Richmond Liberals Hold Annual Meeting

The annual meeting of the Richmond County Liberal Assn. took place at the County Hall, St Peters on Wednesday, Sept. 7.

The meeting was one of the largest ever held in the County and was well represented from very district in the County.

The meeting was opened by the President, M. J. Bourinot. who welcomed the guest speakers and the large gathering.

The first order of business was the appointment of Association officers and executives.

The following officers were appointed:

M. J. Bourinot, President.
A. P. Samson, Vice-President.
Walter Fougere, Secretary.
W. S. Urquhart, Hon. President

The executive was appointed from every district in the County.

J. E. Samson of Arichat retired as Secretary of the Association after many years of faithful service. Mr. Samson, in a letter to the meeting expressed his regret at having to resign due to ill health.

Earl W. Urquhart MLA, spoke highly of Mr. Samson's service to the Association and the Liberal party.

A vote of thanks was extended to Mr. Samson by the Association.

After all business transactions had been dealt with the speakers were called in the following order:

Mr. Urquhart MLA in a vigorous speech outlined his stewardship during the past several years He assured the meeting that he would continue to work in the interest of his constituents. At this point he reported that the building of a Power Line in the Loch Lomond area has been recommended. This news was loudly acclaimed.

During Mr. Urquhart's address Premier Hicks entered the hall and on his way to the platform was loudly cheered.

Mr Urquhart extended a welcome to the Premier and spoke of the great ability of the new leader of the Liberal party.

Mr. Urquhart's address was well received and applauded.

The next speaker was J. Clyde Nunn, Minister of Labor and Welfare.

In a humorous address Mr. Nunn kept his listeners in laughter. A man well versed in the economy of the province Mr. Nunn, a pleasing and brilliant speaker, covered his subject in a very efficient manner and on retiring was accorded a hearty applause.

The next speaker was Mr. Allan J. MacEachen M.P. Inverness - Richmond who dealt with Public Works and the Fishermen's Loan Board. It is quite apparent that Mr. MacEachen has accomplished much for his vast constituency by way of Public Works.

In speaking of Loans to fishermen Mr. MacEachen felt that much had been done in this respect and that improvements would be implemented in the course of time. He spoke briefly of Mon. Mr. Sinclair Minister of Fisheries, who has already made a good impression in this Department. At the conclusion of his fine address Mr. MacEachen received hearty applause.

Mr. MacEachen has been appointed a delegate to the United Nations Assembly at New York from Canada.

Hon. Colin H. Chisholm Minister of Agriculture and member for Antigonish County was the next speaker. Mr. Chisholm in his opening remarks expressed great pleasure at being present at the meeting. He stated that the meetings of the Richmond County Liberal Association were most enjoyed by him on several occasions and this meeting was no exception to the general rule.

Mr. Chisholm's address was heard with much interest and in returning he was accorded a warm applause.

Premier Hicks was then called on and on arising was loudly cheered by the gathering all greeting him by standing.

Premier Hicks expressed his great pleasure at the meeting and thanked the Association for their kind invitation. At this point Premier Hicks delivered a brilliant address in French which was heartily received.

Covering many phases of government policy Premier Hicks spoke at some length on Education, Highways and Rural Electrification.

Very exacting in his statements Premier Hicks dealt with the various subjects in a sincere manner and gained the confidence of the meeting which gave hearty applause.

At the conclusion of Premier Hicks' address Coun. Johnston and Hon. President W. S. Urquhart delivered brief but appropriate addresses..

Mr. Urquhart presented a motion of confidence in Mr. Hicks, Hon. Louis St. Laurent, Prime Minister; Ministers of Government, Earl W. Urquhart MLA and A. J. MacEachen M. P. This motion was unanimously adopted by a standing vote.

The meeting then adjourned with the singing of the National Anthem.

Societe St. Pierre Launches A Campaign For Funds

At the recent bicentenary celebrations held at Arichat many people saw a float which represented young men and women going to college and bearing the name "Societe St. Pierre". Some knew what the float represented and the organization behind it, but there were many who had not yet heard of this modest but growing society and of its good works. At this time when the Directors of this young society are planning to launch a campaign for funds it seems the appropriate time to let everyone know the history and aims of this organization.

