Sporting Mountain Echoes

We regret to report that at time of writing Marjorie Murray of Oban and Lillian Cooke are both mysteriously sick, and have been transferred to Sydney for observation and treatment.

Arthur Morrison, his brother-in-law and sister, Mr. and Mrs. Vitus Burke, and little son, Daniel Joseph, motored up from River Tillard to the spacious old farm of cherished associations, Sunday afternoon.

They followed the winding river of fond recollections, and traversed old trails once familiar to their feet.

Mrs. Burke said she could not resist a feeling of sadness, but anticipated that.

Sunday evening we were gladdened by a visit from Mr. and Mrs. Robert Leuro and sons, Robert Jr. and Ronald of the Steel City.

Monday we were again gladdened by a visit from Neil Sutherland of Sydney River, who was our guest for a couple of days.

Tuesday he motored us to Oban in his pretty Plymouth where we had occasion to visit at a trio of MacDonald homes, including that of Mr. and Mrs. A. W. H. MacDonald, Mrs. Annie MacDonald and Mr. and Mrs. Dan MacDonald.

We were particularly desirous to see the venerable Mrs. Christena MacDonald who is affectionately known to her many friends as "Aunt Christy", and though she is some ten years our senior, it was pleasing to find her still going strong with all her faculties apparently more active and alert than our own.

Miss Margaret MacQuarrie, of West Bay Road, has charge of Oban School the current term.

Thus both Sporting Mountain schools are favored with qualified teachers.

Mr. and Mrs. Harry Berryman, of Hillsboro, N. B. called upon us the other day to see how we were getting along with the Chinese Geese we imported from them last year.

Inspector Remi J. Chiasson, M. A., was a visitor to Seaview School during the week in his official capacity.

Born In Old Cape Breton

(The following song was composed by Mr. Will B. Pringle, of the Points, West Bay.

In recent years many songs been composed by Cape Bretoners and have been heard over C. J. C. B. This particular song of Mr. Pringle's also received recognition over the air waves.)

Tune: "Young Munroe, Charlie Achem".

We were born in Ole Cape Breton
This loved Island by the sea,
And we love her natural beauties
From Port Hood to Scatarie..

We have learned to love the sunsets,
On the waters of West Bay.
And the peaceful shadows falling
At the closing of the day.

Chorus

Lovely gem in the ocean,
Lovely island of the free.

From the heights of Sporting Mountain.
We have heard the ocean's roar,
And we've watched the lonely gleamings,
Of the lights along the shore.

We have travelled by Lake Ainslie;
And along the Margaree—
From the heights of Ole Cape Smokey,
We have looked out o'er the sea.

Chorus:

From the scents of spruce and hemlock;
We have sought the haunts of men—
Watched as Sydney's "Money Skaters."
Clashed with Glace Bay's "Mining Men".

As we saw the flashing ice-blades;
Heard the people's mighty roar
And we also saw "John Alex"
Being escorted through the door.

Chorus

We have wandered from this island;
Went to countries farther West;
But we longed so, for our homeland—
And the Isle we love the best.

Now we've crossed the mighty "Causeway".
To the mountains and the foam;
And we thank the Great Creator—
For such beauties so near home.

Chorus.

OLDEST COIN YET

The coins that pop up keep getting older, Col. the Rev. William Rippon, Anglican parish priest in French Village, came up with a record-breaker recently, when he produced a Roman bronze coin from the reign of Diocletian, 284-305 AD. That was one reign earlier than the erst-coin from the reign of Maxentius 306-312. Col. Rippon unearthed a number of old Roman coins in Aexandria, when he was on active service with the Imperial Army of the Nile.

(Rev. Col. Rippon was at one time the Rector of St. John's Church, Arichat, prior to taking charge of his present parish.)

Community Show At St. George's Channel

A very successful Community Show was held at St. George's Channel recently. The weather was perfect for the large exhibits of Beef Cattle, horses, sheep, poultry, etc. Committees of local residents greatly helped the judges with the work. Mr. C. A. Douglas, Truro, judged the vegetables and fruit. Miss Jean Mun- Mr. Archibald judged horses and Lon Cox beef cattle and sheep.

