"CARSON" STILL TOPS AS ICE LANE BUSTER

NORTH SYDNEY, N. S.—Capt. Michael Tobin, master of the motor ship "William Carson", has denied reports that the 8,000-ton luxury ferry ever was stopped by this spring's ice blockade off Cape Breton.

The captain said his ship had never been bothered by the ice pack which played such havoc with other shipping in the area. "I am confident that no ice can keep the Carson from getting in or out of the waters of the local harbour", he said.

Actually, the Carson on several occasions has had to rescue the Department of transport's regular icebreakers when they became stuck. Says an editorial in the Cape Breton Post—"The fact is that the William Carson cuts through ice as if ice were just so much cake at a party."

Progressive Conservative Party News

Mr. Bob MacLellan, Conservative candidate for Inverness-Richmond, and the Honourable E. A. Manson, Provincial Minister of Mines and Industry, were the chief speakers at a very large PC meeting held in Whycocomagh on Saturday, May 18th. This public meeting officially opened the election campaign in this constituency.

Mr. Mason complimented the PC party in Inverness-Richmond on choosing one of the best candidates of any party in the field in Nova Scotia in this election. "Bob MacLellan," said Mr. Manson, "comes from one of the most respected families in Cape Breton Island. He is regarded in the legal profession as one of the best Corporation and Business lawyers in the Province, and as your representative will make a tremendous contribution to this constituency."

Mr. MacLellan scored the failure of the Ottawa government to provide adequate rural credit, and called for a social security program which would increase Old Age Pensions and Family Allowances to parallel today's high living costs.

The meeting was followed by a highly successful social and dance. The ladies served refreshments and the dance was much enjoyed by young and old. All agreed that the gathering was one of the largest held in the Whycocomagh area in recent years.

Mr. Bob MacLellan P.C. candidate and Mr A. O. Gunn well-known Sydney lawyer, were chief speakers at a very large meeting held in Petit de Grat on May 15. Mr. Tim Landry of Arichat, Isle Madame campaign manager for Mr. MacLellan, very ably chaired the meeting.

Mr. Gunn spoke at length of the high regard Mr. MacLellan enjoys among Cape Breton lawyers, and said that "Bob is one of the best men in Nova Scotia in the Corporation and Business law field".

Mr. MacLellan scored the failure of the present Federal government to provide proper break waters, wharves and dredging for the vital fishing industry on the Cape Breton coast.

On May 16th an equally successful PC rally featured Mr. John M. MacDonald MLA for Cape Breton North, as well as Bob MacLellan, Mr. Remi Sampson of Louisdale was chairman of the monster meeting.

Liberal Party News

Allan J. MacEachen, the Liberal andidate and Federal representative for the past four years, has been holding large meetings throughout the riding of Inverness-Richmond West Cape Breton and on every occasion has outlined the record of the St. Laurent Liberal administration, and the many new measures to add further prosperity for the citizens of Canada.

Mr. MacEachen is ably supported by Messrs Clyde Nunn and Rod MacLean, Provincial Representatives from Inverness County and Earl W. Urquhart, M. L. A., from Richmond County, all of whom have been heard on the platform throughout the vast constituency and believe me your correspondent never dreamed a riding could be so great, until he had the pleasure of covering most of it during the past summer.

Hon. Paul Martin, Q. C., Minister of National Welfare, started off the Liberal Meetings at 64. Peters to an overflow audience and in his address outlined the great piece of Liberal legislation on National Hospitalization which will benefit all Canadians from the Atlantic to the Pacific and said he looked forward to Nova Scotia entering this great plan in the not too distant future.

The Hon. Minister spoke highly of Mr. MacEachen's ability as the representative for Inverness-Richmond and C. B. West.

Dr. William Buchanan, the candidate for the Liberal party in Victoria County, also addressed the St. Peter's gathering.

Mr. MacEachen, has been heard in Radio Broadcasts from CJFX and also over Television from Sydney. The sincere presentation of his talks have left no doubts in the minds of his listeners that Allan MacEachen knows the needs of his constituents and knows how to deal with their problems on the floors of the House of Commons.

