K. of C. News Isle Madame

(By Chairman Press Com.)

The regular monthly meeting of the Isle Madame Knights of Columbus Club was held on Sunday evening at the O.L.A. Convent Hall. Leo Martell acted as President for the Meeting as the regular President, J. H. LeBrun, was unable to be present.

The Chairmen of the various committees presented favourable reports and the Chairman of the Membership Committee informed that several prospective members were contacted and with good results.

The President then reported having purchased drapes for the Isle Madame Hospital.

The case of Lloyd Samson, son of Mr. and Mrs. Hyacinth Samson of Petit de Grat, who at present is undergoing treatment at the Boston Clinic and from reports is improving very successfully. This matter was given considerable attention and discussion on the possibility of raising funds to help defray the very expensive cost of treatment was reviewed. It was decided that a committee comprising of Messrs W. Corbett, A. R. Terrio and Nazaire Samson be appointed to investigate the possibility of raising funds.

On a vote of the meeting it was decided to hold all regular monthly meetings in the future on the first Wednesday of each month replacing the first Sunday of each month.

Congratulations were extended L. M. Landry on the occasion of his eleventh wedding anniversary and the celebration also of his birthday.

Before closing the meeting with a prayer by Very Rev. A. P. Porter, the President reminded the meeting that Communion Sunday follows the first Friday of the month.

Briefs On The Empress Of England

The following will give our readers an idea of the great amount of equipment is needed to equip a liner the size of the "Empress of England."

The Empress of England needs 36 vacuum cleaners, 60 carpet sweepers, 4 deck scrubbing machines, 3 scrubbing and polishing machines and 3 floor dryers to keep it clean.

There is an Infra Red ray griller on board the Empress of England to cook steaks in a matter of seconds.

Cutlery for the Empress of England amounts to 19,500 pieces.

There are 6,700 coathangers on the Empress of England.

There are 2,000 books in the ship's libraries on the Empress of England.

About 320 miles of electric cable have been fitted into the Empress of England.

There are over 2miles of cold cathode lighting aboard the Empress of England.

3,200 blankets are needed on board the Empress of England.

Bath towels for the Empress of England number 10,000 and 20,000 hand towels are required.

1,000 coffee and teapots with non-heat conducting handles are in daily use on the Empress of England.

—:O:—

HALIFAX PUBLIC GARDENS OPENED

The gates of the Halifax Public Gardens were opened at 8 o'clock Wednesday morning to begin a new season for the famed showplace.

Superintendent George Power, who announced the opening reported that crews of workmen had been busy for some weeks clearing away the winter's debris and making needed repairs to equipment.

With the exception of the paths which still are a little soft, everything is in readiness for the expected visitors, Mr. Power said.

Weddings

LATIMER — HULL

A pretty spring wedding took place at Vancouver, B. C., when Blanche Wilma Hull, daughter of Mr. and Mrs. H. B. Hull of Arichat; and Kenneth (Buddy) C. Latimer, son of Mr. and Mrs. Charles Latimer, also of Arichat, were united in the holy bonds of matrimony by Rev. Fr. A. P. Porter in the RCAF Chapel.

The bride entered the church on the arm of Frank Willot at whose home she resided previous to her marriage. She was attended by Miss Lucy Waldroff, while the groom was supported by Frank Martell. Both attendants are members of the RCAF.

The bride looked charming in a ballerina gown of white nylon and net with pale blue accessories. She carried a bouquet of pink and white carnations and wore a picture hat.

The bridesmaid wore pale green gown with white accessories and picture hat, and carried a bouquet of red and white carnations.

After the ceremony the bridal party motored to the Skyline Hotel in Richmond then to the Schooner Club. The newlyweds left for Washington State on their honeymoon.

On their return a reception was held for them at the White Spot, New Westminster, B.C., when several valuable gifts were received by the young couple.

They will make their home at Marpole, B.C., where the groom is stationed with the RCAF.

Their many friends wish them much happiness.

