FIFTY-EIGHTH YEAR | ARICHAT, CAPE BRETON, N. S., JUNE 25, 1955 | No 40

Meeting Richmond County Council Home and School

Reports of Home and School Associations in Richmond County presented at the meeting of the County Council of Home and School Associations held at St. Peters on June 15th indicated that active groups have been engaged in carrying on a full program of Home and School Work thoughout the past term. Reports of Chairmen of the various Council Committees showed that many Adult Classes throughout the County had been established and Founders Day observed in various and interesting ways. The Health Program in the County was reviewed by the Public Health Nurse, Chairman of the Health Committee.

The afternoon session was opened by the President, Mrs. Paul White, followed by a prayer offered by Rev. P. MacNeil, P.P. of St Peters. A cordial welcome to St Peters was extended to the visiting teachers, delegates and visitors by Mrs Donald Johnson, President of the local Association.

An exhibit of handcrafts and art work of pupils in the County was on display at this meeting. Originality was again the keynote of this annual exhibit. In line with the Bicentenary Celebrations this year, many of the exhibits depicted various aspects of the history of the Acadians.

Reports on the Annual Music Festivals and Speech Festival were given by Mrs. White and Inspector Chiasson respectively, and showed the tremendous growth of these two annual events.

In her report as President Mrs. White commended the various Associations for the splendid work they had done during the year. She urged all Associations to be faithful in sending in periodical reports. Many technical points regarding administration were clarified by Mrs. White.

Rev. Mr. Neimo of Port Hood, President of the Inverness South Council of Home and School Associations, addressed the meeting and brought greetings from his Council Rev. Mr. Neimo, who previous to coming to Inverness Co. was a native of Scotland, is very much impressed with the work of Home and School Associations are doing in this country.

Following the afternoon session supper was served under the auspices of the St. Petres Home and School Association.

After the opening of the evening session a Resolution from the Point Tupper Home and School Association was read petitioning assistance from the Provincial and Federal governments in establishing a steel plant or fish plant in that area that a source of income essential to the survival of the community might be provided so that the children might be able to continue in pursuit of their vocation in life. The support of the Richmond County Council of Home and School Associations was requested in seeing that this Resolution is directed through the proper channels so that it will be brought to the attention of Provincial and Federal governments.

At the evening session a Panel Discussin was held entitled "What has Richmond County to Offer in the Three Basic Industries to the Youth who are not Going on to Higher Education?" Rev. D. E. MacDonald, P.P. Johnstown, was Chairman and members of the panel were as follows: Mr. A. D. Rankin, Agricultural Representative; Mr. M. A. Ferguson, District Forestor; Mr. Gordon MacRae, Fieldman with the Atlantic Forest Products Association; Mr. Edwin Power, Inspector of Pickled Fish; and Mr. Arthur Terrio, Fisheries Officer. Many interesting and vital points regarding the economy of the County were brought out, and the general viewpoint was that a combination of two or even in some cases a combination of the three industries could be engaged in advantageously.

Inspector Chiasson gave a brief summary of the day's proceedings and expressed his thanks to the many loyal workers in the Home and School Movement throughout the County for their help and cooperation. He paid tribute to the devoted service of Mrs. Paul White, who this year is retiring as President of the Council.

Mrs. White was then presented with a Past President's pin by Mrs. Donald Johnston on behalf of the St. Peters Association. Mrs. White in thanking the local Association said that the pin was something she was glad to have and would be proud to wear.

An address in appreciation of her faithful service as president of the Richmond County Council was then read by Mrs. W. G. Langley, of Point Tupper, and a gift from the Council presented.

Mrs. White expressed her thanks and pledged her continued support to the Home and School movement.

The new slate of officers presented by the Chairman of the Nominating Committee is as follows.

President: Mr. M. A. MacNeil, Louisdale.

Vice-Pres.: Rev. A. Doucet, P.P. West Arichat

Recording Secretary: Mrs. W. G. Langley, Point Tupper.

Corres. Secretary and Treas.: Mrs. G. Trowbridge, St Peters

Area Representation: Mr. Carl Boudreau, Little Anse; Mrs. Donald Kemp, Grand River.

D'ESCOUSSE NEWS

Mrs. Clement McDonald who spent four weeks here hairdressing returned to Halifax after a very busy stay. Mrs McDonald is an expert hairdresser and always gets a lot of customers when she visits D'Escousse.

