Sporting Mountain Echoes

Sporting Mountain was the scene of a profusion and confusion of visitors this season, but the last shall be first and the first last.

Among the last but not the least were C. I. Cameron and Conductor Paul White who recently favored us with a most interesting social afternoon.

We appreciated a visit from these prominently known citizens and we thank Mr. and Mrs. Cameron for their gift.

Recent arrivals from California were Mr and Mrs. John R. MacDonald and son, Billy, in their magnificent Mercury Montclair.

Mrs. MacDonald's mother, Mrs. Annie MacDonald of Port Hawkesbury who spent the winter with them in the Golden State accompanied them across the continent.

Mr. MacDonald is project manager for the J. H. Pomeroy & Co., Inc., whose operations are world wide.

When Mr. and Mrs. William Calder and son, William Jr., of Montreal were visitors to Cape Breton they didn't by-pass our little domicile and it was a real pleasure to make the personal acquaintance of Mrs. Calder.

Mr. Calder regretted the absence of Mr. and Mrs. Colin McIntosh this summer.

Mr. and Mrs. John McRae and sons, Johnnie and Allister, of Toronto were guests for a few days of Mr. McRae's mother, Mrs. Margaret Smith at River Tillard.

It was their first visit to Mr. McRae's native Cape Breton since World War Two and they were warmly received generally.

Mr. and Mrs. Clayton McRae of Boston, Mass., also cheered Mrs. Smith with their annual visit.

After visiting his aged mother at The Points and a host of friends throughout Cape Breton, James R. Morrison has returned to his home in Lynn, Mass.

Mr. Morrison motored to Seaview the other day expressly to see us.

We appreciated that.

Mr. and Mrs. Neil Sutherland and family of Sydney River often motor up to see us.

They were among the first at the scene of the Johnstown accident that fatal Friday evening, and maybe the only ones to whom Mrs. Cormier spoke.

Mr. and Mrs. Raymond Forgeron was warmly welcomed by the remnant of her friends in Seaview and vicinity.

Before returning she and her sisters, Mrs. Vitus Burke and Mrs. Arthur Pate favored us with a pleasurable social evening.

We were glad to see fine contributions from "A.F." in recent Records, but sorry to note that our old friend, James H. McIntosh, whose years coincide with our own was a patient in the City Hospital, at Sydney.

Mr. and Mrs. Murdoch MacLeod., their car filled to capacity with youthful family connections from Port Hawkesbury, Kempt Road and Sydney, recently parked at our gate.

We had occasion to be especially interested in Miss MacDonald, daughter of Mr. and Mrs. Peter McDonald (Margaret MacLeod) of Sydney, who like her good mother is a full fledged nurse.

Mr. MacLeod said they were on the way to see her grandfather Nicholson's farm in Oban, and and they had taken leave of us ere it occurred to us we should have told him how to locate the scene of his great-grandfather, William Urquhart's active and successful businesss life on the summit of Sporting Mountain.

A vacationist at his home in St. Peters, Roy J. Morrison contacted old pupils and friends in Seaview.

We were glad to see Mr. Morrison restored to his wonted health again and glad too to learn that he purposes resuming the chosen profession in which he manifested such rare innate aptitude.

We are indebted to Rev. John MacLeod and Mrs. MacLeod of Port Simpson, B. C., for a copy of "Port Simpson Home, School and Church Magazine" which is most interesting and indicative of the Christian and social endeavour progressing out there.

On a fine afternoon Rev. J. Parker Matheson motored Mrs. Matheson and the family trio, (Edna Mae, Mary Lynn and Elizabeth Ann) to the Govt. Fish Hatchery, and thence to enjoy the bloom in our garden.

Thus were we privileged to meet the attractive mistress of the manse.

James Allan Goswell was a week-end business visitor from Halifax, and thus did we get good tidings of our good old friends in the Provincial Capital.

Thanks for the choice cigars, James.

Likewise we got tidings of our good friends in the Points when W. B. Pringle was a transient visitor to Seaview on Saturday.

When Mr. and Mrs. Ernest MacNeil and their neighbor, Mr. Gillis were business visitors to Seaview, they were friendly callers at our house.

Margaret MacDonald was down from the Strait and spent a couple of weeks visiting friends in Seaview, Oban and St. Peters.

All were delighted to see Miss MacDonald enjoying comparatively good health.

John N. Campbell arrived from Brookline, Mass., to spend his vacation with his family at Dundee.

We welcome our new neighbors, Mr. and Mrs. Charles Sargent of Cuba, who recently purchased "The Dundee Camping Grounds."

It is most encouraging to see this sacred spot taken over by nice people.

There are many more attractive spots along our beautiful Bras D'Or Lake. Now with Rural Electrification, there are a variety of sites to choose from, in small or large parcels of land with a wealth of spring water coming out of the hills. The scenery is beautiful and there are trout fishing, deep sea fishing and hunting in season, as well as many nice bathing beaches.

SCHOOLS IN RICHMOND COUNTY WILL OPEN ON SEPTEMBER 5th.

Schools in Richmond County will open on September 5th. A statement issued from the Inspector of Schools Office advises that with the exception of two classrooms to date without teachers, all other classrooms are staffed with licensed teachers. It is expected that at the most there will be two classrooms operating without licensed teachers. This compares favorably with seven Permissive teachers last year and one classroom under a Correspondence Study Supervisor. As a consenquence of the closing of Mindamar Metals the school in Stirling has gone from a four department school to a one department school for the coming year. Two new classrooms were added to L'Ardoise School, one to River Bourgeois school, and one extra class in temporary quarters is being provided for Lakeside and Little Anse school. Two new consolidated schools are coming into being this term in temporary quarters, namely Grand River school section and Salmon River school section. One room schools at Oban, and the latter at Point Tupper. A new consolidated in the St. George's Channel and Dundee area was approved last year but because of difficulties in building the actual consolidation of the classrooms will be delayed for another year. A considerable number of students from the county will be attending our High School Departments all over the county.

A GENERAL MOTORS VALUE

Something New in Guided Muscle

...at a pip of a price!

TIME's awasting—when you could be enjoying the fun and thrill of the best Buick yet.

And right now the value of your present car is at its peak to make a whale of a fine deal on a great-buy Buick!

It's not just that Buick's new V8 develops more torque and horsepower than ever before.

There's the new guided dynamite that makes the most of all this. That's the latest version of Variable Pitch Dynaflow.* It's so "muscled" that it delivers swift new acceleration *with less than an inch of pedal travel*—and saves gas in the doing.

Or you can unleash full power on a shaved second's notice. Tromp down on the treadle—switch the pitch—and leave trouble fading away behind you.

And it's still only August. You still have months to be driving the most modern car on the road—to deal yourself in on the best buy you'll get in many a moon.

Why wait? Today is a great time to buy a Buick—the best Buick yet, by far!

*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.
