Ottawa News Letter

By
HON. R. H. WINTERS
Minister of Public Works

Dear Mr. Editor:

The emphasis in Parliament was very much on pipelines this week, except one day during which we discussed housing. Our entire time, and in fact a considerable amount of overtime, was related to a subject which seems to have become less contentious than it was only a week ago.

History was made when Tuesday's sitting continued until 5.00 o'clock on Wednesday morning. Under the "closure" rule, debate must terminate after 1.00 a.m., but the C. C. F.'s and Progressive Conservatives combined to confront the Government with a series of procedural points which required the House to vote five times. During this four-hour period from 1.00 to 5.00 a.m., not a single minute was devoted to consideration of the merits of the proposed gas pipeline. This raised a query right across the country as to what purpose was served at a time when the Government is endeavouring to provide the maximum amount of time to debate the merits of the issue and at the same time meet certain deadlines which are necessary if work is to be put in hand this year.

This is one of the most important debates to take place in my time in Parliament and it has been interesting to watch opinions crystalize both in the House of Commons and outside of it.

Prime consideration as far as the Opposition is concerned are the facts that the Progressive Conservative Premier of Ontario is supporting the Government, as the gas and oil expert of the Tory party in the House of Commons. On both sides of the House the speeches have been excellent. I don't think I have ever listened to addresses that have been better developed or have carried more obvious conviction.

It may be that the "closure" rule of the House will have to be supplied again next week, and if that is the case, we're probably in for more late nights.

Once again the Senate demonstrated its vitality when it debated vigorously the question of pollution of the waters off our Eastern coast.

It's helpful to the country to know that this legislative body is taking an informed "second look" at these important matters. This is the traditional role of the Senate and it's doing its job effectively.

Yours sincerely,
ROBERT.WINTERS

FRIENDS HONOR DOBSON'S ON GOLDEN WEDDING

Mr. and Mrs. Anthony Dobson, of New Glasgow, former residents of Arichat, celebrated their fiftieth Wedding Anniversary on Monday evening.

A large number of friends gathered at the Dobson home and presented the couple with electric kettle and a gift of silver. An address was previously read by Mrs. John MacKay, who together with Mrs. Gordon Plumb were cohostesses at the surprise party.

Friends and relatives in Arichat will join with us in wishing Mr. and Mrs. Dobson many happy returns.

Sporting Mountain Echoes

The long holiday week-end brought the usual influx of visitors to Sporting Mountain.

From down Sydney way we had occasion to welcome Mr. and Mrs. Robert Lewis and sons, Robert Jr., and Ronnie; Mr. and Mrs. Neil Sutherland, their family of five (John D., Wilma, Christena, Andrea and Margaret) and their neighborly neighbor, Mr. D. Cantley McLellan.

We were glad to see Joseph De'Eon of Kentville and John MacLean of Grand Anse Monday evening.

A veteran wielder of the rod and reel, Mr. De'Eon never fails to contact Seaview Lake on Victoria Day, and is invariably accompanied by his reliable friend, Mr. MacLean, who is a native of Victoria County.

After an extended illness, it is pleasing to know that Mrs. John A. Murray of Oban is again Mistress of her hospitable home on the New Road.

It is pleasing to know that congratulations are again in order to Mr. and Mrs. Monnon of Inverness upon the birth of a daughter (Debra Leah) at the City Hospital, Sydney on May ninth.

A Sporting Mountain product, Mrs. Monnon is the former well known and well regarded, M. A. Morrison, R. N., of Seaview.

Lucille Martell of Oban school, spent the holiday week end at her home in Little Anse.

A. W. H. McDonald was a recent neighbourly visitor from Oban, and spent the afternoon with us.

Leonel LeBlanc had the job of transporting gravel to the new McLean Grocery which is in course of construction at St. Peters.

Young Man with a Plan

One of these days, Fred's going to take over the farm. Meanwhile, he's planning; studying and working hard . . . learning right on the job.

Already he's learned a lot about modern farm management, and how a chartered bank can play its part in making farm living more comfortable, more profitable. He has found, for example, how useful the bank can be as a place to build up savings, to obtain credit, to seek financial advice and market information. He knows that the bank manager's door is open to everyone.

When you see a good-looking, well-run farm, chances are the farmer uses the services the chartered banks have built up for *all* Canadians.

THE CHARTERED BANKS SERVING YOUR COMMUNITY

An Old Friend Heard From

Recently we received a letter from our old friend, John J. Copland, of Grenada, B.W.I., who some years ago practised law here and was highly regarded by everyone. Although he returned to his native Grenada some years ago, John's friends here have never forgotten him and more especially the old members of the "Arichat Athletic Association," of which he was one of the first promoters and President.

