FIFTY-NINTH YEAR | ARICHAT, CAPE BRETON, N. S., FEBRUARY 18, 1956 | No. 25

In Defence of Our Municipality

The Richmond County Record.

Dear Editor. — The same people as last year, still operating behind the respectable sounding name "Isle Madame Board of Trade", are barking again; and the trouble is still taxes. But whereas, last year, the spokesmen for this little organization in Arichat howled long and loud about the new assessment, this year they find that they don't like last year's tax rate. Complicated eh? But, you see, they had to change their minds about last year's assessment because their ideas about groundless appeals and another new assessment were stopped, first by the courts, next by the Council and finally by the public who did not make one appeal this year, thus approving the new assessment.

What is the new "charge"? It is that taxes were too low in Richmond County last year. Odd, eh? Odd too that this "charge" was made in the provincial newspaper and not in the Richmond County Record where it would be directed to the people concerned. It is regrettable that so many in Nova Scotia are getting a false impression of the rest of us from this display of utter lack of sense at all by this publicity seeking, so called "Board of Trade".

Here is what happened: "The charge was based on the fact that the rate of 3 1/2 percent fell short by some $25,000 from meeting the liabilities of last year." That is their argument. What are the facts? Page 3 of the auditors' report says: "Deficit for the current year $11,828.-80." Who is right, the auditors or this so-called, "Board of Trade"? The reason for the deficit is also given in the auditors' report: "Total expenditures are over $20,000. greater than anticipated, the largest increase being in public welfare". Could this increase have been budgeted. The answer from experience is no. By what insight into God's plans could these spokesmen predict that the cost of sickness would go up from $11,000 esimated based on 1954 actual costs, to $25,413.37, actual cost for 1955? Childish imprudence! Without this unavoidable increase there would have been a surplus for the year 1955 because estimated revenue was $128,139.86., while actual revenue was the larger figure of $135,861.34.

Contrary to what the "Board of Trade" claims to "know", accepted government procedure calls for budgeting to cover what you can predict you will need. This was done last year. The deficit could not have been predicted. This has been the principle followed since sound municipal financing was begun in this County 20 years ago. It has never been accepted, except by the "Board of Trade" that you add $25,000. to a municipal budget because you "might possibly" need that amount. The principle proposed by these short-sighted people, if followed would make taxes higher than necesssary each year and thus encourage waste and extravagance with public funds. In a few years, taxes would become so unbearably high that our now sound municipality could become even bankrupt, not to mention the misery that would result in the County.

True, the tax rate this year is 5%. But the largest single reason for this increase is school costs now increased and borne by the Municipality. It is now clear to all that, to keep the tax rate down to what people can reasonably pay, alarming school costs must be kept to the lowest figures that will provide a sound minimum as all we can afford in this province. If that is so, then certainly, the mimimum in education costs is all we can afford in this comparatively poor County.

That the rate, last year, was kept low for any but budgetary reasons, is a reflection on the character and integrity of people with long established reputations for soundness of judgement and honesty of purpose made by this unreasonable and irresponsible minority who have produced little, if anything, of constructive public good. The quality of this "new low" in slanderous statements, disgusting to clear, honest and fair minds, can only indicate the quality of the source. These are hard facts; but they only serve to contrast and point out that we still have great men in our County like James Johnston, Warden for over 20 years and Councillor for some 20 additional years, J. W. Sampson, Councillor for 20 years and Warden for 3 years and E. C. Doyle, who as Clerk and Treasurer for over 20 years has done much to put this Municipality on a sound financial basis and keep it that way. Our Councillors have been as able and experienced in finance and County affairs as any in the province. We are fortunate to have good men guiding our County affairs. Both Councillors and officials have built up, in this County, a tradition of honest attention to public affairs which is acknowledged by all right-thinking people in Richmond County today.

These spokesmen for the "Board of Trade" should concern themselves with other matters that they might learn something about and drop this public display of self-interest and error; after all, they are getting to be a joke to laugh at and forget, not to be taken seriously. They might try to do something constructive for Arichat if that is possible. George Matthew Adams fittingly put it when he said: "The front seat driver keeps learning, getting more expert and, if he is wise, will not pay attention to what back seat folks have to say. Let the dogs bark---but join the caravan and pass on!" It's wasting our time, we are, pausing on the road of life to answer the bark of those "back seat folks." Let's move on!

A Regional Vice-President

Very Rev. A. P. Poirier

At the annual meeting of the Nova Scotia Red Cross Society, Rev. A. P. Poirier of Arichat was appointed a Regional Vice-President and Rev. A. Doucet of West Arichat was re-elected a member at large of the executive.

