Sporting Mountain Echoes

Lindsey McKenzie and Mrs. Margaret McDonald of Sydney, accompanied by Mrs. M. Brown, popular proprietress of Harbor-View Inn, at St. Peters comprised a welcome motor trio to our little domicile by the roadside on Sunday.

Thus were we favored with a pleasing and pleasant prelude to a series of subsequent visitos.

Mr. and Mrs. A. W. H. MacDonald had a motor party from Hawkesbury as their guests Sunday afternoon.

It comprised Mrs. J. R. McDonald, of California, her mother, Mrs. Anne McLean, her brother and sister-in-law, Mr. and Mrs. Archibald McLean and her brother-in-law, D. R. McDonald.

Enroute back to The Strait they favored us with an interesting social period. and we had occasion to be glad to see them all.

Two other motor vehicles parked at our gate Sunday evening, from the Southern frontier.

One included Mr. and Mrs. and Mrs. Arthur Pate and family; the other Gerald Pate and his brother-in-law and sister, Mr. and Mrs. Charles Richard of Halifax.

It was pleasing to make the acquaintance of this good looking and likable young couple.

Down from Halifay to witness the Canso Causeway Opening, Archibald Morrison motored to Seaview Tuesday evening in his streamlined Monarch expressly to see us.

Cradled on the spacious farm of cherished memories under the shadow of Sporting Mountain, he was one of our pupils in Seaview School and our friend through all the intervening years.

Surely we had occasion to appreciate a visit from "Archy".

Mr. and Mrs. R. A. McFie, (Agnes Morrison, R. N.) accompanied by Mrs. McFie's parents, Mr. and Mrs. J. N. Morrison, of St. Peter's, motored up to see Mrs. Samuel Boudreau, Friday evening, and made a friendly call at our house.

Mr. and Mrs. McFie and family were enroute to their home in Glace Bay after seeing the chief centres of interest in Central Canada.

We are glad to know that Tony Konning has secured suitable and profitable employment in Montreal.

Samuel Taylor was a week-end visitor from the Channel and our over-night guest.

Thus did we get an inkling of the goings out comings in of our friends on the South Shore between the two rivers.

Thomas Morrison was a business visitor from St. Peters Friday morning, but took time off to drop in for a neighbourly chat.

Elliott McLeod has bought an attractive and serviceable horse from John A. Murray of Oban, and a good wagon from Charles Nicholson of Roberta.

Dundee Dew Drops

With the Canso Causeway celebration over and the "Road to the Isles" a reality, tourists from far and near are on their way back home, carrying with them memories of a most thrilling day and the fulfillment of a dream long past

Among those who attended the ceremonies were Mr. and Mrs. Roy Schroeder of Grant, Michigan, who were visiting friends in Cape Breton. Mrs. Schroeder (nee Edna Jones) had never seen her relatives in Cape Breton and acquired a yearning to meet her "Aunt Bella", Mrs. A. B. MacDougall whom he had heard her mother speak of so frequently.

After spending Saturday night at Dundee, Mr. and Mrs. Schroeder, accompanied by Hugh MacInnes motored to Cape George Harbor so that they might see the stand where once stood the home of Mrs. Schroeder's mother. Edna took snaps and broke off a branch of an old apple tree to take back to her mother.

The Bras d'Or Lake holds many charms for the Michigan couple and we hope that their eventful trip will be followed by another of a longer duration. Mr. Schroeder who is principal of a school, hopes to come back again.

Mr. and Mrs. Alex McLeod, returned to Brookline after spending three week at their summer home at The Points. Mr. MacLeod spent some time with friends at Fourchu.

During their stay at The Points they were visited by Jim MacLeod Mr. and Mrs. Dan A. MacLeod and Faye of Fourchu, also John MacLeod of Framboise, Mr. and Mrs. Angus MacKinnon of Westwood, Mass., and Duncan MacLean of Orangedale.

Mr. and Mrs. Archie MacDonald of Halifax, and Mrs. Jack MacKenzie of Boston made a surprise visit here recently after spending an hour with Mrs. John N. Campbell and Norma at Dundee. It had been at least twenty-five years since we visited the MacDonald family at Halifax. We cherish many pleasant memories of those days most of which could be associated with the late Mr. and Mrs. Dan MacDonald of Halifax. Dan MacDonald, formerly of Framboise and his kind and loving "Mrs" the former Mary MacLellan of Grand River, had four boys, Archie, Kennie, Jack and Gordon, all of whom helped to make their home a haven for so many friends.