The men from this parish are busy building a new Church to replace the one we had the misfortune to lose by fire last year. The weather has been very bad since the work started but so far the wall has been finished and the work of framing will soon be underway. It is expected to be finished by next Christmas.

Some of our recent visitors from the USA were Mr. and Mrs. Geo. Hughes (nee Ina Boudreau); Mrs. Pat Casey, a sister of Mrs. Hughes and her daughter Patricia; Mr. Walter Boudreau and his sister, Florence all of Revere, Mass. The Boudreau's were former residents of D'Escousse and like to visit their old home. Included in the party were two charming young ladies, Miss Eileen O'Neal and Miss Corinne Blewer, friends of Miss Patricia Casey.

The weather was not very favourable for a vacation, but the three young ladies took advantage of a fine day to go herring fishing and were lucky in getting a full bucket. They also attended a dance in Lower River Inhabitants and had a splendid time.

We hope they will all make another visit soon but later in the season when the weather is more favorable.

Our Bingo game was very well attended Sunday night and the $100 jackpot went to Mrs. Louise Scanlon of Whiteside. Proceeds from the games go to repairs on the school and to help pay for the furnace which was installed last year.

Mr. Joseph LeBlanc who bought the Cooperative Store in D'Escousse is having the place renovated and expects to be ready for business early in the fall.

The lobster season will soon come to a close. Fishermen report a fair season. Mackerel were not too plentiful this season.

Recent studies of Canadian Indians sponsored by the Canadian Cancer Society show that Indians have less skin cancer than do whites. The probable explanation of this is that the pigment in the skin of Indians is a protection against the ultra-violet rays of the sun.

Sporting Mountain Echoes

At date of writing (June 18th) we are favored with fine summer weather in this area, and it is a pleasurable privilege to live, move and have your being on Sporting Mountain now.

Mr. and Mrs. Wm. Bissonnette and son Rolland, comprised a motor trio from Port Hawkesbury Sunday, and were guests at the Leblanc home.

We appreciated a friendly call from our former neighbors enroute home.

The same evening we were gladdened by a motor party from down Sydney way.

It included Mr. and Mrs. Robert Lewis (Margaret Sutherland) and their sons Robert Jr., and Ronald and Neil Sutherland.

A promise to be with us on a definite date for a more extended stay made amends for the brevity of their visit.

Tuesday evening Mr. and Mrs. Lloyd McRae and Mrs. Delbert McRae with their respective families motored to Seaview from up Hawkesbury way.

When Mr. and Mrs. McRae were our neighbours down on the farm we befriended little Margaret, the eldest of the family trio and the other night she insisted the car must not bypass our house by the roadside.

That enhanced our good opinion of you "Peggy".

When Josephine Burke took advantage of her Wednesday afternoon off to motor her mother, Mrs. J. F. Burke, Mrs. Vitus Burke (Irene Morrison) and the veteran Henry Boudreau to Seaview to contact old friends, we were pleased to be numbered among them.

We had occasion to be especially pleased to see Mrs. Isaac Burke.

We remember when she made her debut to this area at a social in Seaview school house, and was as popular as are her daughters today.

H. J. Hill and Kaye McPhail drove to Oban Sunday and visited at the home of Mr. and Mrs. A. W. H. McDonald.

Alfred Burke was up from Cannes the other evening trying out his new '55 GMC half ton motor truck, on the Sporting Mountain highways.

Charles Grant was helper to Leonel LeBlanc in the transfer of pulpwood during the week.

That is complimentary to Charlie's capacity.

Elliott McLeod, Geo. W. Grant and Jas. Sutherland were among those who attended the planting bee at A.W.H. McDonad's on Friday.

L'ARDOISE

Mr. and Mrs. Leonard Bona and son of Sudbury, Ont. were recent visitors at the home of Mr. and Mrs. James Westlake. They were accompanied on their return by Mr. Bona's brother Ivan Boudreau.

After a lingering illness the death of Mr. Michael Rehburg occurred at his home on Thursday, May 26th at the age of 78. The deceased was very highly regarded and his passing was learned with deep regret by a wide circle of friends and acquaintances. Besides his widow, the former Mary Bona, he is survived by six sons and five daughters: Leo and George, Brockville, Ont.; Gregory and Charles, Halifax; John and Walter, L'Ardoise; Mrs. R. Dunn (Agnes) Brockville; Mrs. Fred Firth (Mae) Cornwall, Ont.; Mrs. Elmer Percy (Martha) Edmonton, Alta; Mrs. Clyde Conway (Mary) Halifax; Mrs. Bert Patterson, L'Ardoise. Another son Blaise, predeceased him several years ago.

