Alex Campbell

The death of Alex John Campbell, of Points West Bay which occured at St. Rita's Hospital, Sydney, June 12th after suffering a foot injury which developed into lock-jaw, has caused widespread sorrow, among relatives and friends, on both sides of the border.

Although in his 70th year, Mr. Campbell, was still quite active. A strong healthy man who operated a large farm with a wonderful system.

He leaves many broken hearts in the family circle but he also leaves a multiple of golden memories on which to cherish, as days go by.

Those of us who knew him from boyhood will remember him as a wonderful neighbor and citizen, always ready to lend a hand.

He was a member of Block River United Church.

Deep sympathy is extended to the sorrowing widow Susan Campbell; his daughter, Mrs. Stanley Parker, North Sydney; his son, Roy, of Points West Bay; also four sisters: Mrs. Castle Smith, Grand River; Mrs. Barbara Weimer, Melrose, Mass.; Mrs. Tobin, Malden, Mass., and Mrs. Robert Hansen, Everett, Mass. Two older brothers, William J., Halifax and Robert H., Boston, Mass., predeceased.

The largely attended funeral took place on Saturday, June 15th from his late residence, with interment at MacKay's cemetary.

Rev. R. Hornby (Congregational) pastor conducted the service.

Patrick Paon

The community of Poulamon and throughout Isle Madame was shocked to learn of the passing of Patrick Paon who for many years conducted a successful general store at Poulamon where he was held in high regard by his many patrons and friends.

Mr. Paon had been in ill health for only a short period and his untimely passing came as a great shock to his wife and family.

The late Mr. Paon was in his 54th year and leaves to mourn his wife, three daughters Norma (Mrs. Jerry Laulante) at home; Shirley, Halifax; and Carol, at home; one son Chester at home; also two brothers, Dannie, Halifax and Amedee, Port Royal.

The funeral which was largely attended took place from St. Hyacinth's Church, D'Escousse on Sunday, June 23rd, Rev. W. A. Boucher officiating.

We extend sincere sympathy to the bereaved wife and family.

Big Acadian Celebration

The 8000 Acadians of Clare, living along the French Shore of St. Mary's Bay, Nova Scotia are preparing for an invasion in August, a invasion of thousands of friends, relatives and visitors from the New England states, the Maritimes and other sections of the United States and Canada.

August 8 to 15 will mark the second annual Acadian Festival of Clare, an event which bids fair to become one of the top-ranking of its kind on the continent, with emphasis placed on customs, traditions and language which the Clare Acadians have preserved with the greatest fidelity.

Ten different committees, working in close collaboration with the main festival committee headed by Dr. Julius J. Comeau, Meteghan are expending all effort to make the Acadian Festival an outstanding, worthwhile success. Taking an active part in the Clare Board of Trade led by president Kenneth Weaver.

A definate program has been announced with a gala Acadian Ball scheduled for Thursday night, August 8 at which Gabriel and Evangeline will be chosen to reign over the festive event. This will be held at the Parish Hall, Meteghan.

A grand dance will take place in Belliveau's Cove on Friday with gay soirees in other localities along the shore.

During the afternoon and night of Saturday festivities will centre around Belliveau's Cove commencing with a mammoth barbeque with bands providing additional entertainment and culminating at night with a huge bonfire on the shore at Pointe a Major. One of the highlights, thousands are expected to be in attendance.

A spectacle Sunday will be a gigantic parade, two-miles in length, consisting of floats and decorated cars. The colorful parade will wend its way along a 10-mile route on Highway 1 from Cape St. Mary's to Baulnerville. It's arrival on the grounds of Our School will signal the beginning of an open air concert, climaxed by presentation of awards for the most outstanding floats.

"Les Talents de Chez Nous," a concert embracing racial music, dancing, singing and olklore will be held in the evening, Monday, August 12 at St. Anne's College, Church Point. Tuesday afternoon the children will take over with a Field Day and Doll Carriage Parade on St. Anne's grounds.

Wednesday's activities include a grand Bingo with special features in the Meteghan Parish Hall and the Acadian Festival will be brought to a fitting close, Thursday, with special religious ceremonies in all the numerous churches along the shore in honor of the patron Saint of the Acadians, Our Lady of the Assumption.

Exhibitions of local handcraft, paintings and idustrial products will be displayed at St. Anne's College, Monday and Tuesday.

With thousands of Clare Acadians dressed in old French provincial costumes and the Acadian flag flying from masthead along the 32-mile long shore, the district of Clare will appear as a transplanted section of old France during the week of the Acadian Festival.

Gathering of the Clans

The MacDonalds and Stewarts, MacKinnons and Prasers, Campbells and Camerons, and thousands of others of Scottish descent, all will be there at Pugwash, July 1, for the holiday mark the great, annual Gathering of the Clans and Fishermen's Regatta.

Combining hte skirl of the pipes and whirl of tartans with the roar of racing speedboats this northern Nova Scotia event has since its inception in 1952 grown into one of the leading, crowd-pleasing attractions in the province.

Their plans for a big show washed out last year by old man weather, the various committees resolved that this year's event would outdo previous ones.

With a record number of highland dancers entered for the morning, afternoon and evening competitions, dancing of the highland fling, the sword and other Gaelic dances will be keen and spirited, with officials anticipating close judging.

