FIFTY-NINTH YEAR | ARICHAT, CAPE BRETON, N. S., JUNE 9, 1956 | No. 41

Ottawa News Letter

By
HON. R. H. WINTERS
Minister of Public Works

Dear Mr. Editor:

This letterr is being written as I am on the point of caving for the "Bluenose" ceremonies in Bar Harbour and Yarmouth. I'm looking forward to meeting many friends there from the South Shore and other parts of Nova Scotia, and to paying a brief visit to my constituency following a long, wearing period in the House of Commons.

It's always good to get back home. This time there is extra reason for anticipation. For one thing, there is the fact that Parliament now has ended its prolonged and unattractive wrangle over the pipeline Bill. Regardless of party, I think there are few Members who could be happy over what has happened here in the last three to four weeks.

It was a tragic coincidence that Mr. Jack MacDougall, the Member for Vancouver-Burrard, should have died in the Parliament Building virtually as the debate ended; but it struck us all as a final bitter commentary on what had taken place.

Against such background, there is ample reason for looking forward to a trip home to breathe our salt air and sense the spirit of Nova Scotia at this forward-looking time of year.

It's hard to believe it is seven years since the late Premier Angus L. Macdonald and I first discussed in his office the feasibility of a ferry service linking Nova Scotia and Maine. The memory of this friendly, informal chat--one of many we had over the years--will be with me through the two days of celebration marking the fulfilment of that project. We laid the groundwork that day for what became a Federal-Provincial agreement regarding the financing of this fine ship. Later on we agreed upon the name "Bluenose" as being appropriate.

The "Bluenose" has already demonstrated that she has a valuable role to play in trade and in relation between Nova Scotia and New England. It is to be hoped that Nova Scotians will look upon her daily voyages as a channel of communication which opens up new challenges to our abilities to produce things New England will buy. Important developments in our trade and tourist industries could emerge from her schedules.

The "Bluenose", the Canso Causeway the Halifax-Dartmouth bridge, the new ferries to Newfoundland and Prince ward Island are all reinforcements which will boost our provincial economy. When you consided that they--all of them--have been or are being added within the space of a few years, it is an indication that Nova Scotia is moving ahead in the transportation field in important ways.

As for the Bluenose herself, it's a great feeling for ally for a Lunenburger to have that name once more in active service on the seas. It will be a pleasure to salute her in these week-end celebrations.

Yours sincerely,
ROBERT WINTERS

"Hard-Boiled Haggarty" Applies A Sleeper Hold on Dave Price

Sports caster Dave Price, who does the commentary on wrestling each week on CBC Television, wanted to find out for himself just how mean Had-Boiled Haggarty could be. The number one villian of wrestling made no bones about it. Quick like a bunny, he applied a Sleeper Hold and Price went out like a light--he didn't stand a chance! He is going to stay out of the ring after this but will still be on hand at the westling matches to bring CBC viewers his groan-by-groan account.

Margaret Rowe Wins Public Speaking Contest

Margaret Rowe, Grade X student of Martinique, was the winner at the Eastern Zone eliminations of the Nova Scotia Co-operative Union Public Speaking contest held in the Legion Hall at Port Hawkesbury, Thursday evening, June 8th.

Margaret competed against three contestants in the Intermediate Group. Inverness County, Guysborough and Victoria were each represented with one contestant. Her topic was CARE. In the course of her talk she outlined the organization of CARE, the benefits that had been given to the underpriviliged nations and the part each one of us could play in helping other people through CARE.

Four contestants also participated in the Junior Group eliminations, the first place being awarded to the contestant from Guysborough. Richmond County was represented in this Group by by Martina MacPherson of Johnstown who gave a very fine talk on the political situation in the Middle East, particularly Egypt-Israel relations.

Judges for the contest were: Rev. Father Rod McSween, of the English Department, St. F. X. University; Mrs. Zita O'Hearn Cameron and Mrs. MacLeod from Antigonish. Father McSween announced the winners and made appropriate comments. He mentioned that the decision was a hard one to make in both cases, and that the difference in point score among the contestants was very close.

While the judges were deliberating, the Chairman, Mayor Gillis of Port Hawkesbury, called on Inspector R. J.

In Defence of Our Municipality

Editor, The Richmond County Record, Arichat, N. S.

Dear Sir: To prove the "Board of Trade" clearly and conclusively wrong in asserting that the actual deficit last year was $25,000., there are two convincing facts. Speaking for itself, we have word for word from the auditors' report, "Deficit for the Current Year--$11,828.80". Secondly, an enquiry produces the fact that Mr. Harrington put into the 1956 municipal budget the amount of $11,828.80, which he took to be the actual deficit last year. The auditors and the municipal commissioner being correct in their figure, the "Board of Trade" is clearly and conclusively wrong in claiming the deficit is $25,000. The reason for the unavoidable deficit has already been made clear (Public Welfare increase $20,000.) There is a joke at this point, and the joke is right on the "Board of Trade", who must now admit either that they don't know what they are talking about or that they are trying to misrepresent facts to serve their own purposes. Thus, the basis for their original charge and everything which is based on it.