******

BOUDREAU — HUREAU

A pretty wedding was solemnized at the Immaculate Conception Church, West Arichat, on Monday, April 22, at 8 o'clock Mass when Mary Blanche Helen, daughter of Mr. and Mrs. Arthur Hureau, West Arichat became the bride of Anthony Boudreau, son of Mr. and Mrs. Walter D. Boudreau, Petit de Grat.

Rev. Father Doucett officiated at the double ring ceremony. The bride was given in marriage by her father, looked charming in a gown of white nylon net over taffeta with lace inserts and lace bodice and sleeves ending in points over the hands, with headdress to match and carried a bouquet of white carnations and red roses.

The bridesmaid who was Miss Carmee Hureau, sister of the bride, wore a dress of blue nylon net with lace jacket and headdress to match and carried a bouquet of pink and white carnations.

Mrs. Hureau, mother of the bride wore a navy blue two-piece dress with navy and white accessories. Her corsage was of white roses.

The groom's mother wore a mauve dress and white accessories and a corsage of white roses.

Following the ceremony a reception was held at the Arichat Hotel. Toast to the bride was proposed by Father Doucett and was fittingly replied to by the groom. Following the reception the happy couple left for a motor trip, the bride wearing a pink suit with navy blue accessories and a corsage of pink roses.

We wish the young couple every happiness for a long and happily wedded life.

******

FORGERON — BOUDREAU

A quiet but pretty wedding was solemnized at the Church of the Immaculate Conception, West Arichat, on Tuesday, April 23rd, when Rose Forgeron of Port Royal, was united in marriage to Vincent Boudreau, of Petit De Grat, by Rev. Father Doucett.

The bride looked charming in a floor-length gown of white lace and nylon net over satin. The bodice of the dress was topped with a lace bolero, long lace sleeves coming to points over the hands. It's collar was trimmed with simulated pearls and cup sequins. Her shoulder length veil of nylon net was held in place by a coronet of seed pearls. She carried a bouquet of white and red roses intermingled with ferns.

Mrs. Curtis Babin attended the bride and looked lovely in a floor length gown of pink nylon net over satin with long pointed sleeves and full skirt. Her shoulder length veil fell from a tiara of flowers. She carried a cascade bouquet of white and pink roses and wore white accessories to match. The groom was supported by his brother Rene. After the ceremony a reception was held at the home of the bride's sister, Mrs. Curtis Babin. Later the happy couple left on a motor trip in the afternoon returning in the evening when a supper was served to a large number of relatives and invited guests. They received many beautiful gifts. The young couple will reside at Mulgrave, where they are both employed.

We wish them a long and happily wedded life.

Delectable!

Downright delectable ... these flavorful Cheese Puffs, fresh and fragrant from the oven. Made with Fleischmann's Active Dry Yeast, they're a cinch to prepare. Next time you bake at home, bake a batch of these delicious cheese treats!

Cheese Puffs

1. Scald
¼ cup milk
Stir in
1 tablespoon granulated sugar
1 teaspoon salt
¼ cup shortening
Cool to lukewarm.

2. Meantime, measure into bowl
½ cup lukewarm water
Stir in
1 teaspoon granulated sugar
Sprinkle with contents of
1 envelope Fleischmann's Active Dry Yeast
Let stand 10 minutes, then stir well.

Stir in lukewarm milk mixture and
1 cup shredded old cheddar cheese
2 cups once-sifted all-purpose flour
½ teaspoon celery seeds
and beat well—about 2 minutes. Scrape down sides of bowl. Cover with a damp cloth, let rise in warm place, free from draft, until doubled in bulk—about 50 minutes.

3. Beat down batter. Spoon into 12 greased average-sized muffin pans. Bake in a hot oven, 400°, about 25 minutes.

Yield—12 puffs.

Needs no refrigeration

Capt. R. H. Worthen, Retiring From C.N.R. Marine Division

Moncton — A long time railroader who has spent all his working years as a sailor is to retire from the service of Canadian National Railways at the end of this month.

