The New Arichat Restaurant and Snack Bar is Now Opened For Business

This Photo Shows A Portion of Scenic Arichat Harbor

The above photo was taken by your Editor a few years back when several American draggers which can be seen berthed at the Gov't. wharf, entered Arichat harbor for shelter from a hurricane which lashed the Atlantic seaboard at that time.

At the east end of the dock can be seen the MV Arev which was operating from Arichat to Mulgrave carrying passengers and freight.

Arichat harbor can boast of two entrances, South and West. Both channels can accomodate the largest ships afloat and with few shoals make it an easy harbor to enter.

Part of the town looking west from the Post Office can be seen. The eastern section of the harbor is not shown in the photo.

ARICHAT RESTAURANT OPENED TO PUBLIC

The Arichat Restaurant and Snack Bar owned and operated by Mr. and Mrs. Warren Jones is now opened for business.

Mr. and Mrs. Jones came to Arichat two years ago when they took over the American House now known as the Arichat Hotel. Both Mr. and Mrs. Jones have a wide experience in the hotel and restaurant business and are well and favorably known by the travelling public, having gained the respect of their guests as kind, hospitable and courteous operators. Prior to coming to Arichat they operated a restaurant in the city of Toronto and also operated the modern Goshen Restaurant in Antigonish County.

The new Arichat Restaurant is annexed to the Arichat Hotel and is modern in every respect. The exterior is of modern design and attractively painted. This restaurant is equipped with a snack bar and guest tables to accomodate the public and is opened from 12 noon to midnight.

Full course meals and lunches are served at the Arichat Restaurant and Snack Bar. Newest type deep fryers and hamburg grills have been installed. The building is heated by an automatic oil burning floor furnace. The floor is covered with an attractive design of tile.

In this issue of the Record congratulations are extended to Mr. and Mrs. Jones on the opening of their new and modern restaurant and photo of which will be found in an advertisement announcing the opening by the owners.

Sporting Mountain Echoes

The summits and sunkissed slopes of Sporting Mountain are replete with red coats these days but the elusive deer have betaken themselves to the recesses of the forest.

However Robert Delorey of Antigonish who was a guest for a few days at the Hugh John Hill home had the full complement on the slopes of his radiator Thursday evening.

Mr. and Mrs. Willie MacKay and family of The Points accompanied by George Matthews made friendly calls in Seaview and Oban Saturday evening when enroute from St. Peters.

James A. Goswell who is enjoying a respite from his employment in Halifax contacted each and every one of his old neighbours in Seaview.

Thence he went to St. Peters and Sydney whence he purposed returning by air conveyance to the Provincial Capital.

Mr. and Mrs. John R. Morrison motored up from St. Peters Sunday afternoon.

They were accompanied by Mr and Mrs. Hugeneen who thus had occasion to contact other natives of the Netherlands, including, Mr and Mrs. Martin and Benjamin Konning.

Couty Health Nurse, Miss C.M. Amirault R.N., and Mrs. Thomas Morrison R.N., visited Seaview School Wednesday afternoon and both were very favorably impressed by Mrs. MacPhee's pupils.

It was nice to meet Miss Amirault who comes from a section of the Province where the feminine element have a characteristic niceness peculiar to themselves.

The Sporting Mountain teachers Mrs. McPhee of Seaview and Mrs. McQuarrie of Oban attended the teachers institute at St. Peters Thursday.

Isle Madame A Tourist Paradise

The influx of tourists to Isle Madame in recent years has not been as great as other places in Cape Breton and the reason for this is because of the limited accomodations and with no large restaurants these tourists are unable to receive the service they expect to find in places of this size. Now with the opening of the Arichat Restaurant it is expected that next summed will see more tourists visit Arichat to take a glimpse of scenic Isle Madame which in time, we predict, will be one of the most favored spots in Eastern Nova Scotia.

Isle Madame has a wealth of historic value and to many of us who know the part the seaport of Arichat played in the early days can fully understand the interest that the tourist who visits this beauty spot will take back with them pleasant memories of their stay here.

A tourist pamphlet sponsored by the Arichat-Isle Madame Board of Trade should be published giving the historic value of Isle Madame and what it offers to the tourist as a summer resort, pointing out bathing summer resort and bring visitors to this pretty little Island surrounded by inland harbors and to the South by the mighty roar of the Atlantic surging its foamy breakers on a rugged shore.

Here on Isle Madame the painter gets all the beauty of landscape, sky and sea, and can put into a painting realistic details that would be difficult to match or surpass in any other part of the Maritimes.

Gone are the days of early history but still remains the memory of the men and ships that made Arichat a seaport proud of the men who went down to the sea in ships and traversed the foreign waters of the world.