Yes, there were a greater number of appeals in 1956 and there would have been more had not the Municipal Clerk announced by radio that, while the assessment had been greatly raised, the tax rate would in all probability, and we know did, correspondingly fall. In line with their policy of half truths and with the characteristic cunning of the fox, this "Board of Trade", avoiding any reference to the tax rate at any time, particularly in the make up of their forms, distributed these instruments by the thousands, not only in their own districts, but obnoxiously where they had no business whatsoever. Ashamed or cowardly about what they were doing, indicated by the absence of their "Trade" mark thereon, they carefully slanted the wording to give the misleading impression of some offical origin. We now know that the reasons for most of the appeals last year were not inequalities but rather were the misleading forms and accompanying half-truths and distorted-truths which this "Board of Trade" cooked up to cause the many appeals to support their drummed-up claims of "gross inequalities." When the public began to see through this the "Board of Trade" dropped this line and began criticizing the tax rate. After again being proven wrong, what next?

There was a general assessment completed in 1956, notwithstanding that the "Board of Trade" says there was not. The requirements of the assessment act were fully carried out, as is usual; copies of the rolls were posted in every district, followed by the resulting appeals (a baker's dozen) heard by the Appeal Board. Isn't this another case of the fox pulling the wool....

The word "disgraceful" can best describe the Arichat School building, with which project some members of the "Board of Trade" were closely connected. This school building, an architectural eyesore to citizens and to tourists in this "tourist paradise" stands as an example of money ill spent. Yet these same people advise more of the same thing.

On the other hand, our municipal buildings, some forty and one hundred years old, stand as imposing and dignified as when they were built. Furthermore, the municipal building looks like a municipal building and the court house looks like a court house; but, after a recent expenditure of over twenty thousand dollars, what does the Arichat school building look like? Modernization of the municipal buildings has taken place, on a cash basis, in the forms of new water facilities, new we understand, is planned for the future.

Once more, thank you, Mr. Editor, for this space in your paper.

High School Graduates

You will find exceptional employment opportunities in the Royal Bank

If you are a young high school graduate with an eye on the future, you will find in the Royal Bank exceptional opportunities. Read carefully the solid reasons why this bank holds a future for you. Discuss this advertisement with your parents. Ask your local manager to tell you more about the opportunities for young men in the Royal Bank.

Facts that spell "opportunity" for young men in the Royal Bank:

1. The Royal Bank is North America's fourth largest bank. Branches number well over 850, with new branches opening all the time. During the past three years we have opened 76 branches. Each new branch means a new managerial appointment . . . and a string of promotions for young Royal Bankers.

2. You don't need "influence" to get to the top in the Royal Bank. Our chief executive officers, from the Chairman and President down, started as juniors in small branches and won their advancement in open competition. Nothing counts but the man's own qualifications and attitude to his work.

3. Courses in banking are available to all members of the staff for home study. Successful candidates move ahead quickly. Practical experience plus the banking course provide what is virtually the equivalent of a university Commerce course.

4. The Royal Bank has 74 branches abroad . . . in New York, London, Paris, in many of the largest cities in Central and South America, in Cuba and throughout the West Indies. We have openings for young men particularly interested in gaining international banking experience in other countries.

5. We have one of the most generous pension plans to be found anywhere as well as group life, health and hospital insurance, at low cost to employees.

Ask at your local branch—or write to Head Office, Montreal—for your copy of "Your Future in Banking"—a booklet describing the opportunities for young high school graduates in The Royal Bank of Canada.

Sampson - LeBlanc

St. John The Baptist Church was the scene of a pretty June wedding Monday morning, when Yvon LeBlanc of Seaview became the bride of Cederic Sampson of St. Peters vicinity, Rev. Fr. Sampson officiating.

After a reception at the spacious and plenteous home of the bride's parents, Mr. and Mrs. Leonel LeBlanc the happy couple proceeded to the Provincial Capital for an extended honeymoon.

Congratulations are surely in order to Mr. Sampson upon the choice of a helpmeet for Yvon LeBlanc was an exceptionally bright and energetic girl and as a Grade XII graduate of St. Peters High School.

Mr. and Mrs. Wm. Bisonnette were motor visitors from Port Hawkesbury to attend the Sampson-LeBlanc nuptials.

We are glad to know that Wilfred Bouchard has returned from St. Martha's Hospital and hope that Don Calder will soon be similarly privileged.

