THE FISHER FOLK

They live the simple life, the fisher folk,
Who toil and gather spoils from out the sea;
They never feel the burden of the yoke
That wears and chafes and presses you and me.

Theirs is a simple faith in calm or storm
They sail the sea, nor wind nor tide e'er fret;
Before the break of day till sunset's glow
They toil and only meagre substance get.
They see the wonders of the mighty deep,
They face the wrack, the stress the storm, the calm,
With simple trust in God, they gently sleep
Lulled by the music of the wind, to them a psalm.
And whether ocean floor or grassy plot
Be final resting place at flow of tide
Or ebb, it matters not, for He who walked
On Galilee is aye the fisher's Guide.

Death Of Postmaster James M. Power

The sudden passing of Postmaster, James M. Power, occurred on Thursday afternoon, Dec. 8, at the age of 61 years.

Postmaster Power was about his work as usual, making arrangements in the Post Office, for the Christmas mail rush. Around 4 o'clock in the afternoon he retired to his apartment on the 3rd floor of the Post Office and shortly after entering the bathroom he was seized with a heart attack and passed away before Dr. G. R. Deveau, arrived a few minutes later.

Over 30 years Postmaster at Arichat, the late Mr. Power attended to his duties in a very efficient manner. Being conversant with Post Office Departmental regulations, he was appointed a District Supervisor of Post Offices on Isle Madame and points on the mainland.

Noted for his hospitality in his home Jim as he was favourably known to his close friends was always ready to organize plays and more especially at dances he was a favourite with both young and old, taking the role of a prompter at old time dances, his voice will be missed, but the memory of his gay spirit will live on in the hearts and minds of all who knew him.

A son of the late Mr. and Mrs. Lawrence Power of this town, he took up residence here after the first World War, having been severely wounded in combat in France. Prior to coming to his old home he spent many months in Military Hospitals, both in Toronto and Halifax.

A devouted husband and father, he leaves to mourn his untimely death his wife two sons and four daughters:: Edwin, Fisheries Inspector, Arichat; Lawrence, who recently joined the R.C.M.P., and stationed at Ottawa; Mrs. Mildred Durcharme, at home; Mrs. Charles LeBlanc, (Jean) D'Escousse; Mrs. Herbert Boutilier, (Doris) and Miss Gwyn at home. Also one sister, Miss Claire Power, R. N., of Boston, Mass., and J. O. Power, of Cambridge, Mass.

Funeral took place on Monday, from Notre Dame Church and was largely attended. Rev. Father A. P. Poirier, was the celebrant with Rev. Father W. A. Boucher, of D'Escousse, assisting as Deacon and Rev. Father Doucet, as Sub-Deacon.

Rev. A. P. Poirier, performed the service at the graveside after which members of the Canadian Legion, conducted a brief ritual in honor of their departed comrade, read by Mr. M. S. Binet.

Mr. Vincent Boudreau, of Petit de Grat sounded the last post.

Funeral arrangements were in charge of Director C. A. Boucher.

We extend our sincere sympathy to the bereaved wife and her family and to the brother and sister in their sad bereavement.

WEST ARICHAT HOME AND SCHOOL FOR CONSOLIDATION

The meeting opened with the West Arichat Home and School Association was held at Acadia-Vale School on November 27th with Rev. A. Doucet, acting as Chairman.

Then meeting opened with the singing of "O Canada" led by Mrs. Percy Jollymore, with Father Doucet saying the prayer and Mr. Francis Duggan, reciting the creed.

Minutes of the previous meeting were read by the Secretary, Miss Jeannette Girroir and the financial reports given by the Treasurer Mrs. Edward J. Forgeron. The minutes and the report were adopted as read.

The meeting was then informed of two resignations, Mr. Percy Jollymore having resigned as president of the Association and Mrs. Joseph LeJeune, as president of the program committee. Mrs. LeJeune had already been replaced by Rev. Sister Marie de l'Emmanuel and later an election was held and Mr. Joseph Mury of the Municipal staff was chosen presidens for the year 1955-56.

