Music Festival Committee, who has been an untiring worker to promote Music Festivals in the County, president at the three Festivals.

The Festival opened at Louisdale on May 25th with pupils from Point Tupper, D'Escousse, Poulamond, Martinique and Louisdale participating. The second day L'Ardoise was the scene of the Festival with entries from Lakeside, St. Peters, Grand Greve, Barra Head, Johnstown and L'Ardoise schools. At West Arichat on the third day of the Festival the following schools were represented, Arichat, Port Royal, Janvrin's Harbour, and West Arichat. At each of the three centres an evening performance of selected numbers from the day's program was presented in the evening to appreciative audiences.

The teachers and pupils attending the Festival received much encouragement and constructive criticism from the Adjudicator, Miss Betty Murray, Department of Adul Education, who officated at each Festival. Miss Murray stated that one thing that was unique about the Richmond County Festival was the variety of languages respresented in the various folk songs. Throughout the three days French, Latin and English hymns, English and French Folk Songs and folk dances characterized the programs. A colorful note was added by the Scottish numbers, which included dancing, drumming and pipes. Pupils entered in vocal and piano solos received much encouragement and assistance from Miss Murray.

The growth of the Richmond County Music Festival has been outstanding and encouraging. Looking forward to another year the Committee feels it may be necessary to extend the Festivals to a fourth day. Mrs. White, as Chairman of the Music Festival Committee, expressed her appreciation of the co-operation received from the Adjudicator, the Teachers and field workers; and from all voluntary helpers in the areas where the Festivals were held.

Mrs. Y. Pinet and young son, of Halifax, are visiting her parents, Mr and Mrs. Fred Dorey.

River Bourgeois

We are glad to report that our pastor, Rev. Fr. Samson is back with us again after spending nearly a month at Cheticamp Hospital.

Mr. and Mrs. Herman Burke of Montreal have announced the arrival of a second little girl. Congratulations.

Mr. Josime Burke, who is employed on a tug boat at Pictou, spent the week-end at home.

Mr. and Mrs. Gerald Burke and two children, of Halifax, spent the week end guests of his parents Mr. and Mrs. Simon F. Burke.

Mr. and Mrs. Gordon MacDougal of Antigonish spent the weekend here guests of her sister, Mrs. Tom Sampson.

Mr. and Mrs. Tom Holland and daughter Dona of Halifax visited relatives and friends here over the weekend.

Mrs. Isaac F. Burke had as her guests over the recent long weekend her daughter Marie, Mrs. Vince DeWolfe of Dartmouth, and her three children; her daughter Ruth, Mrs. Leslie Shupe and her husband; her daughter Anne, Mrs. Gordon Williams and her husband and baby Wallie; also her daughter, Naomi, Mrs. Willard Fougere and her husband.

Miss Edith Bouchard who is employed at Halifax spent the weekend at her home here.

Mrs. Walter Sampson of Petit de Grat was the lucky winner of $500 at the Bingo game here Saturday before last. Last week Mrs. Sampso tried her luck again, first winning $10 and then finishing up with another $67 for the "Winner Take All"

Mr. and Mrs. Victor D. Burke motored to Poulamon last week, accompanied by Mrs. Elizabeth Paon who had spent the past few weeks with Mrs. Henry Fougere.

Mrs. Raymond Pottie has returned from St. Rita's Hospital, Sydney, having recovered from an attack of pneumonia.

Mr. and Mrs. Raymond Burke and family spent several days at River Bourgeois visiting relatives and friends. They live at Iona where Raymond is employed on the Ferry boat.

Mr. and Mrs. Arthur Digout and family have moved to Maitland Bridge, Anna. Co. for the summer months.

Mrs. Simon F. Burke has returned from a visit to Halifax. We regret to say that her son Capt Howard Burke, who is now in charge of a ship is suffering from neuritis and will likely have to spend some time in Hospital on his next trip to Halifax.

We are glad to welcome back Mrs. John P. Burke who spent the winter months with her daughters in the USA.

Russell J. Boyd accompanied by Mr. Jim Ross spent the recent long holiday here. Russell has now retired from the Royal Bank and expects to return shortly for a trout fishing trip.

Dr. Joseph Burke spent the week end with his parents Mr. and Mrs. Hilaire Burke.

Celebrates First Mass

Rev. Peter J. Baccardax, of Poirierville, celebrated his first High Mass here on Sunday, assisted by his uncle, Rev. Alfred Boudreau as deacon. Rev. A. P. Poirier as subdeacon, Rev. Wilfred A. Boucher of D'Escousse, assistant to the young priest and Rev. Albert Doucet, master of ceremonies. Rev. Dr. C J. Forest occupied a seat in the sanctuary. Rev. A. Boudreau delivered the sermon appropriate to the occasion.