Annual Meeting Nova Scotia Division Canadian Red Cross

HALIFAX (Special) Delegates in Halifax for the 1956 annual meeting of the Nova Scotia Division of the Canadian Red Cross Society, held on Friday, February 10th, re-elected Rev. A. P. Poirier, of Arichat a regional vice-president. Rev. Father Albert Doucet of West Arichat was re-elected a member at large of the executive. Named Red Cross president for the coming year was Peter O'Hearn of Halifax, who succeeds Ian MacKeigan, president for the past two years.

More than 200 delegates attending the two day meeting heard committee chairman report on another highly successful year in most phases of Red Cross work. Major setback was fund-raising, reported retiring campaign chairman Eric Balcolm of Wolfville. Mr. Balcom told delegates the Nova Scotia Red Cross fell short of meeting its 1955 campaign objective by more than $20,000, and actually collected a smaller percentage of its objective than in the previous year, though the dollar total was up slightly. He stressed the importance of making an intensive effort to meet this year's objective of $204,000.00 which, he pointed out, represents little more than half the amount spent each year by the Red Cross in Nova Scotia.

The meeting also heard Junior Red Cross chairman Dr. H. P. Moffat report a heavy increase in assistance to handicapped and crippled children throughout the province. Enrollment in Junior Red Cross this year totalled more than 67,000 Nova Scotian school children.

VACATIONING IN MIAMI

Contractor and Mrs. H. H. Latimer of Truro are on their annual holidays and are at present in Florida. We are grateful to "Bob" for a copy of The Miami Herald special mid-winter edition.

Before returning to their home in Truro they will visit many other Southern points of interest in the USA.

We wish them both a very pleasant and happy holiday.

Sporting Mountain Echoes

Date of writing is February third. Yesterday was ground hog day and conditions were favorable for him to discern his shadow on the sun-kissed slopes of Sporting Mountain.

Seaview Post Office was not approachable on Tuesday, but the mail conveyance came over the top of Sporting Mountain Thursday evening.

Lawrence Burke motored through Seaview enroute from Cannes.

Mr. Burke parked his car at our gate, and favored us with an extended visit which was much appreciated.

Edmund Pitre of Moncton, N. B., was a guest at the LeBlanc home for a few days during the week.

We were very favorably impressed by the sensible Mr. Pitre of likable personality who desires to buy a farm in this area and regretted we could not direct him to one.

Mr. and Mrs. Pitre with their fine family of six sons and two daughters would be a desirable addition to any community.

Miss Lucille Martell of the Oban School was a week-end visitor to her home in Little Anse

Anthony Konning went to Halifax, Friday, to meet his brother who was arriving from Holland.

Mrs. Kaye MacPhail and Mrs. Lena MacLeod drove to Oban, Sunday and were guests at the hospitable Murray home.

Wedding

MALTBY -- MARTELL

A pretty wedding of interest to the many friends of the bride and groom was solemnized at Our Lady of the Assumption Church at 9.30 o'clock February 7, when Miss Lucille Nora Martell, Pondville became the bride of George Joseph Maltby of Poulamon. Rev. A. P. Poirier officiated at the double ring ceremony.

Spring flowers decorated the altars and the guest pews were marked with white satin bows.

The bride, who was given in marriage by her father was attired in a ballerina length gown of white Chantilly lace and nylon tulle, with fitted bodice having a Peter Pan collar and sleeves ending in points over the hands, and a pleated panelled skirt of lace and tulle. Her short veil of tulle illusion was held by a small lace coronet trimmed with seed pearls, and she carried a cascade bouquet of white carnations intermingled with fern.

Mrs. Ethel Boudreau, sister of the bride, was matron of honor and was attired in a ballerina length gown of yellow brocaded net over taffeta, with matching headdress and mitts. She carried a colonial style bouquet of mauve and yellow mums.

Miss Jean Copely, Halifax, was bridesmaid and looked charming in her ballerina length gown of coral velvet and net over taffeta with matching headpiece and mitts and she also carried a colonial style nosegay of pink and yellow mums.

Little Leona Martell, cousin of the bride was a dainty junior bridesmaid and wore a ballerina-length gown of nile green taffeta and net with a fitted bodice, having a wide V neckline and a bouffant skirt. She wore a halo of matching net and tiny pearls and carried a nosegay of yellow and white baby mums.