Nova Scotia's Lieutenant-Governor, Hon. Alistair Fraser will officially open the Scottish-flavoured event at two o'clock in the afternoon.

Three crack bands will be on hand to provide stirring musical entertainment. They will include the famed New Glasow All-Girls' Pipe Band, the North Nova Scotia Highlanders' Pipe Band and the smart-stepping naval brass band from H.M.C.S. Stadacona, Halifax.

Other popular features will be speedboat and fishing boat races, an exhibition of paintings, pleasure boat rides on the beautiful harbour and for the kiddies a doll carriage and decorated tricycle parade beginning in the afternoon at three o'clock.

One of the highlights this year will be a concert in the evening beginning at nine o'clock at Eaton Park's theatre under the stars featuring stars of the famed World War One musical, the "Dumbells". On hand will be Ross Hamilton who starred as Marjorie, Pat Rafferty and Jack Ayre, Master of ceremonies will be Charlie Reeves. Tom Hamilton, noted Toronto Scotch comedian will also lend his talents.

The program actually begins Sunday evening, June 30, with a Sacred Concert to be held in the park, under the direction of Norman McBurnie, Maharash.

Proceeds of the Gathering of the Clans and Fishermen's Regatta will be for the North Cumberland Memorial Red Cross Outpost Hospital.

New Machinery At Local Dairy

Machinery for the pasteurizing of milk is now being installed at Rock Loaf Dairy which will soon be in operation.

This project is operated by J. E. Benoit, Ltd., and is deserving of the full support of the people of Richmond County.

This new industry is the first of its kind to be established in Richmond County and will employ men from the County.

Two delivery trucks are now in readiness; one will be operated by Clem Theriault and the other by Arthur Hureau of West Arichat.

Alphonse Marchand of this place will operate the pasteurizing equipment at the new dairy.

A fuller account will be published in a future issue of the Record with photos of the dairy and Rock Loaf Farm.

DAIRYMEN VISIT FARM

Last week Rock Loaf Farm of this place was in the news when Agricultural Representatives from various parts of the province paid a visit to the farm.

Dairy producers were also present and from what we can learn much favorable comment was expressed and interest taken in the new type barn built for Mr. Benoit a few years ago.

We are looking forward to a write-up from the Nova Scotia Dept. of Agriculture and Marketing giving comments on their visit to Rock Loaf Farm.

New Canadian Pacific Air Line Route to Lisbon, Portugal

Pointing out the recently inaugurated Canadian air route across the mid-Atlantic to Lisbon, Mayor Nathan Phillips, of Toronto, left, and N. R. Crump, president, Canadian Pacific Railway, show how Canadian Pacific Airlines links up its new 5600 mile Mexico Toronto, Montreal, Lisbon, route in less than 23 hours. Typical of the Portuguese countryside is the sunny scene at the left showing Estoril, 30 miles from Lisbon, which boasts top notch hotels with excellent bathing facilities. On the right is a aerial view of ancient Lisbon with a famous Moorish castle looking down on the city from a mountain top. Flying time on the "sunshine route" between Toronto and Lisbon is less than 14 hours while the Montreal - Lisbon air time is 12 hours. The giant new, DC-6B aircraft flying the new CPAL route are equipped with the latest radio and navigational aids as well as facilities, insuring a high level of passenger comfort.

Small Catch

The lobster fishing season in this section of Richmond County comes to a close on July 1st and from reports of local fishermen the catch this season was the smallest in recent years.

At the outset of the season drift ice hovered around the coast and kept fishermen from setting their traps during the first two weeks.

The fishing district north of the Canso Causeway was at a standstill for several weeks as drift ice lingered around the northern part of Cape Breton and the mainland of Nova Scotia. We are not sure whether an extension of the season was granted this area. However some good catches have been reported in the northern area of Cape Breton.

Modern FORD STYLESIDES set a NEW NO-EXTRA-COST STANDARD of TRUCK VALUE!

F-100 STYLESIDE

SIX or V-8...

FORD TRUCKS cost less

LESS TO OWN... LESS TO RUN... LAST LONGER TOO!

MODERN STYLESIDE BODIES, standard at no-extra-cost, are available in both 6½- and 8-ft. body lengths. The big Styleside Pickup bodies extend to the full width of the cabs . . . give up to 70 cu. ft. capacity. This new design makes side loading easier. Or you can choose from Ford's traditional Flareside Pickups with 6½- or 8-ft. bodies, or the ultra-modern Ranchero, combining passenger car styling with truck-load capacity.

MODERN TRUCK POWER! Ford offers 5 Pickups including Ranchero, with advanced short-stroke engines. Pickups are powered with 139 Hp. Six or the 171 Hp. V-8; Ranchero offers choice of 144 Hp. Six or 190 Hp. V-8. Without a doubt they are the most modern engines in any truck.

MODERN COMFORT, STRENGTH AND RIDE. Ford cabs offer modern cowl-tep ventilation, easy-entry inboard cab-step and passenger-car comfort. New stronger frames, new sturdier axles and new rear springs increase chassis durability. Ford's new, longer, wider front springs give an improved truck ride.

GET MODERN TRUCK VALUES—"standard" in every Ford Truck.