After Mass Ulrich Bourque of Poulamon read a French address. Arthur Terrio of D'Escousse read an address in English and presented the young priest with a purse of money.

A reception was held at OLA Convent for the clergy, relatives, and friends.

The large church was filled to capacity and some lined the rail in the galleries. Rev. Baccardax in well chosen words thanked the clergy and the readers of the addresses.

Father Baccardax is a son of Mrs. Jeanne Baccardax and the late Alexander Baccardax of Poirierville. He was ordained to the holy priesthood by Bishop J. R. MacDonald at St. Ninian's Cathedral, Antigonish on June 4th.

Wedding

BUTLER — ROBERTSON

Truro, June 7—A wedding of widespread interest was solemnized in St. John's Anglican Church Truro, on Saturday, May 28, at 3.30 p.m. when the rector Rev. J. Harold Graven, united in marriage Helen Elizabeth, elder daughter of Mr. and Mrs. J. C. Robertson, 38 Ross Street, Truro, and Allan Hawkins Butler, of Amherst, son of Mr. and Mrs. Allan M. Butler, of Halifax.

The bride, given in marriage by her father, wore an imported model gown of ivory satin and guipere lace with a round neckline long sleeves coming to points over the wrists, fitted bodice and full flowing skirt over crinoline. Her headdress was a finger-tip veil of tulle illusion, held in place by a lace coronet matching the gown, and trimmed with orange blossoms on either side. She carried a shower bouquet of white gladioli pierced with sweetheart roses.

The bride's sister, Mrs. Harold R. Harris, Owen Sound, Ontario, was matron of honor. The attendants were Mrs. Warren Jennings and Mrs. Gerald A. O'Shaughnessy both of Halifax. The matron of honor wore a gown of soft antique rose taffeta with matching headdress and mitts, and she carried a cluster bouquet of mauve mums and pansies. Mrs. Jennings and Mrs. O'Shaughnessy were identically gowned in Heavenly green taffeta with headdress and mitts to match, and carried flowers similar to those of the matron of honor.

David R. Butler of Halifax acted as best man for his brother, while the ushers were Gerald A. O'Shaughnessy and Warren Jennings of Halifax.

The church was very tastefully decorated with potted ferns and baskets of gladioli and spring flowers. The wedding music was played by the church organist, Miss Bertha Dunn, who accompanied Arthur Butler of Halifax in the singing of "The Lord's Prayer" at the beginning of the ceremony, and "O Perfect Love" during the signing of the register.

Mrs. Robertson, the bride's mother, was robed in a gray-blue satin ensemble with pink accessories and wore a corsage of sweetheart roses. Mrs. Butler, the groom's mother, wore a two piece slate blue brocade with navy accessories and a white gardenia corsage.

Immediately following the ceremony, a reception was held at the Scotia hotel for over a hundred guests. The toast to the bride was proposed by Archdeacon L. R. Bent of Pictou, and fittingly responded to by the groom.

Miss Helen Cutler, Truro, cousin of the bride, and Mrs. R. C. Moir, Halifax, aunt of the groom, poured and girl friends of the bride served the refreshments. Miss Jane Mills of Halifax had charge of the guest book.

Following the reception, the bride and groom left by car on a wedding trip to New York and other American cities. For travelling the bride wore a rose flecked suit pink hat and navy and white accessories. Her corsage was a white gardenia.

On their return they will reside in Amherst.

We wish the young couple a long and happy wedded life.

M. D. Jarell, eminent trichologist, demonstrates causes of baldness and how it can be prevented.

How To Have Hair For A Lifetime To Be Demonstrated Here By Famous Trichologist *Offers Written Guarantee*

An exclusive interview by Ward Allen

LONDON, ONTARIO, (Special)—M. D. Jarrell, Director of Jarell Hair Experts of Canada, exploded the "myth of baldness" today in an exclusive interview.

"Baldness is unnecessary, costly, and a plague to mankind," says Jarrell. "No man need be bald. No man need suffer the stigma of premature old age that is forced upon him because he is losing his hair. The Jarell method of hair and scalp treatment can prevent baldness—can turn colorless fuzz into healthy, growing hair—can make you look youthful again."

Demonstration To Be Held in Arichat, N. S.

