## *Hon. R. H. Winters Reports From Ottawa*

Dear Mr. Editor:

The tempo picked up a bit in Parliament this week and although we still have much work to do, there is a feeling amongst Members that we are heading into the home stretch. I believe that when this session is finally concluded, it will go down as one of the longest in history.

The first two days of the week were devoted almost entirly to a study of the estimates of the Department of Public Works. Many interesting questions were asked on an unusually wide variety of subjects, ranging all the way from reports of cockroaches in the House of Commons to Federal participation in highway programs of Provincial Governments.

During the course of the discussions, it was announced that the Federal Government has agreed to pay two-thirds of the cost of replacing the worn-out Hillsboro bridge, just West of Charlottetown. This is an important link in Prince Edward Island's highway system. It has been a matter of controversy for some years now, mostly on the question of ownership. A replacing structure, whether it is a causeway or a bridge, will cost probably 63 million and this seemed to Prince Edward Island to be a large expenditure for them to assume.

The Federal Government is involved on two counts: First because the bridge was built in the first instance as a railway bridge, under a agreement with the Department of Transport; and second because it now becomes part of the Trans-Canada Highway. For these reasons the Federal Government felt justified in agreeing to pay two-thirds of the cost.

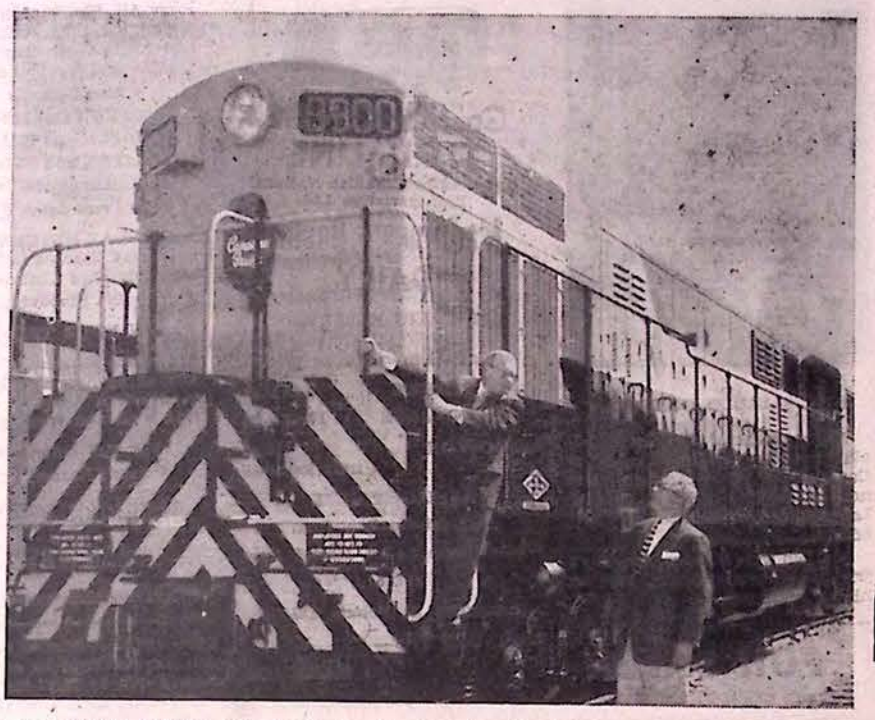

The Department of Transport followed Public Works and their estimates received a very thorough examination. Naturally considerable attention focused on the delays surrounding the ferries "William Carson" and "Bluenose", but I think the information given by the Minister helped greatly to clarify the picture.

What started off to be a prolonged debate on the Department of National Revenue terminated abruptly when the Prime Minister announced that Dr. McCann, as far back as June 20th, had resigned his directorship in a Trust company. This is the point that was controversial and once it was removed there was nothing else to debate.

Next week will probably see the end of the session. The heat here in Ottawa has been intense and all Members are most anxious to get away from it and return to their constituencies.

Yours very truly,
ROBERT H. WINTERS

## *C. P. R. High Powered Diesel Engine*

MOST POWERFUL DIESEL IN CANADA: D. S. Thompson, vice-president, Canadian Pacific Railway, and George A. Meuller, right senior vice-president, Canadian Locomotive Company, exchange a few words during their inspection of the most powerful diesel locomotive in Canada. Handed over to the CPR at Kingston recently, the 2400 horsepower unit boasts a top speed of 75 m.p.h. and more pulling power than any other locomotive on CPR lines. The poyer-packed unit—another Canadian Pacific first—is equally adept at hauling freight or passenger cars. The new "Trainmaster" will undergo tests on the Montreal—Saint John N.B. line, and later on the Kettle Valley Division.

## 85th. Batallion Veterans Re-Union

Plans are being finalized for the Annual Reunion of the 85th Battalion Memory Club to be held in Port Hawkesbury on Saturday August 6th.