The Societe St. Pierre was born out of discussion groups at a Congress of the Assumption Society held at Petit de Grat in 1946. The principal theme of this congress was ways and means of giving our Acadian boys and girls the opportunity to attend University by providing scholarships for needy and deserving students. The delegates unanimously agreed to lay the foundations for such an organization and were guided to some extent by what had already been accomplished by a similar organization in Prince Edward Island, namely the Societe St. Thomas d'Aquin. There was no need to emphasize to the delegates the importance of education and the necessity of training leaders in all walks of life. They well knew that education is the key which unlocks the mysteries of life and leads people from slavery to independence. The problem was studied during the year and in 1947 at a similar Congress in Sydney the Societe St. Pierre was founded.. It was incorporated in 1948. It may be said to be a society of the Eastern part of Nova Scotia or the diocese of Antigonish with the following points to be noted:

1. Primary Objective: To enable the Acadian Youth without adequate means to pursue their studies, following primary grades. to University and trade schools.
2. Accomplishments: The Society has helped 36 young men and women since its foundation to pursue secondary education, that is, at the university level.. Each year, more and more requests for help are received, usually more than the society has funds to give. Through its good offices, young women have the opportunity to obtain scholarships free of charge to the best Domestic Science Schools of the province of Quebec. Among others, the society has helped Priests, doctors, lawyers, Inspectors of Schools, nurses, teachers, agricultural workers and others to finish their university studies. With more funds at its disposal the work of the society would be increased.
3. Sources of Revenue: Donations from members and generous friends. A $2.00 contribution or more annually gives anyone the rights of membership with voting privileges at its annual meeting.
4. Scholarship Funds: The Society loans money to students without interest up to the time they begin to earn their living, and at which time they are expected to begin to repay their loan to the society. The maximum amount of a loan to date is $250.00 per year.
5. Administration: A Board of Directors are elected each year at the Annual Meeting. These Directors are as follows:

Richmond: Rev. A. P. Poirier, P. P., Arichat, Spiritual Advisor. Rev. A. Doucet, P. P., West Arichat, Raymond Marchand, Louisdale, Inspector R. J. Chiasson, St. Peter's.

Inverness: Mr. J. D. AuCoin. Point Cross, Cheticamp, President of the Society. Louis Philippe Chiasson, Secretary, Cheticamp. Mrs. Yvonne Poirier, Sacred Heart Hospital, Cheticamp, Secretary-Treasurer.

Antigonish-Guysborough: Mgr. George L. Landry, Pomquet. Professor Leo Doiron. St. F. X. University.

Cape Breton County: Joseph T. Chiasson, Adult Education Representative, Sydney. Damase Desveau, Passchendale.

Headquarters of the Society are in Cheticamp.

Does the future of our Acadian youth mean anything to you? Are you willing to help the Society so that it can help more boys and girls go to University and Training institutions to equip them for life? The Society will launch a campaign for funds the week of September 25th. You will see posters in your local store, you may hear more about it on the radio. Your pastor will tell you something about this campaign. What will your response be? Will it be the response Cain gave about Abel "I am not my brother's keeper" Surely not. We who have been helped by this Society and who appreciate what it has done for us ask you, plead with you, to be generous nad help this worthwhile cause. Any donation is good for Income Tax deduction purposes. Campaign leaders have been appointed and canvassers will call on you. Your contribution will be properly receipted and will go to swell the Treasury so that the Directors will not have to give, as happens frequently, this answer, "We would like to help you, your course is good and you are worthy of help but we regret we cannot help you this year because we have no money in the funds." For Richmond County. Campaign President is Inspector R. J. Chiasson. President for other areas will be announded later. Donations can be given to the President of the campaign or the canvasser who will call on you in the French parishes of the diocese.

Men, materials... and money

When a business lands an order or a contract, it is likely to go to a chartered bank to arrange some of the financing. It may need bank credit to meet payrolls, to buy materials or to cover other costs that arise before it is paid.

That's why businesses both large and small can take on many jobs they would be unable to handle if they had to depend entirely on their own financial resources... And why, every day and in every part of Canada, the chartered banks are lending money to producers, manufacturers, processors and other commercial customers.

Commercial loans are only one of many banking services available at a branch of a chartered bank. You will find it is a convenient banking service-centre where you can attend to *all* your banking needs.

Only a chartered bank offers a full range of banking services, including:

SAVINGS ACCOUNTS
Keep your money safe; pay you steady interest; encourage the habit of thrift.

FARM IMPROVEMENT LOANS
For many worthwhile purposes, adding to progress, efficiency and the comfort of farm life.

