FIFTY-EIGHTH YEAR | ARICHAT, CAPE BRETON, N. S. JULY 9, 1955 | No. 42

Hon. R. H. Winters Reports From Ottawa

July 2, 1955

Dear Mr. Editor:

The intense heat in Ottawa during the week didn't seem to be much of a factor in hastening the ed of the parliamentary session. Usually Members plan to be away from Ottawa by the 1st of July, but this year the filibuster on Mr. Howe's Defence Production Act is still grinding along.

The Minister of Finance yesterday, in reply to a question, stated that it costs the taxpayers of Canada about $17,000.00 for each day Parliament is in session. That quickly runs into large sums of money, and I am sure the taxpayers have their own ideas as to which subjects are sufficiently important to warrant detaining Parliament longer than would appear to be necessary.

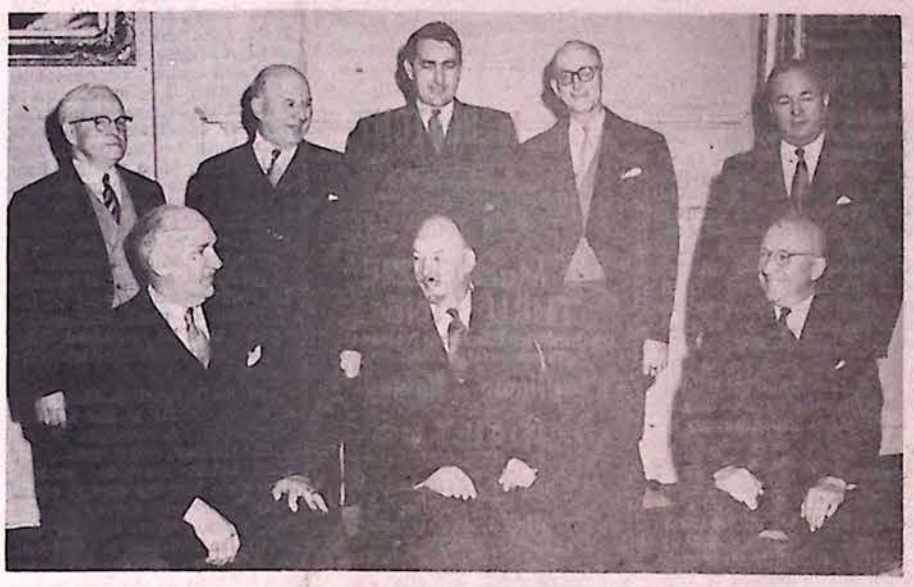

The Minister of Fisheries has now left on a trip to Russia. Considerable interest attaches to this visit, because so far no Canadian Minister has been in that country. The Russians seem to be much more cordial in their invitations these days, but a visit behind the Iron Curtain is still an exciting prospect. Mr. Sinclair was given the best wishes of all Members of the House on his departure, and I am sure he will have many interesting stories to relate upon his return.

We continue to be beset by ferry problems. First of all, the "William Carson" developed defects which delayed her turnover from the builders to the Canadian National Railways. Then the launching of the "Bluenose" was delayed because of late delivery of certain items ordered in the United Kingdom. Now, after much refection, the Canadian National Railway has decided that it would be unwise to operate the "William Carson" into harbour at Port aux Basques, Newfoundland, without further protection there. Fishermen from Nova Scotia who have visited Port aux Basques, know that it is a pretty exposed harbour. However we can only hope that whatever impediments there are in the way of these two ferries will be removed expeditiously and that they will soon be giving the service for which they were designed.

The Estimates of the Department of Public Works were considered for four hours on Friday. Many Members made interesting observations. I was able to reply to some, but time ran out before I could deal with all of them fully. I expect to have other opportunities later.

Yours very truly,
Robert H. Winters.

Bicentenary Celebrations In Arichat, July 31st.

The Bicentenary celebrations of the Expulsion of the Acadians for Eastern Nova Scotia will take place at Arichat, oldest parish of the diocese of Antigonish and former seat of the bishop of the diocese, on July 31st. 1955. Representatives of church and state will gather at this historic place for the day's celebratons. The true character of the celebrations is emphasized by the members of the Committee in charge of the celebrations; it is not to renew old quarrels and discord which the passage of years and accumulated wisdom has attenuated but rather to give thanks to Almighty God for the success in life achieved by the Acadian people and especially to give thanks to their Heavenly Patron, Our Lady of the Assumption, for favors received.

For some time an active Committee has been working on the details of the celebrations. The schools have worked out numerous projects, most of which were exhibited at the Spring Meeting of the Home and School Council at St. Peter's on June 15th. The Committee in charge is as follows:

President, Very Rev. A. P. Poirier, P. P.. Arichat,

Vice-Presidents:

Rev. A. Boudreau, P. P. Margaree, Rev. A. Doucette, P. P., West Aricha,,

Mr. A.. J. Saulnier, Chetlcamp, Mr. Charles Cormier, New Waterford, Mr. Denis Desveau, Passchendale, C. B., Mr. Walter Bourque, D'Escousse. Mr. Raymond Marchand, Louisdale, Mr. Remi J. Chiasson, Secretary, St. Peter's.