The widely attended funeral took place on Saturday morning with Mass of Requiem at Guardian Angel Church, celebrated by Rev. Fr. P. A. LeBlanc P.P.

Mrs Henry Burke, President C WL sub-division and Mrs Joseph Gracie attended the CWL Diocesan Convention which took place at New Glasgow, May 30 and 31.

Congratulations are extended to Messrs. James and Joseph Monbourquette, sons of Mr. and Mrs. Urwan Monbourquette, West L'Ardoise and Mr. and Mrs. Chas. Monbourquette, Rockdale, who were awarded their Bachelor of Arts degree at St. Ann's College,

Understand Hindustani?

Language is only one of the difficulties faced by Canadians who buy and sell in foreign markets. Currencies, exchange and trade regulations—payments and collections—market information—locating sales representatives abroad—all call for prompt, efficient handling over long distances.

The chartered banks are an essential part of this whole trade picture. Through their foreign branches, agents and representatives they provide permanent, on-the-spot contact in commercial centres around the world.

Facilitating the flow of international trade is only part of the work carried on every day by the chartered banks of Canada. Your local branch is a convenient banking service-centre where you can obtain expert help on money matters large and small.

Only a chartered bank offers a full range of banking services, including:

CURRENT ACCOUNTS
For individuals and companies who pay by cheque; your cancelled cheques serve as receipts.

SAFETY DEPOSIT BOXES
Keep your important papers and other valuables safe, yet readily accessible.

MORTGAGE LOANS
For building your home under the terms of the National Housing Act.

Burial of the late Miss Margaret Ann MacRae, R.N., of Worcester, Mass., took place on Saturday, June 18th at 3 p.m. in the family plot at Black River.

The remains which rested in a vault during the winter, were accompanied here by a sister, Mrs. E. Larned, and Fred Griswold, who were with her during her long time of suffering.

Undertaker MacDonald of Port Hawkesbury brought the remains from Port Hawkesbury and the burial was by Rev. R. Humby.

Allan MacRae, nephew of the deceased and Mrs. MacRae of Truro attended the burial, besides many friends.

Surviving besides Mrs. Larned is one sister, Mrs. Valoid Adair of Ohio, a niece, Mr. Marie Roach of Worcester, all of whom are mourning the loss of a devoted sister and aunt.

Share-holders and managers of Lakeview Mutual Telephone Co., are building a new line from Black River to the Points. We trust that there will be better service when all old rusty wire is removed.

Mrs. John A. MacInnes, St. George's Channel spent a week in New Glasgow, returning on Sunday. Accomanying her on return were Mr. and Mrs. Will Ross.

Mrs. Jas. H. MacIntosh has left for Cole Harbour, Halifax County where she will spend a few weeks with her daughter, Mrs Stewart Bissett. Her son Bert, who motored her there will return on Thursday.

Mrs. M. C. MacInnes is at present in Sydney where she is having some dental attention.

John Calder has purchased a 1955 Ford truck and is now busy hauling pulp to West Bay Road.

MINISTER MEETS DIRECTORS

Grand Anse, N.S. June 18 — The Directors and Fieldman of the "Atlantic Forest Products Co-op" met yesterday at Antigonish with the Hon. C. H. Chisholm Minister of Lands and Forests for the Province of Nova Scotia and his Deputy, Dr. G.W.I. Creighton, Halifax, N.S.

The purpose of this meeting was to discuss the problems of the small woodlot owners of the Eastern area. Discussions were held on the proposed pulp mill, finances and future development of woodots in this area.

The proposals of the organization were favorably received and the general feeling was that considerable progress had been made.

Later in the afternoon a business session of the organization was held at which, Mr. Thomas Chisholm, St. Andrews, presided. An optimistic report was tabled by the fieldman, Mr. Gordon MacRae and plans for the small woodlot owners to ship peeled pulp neared reality.

WHAT ARE GOOD MANNERS?

What are considered good manners in one country may be considered rudeness in another. These differences in behavious "account for injured feelings and misundertandings in international circles everywhere,' says the July Reader's Digest.

"Unfortunately," the article adds, "many standards of acceptable behaviour in different cultures are intangible, undefined and unwritten."

An Arab diplomat who had recently arrived from the Middle East attended a banquet which lasted several hours. At the end he was still very hungry. In accordance wih his own code of etiquette he had said, "No, thank you," severa times, not knowing that his refusal of food would be taken seriously. In an Arab country the host expects the "No, thank you," repeatedly urges his guest to partake until, finally the guest does so.