All World War I veterans who served with the Nova Scotia Highland Regiments will be welcomed to this event. The choice of Port Hawkesbury was a logical one as it will give the Old Boys a chance to visit the Canso Causeway before the heavy traffic of the 13th. It will also make it easier for those from Eastern Nova Scotia to attend, and it is expected that Cape Bretoners will be in a big majority this year.

It is expected that the Pipe Band of the Cape Breton Highlanders will be in attendance to provide the Musical entertainment. It is also hoped that a sail on the Strait of Canso can be a feature of the Reunion.

A banquet will wind up the day that evening in the Legion Memorial Hall.

All interested members of the 85th, of the four Highland Units, who can possibly be in attendance will be most welcome. They are asked to drop a card to Roy I. Balcom, Vice-President of the 85th Battalion Memory Club, P.O. Box 203, Halifax.

Inverness County Veterans can contact Hugh Gillis, Port Hawkesbury, and Richmond County, Billy Urquhart, Grand Anse.

## *Sporting Mountain Echoes*

George MacDonald

Like everybody else throughout the countryside, we were sorry for the passing of George MacDonald, and extend sincerest sympathy to Mrs. MacDonad, the sensible and hospitable Margaret MacPhail, in her sad bereavement.

Industrious, orderly, and neighbourly, the Grand Anse MacDonalds filled a prominent place in the composition of their native section down through successive generations since pioneer days.

Whilst teaching at Kempt Road upwards of forty years ago, we had occasion to be familiarly acquainted with the deceased's father, the late John MacDonald.

What a fine old man he was!

Mrs. Samuel Boudreau has returned from the V. G. Hospital to reduce for a month, preparatory to a major operation if prescribed treatment does not in the meantime make it unnecessary.

Mrs. Boudreau brought good tidings of former neighbors and friends in the Provincial Capital including, Mr. and Mrs. John Goswell and son, James; Mr. and Mrs. K. MacLean (Eva Goswell); Mr. and Mrs. W. J. Grant; Roy Morrison, and last but not least, Mr. and Mrs. S. George Davis (Roberta Sutherland) and family.

James R. Morrison is a motor visitor from Lynn, Mass., in his glamorous new Plymouth, chiefly to see his mother, Mrs. Christena Morrison who with her son-in-law and daughter, Mr. and Mrs. A. J. Campbell at The Points, but also to contact a host of friends throughout Cape Breton.

His cousin, Mabel Mackenzie, accompanied him down to the well known R. D. Mackenzie home in St. Peters.

We appreciate Mr. Morrison's motoring to Seaview the other day expressly to see us, and trust we are destined to continue favoring him with echoes from his native Sporting Mountain.

Inspector R. J. Chiasson, M.A., was a motor visitor to Sporting Mountain, Wednesday, in the interests of the Seaview School.

James Grant has taken up residenc on the McDonald property adjoining the J. A. Murrey farm in Oban and was a business visitor to Seaview on Monday.

## Annual Picnic St. Peter's Parish

Parishioners of St. Peters are busy preparing for monster all-day picnic which will be held on the parish grounds on August 3rd. It will be a grand affair with the usual games novelties and other attractions. Dancing with the best of music will go on all afternoon and evening. The ladies are serving meals of Fresh Salmon or meat according to taste. All proceels are for the repairs of the parish hall. Come to St. Peter's picnic and have a grand time.

The fiercest of all fighters in the world is a tiny animal, the common shrew, says the current Reader's Digest. Weighing only half an ounce, the shrew is so savage that it will attack, kill and devour animals twice its size. It can eat the equivalent of its own weight in about three hours. So rapidly does it burn energy that if deprived of food it will starve to death in less than a day..

## Dundee Dew Drops

Time is flying and July with its long sunny days is on the wane. Strawberries were in abundance, this year, and although rye grass destroyed our precious patch, we were glad for the bounteous crop marketed by our neighbours.

Haymaking is in full swing and heavy crops are reported everywhere.

With so many visitors in our midst, traffic is heavy on highways and byways and what's most surprising is the terrific rush on dusty narrow roads.

Among those who called to see us recently were Mr. and Mrs. Ralph Gorvette and two little boys of Amherst who are guests of Mr. and Mrs. Dan MacRae, Dundee.

Duncan MacLean and his brother Rev. Neil MacLean, Orangedale were visitors here. Duncan motored from Boston, to spend the summer with his widowed mother in the old home.

James R. Morrison of Lynn, Mass., is visiting in Cape Breton.

Mrs. Catherine Patriquin and Mrs. Percy Bennet, of Boston are visiting here. We are sorry to learn that Mr. Bennet has had a serious operation and is now convalescing at his home in Berwick, N.S. We trust that Percy will make good progress while there.

Mrs. Alex Sinclair and her bright and lovable litle two-year-old son, Cameron, spent three weeks in Dundee.

Mr. and Mr. Don Neil MacDonald and little son Kenneth of Boston, were guests of Mr. and Mrs. John N. Campbell and Norma at their summer cottage here.