Did we ever tell you of how John Paul Jones the famous American Privateer looted and burned to the ground the fish plant of the Robin Jones located on Jerseyman's Island in Arichat harbor during the early days of "wooden ships and iron men" when Arichat was the leading sea port in Eastern Canada.

This story and many others of the early days in Richmond County telling of the stalwart Highland Scots who pioneered the mainland of the County will be published at a later date.

We are very sorry to report the death of Mrs. Bertie Poirier (Irene) of D'Escousse, who passed away Saturday due to a heart attack.

Mrs. Poirier had suffered an attack some time ago and was recovering very favorably and she was able to do some light work. She felt well Saturday morning when Mr. Poirier left for work but before noon she took an attack and died soon after Mr. Poirier reached home. Her last words to her husband were, "Is it possible I have to leave you?"

We all wish to express our heartfelt sympathy to her husband family and many friends.

RECEPTION HELD AT MEDFORD, MASS.

A social evening was held at the home of Mrs. Wilfred Landry and Mrs. Mildred Marihand of Medford, Mass, in honor of the visit there of Rev. Dr. C. J. Forest, Parish Priest of Petit de Grat and former parish priest of Larry River.

Former parishioners of Petit de Grat and Larry's River attended and a generous sum of money was presented to Dr. Forest by Master Donald Marchand.

Dr. Forest extended his thanks to the gathering and then outlined briefly his responsibilities as a priest. He mentioned the social work he had done in Guysborough County and parts of Halifax County in order to improve living standards in thos areas.

He also spoke about the work undertaken on the Church in Petit de Grat and his future plans of construction. "The people of Petit de Grat are very generous," he said, "and the industry situated there is a great help to the workers of the community and surrounding districts." He invited everyone to visit Petit de Grat and call on him at the Glebe House whenever they have the opportunity. He then gave his blessing to all present.

Coffee was served and everybody engaged in conversation about old times.

Many thanks to Mr. and Mrs. Wilfred Landry and Mrs. Mildred Marchand and all present who helped to make this remarkable evening a success.

Mrs. Bert Poirier

News of the passing of Mrs. Bert Poirier (nee Irene Langlois) of D'Escousse was heard with deep regret throughout Isle Madame where relatives and friends held her in high regard.

Mrs. Poirier had suffered a heart attack some time ago and had recently shown signs of improvement. Her sudden passing on Saturday came as a great shock to her husband, relatives and friends. She was 57 years of age. During her illness she was tenderly cared for by Mrs. Stella Bourque.

Always ready to help her neighbours her passing will be mourned throughout the community.

She leaves to mourn her passing her husband, one son Clifford Fougere of the RCAF, Summerside, PEI, and one daughter, Mrs. Pat MacIntyre, Point Tupper.

The funeral was held from St. Hyacinth's Parish of which she was a devout member.

The large attendance at the funeral attested to the esteem held for the late Mrs. Poirier, by all who knew her splendid qualities.

We extend our sincere sympathy to the bereaved husband and family.

NEWS ABOUT TOWN AND COUNTY

To New Glasgow

Mr. and Mrs. J. J. Latimer and daughter Joan left for New Glasgow after spending the past several months at Duke of York Cranberry Meadow.

Mr. Latimer reported a good harvest of cranberries of excellent quality this season. The attractive deep red berries put up in cellophane front boxes bearing the trade mark Hildabrand can soon be found in groceterias throughout the province. Housewives ask for the Hildabrand berry, a product of Nova Scotia, unequalled and far superior to the imported berry.

Mr. and Mrs. Latimer will spend the winter at their New Glasgow home. Their daughter Joan who received her Grade XII certificate will enter College.

At Causeway

We had an opportunity to view the Canal bridge and locks at the Canso Causeway recently and had the pleasure of being on the swing bridge, with Austin Carrigan, when it was opened to allow a tug boat to proceed to the upper locks of the Canal. We also had the pleasure of meeting our good friend Victor Kyte, Superintendent of the Canal who took us around to the central building where we saw how the south and north locks are opened. All this is done automatically with every move of the locks being recorded by a miniature plan in the control room.

Mr. Kyte then took us over to see the new administration building which is nearing completion and where offices will be located as well as a stock room.

When completed the approaches and surroundings of the large Canal will be modern in every respect.

We thank Vic for his courtesy and wish him every success in his promotion. He was formerly Superintendent of the St.. Peters Canal.

Yummy! Chelsea Bun Loaf
A treat you can make easily with new fast DRY Yeast

Now you have Fleischmann's Fast Dry Yeast, forget about the oldtime hazards of yeast baking! Always at hand—always full-strength and fast rising! Keep a month's supply in your cupboard! Make this delicious Chelsea Bun Loaf—cut in slices for buttering, or separate the buns.