Over here we raise our voices not only when we are angry but to emphasize a point, or when we are separated by the space of a room. To the Chinese, however, a loud voice is chiefly associated with anger; accordingly they are apt to mistake our enthusiasm for loss of temper.

In Latin America, North Americans are disturbed by how close people stand when they converse. and Latin Americans complain that we are distant and cold. U.S. and Canadian businessmen try to prevent Latin Americans from getting uncomfortably close by barricading themselves behind desks; but their visitors will often climb around to establish what is for them a comfortable talking distance.

These differing ideas of proximity are paralleled by a difference in time sense. An American will apologize for being five minutes late for an appointment. The Arab may be 15 or 20 minutes late and have no awareness that he is being rude.

ONLY SHE-MOSQUITOS BITE, SAYS ARTICLE

Mosquitos plague man from the tropics to the Arctic Circle, from coastal marshes to inland deserts. Until recently, however, our knowledge of them and their habits has been relatively scant.

Entomologists, taking a close look at this universal pest have learned a good dea about it. Some of their findings are revealed in an article in the July Reader's Digest.

Only the female mosquito bites the male not being able to. According to current belief, the female of many mosquito species needs an occasional sip of human or animal blood as a kind of vitamin. Without this rejuvenating charge at least once every 25 generations. the breed begins to weaken and die.

The female mosquito's high frequency drill slips easily through the toughest skin, even the scales of snakes. Generally, she can take off before you slap because the sudden tension of your skin "telegraphs" the blow. To the mosquito, says Reader's Digest, the slighest nervous rippling beneath her is like an earthquake.

Mosquitos seem to bite most often at night probably because the species that is the biggest nuisance happens to be a night feeder. The female finds her way to the target in the dark by means of a "chemoreceptor"—a combinaion sense of smell and radar-like sense of "feel" beamed to hear waves and odors given off by the human body.

The common house mosquito seldom flies more than 1000 feet from its birthplace. Some of the big salt-water marsh breeders, however, can make mass raids on towns 50 to 75 miles distant.

The male mosquito lives only eight or nine days, the female about 30. In her life span, however, the female of the common species lays about 100 eggs, and in temperate climates 15 generations are born in a season. The resulting progeny, if unmolested, would reac astronomical figures.

Mosquitos are actually GOOD for something, from the human viewpoint. Entomologists say they are an important source of food for other insects, birds, animals and fish. Without them. many insect-eating birds and animals might perish, allowing even worse pests than mosquitos to plague us.

For Luscious Variety use
New Active Dry Yeast
This rich Danish Bun Dough rewards you with 4 gorgeous treats out of the same oven! Successful risings with Fleischmann's Active Dry Yeast are the secret! So whenever you bake at home, be sure you have Fleischmann's on hand.

Needs No Refrigeration

BASIC DANISH BUN DOUGH

Measure into a small bowl
1 cup lukewarm water
3 teaspoons granulated sugar
and stir until sugar is dissolved.
Sprinkle with contents of
3 envelopes Fleischmann's Active Dry Yeast
Let stand 10 minutes, THEN stir well. Sift together twice, then sift into mixing bowl
6 cups once-sifted bread flour
½ cup fine granulated sugar
1 teaspoon salt
Cut in finely
1 pound chilled butter or margarine
Beat together until light and thick
2 eggs
1 egg yolk
and stir into yeast mixture.
Make a well in the flour mixture and pour in yeast mixture; combine thoroughly. Knead dough in the bowl until smooth. Cover dough closely with waxed paper and chill.
Beat together slightly with a fork and hold to finish fancy doughs,
1 egg white
1 tablespoon cold water
Turn out dough on lightly-floured board. Divide into 4 equal portions and finish as follows:

1. Apricot Turnovers. Roll out dough to 9 x 12 inches. Cut into 12 squares; moisten edges. Put spoonful of apricot jam on each square; fold into turnovers; seal; snip tops. Place on greased cookie sheet. Cover. Let rise in warm place 15 mins. Brush with egg-white mixture; sprinkle with chopped almonds and sugar. Bake in moderately hot oven, 375°, 20 mins.