This revolutionary method of home treatment for the hair and scalp will be demonstrated in Arichat, N.S., Tuesday ONLY, June 21st at the Arichat Hotel. Trichologist H. L. Hendrickson will conduct the private, individual interviews from 12 noon until 9.00 P.M. on Tuesday ONLY. There is no cost or obligation, and you need no appointment.

Reason for Baldness

"There is always a reason for baldness," continued this nationally known authority. "Hair cannot grow through a scalp that is infected with dandruff, excessive oiliness, or extreme dryness. A scalp that has never been exercised cannot be expected to produce healthy hair". Men, and yes, women too; walk the streets today completely devoid of nature's greatest ornament—hair. Simply because they were not taught the basic rules of hair and scalp hygiene while they were growing up. "The simple answer," emphasized this expert is that children should be taught the same simple basic rules of hair and scalp hygiene that they are taught for the proper care of teeth. If this were the case baldness would be a rarity today!"

Heredity Not Involved

Trichologist Jarell dodged no issues. He quickly took up the most widely spread theory of baldness—heredity. "Mankind's unrealistic belief that baldness is heredity stems from a misinterpretation of the theory of genetics. Theory does not state that any person must be bald because baldness exists in the family. What it does say, is that in some families, a tendency exists toward an undernourished scalp." The purpose of Jarell Hair and Scalp Experts is to teach the methods of strengthening the weak scalp and nourishing it to a healthy, vigorous condition. A healthy scalp will grow hair, if it is not already completely bald," assures Jarell.

Is There Hope For The Completely Bald

In his travels throughout the United States and Canada, Jarell has collected hundreds of testimonies of his ability to develop weak fuzz into healthy, mature hair. All of his clients have started with a private examination, hair and scalp analysis, and a diagnosis of the disorder, Jarell is quick however, to tell a hopeless case that he cannot be helped. "We strongly advise," says Jarell, "that no person who is completely bald hold any hope whatsoever of regrowing hair. If there is any fuzz at all, we can restore a healthy scalp condition and the hair will grow normally again as nature intended."

Offers a Guarantee

"Jarell Hair Experts of Canada, offer a guarantee to any client who enrolls for treatment. If he or she is not completely delighted with results at the end of 30 days, the money invested will be graciously refunded," pledged Jarell. "We must have satisfied clients. We must regrow hair. After all, it is our best advertisement."

Is Your Hair Healthy?

If you have a scalp disorder, or if you are worried about your hair, call Trichologist Hendrickson at the Arichat Hotel, in Arichat, N.S. Tuesday ONLY from 12 noon to 9.00 p.m. The public is invited. The examinations are private and open to men and women. You do not need an appointment, and you will not be embarrassed or obligated in any way.

DUNDEE DEW DROPS

The fields are beautiful and green; the orchard a mass of pink and white clossoms. but the cold rain accompanied by high winds is hampering the growth of vegetable and flower plants. Nevertheless we are glad for the month of June; cold rain or high winds cannot dim our hopes for bright sunny days to come.

Bert MacDougall and Harold MacKinnon, Stirling, accompapied by Calder MacDougall, Thibeauville were recent visitors here.

We were pleased with the friendly visit from Mr. and Mrs. William Kaehorn who have arrived from Halifax to take up residence with Mr. and Mrs. M. C. MacInnes, St. Greoge's Channel.

During their stay in Halifax where Mr. Kaehorn held a responsible position, they were blessed with a baby girl, Elizabeth Margaret (now 8 months old) is bright and beautiful and receiving lots of attention in the MacInnes home.

Mr. and Mrs. Phil MacInnes and little daughter Phyllis were recent week-end motor visitors to New Glasgow.

Mrs. M. C. MacInnes returned from Sydney on Sunday after spending a week there having her teeth extracted.

Mr. and Mrs. Stewart MacInnes and daughter Jane Marie, Sydney were Sunday guests of the former's mother and brother at St. George's Channel.

The remains of the late Mrs. Mary Cameron were taken from Sydney on Thursday, June 2nd (by Fillmore's Undertaker) for burial at Black River Cemetery. Accompanying the hearse were Mrs. Cameron's daughter, Mrs. Len Lovelace and son James, also Weston Pringle and Mrs. Barb MacInnes, Sydney, and Mrs. J. Morrison, St. Peters. Due to unfavorable weather conditions, the body rested in the vault at Hardwood Hill Sydney during the winter months.

exceptionally pleased to hear the voice of Kenneth Pringle, Mulgrave. on Friday, June 3rd when connections were made with his younger brother W. B. Pringle, Points, (by telephone). Kenneth who spent the week-end at The Points, was a next-door-neighbor and an agreeable and highly respected pupil at "The Little Red School" by the brook, in the days when our popular DAS held a position between the desk and the lengthy blackboard.