Simon and Louis Maltby supported the groom and the ushers were Francis Martell, cousin of the bride and Amos Briand, close friend of the family.

Mrs. Martell, mother of the bride, was dressed in grey faille with navy blue acessories and a corsage of pink roses.

Mrs. Maltby, mother of the groom was dressed in turquoise crepe with white accessories and a corsage of red roses.

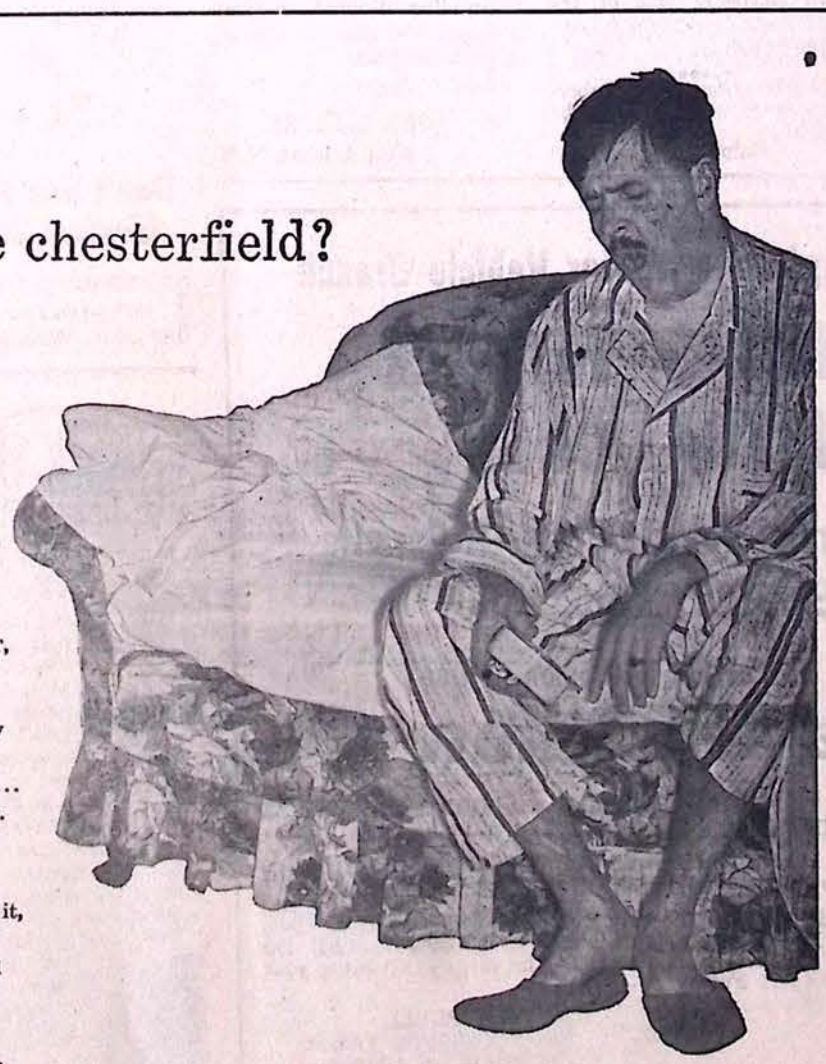

Following the ceremony a reception was held at The Arichat Hotel for upwards of forty guests. The bride's table was laid with a white linen cloth and centered with a three-tier wedding cake.

The toast to the bride was proposed by Rev. Poirier, who also proposed a toast to the parents of the bride, who on that day celebrated their 34th wedding anniversary.

The cake was cut in the traditional manner by the bridal couple and was apportioned by Mrs Ethel Boudreau matron of honor.

The bride was feted on several ocasions prior to her marriage.

The happy couple have the best wishes of a wide circle of friends.

Do you get the chesterfield?

WHEN GUESTS STAY OVERNIGHT, are you the one who must give up his bed and move onto the chesterfield? Then you've probably thought, as you tossed and turned, that you *must* fix up a guest room... as soon as you've saved the money.

We all have different reasons for saving. The big thing is to decide what you want *most*, then save for it, either through a regular Royal Bank savings account or a "special purpose" account — whichever suits you best.

It takes just a few minutes to open either kind at any Royal Bank branch. You'll always be glad you did.

NEW "CASKET" BUILDING OFFICIALLY OPENED

We congratulate the manager and staff of on the official opening of the new "Casket" building at Antigonish.

The official church organ of the Roman Catholic Diocese of Antigonish the "Casket" is a leading weekly of the province and enjoys a large circulation throughout the town and County of Antigonish and as well as the province in general.

