"Pledged but to Truth, to Liberty and Law: No Favor Wins Us and No Fear Shall Awe"

SIXTIETH YEAR | ARICHAT, CAPE BRETON, N. S., OCTOBER 27, 1956 | No. 9

Accomplishments!!

Government Business...is YOUR Business! In engaging a man to look after your affairs, naturally you want a man who has proven his worth by actual experience one who knows "what it is all about"—such a man is EARL URQUHART, who has for the past seven years represented Richmond in a very creditable manner—the electors will again endorse this with their Votes.

Here Are the Facts for Richmond;

1. HIGHWAYS

a) PAVING (the record is indeed a glowing one):

1. Grand Anse to Arichat via Louisdale, Martinique, Poulamon and D'Escousse.
2. Arichat to Petit de Grat and Boudreauville.
3. Arichat's main street which joins high road (also paved) at Roman Catholic Church and Hospital.
4. Four side streets in Arichat connecting lower street and high road.
5. Arichat to West Arichat and on to Martinique.
6. The Point Tupper road.
7. Louisdale: From Sampson and Linden corner to River Moulon through the eastern part of the village of Louisdale.
8. Saint Peter's: from Cosy Corner Restaurant to Strachan's Cove through the northern part of the village of St. Peters.
9. L'Ardoise road from St. Peters to Lower L'Ardoise crossroad with extension to the shore road as well to serve Grand Greve, Rockdale and L'Ardoise.

The above paving projects represents nearly FIFTY MILES of paving, all on SECONDARY roads, all in Richmond County. Tories said paving could not be done, it cost too much, Province could not afford it; now they are all for it since the Liberals have shown that paving is a reality. Tories promise to do paving for one-tenth the cost, but remember Tory Promises, they are only promises.

Richmond has more paving on a mileage basis than any other County in the Province.

In addition to paving other roads have been reconstructed and improved:

a. Poirierville Road from D'Escousse to Cape la Ronde.
b. Church Point Road.
c. Lewis Cove Road
d. Grand River to Stirling through St. Esprit and Framboise Intervale.

Many more miles improved by ditching and gravelling.

******

SNOW REMOVAL:

Paid for exclusively by the Province, provides year round transportation, never heard of in Tory days.

BRIDGES have been renewed as well, such as, the Louisdale Bridge, the Cleveland Bridge, Mucilier Bridge, the Port Royal Bridge, Martinique Causeway and Bridge, raising of the Petit de Grat Bridge for the fishermen, and many other structures were built, these are only a few!

******

FISHING INDUSTRY:

Always assisted by the Liberal Government.

a. Fish Processing and Cold Storage Plant at Petit de Grat, operated by Booth Fisheries and assisted by a Liberal Government at Halifax and Ottawa. This industry has boosted the economy of Isle Madame.

b. Loans to Fishermen to assist in purchasing boats and equipment.

c. Fishermen's Training Schools, have been held in Richmond; marine engine maintenance and repair, net making and repair and Navigation have been taught the Fishermen of Richmond County.

RURAL ELECTRIFICATION:

Richmond County in final process of being completely electrified, a blessing to citizens of rural areas who now can enjoy the modern conveniences of towns and cities, thanks to a Liberal Government for first commencing this service in 1937; Richmond has more miles of rural electrification lines than any county in N. S.

* * * *

EDUCATION:

a. Free School Books
b. Increased Teachers' Salaries
c. Larger schools and better equipped schools.
d. Teachers' Pension Fund put on a sound financial basis with Province contributing over a million dollars a year.

Every Dollar spent on Education for our YOUTH is a sound investment for Nova Scotia.

******

LABOUR LEGISLATION:

The Liberal Party is the working man's best friend.

a. Trade Union Act 1937 with recent amendments; finest in Canada; enables employees to bargain collectively with employer--rights of Labour have always been recognized and respected by Liberals.

WHY AREN'T THE EMPLOYEES AT STANFIELD'S LIMITED AT TRURO UNIONIZED?

b. Workmens' Compensation Act-passed by a Liberal Government in 1915-every Tory in House voted against this blessing--and the Tories in the House then included Bob Stanfield's father.

******

WELFARE:

Pensions and Assistance--Liberals respect and have assisted our elder citizens, the Blind, the Children and the Disabled.

a. Old Age Pensions first paid by Federal and Provincial Governments--now paid exclusively by Federal.
b. Old Age Assistance
c. Blind Pensions
d. Disability Pensions
e. Mothers Allowances--passed by Tories but given real meaning by Liberals.

******

ASSISTANCE TO MUNICIPALITY:

a. Province pays full cost of highway reconstruction and Paving and Snow removal--other provinces share these costs with municipalities.
b. Abolition of the Municipal Highway Tax.
c. Cash grants from province to municipalities.
d. Province pays full cost of treatment to TB patients.
e. Province pays full cost of treatment to mentally ill.
f. $75,000.00 of Richmond's debt to province was cancelled.
g. Approximately 80 percent of the cost of education in Richmond is paid by the Province.