Capt. Robert Harold Worthen found it a strange experience to work on land when in 1954 he was appointed supervisor of the CNR's marine services in the provinces.

A native of Baccaro, Shelburne County, Robert Worthen received his early education there and at the high school in Barrington Passage. His knowledge of things maritime was increased by a course of study at the Navigation School in Yarmouth.

He first went to sea when he was just 14 years old, working with his father on a vessel engaging in the coasting trade of the Maritime and New England. Receiving his mate's ticket, he joined the Royal Navy as a sub-lieut, and after training on HMS Niobe during World War One, served in minesweepers and on special assignment transporting supplies to isolated lighthouses off the Newfoundland coasts.

Upon demobilization, he joined his father in a fishing enterprise and together they built a 60-ton schooner at Barrington Passage. A couple of years later he went with Hugh Cann and Son Ltd., a steamship firm operating a freight and passenger service between Yarmouth, Saint John, Canso, Mulgrave, Guysborough, and Arichat.

In 1922 he examinations for his master's ticket at Yarmouth and was appointed relieving master on the "Robert G. Cann". He worked as captain with the Cann firm and the Maritime Steamship Co." until 1935 when he joined the CNR as master of the Scotia II the railway ferry plying between Point Tupper and Mulgrave, and his work in that position led to his appointment as marine supervisor in 1954.

In a lifetime of sea-going Captain Worthen recalls that the accomplishment which probably gave him more satisfaction than any other was building the fishing vessel with his father. Fitted with both sails and a motor, the craft was 105 feet long and they took two years to complete it.

A short time ago Captain Worthen told reporters, he had a rather unique experience. He was by a man he didn't know, who approached on a Halifax street tendered thanks for saving his life 20 years before! It turned out that the man, a fishermen named Sullivan, had been adrift off Canso during a bad storm, and Captain Worthen located him with the "Robert G. Cann" bringing him safely back to land. At the time of the rescue, busy handling the ship Captain Worthen had had no opportunity to meet him, so it was 20 years before Sullivan was able to express his heartfelt thanks.

His wife is the former Maude Crowell of that place, and they have a daughter, Marion, who lives in Ottawa and is employed with the Federal civil service there.

Some Staff Changes In Agriculture

B. C. KNIGHT

The pending retirement on superannuation of S. J. MacKinnon, Agricultural Representative for Antigonish County, and the transfer of B. C. Knight, Agricultural Representative for Cumberland County, to the staff of the Nova Scotia Land Settlement Board, has necessitated a four-way switch of extension staff personnell. This involves the transfer of two men to new territories and the promotion of two others to the position of Agricultural Representative, and their transfer to other centres.

The staff changes, which will be effective as of May 1st, were announced recently by the Honourable E. D. Haliburton, Minister of Agriculture and Marketing and are, as follows:

As replacement for S. J. MacKinnon, Agricultural Representative for Antigonish County, who will go on retirement leave shortly, Mr. Haliburton advised that the Department has selected R. W. Moore, Agricultural Representative for Colchester - East Hants. To fill the vacancy created by the transfer of Mr. Moore, the Department is promoting V. A. Chase, Assistant Agricultural Representative for Kings County, and transferring him to Truro. Mr. Moore will make his headquarters at Antigonish.

As replacement for Mr. Knight who is joining the staff of the Nova Scotia Land Settlement Board as Associate Fieldman for Eastern Nova Scotia, with headquarters at Antigonish, Mr. Haliburton announced the transfer of H. L. Austin, from the position of Agricultural Representative for Victoria County, to the office of Agricultural Representative for Cumberland County, with headquarters at Amherst. The transfer of Mr. Austin, in turn, involves the promotion of M. G. Fuller, Assistant Agricultural Representative for Hants County, to the office of Agricultural Representative for Victoria County, and his transfer from Windsor to Baddeck.