The managing editor Mr. MacKay, a native of Scotland, is deserving of much credit for the careful planning of this new building which contains one of the best printing plants in the Maritimes.

The late Editor of the Record, Bertram Bourinot was, during his early life, on the staff of the Casket and could relate many interesting tales of the early days when type was set by hand and the difficulties encountered in publishing a weekly newspaper in those days.

May the Casket continue to fluorish and prosper.

JOHNSTOWN PASTOR GUEST OF HONOR

A large number of the parishioners of Sacred Heart Parish, Johnstown, and visitors from neighbouring communities packed the school auditorium Friday evening to bid farewell to a much beloved pastor, Rev Father Daniel E. MacDonald, who has been transferred to Iona. Pipe Major George Sutherland piped the guests into the hall where a program of Scottish numbers--solo, duet, Gaelic chorus violin and bagpipe music was rendered.

The address from the parish was read by Murdock Kennedy Junior Warden and the presentation was made by James Johnston, Senior Warden of the Parish. Presentations were also made on behalf of the school, and the members of the local credit union. Both institutions owe much to the interest, initiative and active participation of Father MacDonald. Only last Fall a two-room addition to the school was completed making Johnstown Academy one of the most up-to-date rural schools in the Province.

Mr. and Mrs. Alex Burke have returned from an enjoyable trip to Halifax, where they visited relatives and friends.

Mr. and Mrs. Walter Boucher and two daughters, of Truro, were the guests of Walter's parents, Mr. and Mrs. Willie Boucher, of Church Point, recently.

Simon Sampson, son of the late Mr. and Mrs. A. Sampson, was recently operated on for Goitre, at the V. G., is making a very satisfactory recovery.

Donald Fougere, son of Mrs. and the late Mr. Charlie Fougere, who was employed in Ontario, is at present visiting his mother.

Robert Boudreau little son of Mr. and Mrs. Georgie Boudreau, had the misfortune of breaking his collar bone, when he fell off the verandah of his home. Robert was taken to Isle Madame Hospital, Arichat, where the collar bone was strapped into place.

BORN. To Mr. and Mrs. Edgar MacPhee of Hawker, at the Isle Madame Hospital, a daughter, Linda Marie.

Capt. and Mrs. Simon F. Burke, celebrated their 44th Wedding Anniversary on Jan. 29th. As most of the other couples, Capt. and Mrs. Burke, were married at St. John the Baptist Church here by the late Fr. Robitialle.

They have four sons and two daughters living. Their sons are Capt. Howard, now on his way to Africa, with his ship the Sunjarva; Clarence, with the C. I. L., at Montreal; Bob, in Ontario and Gerald, of Halifax. Their daughters are: May (Mrs. Amos Thibeau) and Helen, (Mrs. Wm. Robertson, both of R. B. They also have four grandchildren.

We are glad to say that Mr. Charlie Bouchard, who was ill for a few weeks is now recovering. Mr. Bouchard, one of our best liked citizens is missed greatly as he and Mrs. Bouchard are always around, when there are any Parish Activities.

The Editor of the Record is grateful to Marie for sending us a copy of the "Round Up". We trust however, our good friend, John Boyd will soon be fully recovered from an attack of sciaticia.

Marie and Cil are becoming quite proficient at the woodpile and in talking to Councillor Fougere we are almost tempted to accept the girls challenge "on the saw."

Our Association met regularly every month since September with an enrolment of seventeen members.

Our January meeting was held on the 19th. Newsletters were distributed and important items were read and discussed by our Educational Chairman Carl Boudreau.

The Social Committee reported that the Christmas party had been successful and the sum of $27.80 was donated to the Section. It was planned to celebrate Founders Day at the February meeting.

The Educational Chairman read the report of the Council Meeting in Louisdale and explained (1) Suggestions for training children (2) discipline (3) pointers for parents. This was very interesting and enjoyed by all.

The Social consisted of a game of forty-fives which end ed an enjoyable evening.

The February meeting was held on the 16th.

Two lovely cruxifixes, one for each classroom, bought by the Association, were shown to the members. It was decided to send a donation of $5.00 to "Quarters for Headquarters".

As part of our Educational program the History of the Association starting from the year 1944 and the history of Founders Day was read by the Principal and Educational Chairman, Carl Boudreau.

A delicious lunch, including a decorated birthday cake with twelve candles was served by the ladies of the Social Committee.

Both meetings ended with the singing of the National Anthem.
