Plan For Hospital Institute

Dr. Hugh MacKay, president of the Maritime Hospital Association and administrator of Aberdeen hospital, New Glasgow; Cecil Kennedy, executive officer, N. S. Hospital Services Planning Commission; Herbert Hart, Administrative assistant, Victoria General hospital, Halifax; and R. MacD. Black, chairman, N. S. Hospital Services Planning Commission (left to right) formulate program and details of the Hospital Insurance Institute to be held in Halifax, April 21--23. Representatives of all 45 Nova Scotia general hospitals together with prominent Canadian hospital, health and welfare officials are expected to attend the conference, the basic theme of which will be Nova Scotia's hospital care insurance plan, to start January, 1959.

Fisheries Council of Canada To Meet In Halifax This Month

HALIFAX— For the first time in its 13-year history, the Fisheries Council of Canada will hold its annpal meeting in Halifax. April 14 to 16, inclusive, are the dates for the big event which will bring together representatives of fisheries associations from coast to coast in Canada.

Hon. Angus MacLean, Minister of Fisheries, will participate in the program as will also Deputy Minister of Fisheries G. R. Clark and other officials of the Department of Fisheries in Halifax and Ottawa.

Presiding at the sessions will be O. J. McDonald, Vancouver, President of the Council. About 200 council members and their wives will attend the meeting in addition to especially invited guests representing various business firms allied to the fishing industry.

A highlight of the two-day program will be an address by Fisheries Minister MacLean on the opening day. That evening Hon. R. L. Stanfield, Premier of Nova Scotia, will be the special speaker at a banquet given in the ballroom of the Nova Scotian Hotel.

Membership of the nation-wide body include more than 400 individual processing and whole fish companies which are members of the 17 local fisheries associations in Canada. Association with the council enables its members to pursue their common interests more effectively and more economically than can be done by the members working as individuals.

Importance of the nation's fisheries was underlined by Fisheries Minister MacLean in a message to the council. "As you know," Mr. MacLean said, "the world's population is increasing at the rate of 40,000,000 a year. As our numbers grow, more and more food is needed to sustain us. Other sources of food must be found to augment our present sources and, of course, a logical place to look is to the sea."

Canada's fishery resources make a vital contribution to the national economy. The annual catch for the entire country now runs about two billion pounds a year with a landed value of more than $100,000,000 and a market value of about twice that amount.

(By Chairman Press Committee)

ARICHAT, N. S., April 7.—The regular monthly meeting of the Isle Madame Knights of Columbus was held in the O.L.A. Convent Hall at Arichat on March 30th., J. H. LeBrun, Chairman. A prayer led by the Chaplain Rev. A. E. Doucett opened the meeting after which the roll call was taken and the minutes of the prevous meeting read.

Reports from the various committees were read and adopted. A large representation from the St. Peters Club were present and took part in a lengthy discussion on the possibility of forming a Council in Rchmond County, this will be further reported on when arrangements are finalized.

With St. Ann Hospital at Arichat being able to secure an altar of their own it was decided taht the amount previously voted for that purpose be used for the improvement of the Chapel.

The Executive and Building Committee were given the authority to renovate and install a heating system in the Club's building at West Arichat.

The sum of twenty-five dollars was donated to the Red Cross, five dollars representing membership from the five parishes of Isle Madame and Louisdale.

Brother R. J. Chiasson a member of St. Peter's Club was guest speaker for the evening, his address in honor of Founder's Day was very well delivered and dealt with the "Great Need For Christianism in the World at Large".

The meeting then closed with a prayer by Very Rev. A. P. Foirier.

Seek Charter For K. of C. Council

(Casket, Antigonish)

Last Wednesday a meeting of Knights of Columbus Clubs was held at St. Peter's looking into the establishment of a Council in the county of Richmond.

The St. Peter's K. of C. Club has been affiliated with the Sydney Council, the Arichat Club with that of Port Hood. An application was drawn up, with names of associate and insurance members in sufficient number inscribed, and forwarded to the Supreme Office of the Order.

It is expected that the inauguration of the new Council will take place here sometime in May, with the conferring of degrees on some thirty new applicants.

Travelogue Film Of Nova Scotia

A feature-length travelogue will be produced in Nova Scotia this summer by one of the outstanding travel lecturers in the United States, James Metcalf of Dowagiac, Michigan, Hon. E. A. Manson, minister of trade and industry, announced the past week.

Metcalf expects to show the film to about 200,000 people in 150 cities in the U. S., Canada and Hawaii each year for the next five years. He will also produce a condensed version for use on television.