The day will begin by a solemn High Pontifical Mass celebrated by Most Rev. John R. MacDonald, Bishop of Antigonish. The sermon will be preached by Most Rev. Norbert Robichaud, Archbishop of Moncton. Dinner will be served in the schoolhouse and there will be canteen service on thhe grounds. After dinner there will be a parade of floats, approximately nine or ten floats, depicting scenes from the life and history of the Acadians, and representing the Acadian parishes of the diocese and some of its organizations.

A detachment of the French Fleet is expected to be in the harbour and the sailors are expected to participate in the procession along with school children, most of them in costumes of Evangeline and Gabriel. After the parade there will be speeches by the distinguished visitors and others. The day's celebrations will close with Solemn Benediction of the Most Blessed Sacrament.

A large crowd of people is expected from all over the diocese nd many other attractions are planned for the visitors. Souvenirs will be on sale on the grounds and everyone is assured of an interesting and colourful event. The committee extends to all a most cordial invitation to join with us in Arichat on July 31st. for a great celebration, a unique celebration such as few of us have ever seen and will ever see in our lifetime.

D'ESCOUSSE NEWS

We are sorry to report the sudden death of Mrs. Lyda Poirier. of Poirierville on Friday morning. Mrs. Poirier was getting up to attend Mass and to receive Holy Communion on the first Friday of the month, when it appears she suffered a heart attack, and heing alone, she passed away without anybody knowing it, until eleven o'clock, when a neighbor called to see what was wrong that she was not up and about as usual.

A person of very kind and generous nature and a good Christian and neighbour, her death came as a shock to her family and friends.

She leaves to mourn her death one son and four daughters. Her husband died several years ago.

To her family and friends we extend our heartfelt sympathy.

We are also very sorry to report that our good Pastor the Rev. W. A. Boucher was involved in a car accident Monday evening at eight o'clock in Louisdale, when the car he was driving crashed into the rear of a truck driven by Mr. Noel Burke of D'Escousse.

We were informed that Rev.Fr. Boucher was on his way home following Mr. Burke's truck, when Mr. Burke slowed down to avoid killing some ducks that were crossing the road. Father Boucher not expecting that crashed into the truck, before he could slow down enough to stop or get by.

In the car with Father Boucher, was one of his alter boys, Francis Fougere, he had taken for a drive. Both were badly cut and unconscious when taken out of the car, and they were rushed to a Sydney Hospital, where they were given blood transfusions. The latest news we have is that they are both resting comfortably.

We hope that the accident will not prove too serious and that both will soon be on the road to complete recovery.

Hubert MacDonald and his charming wife and children were week-end visitors to Mr. MacDonald's mother, Mrs. Patsy MacDonald. Come again folks, we are always glad to see you.

Hubert Martell and his family. were visiting Mrs. Minnie Martell, his mother, for a few days last week. We are always glad to see Hubert who is in the Air Force and stationed in Halifax.

Mr. and Mrs. Noel Burke Sr. arrived from Sydney to spend a few months with their son, Mr. Noel Burke, Jr. here in D'Escousse.

We were glad to see Mr. Burke, who is over 90 years of age, and looking so well, also his wife, as both these people were very sick during the spring, in Sydney.

Sporting Mountain Echoes

Date of writing is Dominion Day and it is a typical July day in this area.

Our conscientious teacher, Lucille Martell, took leave of us Tuesday evening.

Alfred Boudreau motored her to her home in Little Anse.

What with a series of nine grades to contend with and no previous practical experience, we think Miss Martell did wonderfully well.

Mrs. Dan McDonald was in the mail conveyance Thursday evening and we were glad to favor her with a started May Day tree which we had been nursing since last spring.

We were glad because several of the rare plants in our garden are there through the courteous consideration of Mrs. McDonald.

Mr. and Mrs. Alex P. McRae and Mrs. Lloyd McRae were motor visitors from Hawkesbury vicinity Tuesday evening and guests at the Boudreau home.

Mr. Cook made a big transfer of pitprops from the vicinity, Wednesday.

The new method has been a boon to Seaview this Spring.

Anybody who missed hearing the distinguished Canadian Hon. Paul Martin over the air on his recent visit to Cape Breton missed something worth while.

Enroute from St. Peters, Thursday evening, Alex McKay of The Channel and his good looking Dutch neighbour, John Easthouse, contacted Ben Konning and the trio favored us with a cheerful call.

With regard to the centennial anniversary of the Provincial Normal College at Truro, it was pleasing to note that the old regime was represented by the veteran educationalist, J. A. Benoit, M.A., of Arichat.

