Acadian Bi-Centennial Celebration on Sunday Well Attended

Celebration Marked With Religious Devotion

Steeped in tradition and religious fervour this French Acadian parish of the diocese of Antigonish—the oldest in the diocese—Sunday was the scene of solemnity and pageantry when approximately 5000 persons assembled here for the Bi - Centenary celebration of the Expulsion of the Acadians from Eastern N.S.

A former episcopal seat of the Bishop of Antigonish and first site of St. Francis Xavier College more than a century ago, this historic village on picturesque Isle Madame payed fitting tribute to those early settlers whose expulsion still remains a most tragic chapter of Canadian history.

Tri-colored French flags and other colorful banners and decorations bedecked the village.

The parade of a dozen floats depicted the story of the expulsion in dramatic manner and scores of decorated automobiles followed in the wake of the mile-long procession.

Representatives of Church and State joined with the thousands of French Acadians to celebrate the bicentenary event.

The program for the day appropriately opened at 10 a.m. with the celebration of solemn high pontifical mass at the parish church of Our Lady of the Assumption Church, Rev. A. P. Poirier pastor.

Celebrant of the mass was Most Rev. John R. MacDonald, Bishop of the diocese of Antigonish, and the sermon was preached by Most Rev. Norbert Robichaud, archbishop of Moncton.

The afternoon ceremonies opened with the spectacular parade and was followed by an open air meeting on the parish grounds.

Richmond County School Inspector, Remi J. Chiasson presided as chairman and addresses in French were delivered by Bishop MacDonald, Archbishop Robichaud, Dr. George DuMont, Camp Benton, N.B., president of La Francaise en Amerique, Edward Savoie, Moncton organize of bicentenary celebrations in the Maritimes.

Speaking in English were Hon. Colin Chisholm, N. S. minister of agriculture who brought greetings from provincial Premier Henry Hicks, and Hon. W. F. Carroll QC former federal member for this constituency and retired Supreme Court jurist.

The theme of all the addresses dwelt with the inspiring history of the French Acadians in Canada, their great contribution to the development, culture and life of the Canadian nation down through the years.

Hon. Colin Chisholm told the gathering "the expulsion of the Acadians brought tragedy into the lives of many of the early settlers. However, it may have had some beneficial effects, as well, for I have no doubt but that through the expulsion of early settlers, the culture of France was more widespread than might otherwise have been the case. The bi-centennial which you are celebrating recalls to mind an epic of history that never will be forgotten, if for no other reason that it was immortalized by the poet Longfellow, in the story of Evangeline and Gabriel, probably one of the most heartrending love stories ever told, and which, because of its simplicity in telling, will continue to live through the ages."

Occupying places on the platform wre His Excellency Bishop George L. Landry, Louisdale, who took part in the ceremonies and at solemn high pontifical benediction in the evening; Hon. J. Clyde Nunn, provincial minister of labour and Earl W. Urquhart, MLA for Richmond County.

The classy L'Assomption College Band, New Brunswick, played an important role in the program of the day, as did a guard of honor from Fourth Degree KoC New Waterford, who atced as escorts to the bishops and led the parade.

Celebrant of benedicition was Arcnbishop Robichaud.

A highlight of the afternoon proceedings were addresses of welcome in French impressively carried out by two convent high school students, John Baptiste DeCoste, 12, son of Mr. and Mrs. Baptiste DeCoste and Edwina Forgeron, 13, daughter of Mr. and Mrs. Narcisse Forgeron.

School children's choir, under the direction of Rev. Fr. Marinelli paris curate, was heard in several French songs.

Success of the celebration is due in major measure to a most energetic committee composed of the following: President, Very Rev. A. P. Poirier, PP, VF, Arichat Vice Presidents. Mgr. A. Boudreau PP, Margaree; Rev. A. Doucette, P, West Arichat; Mr. A. J. Saulnier, Cheticamp, Mr. Charles Cormier, New Waterford; Mr. Denis Desveaux, Passchendaele; Mr. Walter Bourque, D'Escousse; Mr. Raymond Marchand, Louisdale; Secretary Mr. Remi J. Chiasson, St. Peters.

NEW FULLY AUTOMATIC FURNACE

Actually pays for itself

The most modern development in domestic heating will be demonstrated in this area soon. You will want to see it. Perfected by Nova Scotia engineers, this is the furnace which is making news in the heating world. In gleaming white enamel, it is only 40 inches long, 30 inches wide and 48 inches high. It costs little to buy and install and this cost is quickly returned in fuel savings.

COMFORT AND CONVENIENCE
This new principle of heating gives the householder *maximum comfort* and *unsurpassed convenience.* No stoking — no ashes to carry. And it is the most economical heating system yet devised.

IT REMOVES ITS OWN ASHES
With modern treatment of coal, most of the ash is eliminated. The small residue is carried by vacuum to a canister which can be outside the house.

IT CUTS FUEL BILLS
Coal is the most economical fuel available in Nova Scotia. This new furnace makes a further reduction and cuts costs of fuel at least 20 per cent lower than hand-fired furnaces. Savings over other type heating systems are relatively higher. It holds a fire with as little as ¾ of a pound of coal an hour.

IT IS ABSOLUTELY CLEAN
It is impossible for ash or dust to enter the furnace room. With this furnace, the furnace room floor can be as clean as the living room table.

IT IS FULLY AUTOMATIC
It feeds itself and carries the ashes — A thermostat regulates the heat.

Watch for the demonstration of this radically different home furnace.

Purchase and installation of Dosco's new furnace can be financed through a Home Improvement Loan available under the National Housing Act. See your Bank.