B. C. Knight, 42, who is being appointed Associate Fieldman for Eastern Nova Scotia with the Nova Scotia Land Settlement Board, first joined the staff of the Department of Agriculture and Marketing in 1936 and, with 21 years service, is one of the more senior members of the Department's field staff. Consequently, Mr. Knight brings to his new position a wealth of experience gained through his long and close association with the farmers of the various districts in which he has been employed. Further, his own personal background as a 4-H Club member and his experience of working with 4-H projects will enable him to render valuable service to the rural youth he will be contacting though his farm visits as fieldman of the board.

Mr. Knight, who was born at Yarmouth, attended school at North Chegoggin and the Yarmouth Academy, following which he entered the Nova Scotia Agricultural College from which he graduated in 1936.

In June of that year, Mr. Knight joined the staff of the Extension Services Branch as Assistant to Mr. D. MacCharles, Agricultural Representative for Pictou-North Colchester. In September, Mr. Knight was transferred to the Dairy Branch and, for five years, was employed as Dairy Herd Improvement Special ist in Eastern Nova Scotia.

In 1941 Mr. Knight was appointed Agricultural Representative for the Lunenburg-Queens district and then, in 1950 was transferred to Amherst as Agricultural Representative for Cumberland County, where he has since been employed.

In addition to interesting himself in the problems of the rural population, Mr. Knight has always been closely identified with the social life of the communities in which he has resided.

In Amherst, he was a member of the Finance Committee of the Baptist Church, and, in addition acted as purchasing agent and taught a boys' class in the Sunday School. While at Bridgewater he was a member of the Kinsmen's Club and the Curling Club n Amherst, he was an active Rotarian. In addition, Mr. Knight also found time to lend his support to Little League Baseball.

Mr. Knight is married his wife being a daughter of Mr. and Mrs. O. H. Rose, Chegoggin, Yarmouth County.

Mr. and Mrs. Knight have three children—Marilyn, 19, born in Antigonish and now a nurse-in-training at the General Hospital, Saint John, N.B., and Brian 12, a student in Grade VII and Cheryl, 10, a student in Grade V.

Mrs. Knight like her husband, has always been active in church and community organizations. In Amherst she has been closely associated with the World Wide Guild and the junior choirs of the First Baptist Church, numbering approximately 100 voices. She has also been a teacher in the Sunday School and, in addition has found time to lend her energies in support of projects of the Home and School Association and the Girl Guides' Association, in which she held the office of Treasurer.

Mrs. Knight and the children will be joining Mr. nKight at Antigonish following the end of the school term.

EVERY NIGHT

Every night before we sleep
We say our prayers, and we like to know
That Jesus used to say His, too.
Far away and long ago.

We thank our heavenly Father just
As we are sure He used to do
For all the good things that we have
And all our happy playtimes, too.

Every night before we sleep
We say our prayers, and it is good
To know that children everywhere
Are saying prayers as they should.

School Inspectors Acadian Visitors

The following news items pertaining to two well-known Inspectors of Schools, appeared in the March issue of "Education Office Gazette", issued by the Nova Scotia Department of Education:—

ACADIAN VISITORS

Effective January 1, 1957, visitation of the Acadian schools in the province has been divided between Mr. J. A. Comeau, Inspector of Schools for the Districts of Clare and Argyle, and Mr. R. J. Chiasson, Inspector of Schools for Richmond County.

Inspector Comeau has been designated Acadian Visitor for the Western counties, with responsibility for the counties of Yarmouth, Shelburne, Queens, Lunenburg, Halifax, Colchester, Cumberland, Hants, Kings, Annapolis and Digby.

Inspector Chiasson is Acadian Visitor for the Eastern counties, with responsibility for the counties of Pictou, Antigonish, Guysborough, Inverness, Victoria, Cape Breton and Richmond.

*****

ADVISER ON BILINGUAL STUDIES

Inspector J. A. Comeau has been appointed Adviser on Bilingual Studies effective from January 1, 1957. Inspector Comeau will be the official representative in this capacity on the Curriculum Advisory Committee. He will be responsible for obtaining advice from inspectors and others concerning the program of studies in bilingual schools and presenting it to the Curriculum Advisory Committee.