It was surely pleasing to have Earl Urquhart. MLA, and Camern Boyd of the Department of Highways motor up from the southern frontier the other evening and favor us with an interesting social period in our little domicile by the roadside.

Scions of two prominent pioneer families of Richmond County we had occasion to feel a little elated for their friendly visit.

ACADIAN STYLES MAKING COMEBACK FOR BICENTENARY IN N. S.

GRAND PRE, Nova Scotia "New Scottand" is beginning to look like "Old France"'

Summer visitors long accustomed to seeing kilted Scots along Nova Scotia's bonnie braes, are now encountering apple-checked Evangelines in starched caps and aprons, laced bodices and peasant skirts and blouses.

It's all a part of the spectacular, province-wide observance of the Acadian Bicentennial, the 200th anniversary of the Expulsion, immortalized by Longfellow in his poem, "Evangeline".

The summer long bicentenary will reach its climax here at Grand Pre in mid-August.

After the Expulsion in 1755 many of the French exiles became homesick for their beloved Acadia and returned. Their descendants are a vital part of the political, economic and spiritual life of Nova Scotia today. Although you are likely to encounter Acadians in almost any part of the province, most of them live in southern Nova Scotia and along the western shore of Cape Breton Island.

On July 31: Grand Regional Acadian Celebration for Eastern Nova Scotia and Cape Breton Island, will take place at Arichat, Isle Madame, off Cape Breton Island.

Plan to attend this big historic celebration.

HERE IT IS!

The Furnace that removes its own ashes!

Now you can enjoy the financial advantage of heating with coal and be completely free of the chore of shovelling coal and carrying ashes. Following intensive research by Bituminuous Coal Research, Inc., Dosco engineers have perfected a radically-different type of domestic furnace which makes heating safer, cleaner, cheaper, than ever before. It is unsurpassed for comfort and convenience and actually pays for itself in fuel savings.

Check these features!

NO ASHES TO CARRY — Ashes are automatically carried by vacuum to a canister inside or outside the house.

ABSOLUTELY CLEAN — It is impossible for ash or dust to enter the furnace room.

ECONOMICAL — Cuts at least 20 per cent from the cost of operating a hand-fired furnace, with relatively higher savings over other types of heating systems.

SAFEST YET — Automatic feeding assures a steady heat and only a small amount of coal is in the furnace at any time.

FULLY AUTOMATIC — Feeds itself and rejects the ashes without any demand on you. Thermostatically controlled.

The New Dosco Furnace will be demonstrated in your district soon — be sure to see it

Purchase and installation of Dosco's new furnace can be financed through a Home Improvement Loan available under the National Housing Act. See your Bank.

PAYS FOR ITSELF AS YOU USE IT!

Show Causeway Films

Arthur J. Langley,Jr., of the Langley Shipping Co.. Port Hawkesbury, showed several films of the Canso Causeway project, at the home of Mr. and Mrs. C. S. Malzard on Monday evening.

Several neighbours and friends witnessed the films at the Malzard home, and were delighted with the splendid shots taken by Mr. Langley, from the first load of stone dumped from one of the large 60 ton trucks, by the late Angus L. MacDonald, up to the completion of the vast project early in the year.

After the showing a dainty lunch was served by the hospitable hostess, Mrs. Malzard.

A GENERAL MOTORS VALUE

Illustrated—Pontiac LAURENTIAN Sport Coupe

There's no mistaking *this* beauty!

Out of the medley of modern motor cars, *one* car stands out.
Whether you see it a quarter of a mile down the highway—or watch it flashing past in the line of traffic—there is absolutely no mistaking the beautiful new Pontiac.
Coming, passing or going, it's the one car that carries the great stamp of individuality.

And this wonderful difference in favor of Pontiac goes far beyond appearance.
There's the same superiority in performance.
Put the Strato-Streak V8, the Strato-Flash V8 or the Big "6" through their paces on the getaway *just once*—and you'll see that you never need do *that* again! Here's spirit to lift *anybody's* spirits!
Steering is *so* easy and steady that you almost drive with your mind. The ride is as level as a level itself.
This is a great car. It's new from the ground up. And naturally, this gives it a big advantage over all other cars from every conceivable standpoint.
Why don't *you* get a Pontiac? Come in today . . . drive a Pontiac away! Once you take the wheel—and get our deal—it's an irresistible combination!

We have so much to protect

This Canada of ours—is ours to enjoy at a price—the price of constant alertness.

We cannot take for granted our freedom to worship, to vote, to educate our children, or to order our home life as we please. All these freedoms are ours only as long as we are willing to do everything necessary to maintain and defend them.

All honour then to the Canadian Soldier—the steadfast guardian of all our free institutions. Without men like him, the Canada we love might cease to be.

We have so much to protect. Let us all do our part, without let-up, whatever way our duty lies.