Mr. and Mrs. Neil Sutherland and family recently motored up from Sydney River to spend the afternoon with us and it was nice to have child voice modify the monotony of our little domicile for a while.

Leonard Cook made several transfers of timber from Seaview during the week.

We had Buddie Boudreau motor us to St. Peters Tuesday afternoon.

The new McLean Grocery is a significant addition to the business section of the town and, moreover, obviates the ugly scar left by a fire a number of years ago.

Returning we continued to contact old friends at Kempt Road and were warmy received at the McDonald and McMillan homes.

AMERICAN BOARD OF SURGERY CERTIFIES DR. EDGAR L. LATIMER

Morton Hospital of Taunton, Mass., recently numbered ten diplomates in special fields on its active medical staff following cetification of Edgar L Latimer, M. D., by the American Board of Surgery.

Dr. Latimer, who is re-establishing his office in a newly constructed medical-dental building at 125 High Street., Taunton, began his practice in general surgery on October 1, 1953.

Dr. Latimer received his B. S. degree in 1941 from La Sierra College at Arlington, Calif., and his M. D. degree in 1944 from the College of Medical Evangelists at Loma Linda, Calif.

He served an internship and general residency at Quincy City Hospital from September 1944 to April, 1946, when he entered in the U. S. Air Force.

Dr. Latimer was on active duty until December, 1947, including service in Germany and the Arctic. He was a surgical resident at Truesdale Hospital, Fall River, in 1948 and at Lakewood Hospital, Lakewood, O., in 1949-50.

Following study in graduate surgery at New York Medical College in 1950-51, he became chief resident in surgery at Flushing Hospital, Flushing, N. Y., in 1951-52, and joined the active surgical staff of Rowan Memorial Hospital at Salisbury, N. C., in August, 1952.

Recalled into the Air Force from February to September, 1953, Dr. Latimer was assistant chief of surgery at Westover Air Force Hospital.

Although born in Nova Scotia, he lived with his family in North Dighton from eary childhood. He now lives at 7 Kelley St., with his wife, the former Barbara Leavens of West Hyannisport, and their three daughters, aged 3½ and 2 1-2 years and one week.

(Dr. Latimer, is a son of Mr. and Mrs. LeRoy Latimer, former residents of Arichat, where Doctor Latimer was born. He is a nephew of Josslyn Latimer, of the Duke of York Meadow.

We congratulate the genial Dr. Edgar and wish him continued success.-Ed.)

THE biologist thinks of the Maritime lobst as a marine decapod crustacean of the g Homarus americanus. But to most Maritime the lobster is a source of income . . . the s to good living conditions and security.

If the lobsterman has a good catch, th whole community feels his success . . . the grocery store, the dress shop, the applia store, the doctor, the dentist, the insuranc agent and many others, all benefit. A po catch means poor business—hard times.

The only way to make sure of good ca —season after season—is to plan for the now. For instance, shorts left in the wate till next year will grow 50% heavier and longer, and they'll bring a better price. And one "berried" lobster producing eg more valuable than one "berried" lob dead.

Maritimers are sensible, far-seeing, thinking people. They know it pays to tal the long view. And that's what conservat really is . . . planning today for tomorro planning for better catches and good ti for everyone.

Wedding

LATIMER - FORSYTHE

A wedding of interest was solemnized at the Berwick Baptist church on Saturday, June 2, at 7.30 p.m., when Erma Alice, only daughter of Mr. and Mrs. Harris Forsythe, Berwick West, was united in marriage to Russell Frederick Latimer, son of Mr. and Mrs. Irving Latimer, Arichat. Rev. J. D. Davison, pastor of the church, performed the ceremony. The church was decorated with baskets of tulips, forsythia, Japonica and ferns, and the guest pews were marked with small nosegays of Japonica and white satin ribbon. The wedding music was played by Mrs. William Durno, Cambridge, and Geo. Kinsman, Grafton, was soloist, singing "Because" before the ceremony, and "I'll Walk Beside You" during the signing of the register. The bride, given in marriage by her father, looked charming in a floor length gown of white nylon tricot over taffeta, with chantilly lace bodice and full skirt with lace trim. Her finger-tip veil of silk illusion net, edged with scalloped lace, fell from a tiara trimmed with seed pearls and sequins. She carried a bouquet of American Beauty roses and stephanotis Mrs. Willie Smith, New Minas, cousin of the bride, was matron of honour, wearing a floor-length gown of yellow nylon net and lace over taffeta, with lace jacket and matching head-dress, and carried a cascade bouquet of mauve chrysanthemums. Miss Ruth Creighton, Berwick, bridesmaid, wore a floor-length gown of blue nylon net and lace over taffeta with lace jacket and matching headdress and carried a nosegay of pink and anthemums. Little Lorraine Smith, New Minas, was a winsome flower girl, wearing a floor-length frock of pink nylon net over taffeta, with matching headdress, nd carried a nosegay of pink and white 'mums. Eric Latimer, Halifax, brother of the groom, was best man. Ushers were: Arnold Forsythe, Halifax, brother of the bride, and Lloyd Latimer, Arichat, brother of the groom. Following the ceremony, a reception was held in the church vestry for 135 guests, the parents of the bride and groom receiving with the bridal party. The bride's mother wore a navy blue crepe dress, with white hat and matching accessories, and corsage of pink carnations. The bride's table was centered with a three-tiered wedding cake, flanked by white tapers in silver holders and bouquets of spring flowers. Mrs. Karl Dowe, Hantsport, and Mrs. Lawrence Dowe, Port Williams, cousins of the bride poured. Miss Nita Fields, of Halifax, served the bridal party. Others serving were Misses Audrey Swinden, Nilda Jefferson, Mrs. Nina Muir, Berwick, Jean Irvine, Hantsport, Carol Forsythe, Erlene, DeEll, Port Williams, Jean Forsythe, Mrs. LeRoy Sweet, Cambridge, Margaret Saunders, Halifax, Mrs. Albert Franey, Weston, replenished. Mrs. Paul Palmer Berwick was in charge of the guest book.