We think of the days when R. A. Ross, J.D.N. MacDonald, Malcolm MacMillan, Duncan MacMillan and other Cape Breton students attended College in

WORKS OF FORMER WEEKLY COLUMNIST BROADCACT ON CBC RADIO

Tht second series of three broadcasts based on "Recollections." a column written by Miss Peg MacGillivary, which for a number of years was featured weekly in the Antigonish Casket, is being presented on the CBC's Maritime network Wednesday at 7.15 p.m. ADT. The three broadcasts have been adapted for radio and will be read by Mary Lynch, free-lance radio artist of Sydney, N. S.

For many years Miss MacGillivray has been a resident of the town of Antigonish and her series of recollections which embodies over 200 scripts gives some of the authentic flavour of life in highland communities of Nova Scotia 60 years ago. The columist was born, on a large farm near the village of St. Joseph just 8 miles from the town of Antigonish. Her father, the late Angus MacGillivray, was a prominent leader in his community and her brother, the late Charles MacGillivray, was once editor of the Antigonish weekly.

The late Premier, Angus L. MacDonald was one of the columns most faithful and appreciative readers. "Recollections" also had a wide and enthusiastic following in numerous readers in various parts of Canada and the United States, some of whom expressed the desire to purchase the complete book of writings if such were available.

RIVER BOURGEOIS TIGERS TRIM ST. PETERS ROYALS

River Bourgeois Tigers backed by the sensational three-hit pitching of Patti Burke, clinched a Playoff. spot in the Richmond County Baseball Finals, by an impressive 10 to 3 victory over the St. Peters Royals, taking the "best of seven" Series by four games to one.

Little Patti Burke, went all the way for the winners, striking out eight batters, and walking three He was especially good in the clutch as he held the top St. Peters batters at bay with men on bases.

The River Tigers collected four hits off Jerome Martell in the first inning, when Charlie Boyd, Enos Landry and Stanley MacPhee all got singles, and George Digout came up with a double to left field, to score Boyd, Landry and MacPhee, then scoring himself on a St. Peters error.

St. Peters came up in the second inning with Gerard Monbourquette. Bunter MacEwen and Billie MacDonald getting on, on two errors by the Tigers and two walks to score their only three runs of the game. After that the Royals were no match for the hard hitting Tigers.

Jerome Martell, a former pitcher with the L'Ardoise Team went all the way for the visitors giving up eighteen hits and walking only one batter, but was also given very little support by his teammates

Pitcher Martell and Billie MacDonald were the heavy hitters for the St. Peters Team, each getting a two-bagger. Gerard Monbourquette got a single in the third inning giving the St. Peters Royals one earned run for the nine innings.

Enos Landry of the Tigers was the heavy hitter for the day coming up five times when he collected three singles and one two-bagger, followed by George Digout with two doubles and a single for five trips to the plate. Georgie Boyd, the Tigers' star centre fielder had two singles for four trips. He was replaced in the 8th inning by Joe (Bagpipe) Boyd, who slammed out a beautiful line drive to score the tenth run for the winners.

NEW FULLY AUTOMATIC FURNACE
Actually pays for itself

The most modern development in domestic heating will be demonstrated in this area soon. You will want to see it.
Perfected by Nova Scotia engineers, this is the furnace which is making news in the heating world. In gleaming white enamel, it is only 40 inches long, 30 inches wide and 48 inches high. It costs little to buy and install and this cost is quickly returned in fuel savings.

COMFORT AND CONVENIENCE
This new principle of heating gives the householder *maximum comfort* and *unsurpassed convenience*. No stoking — no ashes to carry. And it is the most economical heating system yet devised.

IT REMOVES ITS OWN ASHES
With modern treatment of coal, most of the ash is eliminated. The small residue is carried by vacuum to a canister which can be outside the house.

IT CUTS FUEL BILLS
Coal is the most economical fuel available in Nova Scotia. This new furnace makes a further reduction and cuts costs of fuel at least 20 per cent lower than hand-fired furnaces. Savings over other type heating systems are relatively higher. It holds a fire with as little as ¾ of a pound of coal an hour.

IT IS ABSOLUTELY CLEAN
It is impossible for ash or dust to enter the furnace room. With this furnace, the furnace room floor can be as clean as the living room table.

IT IS FULLY AUTOMATIC
It feeds itself and carries the ashes — A thermostat regulates the heat.

Watch for the demonstration of this radically different home furnace.

Purchase and installation of Dosco's new furnace can be financed through a Home Improvement Loan available under the National Housing Act. See your Bank.