In addition to the regular Community Fair a Red and White Show of pure bred Ayrshire Cattle was held for the members of Richmond—S. Inverness Ayrshire Club, that attracted visitors and spectators from most parts of Cape Breton Island.

The honors were widely distributed. Ralph MacKichan, Dairy Lane Farm, Cleveland won many of the Junior Female prizes as well as Junior Herd and Junior Get of Sire. Mike MacNeil, Richmond Farm, Hay Cove, won with his bull, Hammonds Buuttrscotch, and Senior Herd. Joe Rankin, Judique, won both mature cow classes, dry and in milk, and Female Grand Championships. E. Benoit, Rock Loaf Farm, Arichat, won 2 year old dry and 3 year old dry classes, A. Russo. Indian Valley Farm, Dundee, won second in Mature cows in milk, also second prize in Mature dry sows and Reserve Grand Championship. Clair Austin, Sky Glen was high with Senior yearlings. Mr. W. R. Retson, Truro, judged the Ayrshires, Angus Rankin, St. Peter's, announced the winners and Wm. Pringle, Points, was ring clerk.

Football Interest Growing In the Maritimes

The football craze seems to be catching on in the Maritimes with stadiums jammed for Nova Scotia Football League games and an estimated 50,000 additional viewers watching Saturday games by way of CBC television. Football is the first team sport to be telecast "live" by a CBC mobile television unit in the Maritimes.

Above, two Nova Scotia players get a camera-eye view of their teammates while cameraman Blake Connor looks on. Telecast time on CBHT, Channel 3, for the Saturday games is 3 p. m. giving fans who cannot attend an opportunity to see the last portion of the game.

Elliott John MacLeod, 64-year-old Richmond County farmer, was killed last night when a horse fell on him.

Money across the miles

A chartered bank makes it a simple matter for you to send money almost anywhere, inside or outside Canada.

You may want to get money to a certain city as a gift on somebody's birthday; or to settle a business account; or to set up a fund which can be drawn upon by a company salesman, branch office or supplier.

It works the other way, too. If you are far from home and short of cash, you can advise your "home" branch to telegraph your money to a point where you can pick it up. Many situations and needs can arise — and a chartered bank has many ways of taking care of them, including the sale of travellers cheques.

This service is one of the many advantages you enjoy as a customer of a chartered bank. Your local branch is an all-round banking service-centre that can be helpful to you in many ways.

Only a chartered bank offers a full range of banking services, including:

SAVINGS ACCOUNTS
Keep your money safe; pay you steady interest; encourage the habit of thrift.

COMMERCIAL LOANS
For business or industrial firms, large and small; producers, processors, retailers—every type of enterprise.

SAFETY DEPOSIT BOXES
Keep your important papers and other valuables safe, yet readily accessible.

TRAVELLERS CHEQUES
Protect you against theft or loss of cash. They are readily negotiable anywhere.

So-you get a triple bonus when you buy a Buick

You can come in right now on a Buick dividend distribution that's like money in the bank for you. And a look at the nation's new-car sales figures will tell you why.

This year, Buick sales are soaring past every high-water mark in the book—and they are going higher day by day!

So we're declaring an extra dividend—for you. On top of the long trade-in allowances we have been making all year, we're adding a bonus allowance.

But you'll be getting a lot more than a great deal. You'll be getting a great car—the hottest selling Buick in history.

You'll be getting Buick's far-in-advance styling, Buick's mightiest V8 power, Buick's highly envied all-coil-spring ride, Buick's extra size and room and comfort and solidity of structure. And you'll be getting the performance thrill of the year—Variable Pitch Dynaflow*—the switch-pitch transmission that's taken the country by storm.

Come in today and see for yourself that there's never been a car like this before—and never a deal so easy to make.

**Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.*

A GENERAL MOTORS VALUE

Thrill of the year is Buick—