2. Raisin Rounds. Cream 2 tbsps. butter; mix in ¼ cup brown sugar, 1 tbsp. flour, 1 tsp. grated lemon rind and ½ cup raisins. Roll out dough to ¼-inch thickness; cut into 2½-inch rounds. Moisten edges of half the rounds with water; place spoonful of raisin mixture on each one; cover with remaining rounds; seal; cut an X in top of each round. Place on greased cookie sheet. Cover. Let rise in warm place 15 minutes. Brush with egg-white mixture; sprinkle with sugar. Bake in moderately hot oven, 375°, 18 to 20 mins. Frost while hot, if desired.

3. Jam Strips. Roll out dough to 5 x 15 inches. Run strip of 2 tbsps. thick jam down each side, 1 inch in from edge. Moisten edges and fold over jam to meet in centre; seal. Place on greased cookie sheet. Cover. Let rise in warm place 15 mins. Brush with egg-white mixture; sprinkle with slivered nuts and sugar. Bake in moderately hot oven, 375°, 25 to 30 mins. While hot, spoon thick lemon filling down centre. Drizzle with frosting.

4. Cinnamon Braid. Combine ½ cup sugar and ¾ tsp. cinnamon; sprinkle all but 2 teaspoonfuls on baking board; place dough on board; roll out to 9 x 14 inches; fold dough over twice. Repeat rolling and folding twice. Roll out dough to 4 x 16 inches; cut into 3 long strips, joined at one end; braid. Place on greased cookie sheet. Cover. Let rise in warm place 15 mins. Brush with egg-white mixture; sprinkle with 2 tbsps. chopped almonds and 2 tsps. sugar mixture. Bake in moderately hot oven, 375°, 30 mins. Spread hot braid with frosting.

CONFECTIONER'S FROSTING: Combine 1½ cups sifted icing sugar, 2½ tbsps. milk and ½ tsp. vanilla.

NEW FULLY AUTOMATIC FURNACE
Actually pays for itself

The most modern development in domestic heating will be demonstrated in this area soon. You will want to see it.
Perfected by Nova Scotia engineers, this is the furnace which is making news in the heating world. In gleaming white enamel, it is only 40 inches long, 30 inches wide and 48 inches high. It costs little to buy and install and this cost is quickly returned in fuel savings.

COMFORT AND CONVENIENCE
This new principle of heating gives the householder *maximum comfort* and *unsurpassed convenience*. No stoking — no ashes to carry. And it is the most economical heating system yet devised.

IT REMOVES ITS OWN ASHES
With modern treatment of coal, most of the ash is eliminated. The small residue is carried by vacuum to a canister which can be outside the house.

IT CUTS FUEL BILLS
Coal is the most economical fuel available in Nova Scotia. This new furnace makes a further reduction and cuts costs of fuel at least 20 per cent lower than hand-fired furnaces. Savings over other type heating systems are relatively higher. It holds a fire with as little as ¾ of a pound of coal an hour.

IT IS ABSOLUTELY CLEAN
It is impossible for ash or dust to enter the furnace room. With this furnace, the furnace room floor can be as clean as the living room table.

IT IS FULLY AUTOMATIC
It feeds itself and carries the ashes — A thermostat regulates the heat.

Watch for the demonstration of this radically different home furnace.

Purchase and installation of Dosco's new furnace can be financed through a Home Improvement Loan available under the National Housing Act. See your Bank.

L'ARDOISE

(Continued from Page 1)

Church Point, on May 31st. Attending graduation were Mr. and Mrs. Alexander Monbourquette, accompanied by Mrs. Urban Monbourquette, Mrs. Charles Monbourquette and son James, who is a patient at Point Edward Hospital and who, we are pleased to report, is making a satisfactory recovery.

The Ladies Social Club held their monthly meeting at the home of Miss Minnie Gracie, recently, with a good attendance of members. The meeting was conducted by Rose A. Monbourquette in the absence of the president, Mrs. Henry Burke. Minutes of the previous meeting were read by the Secretary Mrs. Betty Stone and the financial report given by Treasurer Mrs. Gertrude Westlake. Plans were made to have a sale and card party in the near future. Following the short business session the ladies enjoyed card playing. A delicious lunch was served by the hostess assisted by her sister. Mrs. Charles S. Sampson.

We are pleased to report that Mr. Bertram Pottie who was in a car accident near Ross' Ferry recently and sustained serious injuries is making a satisfactory recovery. at the V. G. Hospital, Halifax.

Lieut. Joseph Monbourquette, Petawawa, Ont. accompanied by his parents, Mr. and Mrs. Anthony Monbourquette, Freddie Samson, and Mr. and Mrs. Peter Clannon, motored to Cheticamp on Saturday to visit his sister, Rev. Sister Anthony Marie, OLA Convent.