Now residing in that sunny Carribean Island our thoughts are with him at the moment as we shiver in the coolest springs recorded in recent years.

Last fall Hurricane "Janet" struck Grenada with devastating force and Mr. Copland has the following to say in his letter:—

"And now some news. We are trying to rehabilitate Grenada. There have been relief committees, housing committees, and now an Agricultural Rehabilitation Committee. The Area Committees are considering applications for loans, for hundreds of thousands of dollars have been spent and will continue to be spent. Most of the roads are now motorable, but most of the destroyed bridges are yet to be built. The dry season has, fortunately, not been so dry, with the result that the cocoa trees, which suffered least among the three crops—cocoa, nutmegs and coconuts—have been given a chance to recover, and the banana plants have not been scorched."

Mr. Copland sends his best regards to all his friends.

CLEMENT G. CUTLER

TRURO -- Clement Gordon Cutler, a well-known retired merchant who owned and operated a grocery business at Tracadie, N. S., for many years passed away in the Colchester County hospital here on Wednesday afternoon following a month's illness.

Born in Arichat, Richmond county, 88 years ago, he was the son of the late Mr. and Mrs. W. R. Cutler. Mr. Cutler first entered business when he operated a store for Paint & Son at Port Hawkesbury, for some years. Later he went to sea and visited various parts of the world including Japan, Alaska and ports near the Bearing Sea. He was several times around Cape Horn and took part in the gold rush in the Klondike.

Returning to his native Nova Scotia, he became first engineer on the S. S. Scotia II, the train ferry at Mulgrave, where he worked for a number of years.

Some time later he reentered business and operated stores at Monastery, Antigonish County, for D. G. Kirk and Son and S. W. Hagerty. About 28 years ago he went into business for himself at Tracadie.

He retired from business about year and a half ago and moved to Truro where he took up residence at 45 Archibald street.

Last October Mr. and Mrs. Cutler celebrated their 50th wedding anniversary here.

He was a member of Solomon Lodge of the Masonic Order at Port Hawkesbury for the past 49 years, a member of St. John's Anglican Church here and was also a member of the Layman's Association of that church. He is survived besides his wife by one daughter, Helen at home. The funeral servce was held from St. John's Church, under the auspices of the Masonic Order with Rev. J. Harold Graven, Rector, officiating.

The Record extends sympathy to the bereaved wife and daughte

DUNDEE DEW DROPS

The long week-end holiday with favourable weather, brought a number of visitors to our midst.

Among them were: Mrs. Steward Bissett (Flora MacIntosh), of Cole Harbor and Mr. and Mrs. Ken Ferguson, (Jane MacIntosh) Sydney, who visited their parents, Mr. and Mrs. J. H. MacIntosh, Dundee.

Mrs. Ross MacIntosh, who has been a patient in St. Rita's Hospital, Sydney, arrived home. Mr. and Mrs. MacIntosh, have the sympathy of their many friends in the loss of their first-born, a boy.

Mr. and Mrs. Alex Urquhart, and Joanie, Sydney, opened up their summer cottage at St. George's Channel, for the holiday.

Mr. and Mrs. Allan MacRae, Truro, were also visitors to their bungalow, at St. Geo's Channel.

Mr. and Mrs. Bill Wheaton and Mrs. Margaret Calder, Halifax, visited their father and brothers at the Channel.

Mr. and Mrs. Stanley Parker and family, North Sydney, spent the week-end, guests of Mr. and Mrs. A. J. Campbell, The Points.

Sander MacRae, has set a number of lobster traps in the Bras d'Or Lake, and so far, reports good fishing.

Mrs. Christena MacKinnon, Port Hawkesbury is spending a few days with her father, John A. Smith, Dundee.

Good morning... I'm your

Census Taker

When I call at your home during the next few weeks I will have only a few simple questions—the name, age and marital status of those living at your address.

If you live on a farm, there are some additional questions about acreage, crops, livestock and equipment.

The information you give me will be kept in strict confidence.

Every Census-worker has taken an oath of secrecy.

By Act of Parliament, the personal information gathered by the Census about individual Canadians can be used only for general overall statistics.

It cannot be disclosed to any government agency or private organization.

Canada is taking count to keep up with her rapid growth. Census facts are required to meet and plan overall national needs—schools, public utilities, welfare services, farm and industrial production, employment.

The 1956 Census—the essential measure of Canada's growth.

It's a big job—your cooperation will help us do it quickly and accurately.

Every census taker carries this official identification card to show that he or she has been appointed by the Government of Canada to help take the Census. Ask to see it.