The Inspector of Schools, Mr. R. J. Chiasson, had been invited as guest speaker. The Home and School wanted to know more about the new education act and also to have his opinion on the possibilities of a new Consolidated School for West Arichat Parish. The inspector treated both questions at great length with his usual clarity of expression. He said Consolidation was the trend of the time and that he himself was very much in favour of a Consolidated School in West Arichat Parish as it would be a definite progressive step in education.

A lively discussion followed Inspector Chiasson's talk and the members were pleased and enlightened by Mr. Chiasson's answers.

The Chairman then asked the meeting's opinion regarding consolidation by a show of hands. The forty people present were all for it.

The meeting then adjourned by the singing of the National Anthem.

Salt Assistance For Fishermen

Machinery for the processing of claims from individual fishermen under the government-sponsored salt assistance program has been set up in the Maritimes and the necessary forms for distribution to fishermen have been sent to fisheries officers in all districts. The announcement was made by Federal Department of Fisheries in Halifax.

Under the salt assistaice program, the government will reimburse fishermen 50 per cent of the laid down cost of salt used in their 1955 production of certain types of fish and under specified conditions. Details of what claims may be made, applications for payment and other information about the scheme may now be obtained from any fisheries officer in the Maritimes area.

Payment will not be paid on salt used in products that have been, or will be, exported to the United States.

Briefly payment will be made on all salt used in 1955 for the production of light, heavy or wet salted cod, haddock, hake, pollock and cusk (except pickled or green salted which has been or will be exported to the U. S. A.); bloaters, pickled or dry salted alewives, pickled split herring or mackerel, and pickled turbot, salmon and shad.

A second group of products on which payment will be made provided they have not or will not be exported to the United States includes light (slack) salted soft dried cod, pickled or green salted cod, haddock, hake, pollock and cusk either to be sold as such or to be used in the production of boneless or semi-boneless fish; herring which has been scotch cured, vinegar cuder, pickled headless pickled, filleted or smoked boneless; vinegar cured alewives; dried salted squid; and other similar products.

Deadline for completion of applications is December 31 of this year. The Department of Fisheries emphasized that all enquiries for payment should be made to the fisheries officer in the district concerned.

Top O' The Hill

Slow climbing? Well, that doesn't matter,
If you still can see the goal.
A step at a time, means progress;
Climbing is good for the soul.
When you strive for heights far above you
It isn't so much the speed
That counts; it's courage, and dogged
Determination, you need.
The pathway about you grows rocky,
You're ill and weary and spent;
You've almost succumbed to the giants
Of fear and discouragement.
But rise up again! Ever onward!
You can make it if you but will,
And oh, the glory of gaining,
At last, the top of the hill.

———:o:———

Conquer thyself. Till thou hast done this, thou are but a slave; for it is almost as well to be subjected to another's appetite as to thine own.

Definition Of A Home

A prize offered by a London paper for the best definition of a home brought five thousand answers. Some of the best were the following:—

"A world of strife shut out; a world of love shut in."

"Home is the blossom of which heaven is the fruit."

"The father's kingdom, the child's paradise, the mother's world."

We are glad to report that Clarence Martell, who was a patient at St. Martha's Hospital, has returned home much improved in health. We are looking forward to seeing him at his old routine in the garage soon.

Mr. and Mrs. Raymond Marchand who were employed in Halifax during the summer months have returned to take up residence here for the winter.

Mrs. Jane Baccardax, teacher of the Pondville Consolidated School spent the week-end at her home in Poirierville.

After being marooned for several days by snow drifts, Arthur Hureau, plowed the roads of Rocky Bay and Pondville on Monday.

Gerald Boudreau visited the home of his parents, Mr. and Mrs. Jeffrey Boudreau, on Friday.

Stanley Marchand who spent the summer months here left recently for Halifax, where he will be employed as a Longshoreman.

Several large truck loads of coal have been unloaded in the community during the week.

Bill Keating and Alphonse Bowen have returned from the Great Lakes to spend the winter with their respective families.

The community was saddened when news was heard here of the sudden passing of James Power of Arichat. Mr. Power was well known and respected here. We extend our heartfelt sympathhy to his bereaved wife and family.

Bertie Forrest is engaged in hauling lime for Rock Loaf Farm, from the Sydney Steel Plant.