Those were the days when lectures meant something, but it is only when we review the past, that we realize our lack of appreciation.

New Truck Service

The Langley Shipping Ltd., of Port Hawkesbury, owners of the MV Vanaheim of the Arichat-Queensport-Mulgrave Service have placed a new 3-ton, stake body, GMC in the service, which will be used to carry freight from Arichat to points on Isle Madame.

This new truck is well equipped to look after the needs of the people served by the "Vanaheim"

Louis Samson, of Petit de Grat, who for many years operated trucks of the Isle Madame Steamship Service, is also the operator of the Vanaheim truck. Louis is very obliging and efficient operator and will give patrons of the Langley Shipping Ltd., continued good service.

The Furnace that is Spoon Fed

It's a fact! With Dosco's sensational new furnace coal is fed automatically in such minute quantities that it is virtually spoon fed.

In fact ¾ of a pound of coal will hold fire in the furnace for one hour.

This is the new, compact, gleaming white enamel furnace that disposes of its own ashes and leaves the furnace room immaculate.

CHECK THESE FEATURES

CONVENIENCE
Unsurpassed for comfort and convenience.

ECONOMY
Cuts a minimum of 20 per cent from the cost of operating a hand-fired furnace, with relatively higher savings over other type heating systems. Cost of purchase and installation is less than for any other self-feeding heating system.

CLEANLINESS
It is impossible for dust or ashes to enter the furnace room. There is only a very small amount of ash and this is removed by vacuum as it forms.

FULLY AUTOMATIC
This furnace stokes itself automatically as required by the thermostat and even removes its own ashes.

COMPACT
The new Dosco furnace is the most compact furnace you can own. It measures 40 inches long by 30 inches wide and 48 inches high.

Purchase and installation of Dosco's new furnace can be financed through a Home Improvement Loan available under the National Housing Act. See your Bank.

Nova Scotia Summer School

When the Nova Scotia Summer School opens July 4 at Dalhousie university, Halifax, six hundred or more teachers are expected to be in attendance to further their professional training, refresh their knowledge of special subjects, acquire new skills, and acquaint themselves with modern methods in education.

Conducted annually by the provincial Department of Education, the school will offer over 60 courses including art, economics, education, English, first aid, French, history, methods, music, nutrition, and physical education, taught by a faculty of over 50 members.

Emphasis will be placed on methods of teaching, with courses in primary methods, general methods methods in English, mathematics, science, social studies, guidance, speech, dramatics and remedial methods.

A special feature this summer will be the second and third sessions of a professional training course for teachers in physical education, part of a special three year program to train academic teachers as instructors in physical education. There will be a similar offering in the field of music.

During the session which closes August 11 the Students' Association will carry out a program of recreational activities along with the academic and practical work and special events will be provided for the cultural benefit of teachers. Special courses will be featured in audio-visual aids and geography to appeal to teachers of high school grades. New courses also will be offered to prepare students in grade XI Latin, French and mathematics.

SEALED TENDERS addressed to the undersigned, and marked as to content, will be received in the office of the Secretary, until 3.00 p.m. E.D.S.T.) WEDNESDAY, JUNE 15, 1955, FOR BASE COURSE, PAVING AND CULVERT EXTENSIONS, CABOT TRAIL, CAPE BRETON HIGHLANDS NATIONAL PARK.

Specifications can be seen and forms of tender obtained at the offices of The Chief, Trans-Canada Highway Division, Hunter Building, Ottawa, Ont.; Mr. H. F. Peters, Supervising Engineer, 5th Floor Federal Building, Halifax, Nova Scotia; Mr. J. S. Harris, Supervising Engineer, 461 King Street, Fredericton, N.B.; and Mr. C. E. Doak, Superintendent, Cape Breton Highlands National Park, Ingonish Beach, Cape Breton, Nova Scotia.

To be considered each tender must be accompanied by a security in the form of a certified cheque or bonds as specified in the forms of tender and made on or according to these forms and in conditions set forth therein.

The Department, through the above offices, will supply specifications for the work on deposit of a sum of $25.00 in the form of a cheque or money order payable to the order of the Minister of Public Works. The deposit will be released on return of specifications in good condition within a month from the date of reception of tenders. If not returned within that date the deposit will be forfeited.

The lowest or any tender not necessarily accepted.

ROBERT FORTIER,
Chief of Administrative Services and Secretary.

Department of Public Works,
Ottawa, May 24, 1955.