Metcalf, whose travelogues have won high awards, plans to come to Halifax in May for conferences with Dan Wallace, director of the Nova Scotia Travel Bureau, and others interested in helping with the film project. He will devote most of the summer to his production, returning to Nova Scotia to film events and to travel the length of the province in his quest for photogenic sequences.

As part of his preparation, Metcalf viewed many of the films made by the Nova Scotia department of trade and industry. "What a job these people have done," he wrote. "These films are among the best things of their kind that I have seen for some time."

Interest in his projected Nova Scotia movie is high. "I have asked several program chairmen for their thoughts on Nova Scotia as a film subject," he said. "You will be happy to learn that this has led to the firm booking at least 12 showings of the Nova Scotia film already, and the script writing hasn't even begun! My agents were quite impressed."

Metcalf's audiences are made up of people who buy season tickets for a series of travel films and lectures, and are therefore excellent prospects for travel to the province.

Mrs. Metcalf, who is a photographer and a free-lance writer, will accompany her husband, looking for picture-stories.

St. Pierre Societe Makes Correction

We regret very much that at the time the results of the Campaign for Funds of the Societe St. Pierre was published through the columns of this newspaper, a mistake was made in reporting the amount credited to the parish of D'Escousse and the parish of L'Ardoise. In the report first given, D'Escousse was credited with $2.00 and L'Ardoise with $202.80. The mistake was made because the sum of $62.80, which should have been credited to D'Escousse parish, was mailed from L'Ardoise without any word of explanation, and on receipt of this Money Order the Treasurer of the Societe St. Pierre thought it was supposed to go to the credit of L'Ardoise parish.

The correct results of the Campaign should have been as follows: D'Escousse $64.80; L'Ardoise parish $140.00.

The officers and Directors of the Societe St. Pierre regret very sincerely this mistake, and offer their apologies to the parish of D'Escousse.

We hope that this mistake will not prevent the parishioners of D'Escousse from continuing their loyal support to the Societe St. Pierre in the years to come.

Hon. R. A. Donahue Health Minister Speaks On Hospital Care Insurance

Hon. Richard A. Donahue
Minister of Public Health

HALIFAX, N. S., April 7, 1958— Described by Health Minister Richard A Donahue as "of utmost importance to the successful initiation and operation of the hospital care insurance plan by provincial hospital management staffs", a Hospital Insurance Institute, which representatives of all 45 general hospitals in Nova Scotia have been invited to attend, will be held in Halifax, April 21-23.

Prime objective of the institute, called by the Nova Scotia Hospital Services Planning Commission under the chairmanship of R. MacD. Black, is to provide an opportunity for those engaged in the operation of hospitals to obtain first hand information on details of the proposed plan of publicly operated hospital care insurance for the people of Nova Scotia.

Details of the plan are voluminious, said Mr. Donahue, "and a complete understanding of their relationship to the numerous phases of hospital care and operation is essential before its inauguration in Nova Scotia this coming January."

Mr. Donahue went on to emphasize that the hospital insurance plan could only come smooth ly into operation if all aspects of the plan, so vitally affecting the hospitals and people of Nova Scotia, are digested now, and not hurriedly swallowed at the last moment.

Highlights of the Hospital Institute will be detailed explanations of the provincial plan as it relates to services to be covered; method of payment for provision of insured services; quality of patient care; ownership, control and administration of hospitals; and hospital accounting systems and construction problems.

"Prominent figures in health, welfare and hospitals fields have been invited to the Institute," said Mr. Donahue, "and from acceptances already received it is evident that most of them will be on hand for this important three-day conference."

Among those invited are: the Hon. J. W. Monteith, minister of national health and welfare; the health ministers of the Atlantic Provinces; representatives of the governments; Dr. K. C. Charron, British Columbia and Ontario director of federal health services; Dr. D. F. W. Porter, president, and Dr. Douglas Piercy (formerly of pital Association and Walter Dick, Halifax) director, Canadian Hos- C. A., of Hudson, MacMackin Company of Moncton.

The Louisburg Celebration

A splendid editorial appearing in the "Cape Breton Post" of April 8th under the heading "The Louisburg Celebration", was read with much interest and were happy to learn that the 200th anniversary of the fnal siege of Louisburg, would be celebrated this year and already plans are underway to carry out a program in keeping with the siege of 1758.

We agree with the Cape Breton Post when they say that the roads should be improved to Lighthouse Points and Wolf's Cove, known as Kennington Cove, as we stated in an article written a few months ago that it was from these points that the fall of Louisbourg made history.