Mr. and Mrs. Kenneth Ferguson of Sydney were visiting Mrs. Ferguson's parents, Mr. and Mrs. James H. MacIntosh, Dundee.

Mr. and Mrs. Johnnie Hill and son of Louisbourg were guests of Mr. and Mrs. Dan MacRae.

Mr. and Mrs. Arthur Henderson of Nattick, Mass., are vacationing at their summer retreat at Lime Hill.

Allan MacRae, Truro, is spending is vacation in his summer cabin at St. George's Channel.

John N. Campbell has returned to Brookline, Mass., after spending three weeks in Dundee.

Bert MacDougall, Stirling Mines and Calder MacDougall, Thibeauville were Sunday guests of family connections here.

## L'ARDOISE

Mr. and Mrs. William Samson, USA, are spending their annual vacation at their summer cottage Rockdale.

Miss Beatrice Samson returned to Newtonville, Mass.. Thursday, after having spent two weeks holidays at the home of her brother and sister-in-law, Mr. and Mrs. Leonard Samson.

Mr. and Mrs. Albert Gracie, daughter Fay and son Larry were week-end visitors at the home of his parents, Mr. and Mrs. Helaire Gracie. They left on Monday for Boston and other American centres, accompanied by Mrs. Minnie Gracie.

Mr. Gordon G. Martell, an employee of the N. S. Light and Power, Co., Halifax, passed away at the V. G. Hospital, Halifax on Thursday, July 14th after a brief illness. He was 53 years of age. Mr. Martell was a native of Rockdale, but resided in Halifax for 35 years. Surviving besides his widow are one daughter and one son, Helen and Gordon; his father, William Martell, of Louisdale, brothers, Michael, Montreal; Harry and Severin, Halifax; Patrick, Rockdale. There are also three sisters living in Halifax. His brother Patrick and a niece, Mrs. Jule Samson, Lower L'Ardoise, attended the funeral.

Friends of Mr. John S. Martell will regret to hear that he is seriously ill at his home. His many friends wish him a speedy recovery.

Mr. and Mrs. Fred Petitpas and Mrs. Catherine Love, who has been spending two weeks holidays visiting their brothers Messrs. Fred and Edward Peters have returned to Toronto the past week.

The death of Miss Theresa Mac Leod, occurred in Somerville, Mass., on Saturday, July 16th at the age of 80. Miss MacLeod was a native of Lower L'Ardoise, but has lived in the United States for many years. She is survived by two sisters and three brothers, Miss Georgina MacLeod, Somerville, Mass., Mrs. John Ferguson. Long Island, N. Y.; Frank and George, New York, and John Angus, L'Ardoise Highlands. The remains, accompanied by Miss Nancy Brownson, Wakefield, Mass arrived at MacIntyre's Lake on Tuesday and were taken to the home of Mrs. Anthony Monbourquette, a cousin of the deceased, from where the funeral took place on Wednesday morning with Mass of Requiem celebrated by Rev. Fr. P. A. LeBlanc.

A father taking his 12-year-old son to the movies picked out what he thought was a cowboy-and-Indian picture, but it turned out to be mostly torrid love scenes. As the embraces became more impassioned the father became more concerned—until in the midst of one his son poked him and whispered: "Hey, Dad, did you see the muscle on that guy when he squeezed her?" —The Reader's Digest.

Driving through a sleepy little English village one evening our headlights suddenly picked out the figure of a woman—running for all she was worth down the road. Close behind her followed a man who appeared to be gaining at every step.

We screeched to a halt and, leaping out, I asked the woman if I could be of assistance.

"Oh, no, thanks," she panted "My husband and I always race home like this from the cinema. Last one in does the supper dishes." —The Reader's Digest.

# HERE IT IS!

## The Furnace that removes its own ashes!

Now you can enjoy the financial advantage of heating with coal and be completely free of the chore of shovelling coal and carrying ashes. Following intensive research by Bituminuous Coal Research, Inc., Dosco engineers have perfected a radically-different type of domestic furnace which makes heating safer, cleaner, cheaper, than ever before. It is unsurpassed for comfort and convenience and actually pays for itself in fuel savings.

**Check these features!**

**NO ASHES TO CARRY** — Ashes are automatically carried by vacuum to a canister inside or outside the house.

**ABSOLUTELY CLEAN** — It is impossible for ash or dust to enter the furnace room.

**ECONOMICAL** — Cuts at least 20 per cent from the cost of operating a hand-fired furnace, with relatively higher savings over other types of heating systems.

**SAFEST YET** — Automatic feeding assures a steady heat and only a small amount of coal is in the furnace at any time.

**FULLY AUTOMATIC** — Feeds itself and rejects the ashes without any demand on you. Thermostatically controlled.

**The New Dosco Furnace will be demonstrated in your district soon — be sure to see it**

*Purchase and installation of Dosco's new furnace can be financed through a Home Improvement Loan available under the National Housing Act. See your Bank.*