At the joint-nomination day proceedings here at Port Hawkesbury, a tradition highly regarded by the people of both Inverness and Richmond, because to my mind here is democracy in its true light when both candidates can voice their convictions on issues pertaining to their particular party.

We congratulate both candidates on their effort, however Mr. MacEachen in rebuttal did prove himself an able debater and demonstrated his reputation as a speaker not only in the House of Commons but also during an election campaign.

Allan J. MacEachen's re-nomination as Liberal candidate has been endorsed by the Rt. Hon. Louis St. Laurent, who holds Mr. MacEachen, in high regard and we might be safe in saying if Mr. MacEachen is re-elected he may be chosen for a Cabinet post.

Your correspondent no doubt will be charged with boosting, but we feel safe in predicting that MacEachen will again be re-elected and that the Rt. Hon. Louis St. Laurent, will again form the Government of Canada with a good majority.

Highway Mishap Basis For Action

A Supreme Court jury at Arichat awarded damages of $53,800 to Edward Bowers, 25-year old River Bourgeois mechanic for injuries suffered in an automobile accident in September, 1955.

Mr. Bowers launched a suit against Ernest Thompson and Ernest S. Thompson, Ltd., of St. Peter's. He was a passenger in an automobile operated by Mr. Thompson which crashed into a tree in the town of St. Peter's.

A. O. Gunn, Sydney barrister, represented Mr. Bowers, claimed negligence by Mr. Thompson was responsible for the accident, which resulted in permanent leg injuries to the plaintiff.

Mr. Gunn called six witnesses while three persons testified for the defendant.

Mr. Thompson was represented by Ian MacDonald, New Glasgow, Earl Urquhart, West Bay and A. M. MacIntosh, New Glasgow.

Mr. Justice L. D. Currie presided.

The ward by the jury was one of the largest handed down in Cape Breton in recent years.

Political Advertising

In a recent issue of the "Advance", Liverpool, Mr. Day its publisher stated in an editorial, that the weekly editor is the forgotten man as far as National political advertising was concerned as both Liberal and Progressive Conservative parties have resorted to the medium of TV and Radio and have completely by-passed the weekly. We agree with Mr. Day but we will say the candidates in the various ridings of the province have used the columns of the weekly, sponsored by their respective political Associations and must feel the weekly is still a potent factor in putting forth their messages to the electors of the province.

ACADIA CONSTRUCTION AWARDED CONTRACT

The Acadia Construction Co., of Bridgewater, have been awarded the contract to hard surface 3 miles of highway from D'Escousse to Cape La Ronde and 2 miles from Petit de Grat Bridge to Little Anse.

Equipment is now moving in to start the work. The paving plant which was set up at Murphy's Beach, last summer is still intact and the government reminded of this by Earl Urquhart, M. L. A., in the Legislature last winter, no doubt prompted the Department of Highways to take steps in having these short pieces of highway connect the already paved highways that serve both the North and South sides of Isle Madame.

Victor Lunn, Superintendent, for Acadia is now on the job and we are safe in saying that Vic will do his part in helping to complete another good piece of highway on Isle Madame.

Mr. Lunn made many friends, both at L'Ardoise and Arichat, during the past summer and all were happy to see him again.

LATIMER — FIELD

A quiet but very pretty wedding was solemnized in historic St. Paul's Church of England, Halifax, May 18th, when Eric Latimer of Arichat and Juanita Field of Halifax were united in marriage by Rev. Hilchey, Rector of St. Paul's.

The bride was charming in a ballerina length dress of white nylon and carried a bouquet of red roses. Mrs. Russell Latimer, sister-in-law of the groom was matron of Honor and was dressed in blue.

The groom was supported by his brother, Russell Latimer of Dartmouth.

Following the ceremony a reception was held at the home of Miss Evelyn Bproul, Tower R., Halifax. Many beautiful and useful gifts, were displayed and a happy time was shared by all.

Russell Latimer proposed the toast to the bride and the groom responded with words appropriate to the happy occasion.

The newly married couple left for a short motor trip after which they will reside in North Sydney where Mr. Latimer is accountant with the Royal Bank of Canada.

The good wishes of their many friends follow the happy and popular couple for a long life of wedded bliss and contentment.