Our late uncle, Sir John G. Bourinot, a native son of Sydney, brought to light many authentic facts, in his "Cape Ereton and It's Memorials", during the French regime and among the chapters of this book Louisbourg is prominently mentioned and many illustrations to bring to light the battles which finally ended in victory for Wolfe and his army.

The late Mr. Bourinot being a scholar in both English and French, he received much of his information from the archives of France. His father a French Consulate at the port of Sydney and also a graduate from the University of Cain, in France, was no doubt of great assistance to his son in his research for this book, which he dedicated to the memory of his father.

This book could help greatly in making up the program, which will mark the 200th anniversary of the fall of Old Louisburg.

C. N. R. Announces Time Changes In Passenger Train Service

MONCTON, April 10, 1958 — Faster schedules, more convenient arrival and departure times and greater use of self-propelled railliner units are included in the forthcoming Canadian National Railways spring timetable changes Douglas V. Gonder, vice-president and general manager of the Atlantic Region of the company, said here.

Effective April 27 the running times of the Ocean Limited and Maritime Express between Halifax and Montreal are to be shortened, said Mr. Gonder. The Scotian will carry the large volume of mail and express on a much faster shedule than it is now being handled in the Maritime Express.

Halifax will enjoy an early morning, noon and night train service to Montreal, he said. The Scotian will leave the CNR station here at 8.45 a.m. ADST., the Ocean Limited at 12.45 p.m., and the Maritime Express at 7.45 a.m. The Maritime Express will arrive at 2.20 p.m., the Ocean Limited at 6.45 p.m. and the Scotian at 11.30 p.m. ADST.

"Railiner" service, introduced last fall between Truro and Sydney, will be operated between Halifax and Sydney. It will slash the travelling time between the four hours and 50 minutes off two cities. It will leave Sydney at 8.30 a.m. ADST and arrive at Halifax at 3.25 p.m. daily instead of only six days a week as at present.

The Ocean Limited will operate on a one hour, five minute faster timetable westbound and a 30-minute one eastbound. Two hours, 45 minutes will be lopped off the Maritime Express schedule westbound and two hours, 10 minutes eastbound.

Another innovation will be the inclusion of coaches in the consist of the Ocean Limited, Mr. Gonder stated. This will permit hours faster travel for passengers between the United States and the Atlantic provinces and within the provinces, Coach travellers will be able to use the Ocean Limited, the Scotian and the Maritime Express.

The later departure and earlier arrival of the Ocean Limited will greatly increase the convenience of the servce for South Shore and Annapolis Valley travellers. In the past it has been necessary for these passengers to stay overnight in the city both going and returning and this will no longer be necessary.

Halifax-Saint John schedules will be cut by one hour, 15 minutes westbound and two hours, 30 minutes eastbound, providing a fast service for United States and other travellers between the two port cities. Through connections for Halifax-Fredericton travellers at Newcastle not previously available are included in the spring changes. Faster service is also provided for Halifax-Moncton passengers.

Travelling time between Halifax and Boston will be cut by two hours, 45 minutes southbound and by 50 mnutes northbound.

The Sydney-Montreal timetable, speeded by nine hours in each direcction last fall, will be improved by a further one hour cut in the westbound shedule and by 40 minutes eastbound. Sydney-Saint John trains will provide a one hour, 20-minute faster service west bound and eight hours, 20 minutes eastbound.

Newfoundland travellers will also benefit from the timetable changes. Travel time from Monteral to St. John's to Montreal. Passengers will be able to make the connection at North Sydney with the railiner service and at Truro with the Ocean Limited.

"The further improvements in our Atlantic region passenger and freight train service have been made possible by dieselization", Mr. Gonder said. "Installation of heavier rails, high quality crushed rock, and other innovations made in the past four years to raise the standard of the roadbed in this region—a work program that is continuing—have also contributed to the betterment of service."

Mrs. Leah Latimer

One of the oldest residents of this place, Mrs. Leah B. Latimer, passed away on Saturday, April 5, at the home of Mr. and Mrs. Nelson Dobson, with whom she had been residing for the past few months.

Born at P. E. Island, the late Mrs. Latimer resided a great number of years in the U. S. A. Returning to Canada on retirement of her late husband, Charles F. Latmer, they took up residence at the old Latimer homestead on Grandique Road, where they resided for some time. After disposing of this property, they moved to Arichat, where for a few years the late Mr. Latimer, was in charge of the Court House.

Purchasng the Gallighar property here, the late Mrs. Latimer resided there up to a few months ago, when she was obliged to give up housekeeping, due to ill health. For the past several years she visited the U. S. A., and made her last trip about a year ago to Boston, Mass. where she vsited a niece, Mrs. Colford, the former Mary Latimer of Arichat.