Mr. Fabian Bona, Halifax, is visiting his brother, Mr. Fred Bona.

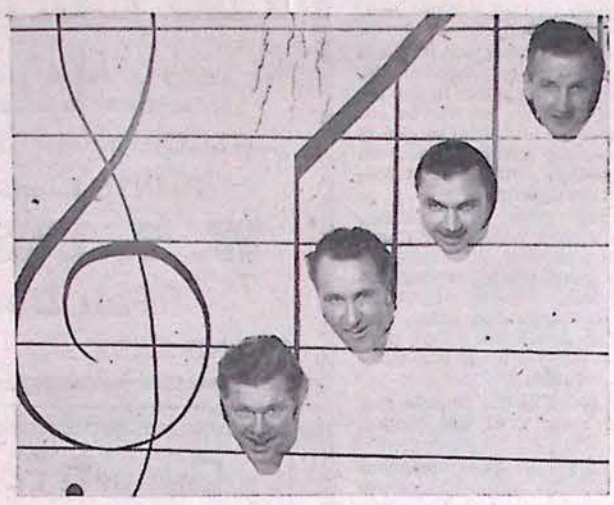

Mrs. Alex LaBille and family, Dartmouth, are visiting at the home of her parents, Mr. and Mrs. Manuel Monbourqutte.

Mr. and Mrs. Thomas Gillmore has returned to St. Anthony, Newfoundland, having spent two weeks visiting at the home of Mrs. Gillomer's parents, Mr. and Mrs. Fred Samson. Mr. Gillmore is superintendent of a large construction job at St. Anthony.

Mr. and Mrs. Quentin Samson accompanied by her parents, Mr. and Mrs James Samson and Mrs. Alonzo Samson were motor visitors to Monastery on Sunday.

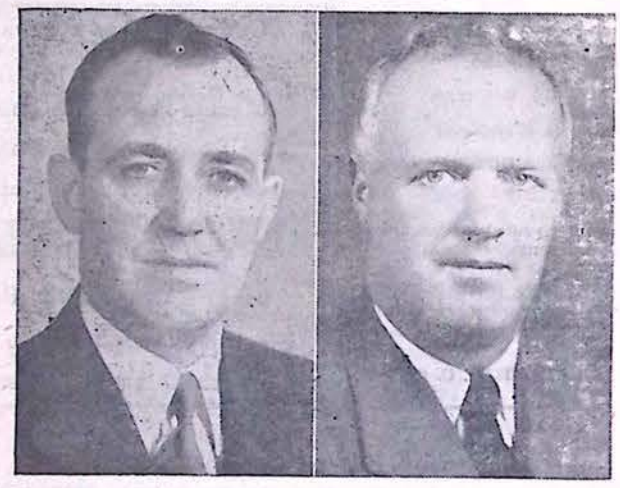

Mr. and Mrs. Emmet McGrath, son John and Mr. W. D. Monbourquette were visitors from Sydney Mines on Sunday, guests of Mrs. W. D. Monbourquette and Mr. and Mrs. George A. Monbourquette.

"THE COMMORDORES"

Men of note are "The Commodores" — and not just musical note since they have sung in Britain, Holland, Belgium and Germany as well as right across Canada and in parts of the United States. Their European tour goes back to the war when they were part of the Navy Show. Since their return, they have been giving concerts from coast to coast many by way of CBC broadcasts. Currently they are heard Tuesday nights on the Trans-Canada network singing western ballads, sea chanteys, operatic melodies and negro spirituals. Reading up the scale they are: Donald Parrish, bass; John Ringham, baritone; Carl Tapscott, second tenor and leader of the group; and Harvard Reddick, first tenor.

C. P. R. Passenger Department Appointments

George Walsh (left) of Winnipeg, has been appointed district passenger agent for the Canadian Pacific Railway at Saint John, N.B., succeeding W. E. Clampitt (right) who takes up a similar post at Regina. Mr. Walsh has been 26 years with the railway, joining the passenger department in Montreal. He was posted to England in 1941 as overseas traffic clerk and two years later joined the RCAF. He returned to the Montreal office after the war and in 1948 was appointed city ticket agent at Washington, D.C., holding the same capacity in New York, prior to going to Winnipeg as passenger traffic representative in 1951. Mr. Clampitt has been in charge of the CPR's passenger traffic organization in the Maritimes since 1953. He joined the company at Vancouver in 1928, and was chief clerk at Winnipeg prior to coming to Saint John.
