Death of Arthur A. LeBrun
Prominet Arichat Resident

Arthur A. LeBrun, a well-known and prominent business man, who was born at Arichat 76 years ago, the only son of the late Mr. and Mrs. John LeBrun, passed away at St. Rita's Hospital, Sydney, on Wednesday, February 5th. The late Mr. LeBrun, had been in poor health for some time, suffering from a heart condition, however, his health improved the past summer, so as he was able to be around, visiting members of his family at Port Hastings and Sydney, at the latter place he resided with his daughter, Mrs. Martin Carroll, (Betty), prior to entering hospital a few weeks ago, where he underwent a major operation, which proved successful and when members of his family visited him a few days before his passing, he was quite cheerful, but on the morning of February 6th he passed to his rest following a heart attack.

The late Mr. LeBrun, conducted a general store in D'Escousse for many years and back in the early 30's sold his business to the North Isle Madame Co-Operative Society. He then moved to Arichat and took up residence in the LeBrun homestead.

After the death of his father, Mr. LeBrun, operated the business under the Estate of John LeBrun. This business was later taken over by his son, J. H. LeBrun, and is now known under the name of J. H. LeBrun, Ltd.

At one time the late Mr. LeBrun, was employed as a tax collector for the Municipality of Richmond, for a few years.

After resigning as a Collector, he was appointed Manager of the local Commission Store, a position he filled up to a few years ago when he was superannuated.

The late Mr. LeBrun, was a member of the Knights of Columbus first joining the order at Antigonish, when only a young man and in recent years he was a member of the Port Hood K of C Council and only recently gained the distinction of being made an honorary member of that order. Brother Knights from all over Cape Breton Island and points of Nova Scotia, came to pay their last respects to their departed brother, whose remains rested at the home of his son J. Harold LeBrun, with whom he resided for the past several years.

Many beautiful floral offerings, Mass Cards, Sympathy Cards and Messages of sympathy, were received, as expressions of esteem for the deceased who was well known throughout the Province.

Surviving are three sons and three daughters:—J. Harold, of J. H. LeBrun, Ltd., Gerald, both of Arichat; Arthur, office manager of a mining firm in North Ont.; Mrs. W. J. LeVesconte, (Helen), Long Island, N. Y.; Mrs. Victor Kyte, (Zita), Port Hastings; Mrs. Martin Carroll, (Betty), Sydney. Also fifteen grandchildren survive.

The late Mr. LeBrun's wife predeceased him only a few years ago.

We extend our sympathy to the bereaved family in the passing of a devouted and beloved father.

Sporting Mountain ..ECHOES..
By D. A. S.

Date of writing is February 7, 1958 and we are thankful that we are still able to write.

Two of our good friends, James R. Morrison of Lynn, Mass., and John D. MacLean of The Points, recently passed on in quick succession, and their ashes had been committed to the dust on the South Shore ere we knew anything about it.

Anyway it would be like attempting to paint the lily to add anything to what A. F. of Dundee Dew Drops has said so well.

We too, Mr. Editor had reason to regret the untimely passing of Abe Thurgood.

Though we only had occasion to meet Mr. Thurgood once his interesting and friendly personality made an impression that stays with us still.

Cedric Sampson had occasion to motor his ailing mother to the V. G. Hospital during the weekend.

The senior Mrs. Sampson's many friends hope for her quick and complete recovery.

Bernard Konning who makes a specialty of swine on the farm is having noticeable success since he had the advantage of a brief course pertaining to pigs in the Truro College.

A second brother, Anthony Konning is at present visiting his native Holland where he is being warmly received, and a third brother, Joseph Konning who was profitably employed in Newfoundland the past several months is now enjoying a respite down on the big farm.

It is pleasing to us to note that Seaview school house is not advertised for sale.

Since its inception in the closing years of the last century we have been associated with it in various capacities.

We were with Councillor Archibald Morrison and Inspector M. J. T. MacNeil, B. A.; when they choose its site.

It was during our teaching years that the hedges and trees that make the school yard the sheltered and secluded nook it is now were planted.

On Arbor Days the pupils gathered fir bushes which were placed side by side on the grassy ground, and their roots covered with clay from the banking of the school house.

The boys and girls of those days are the men and women of these days, and when they are visitors from either side the border line they never fail to see and admire their good work.

The late Mr. Edwards who was in his 82nd year, spent the greater part of his life at Arichat where he operated a farm at Little Barrachois.

The late Alex Edwards was a good neighbor and highly regarded by everyone who knew him.

During his youth he was employed in the U. S. A., where he married Annie Cronin and returned to his old home purchasing the Dorey property at Little Barrachois, where he resided up to a few weeks of his passing.

Councillors Visit New School At West Arichat

All Municipal Councillors on the invitation of veteran Councillor John Doiron of West Arichat district, visited the new school at West Arichat, while the Council met here during the annual session.

The new building is a credit to the builders M. R. Chappell, Co., of Sydney and the school section of West Arichat have every reason of being proud of this modern new school.

The large spacious classrooms are bright with light green boards extending nearly the full length of one wall, taking the place of the dingy blacn boards. This is a great improvement and has proven satisfactory in respect to the student's eyesight and besides gives the classroom a bright appearance.

The sanitary facilities of the new school is excellent and is supplied with an abundance of water from a new bored well.

An automatic coal burning unit heats the building.

A large auditorium takes up over half of the basement, the floor of which is covered with tile. To the back of the auditorium space is available for a recreation room for the students.

The building is set back some distance from the main highway and most Councillors felt that with sufficient room to the front, the school should have been built nearer the highway on elevated ground. Considerable fill will have to be placed to the front of the school to provde room for parking cars and to add to the general appearance of the grounds.

The remarks we have made are not of a critical nature, however, more care and foresight should be taken in the future before staking out grounds where such buildings are to be placed.

Two couples, Mr. and Mrs. Cameron Boyd and Mr. and Mrs. Sam Fougere were married 28 years on January 27th.

A pretty wedding took place at St. John hte Baptist Church on January 25th when Father Samson united in marriage Rennie Fougere, son of Mr. and Mrs. Sam Fougere and Annette Pottie, daughter of Mr. and Mrs. Victor Pottie.

The bride and groom were assisted by Peter Pottie and Sylvia Fougere. After Nuptial Mass, dinner was served to approximately 400 guests. The bride received many beautiful and valuable gifts. On the following day the happy couple motored to Halifax to spend their honeymoon. Prior to her marriage the bride was tendered a shower at the home of Mr. and Mrs. Amos Thibeau. The death of Mrs. Firmin Burke aged 82 years occurred at her home here on January 9th. A descendant of one of the oldest families of River Bourgeois, she was the daughter of the late Etienne Dugas and Caroline Bourque. Had she lived until January 31st she would have been married 58 years. Of her family of ten children, only two are living, Beatrice, Mrs. Charles Fougere, with whom she resided, and Josephine, Mrs. Carl Swift of. Halifax. One son Walter was lost at sea aboard the S. S.