The late Mrs. Latimer although advanced in years, possessed a keen and alert mind, being stern in all her business transactions, as well as outspoken in expressing her views, however, it can be truly said the late Mrs. Latimer, was a kindly hostess and on many occasions was a donor to charitable causes the public knew nothing about.

Prior to the funeral the remains rested at the home of Mrs. Cassie Parker, where Rev. Robert Latimer, pastor of the United Church at Orangedale, conducted a short service.

On Monday, afternoon the funeral took place from St. John's Anglican Church, with Canon A. F. Arnold, of Louisburg officiating at the church and graveside.

Mrs. M. J. Bourinot, presided at the organ.

Only surviving relatives of the deceased residing in Canada are several nieces and nephews on her husband's side of the family; as well as relatives in the U. S. A.

Pallbearers were:—Nelson Dobson, John Latimer, Joseph Doyle, Bob Latimer, Hilary Bowen and Marshall Bourinot.

Honorary Pallbearers were:—J. A. Benoit, M. S. Binet, Charles Malzard, Eddie Edwards, E. C. Doyle, John MacDonald.

RECORD AUDIENCE FOR CBC ELECTION COVERAGE

HALIFAX, APRIL 2—A record 7,600,000 Canadians listened to or watched CBC English and French language radio and TV coverage of Monday's federal election, according to a special Elliot-Haynes survey undertaken by CBC Audience Research.

The survey was taken at main centres across the nation during the perod of 9:00 to 10:00 p.m. EST. With cities from Sydney Nova Scotia, to Victoria, B. C., linked by a live TV network, 4,000,000 viewers were able to watch English language coverage on CBC and privately owned viewers watched the program on stations. An additional 1,600,000 het CBC,s French language TV network.

The total of 5,600,000 represents the largest Canadian TV audience for a live presentation. Total TV audience for CBC coverage of 1957 election was 4,200,000. Approximately 5,500,000 Canadians watched Her Majesty, 1957. The total audience for last year's Grey Cup football game was 4,850,000.

Despite the great number of people watching TV, CBC radio recorded one of the largest audiences since 1952. Close to 2,000,000 French and English Canadians listened to CBC radio network coverage through CBC and affiliated stations across the country.

The special audience report indicated that there was a possibility of slight overlap in audience with a few Canadians switching between radio and TV during the survey period.

Easter Services
At St. John's Parish

Canon A. F. Arnold, of Louisburg, priest-in-charge of St. John's Anglican Parish, was the celebrant at Holy Communion, at 9 o'clock Easter Sunday morning at St. John's Church, Arichat and at St. George's Cape LaRonde, at 11 a.m. A large attendance was reported at both services.

On Sunday evening a service was held at St. John's church, Arichat and was largely attended by parishioners from both Arichat and Cape LaRonde. At this service a beautiful credence table was dedicated by Canon Arnold in memory of the late D'Auvergne Hubert Cutler and was donated by the Cutler family.

Canon Arnold delivered a very impressive sermon in keeping with the blessed season of Easter.

Remi LeBlanc

Remi LeBlanc, age 87 years, passed away at Halifax, last Tuesday. The late Mr. LeBlanc resided in Arichat (head of harbor), the greater part of his life. Due to ill health he took up residence with one of his son's in Halifax, a few months ago.

The late Mr. LeBlanc's second wife predeceased him several years ago. Several children survive, 14 of which were in attendance at the funeral which took place from Notre Dame Church, with Very Rev. A. P. Poirier, officiating.

The remains were brought here from Halifax by C. A. Boucher, Funeral Director, who was also in charge of funeral arrangements. Six sons of the deceased acted as pallbearers..

ADDITION TO NOVA SCOTIAN HOTEL

(Continued from Page 1)

accommodtion in the hotel. It will be fully air-conditioned as will all public rooms in the older section.

The second to tenth floors will be typical bedroom floors. On the mezzanine floor a new ballroom will be built to accommodate 600 for dining and 800 for meetings. The present balroom will become a banquet and meeting room, enlarged to handle 430 for dining and about 630 for meetings. A service kitchen will be conveniently located to serve these public rooms.

The main kitchen, now located in the basement of the hotel, will be moved to the main floor adjacent to the new dining room, cafeteria and four private dining rooms. One of these private salons is to be built on the mezzanine floor and three on the main floor of the present building with seating capacity varying from 40 to 200 persons. The present dining room and front office are to be relocated.

New passenger and service elevators will be installed in the hotel and an entrance direct to the passenger elevators will be built from a new parking area at the rear of the hotel.

The present basement will be renovated to provide for shops and storage space and fully automatic laundry.