TRAVELLERS CHEQUES
Protect you against theft or loss of cash. They are readily negotiable anywhere.

PERSONAL LOANS
To finance your personal needs; repayment in regular instalments from your earnings.

Mrs. Jerome Benoit is back home from the Isle Madame Hospital, Arichat, with a bouncing baby girl, "Marie Annette". Congratulations!

We are sorry to report that Mr. Lauchlin Poirier had to be taken to the Victoria General Hospital, Halifax, due to head injuries he sustained some time ago in an automobile accident.

At first the injuries did not seem serious but it turned out that a clot of blood formed in the veins, and was pressing on the brain, causing a black out and paralysis of the left side of his body.

The latest report received was that he is feeling better after an operation was performed.

We hope that Mr. Poirier will recover completely and will soon be with us again.

Mrs. Philip D. Poirier arrived from New York, where she spent a few weeks visiting her sister, Mrs. Muriel Poirier. She reports having had a lovely trip.

The work on our new church is progressing very favourably, and every thing is ready for the bricklayers to go to work. They are expected to get here in a few days.

Very fine, dry weather has prevailed all along, and the carpenters lost very few days since they started.

Miss Elise Poirier has left for Sharon Park near Dartmouth, where she will teach school this coming term.. We wish Elise every success.

Russell Poirier. our Garage man, left for Halifax, to see his father, Mr. Lauchlin Poirier, who is a patient at the V. G. Hospital.

Wedding

Shaw — Ferguson

Calvin Presbyterian Church, at Loch Lomond was the scene of a lovely summer wedding, on Monday, August 29th. at 4 p. m. when Margaret May, daughter of Mr. and Mrs. Dan J. Ferguson, Sydney became the bride of William Alexander, son of Mr. and Mrs. William C. Shaw, Loch Lomond.

The double ring ceremony was performed by the church pastor, Rev. Neil J. MacLean, in the presence of a large congregation, and in a setting of lovely summer flowers. The bride given in marriage by her father. was beautiful in her wedding gown of white satin with nylon net overskirt and full length redingote embroidered in a flower design. Her elbow length veil of nylon illusion fell from a coronet studded with pearls and rhinstones. She wore a matching set of rhinstone earrings and necklace, gift from the groom. Her cascade bouquet was of red roses.

Her bridesmaid was her cousin, Miss Mary MacDonald.

Attending the groom was Malcolm D. Shaw, brother of the groom. Ushers were Donald Matheson, Sydney, cousin of the bride, and Dan Shaw, Loch Lomond, cousin of the groom.

Organist was Mr. Robert Crooks student of United Church, Loch Lomond, who played the wedding marches and the accompaniment for Mrs. Woolgare, Sydney, cousin of the bride, who sang, "Because", during the signing of the register.

Following the ceremony a reception was held at the home of the groom's parents for almost 500 guests. The happy couple were piped to the house by two young girls of the Sydney Pipe Band. Deanie Munroe of Loch Lomond, cousin of the groom, and Sally MacPherson of Mira.

Following the reception a dance was held in the hall. Music was supplied by George Oram, Jack Le Drew, Hector Morris and Jack Thompson. Pipe Major George Sutherland played the pipes as the happy couple left the hall on a wedding trip through the province and P. E. I.

For travelling the bride wore a two piece dress of teal blue, and a corsage of pink carnations.

For the past years the bride has been on the staff at the T. Eaton Co. Ltd., while the groom is employed at Mindamar Metals Corporation, Limited.

We wish Mr. and Mrs. Shaw every prosperity for a long and happy wedded life.

Also visiting his parents, were Mr. and Mrs. Basil Mauger, and family of Canning.

Mr. Mauger is attached to the Canadian Active Army, and spent some time in Korea. He will also serve in Germany, and will be leaving for that country in the near future.

Mrs. William MacDonald, (nee Viola LeLaCheur), and daughter, Evelyn, who had been visiting her sisters, Mrs. Lennox Mauger and Mrs. Edward Mauger, returned to their home in Halifax.

Among those who attended the official opening of the Canso Causeway were: Mr. and Mrs. Alphonse Samson; Mr. and Mrs. Lennox Mauger, and daughter, Pearl; Mr. and Mrs. Fred Mauger, and daughter, Eva; Mr. Alva Mauger; Mr. and Mrs. Warren Mauger, and daughter, Myrtle.

All were highly impressed with the ceremonies.