ALL THESE LIBERAL MEASURES HELPED RICHMOND

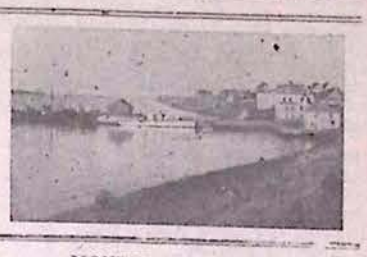

....Our citizens are living better today than at any time in our history. Under continued Liberal leadership and guidance we can look to the future with courage and determination to live better and healthier lives and render a fuller measure of Service to Richmond County and Nova Scotia.

A Clean Campaign

In 1837 that great Liberal Nova Scotian Joseph Howe won for the people of this province "responsible government" and the right to choose the party of their own liking.

That right is as much to the forefront today as it was a century ago and it is expected that a candidate for election should keep entirely to the issues of the campaign and leave the sacred right of franchise in the hands of the electorate to decide which political party should lead the destinies of this province.

Wedding

THERIAULT — LeBLANC

A very pretty wedding was solemnized in St. Mary's Church, Church Point, Digby County, when Rev. Fr. Blanchard united in a double ring ceremony Rose Marie, daughter of Mr. and Mrs. Edmond LeBlanc of Little Brook and Gerard Vincent Theriault, son of Mr. and Mrs. A. J. Theriault of West Arichat, NN.S.

Given in marriage by her father the bride looked charming in her floor length gown of white net and lace. The tight fitting bodice of lace, was strapless over which was worn a matching jacket with long sleeves. The full bouffant skirt was worn over a crinoline. Her three quarter length veil fell from a semi-pillbox headdress adorned with tiny sequins. She carried a crescent shaped bouquet of American Beauty roses.

The bride's sister Miss Irene LeBlanc was maid of honor. Miss Elaine LeBlanc, cousin of the bride, was bridesmaid. Little Eloise LeBlanc of Annapolis was flower girl.

The groom was supported by his brother Arcade of West Arichat and Elie Thimot of Little Brock. Ushers were Emile and Alphonse Thimot.

After the ceremony a buffet lunch was served at the bride's home to 100 guests.

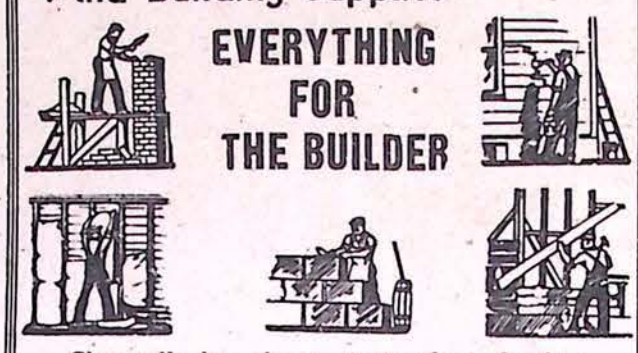

Later the happy couple left on a motor trip to Niagara Falls Halifax.

VOTE LIBERAL

Issued by the Nova Scotia Liberal Association

After Oct. 30 Who Will Speak for NOVA SCOTIA?

If it is Stanfield, Nova Scotia will enjoy a new lease on democracy – a new approach to old problems – new policies for a new era of economic development.

If it is to be another five years of one-party-rule — another five years of the Hicks administration — Nova Scotians surely know what to expect. The record speaks for itself. We will have five more years of futility in the field of industrial development. Another five years of lost opportunity, of promise without performance; another "little Report" to assure us how little we are sharing in Canada's development.

It was Mr. Hicks who had to explain why the Bluenose could not be built in the good shipyards of Nova Scotia; it was Mr. Dauphinee who had to explain why the Mercury Fisheries was but one more blunder; it was Mr. Fielding who had to explain the long years of neglect of the highway approaches to Halifax; it was Mr. MacKenzie who had to explain why roads could not be snow-ploughed and why they were impassable in the spring; it was Mr. Hicks who had to explain his partisan arrogance in the realm of Atlantic Provinces cooperation; it was Mr. Hicks who took himself to Ottawa to protest too little and too late the latest increase in freight rates. . .

There is no end to their explanations. No end to the reasons for them. Nova Scotians can surely get along without 5 more years of apologies, just as surely as they can get along without their present government.

No government is indispensable, the Hicks Government least of all. No political party has a divine right to rule — only the present party in power seems convinced of it.

On October 30th, the decision is yours. You will set the course for Nova Scotia for the next four or five years. There are many who want a greater Nova Scotia, who believe that more can be done, who want only the best for their Province. They are voting for new leadership – a Stanfield Government – and an era of action, efficiency and opportunity for Nova Scotia.

They are voting CONSERVATIVE.

Now is the time for YOU to join them!