CHELSEA BUN LOAF

Make 3 pans of buns from this one recipe—dough will keep in refrigerator for a week.

Scald ¾ c. milk, ¼ c. granulated sugar, 1½ tsps. salt and ¼ c. shortening; cool to lukewarm. Meanwhile, measure into a large bowl ½ c. lukewarm water, 1 tsp. granulated sugar; stir until sugar is dissolved. Sprinkle with 1 envelope Fleischmann's Fast Rising Dry Yeast. Let stand 10 mins., THEN stir well. Add cooled milk mixture and stir in 1 well-beaten egg. Stir in 2 c. once-sifted bread flour; beat until smooth. Work in 2½ c. once-sifted bread flour. Knead on lightly-floured board until smooth and elastic. Cut off ⅔ of dough, knead into a smooth ball, place in greased bowl, grease top of dough, cover and store in refrigerator until wanted. Shape remaining ⅓ of dough into a smooth ball, place in greased bowl and grease top. Cover and set in warm place, free from draught. Let rise until doubled in bulk. Cream 3 tbs. butter or margarine and blend in ½ c. brown sugar (lightly pressed down), 1½ tsps. ground cinnamon and 3 tbs. corn syrup; spread about ⅓ of this mixture in bottom of a greased loaf pan (4½" x 8½") and sprinkle with pecan halves. Punch down risen dough and roll out into an 8" square; loosen dough. Spread with remaining sugar mixture and sprinkle with ½ c. raisins. Loosely roll up like a jelly roll. Cut roll into 6 slices. Place in prepared pan. Grease tops. Cover and let rise until doubled in bulk. Bake in moderate oven, 350°, 25-30 mins. Let stand in pan for 5 mins. before turning out.

DIRECTOR RED CROSS BLOOD DONOR SERVICES

Halifax (Special) — Robert A. Whyte, of Halifax, well known throughout the Province for his work with the Nova Scotia Tuberculosis Association, has been appointed as the new Director of Red Cross Blood Donor Services, to succeed Mr. F. S. Bruce-Williams. This was announced by Harvey R. Doane, C.A., Chairman of the Provincial Red Cross Blood Donor Committee, following the October meeting.

Mr. Whyte is a graduate of Acadia University and since 1951 has served as Director of X-Ray Surveys for the Nova Scotia Tuberculosis Association. Organizing this work took him to practically every community in Nova Scotia. In his new position, Mr. Whyte will have the task of arranging in advance for Blood Donor Clinics throughout Nova Scotia. These ararngements are made with Red Cross Branches and other co-operating organizations about three months in advance of the Mobile Blood Transfusion team of nurses and technicians who arrive on the appointed clinic day to receive the blood donations.

Mr. Whyte is married and has two children. He is thirty-eight years of age.

Mr. Doane reported to the Committee that so far this year a total of eleven clinics have been held with 21,083 donations received. Especially fine clinics in Cape Breton last week boosted the total by 1385 blood donations to top last year's total, which was a record.

Dundee Dew Drops

The spell of warm summerlike weather that we have been enjoying seems to have halted for the past two days; but with Indian summer coming in, we can still look forward to more sunny days.

Most of the day was favorable for the ploughing match held at St. George's Channel on Wednesday, 19th.

We are glad to report that Mrs Mary B. MacInnosh (Dundee teacher) who has been confined to bed for several days with the flu is recovering.

William Smith who was laid up for some time is able to be out again. A similar case was noticed recently with the children of Mr. and Mrs. Ralph MacInnes but did not develop too seriously.

Over a week ago we were favored with a visit from Mr. and Mrs. Henry Murray of Lynn, Mass. who are spending the summer months at their Cleveland residence. We were glad to see Henry after so many years absence from the old home at The Points where he was our good neighbour and friend. We were also pleased to meet his attractive wife, the former Ethel Walker of Cleveland and look forward to seeing more of them next summer.

On Thursday, our former neighbour Jack Pringle from The Points accompanied by Edmund MacIsaac of Dartmouth, stopped in while on a hunting expedition We were real glad to see our old school mate in the usual happy mood and pleased to make the acquaintance of Mr. MacIsaac who is visiting his brother-inlaw and sister, Mr. and Mrs. W. B. Pringle.

While going through some old books recently Hugh MacInnis found a geography which was published in 1828. The book which measures 7 x 4 1-2 ins. was purchased from Andrew Landry in the year 1863 by William MacKenzie at the price of 7s1-2d He also found a larger book called "The European Magazine' and "London Review" printed in 1793. It is printed in Old English making it somewhat difficult to read. The letter F is used in many words instead of S.