From Newcastle

Mr. and Mrs. Bill Wright and two children, Jimmy and Barbara, of Newcastle, N. B., have taken up residence in Stirling, where Mr. Wright is in charge of dismantling electrical and mill installations at Mindamar Mine. All this mine equipment will be shipped to Sudbury Ont., where Mr. Wright has been recently appointed Electrical Engineer of a mining project in that locality. It is nice seeing Bill, Jean and the kiddies, at the home of Mrs. Wright's parents, Mr. and Mrs. C. S Malzard.

—:O:—

DRIFT ICE

The Eastern ice a dread to our lobster fishermen made an appearance to our waters and a large body of it extended a few miles to the West in Arichat Bay heading for the Strait, however, a shift of wind moved it out again to sea, much to the relief of our local fishermen.

A large body of ice extends North of the Canso Causeway and will hold up lobster fishing in that area of Cape Breton and the mainland. An extension of the fishing season will no doubt be requested in that section.

The port of Mulgrave has been thriving not only during the winter but at the present time due to ice blockade at North Sydney, Sydney and Louisburg.

With the C. N. R. dock and railroad terminal still intact at Mulgrave ships have little difficulty in loading or unloading at this port and with the Northern ice held back by the Causeway makes it of still greater value in the winter and spring.

We predict that Mulgrave and Port Hawkesbury will eventually become busy ports due to their geographic location on the Eastern seaboard.

FOR SALE: All metal bed and spring, 48 in. width. Apply to RAYMOND BOUCHER, Arichat.

BIRTHS

Mr. and Mrs. Leon DeWolfe (nee Therese Fortin) Port Alfred, Quebec, are happy to announce the arrival of their fourth daughter on April 23rd.

A Gentleman—the will to put himself in the place of others; the horror of forcing others into positions from which he would himself recoil; the power to do what seems to him to be right, without considering what others may say or think.

—John Galsworthy.

—:O:—

COUNTING

If you sit down at set of sun
And count the acts that you have done,
And, counting find
One self-denying deed, one word
That eased the heart of him who heard—
One glance most kind,
That fell like sunshine where it went—
Then you may count that day well spent.

But if, through all the livelong day,
You've cheered no heart, by yea or nay—
If through it all
You've nothing done that you can trace
That brought the sunshine to one face—
No act most small
That helped some soul and nothing most—
Then count that day as worse than lost.

—George Eliot.

Bigger Bedrooms Now Popularly Priced!

with SPACEMASTER folding doors

You don't have to remodel to enlarge your bedroom. No partitions need come down. Just put "Spacemaster" doors on your closets or entry doors—and you pick up all the space that swinging doors waste.

"Spacemaster" doors fold within the doorway, never out into the room. You can put beds, nightstands, lamps closer to closets . . . and still have plenty of room to move in.

First cost of "Spacemaster" is at a new low. Maintenance costs are nil. You clean them with soap and water. And there are no installation costs since you can put them up yourself in 15 minutes.

See "Spacemaster," made by the makers of famous "Modernfold" doors, today.

Everything To Build Anything

Gems of Thought

"The Art of Acceptance"

The art of acceptance is the art of making someone who has done you a small favor wish that he might have done you a greater one.

—Russell Lynes

* * * * * *

he worship most acceptable to God comes from a thakful and cheerful heart.

—Plutarch

* * * * * *

To receive honestly is the best thanks for a good thing.

—G. Macdonald

* * * * * *

We must look deep into realism instead of accepting only the outward sense of things.

—Mary Baker Eddy

———:o:———

If you want to build a fire, use friction!

If you want to develop a conflict, use competition!

If you want to build a community, use co-operation!

If you want Life, spelled with a capital, use Love.

—Selected.

———:o:———

Cancer is the disorganized, unregulated growth of body cells. Although a great deal has been discovered about the nature of this growth, the cause is still unknown.