After the reception the happy couple left on a short wedding trip to points in Nova Scotia. For travelling the bride wore a two-piece suit of charcoal grey and white with pink and black accessories, and corsage of pink roses. Previous to her marriage she was guest of honor at showers at Dartmouth, Windermere and Berwick. The bride has been on the staff of the Dartmouth branch of the Royal Bank for the past two years, and previous to that held a similar position in Bewick. Mr. and Mrs. Latimer will reside in Dartmouth where the groom is employed.

The Record joins with their many friends in wishing them every happiness.

MARGARET ROWE WINS PUBLIC SPEAKING CONTEST

Continued from Page 1

Chiasson of Richmond County; Inspector George Lent, Port Hawkesbury; Rev. Father M. J. MacKinnon, Director of Extension, St. F. X. University; Mr. Alexander Laidlaw, Associate Director of Extension Department, St. F. X. University; Mr. John Chisholm, Director of Rural Education, St. F. X. University, and on the judges for a few words to the audience.

It was interesting to note in the audience students from Indonesia, Malaya, Parkinstan and Ceylon who are attending short courses at St. F. X. University sponsored by their government and the United Nations. These students are studying the Co-operative Movement and its application to their own countries.

The winners of the Zone elimination will participate in another contest with winners from the other Zones over the Province.

YOUNG MEN WITH JUNIOR MATRICULATION CAN GET A COLLEGE EDUCATION THROUGH THIS PLAN

In addition to the senior matriculation entry through the Regular Officer Training Plan, a limited number of qualified young men with Junior Matriculation can now go to College with all educational expenses paid by the Department of National Defence. Through this Plan ..which applies to the three services...junior matriculants attend either civilian College, or the College Militaire Royal de Saint-Jean, and receive Officer Cadet pay and allowance, free medical and dental care, and 30 days annual leave. In summer you train with the service of your choice: the Navy, Army or Air Force.

Your graduation leads to the Queen's Commission and a professional career in the service of your country. If you are between 16 and 20, physically fit and have either senior or junior Matriculation, take advantage of this outstanding educational and career opportunity. Get the full facts. Fill in and mail this coupon to-day! applications must be in by July 1st.

FORD V-8
more of what you want most!

FAIRLANE FORDOR VICTORIA

Here's the challenge → DRIVE FORD- then you'll know it's for you!

You'll thrill to the hill-flattening "go" of Ford's responsive, dependable V-8 power

With a Ford V-8 you have the dependable power that has made Ford the world's largest-selling V-8! If you prefer a Six, you can have the road-proved Mileage Maker Six in any Mainline or Customline model and in three station wagons.

You can enjoy all the safety features of Ford-pioneered Lifeguard Design

There's reassuring built-in safety in Ford's Lifeguard Design—with safety steering wheel and double-grip door latches. And at modest extra cost you can have seat belts and plastic padding for instrument panel and sun visors!

You'll appreciate the wonderful ease that's yours with power steering*, power brakes*

Master-Guide power steering makes turning and parking literally one-finger operations, yet you never lose the steering "feel" that means complete control. Ford's Swift-Sure power brakes give you sure stops at a touch of your toe!
(*Optional at extra cost)

You'll have greater control and comfort with 4-way power seat* and power windows*

With Ford's 4-way power seat, a touch of a switch moves you up or down, forward or back, to the position that's best for you. Power window lifts enable you to control all windows from the driver's seat—a control on each door panel, too!
(*Optional at extra cost)

(Certain features illustrated or mentioned are "Standard" on some models, optional at extra cost on others.)
