Arichat Has Old Forge

Provincial Sites Draws Tourists

Throughout different parts of the province tourists are attracted by some land mark or historic site which induces sight-seers to visit. At Louisbourg we have the ruins of the old French fortress and a Musuem. In northern Cape Breton we have the Keltic Lodge and Cabot Trail; Baddeck has its Graham Bell Museum and other parts of the province have their attractions too numerous to mention.

Arichat one of the oldest ports the Eastern Atlantic seaboard and noted during the days of "wooden ships and iron men" has very little left to mark its early history.

One building in the community stands out as a memorial to those early days and that is the old stone forge, owned by Mr. C. S. Malzard, the walls of which are still standing. Two brothers by name of LeNoir, came to Arichat from France, as locksmiths, in the early days of this port, and built this stone structure where they manufactured locks, however this business was not as profitable as anticipated and to cope with the demand for iron work in the building and repairing of ships these skilled iraftsmen converted their plant into a forge and from here most of the anchors and iron fittings for a ship were supplied.

Men from all over Cape Breton came here to take up their apprenticeship in the blacksmith trade. The name LeNoir became legendary in Cape Breton among the skilled blacksmiths of the early days. Only a few years back a man by the name of MacLeod visited our office, and informed us at that time that his great-grandfather had taken his apprenticeship at the LeNoir forge and when we pointed out the old building he was more than surprised that the old building was still standing and remarked: "I believe one of the LeNoir brothers was a stone mason and further stated—he must have been a good one."

Gone are the early days—but still remains relics of those days which if converted to their natural form could attract tourists and at the same time keep alive the historic heritage that was once the pride of a great seaport and to the men who went down to the sea in ships.

HAILING ARICHAT
(Cape Breton Post)

Isle Madame is a portion of Cape Breton Island that we respect—knowing of the endeavors, the good hearts and the gallantry of the people there. That which too many Sydney people take for granted the man of Isle Madame knows cannot be had without individual shouldering his share of the load.

Again and again it is noted that it is the rural person, from child to man, who looks frankly and without embarrassment at the realities. City people too often ignore their obligation.

There's nothing in the city to match the rural pride of being exactly in the place where one belongs. This simply is by way of leading up to the fact that credit is due good people for the opening of Ste. Anne Hospital on Sunday at Arichat. The story was told in terms of people, time and circumstance in this newspaper Wednesday.

SEALED TENDERS addressed to the undersigned, and endorsed "TENDER FOR WHARF IMPROVEMENTS, SYDNEY, CAPE BRETON COUNTY, N. S.", will be received in the office of the Secretary, until 3.00p.m. (EDST). WEDNESDAY, AUGUST 20, 1958.

Plans and specification can be seen and forms of tender obtained at the office of the Chief Engineer, Department of Public Works, Ottawa, Ontario, at the office of the District Engineer, Department of Public Works, Public Building, P. O. Box 875, Halifax N. S., and at the Post Offices, at Sydney and New Glasgow, N. S.

To be considered each tender must be accompanied by a security in the form of a certified cheque or Bonds as specified in the form of tender and made on the printed forms supplied by Department and in accordance with the conditions set forth therein.

The Department, through the Chief Engineer's office (H. & R.), or through the undersigned, or through the office of the District Engineer at Halifax, N. S., will supply blue prints and specification of the work on deposit of a sum of $25.00 in the form of a CERTIFIED bank cheque or miney-order payable to the order of the RECEIVER GENERAL OF CANADA. The deposit will be released on return of the blueprints and specification in good condition within a month from the date of reception of tenders. If not returned within that period the deposit will be forfeited.

The lowest or any tender not necessarily accepted.

River Bourgeois

(Continued From Page 1)

geois. Two Samson's, Haward and Garvey locked in a close pitching duel for part of the game, with River Bourgeois' Garvey gaining the nod by a 1-0 score. In the 8th inning Cyril Martell relieved Howard. The climax of the game came in the 7th inning when big Georgie Boyd slammed a triple in left field, collided with base umpire Smith and before Smithy could dust off his Sunday pants Gerald Robertson had sacrificed Georgie home with a long hit to right field. Both teams played sharpening baseball and it was the opinion of many that this was the best game seen in years on the local diamond. The River Bourgeois Tigers are currently holding first place in the Richmond County Baseball League at time of writing. A lot of credit goes to Jim Bouchie, manager of the River Bourgeois Baseball Team. Jim is often seen with the players working to improve the field.

Mrs. Hariett Ann Thibeau of Burnt Hill, Thibeauville passed away at the home of her son Gilbert of Buffalo, N. Y. Mrs. Thibeau was in her 84th year. She is survived by one son, Gilbert and one daughter Alma (Mrs. Wallace Cavanaugh). One grandson of the deceased is a Society of the Divine Word Missionary Priest. Burial took place from St. Mary's Church of Swormville, N. Y.

Harold Bouchie died at his home in Halifax. Harold was grandson of the late Mrs. Mary Bouchie.

Johnnie Goswell who lived at Sporting Mountain passed away in Halifax lately. Mr. Goswell was well-known to the people of River Bourgeois during horse and buggy days. He was 92 years of age at the time of his death.

We are grateful to a friend of the bride and groom for the following write-up of their wedding: Two of the most popular young members of this community were united in marriage at St. John the Baptist Church on July 1st., when Mary Monica, youngest daughter of Mr. and Mrs. Amable I. Burke became the bride of Stanislaus Terrance, only son of Mr. and Mrs. Whitney McPhee.

A large gathering of friends and relatives attended the Nuptial Mass, solemnized by Rev. Fr. F. Samson, who officiated at the double-ring ceremony. The charming young bride looked more beautiful than ever was attended by the Misses Germaine Digout and Marie Rent, while Paul Baccardax and Patrick Burke, brother of the bride acted as groomsmen.

Following the ceremony nearly one hundred guests attended the reception which was held at the home of the bride's parents. The toast to the bride was given by Charles Digout of Spryfield, a friend of the newly weds. Immediately after the reception, the relative ofthe bride and close happy couple left for Prince Edward Island where they spent their honeymoon. On their return will take up residence in their new home overlooking the harbour. To Mr. and Mrs. Stan McPhee, we join the many others in conveying our sincere and best wishes for a lifetime of joy and happiness. The Richmond Record also joins in the same wish.

The anniversary of D-Day, June 6th, did not pass unnoticed at River Bourgeois. It was shortly after this date that one of our veterans, Mark Samson, son of Mr. and Mrs. Paul Samson, was reported missing. Mark was the first soldier from this district to give his life for his country. Another brother, Edmund also died on the battlefield.

Flowers were planted as usual around our veterans' monument, and plans are being made to further their beautify the grounds.

(We are most grateful to Peter and Stan for sending us a copy of the River Round-Up and congratulate Nellie McPhee, on being a good pinch-hitting scribe for brother Stan. We are also glad to know that our good friend, Marie is going to make a Scottish dish of Haggis in the fall and we are looking for an invitation. We will bring some more River Ripples to our readers next issue. Editor.)
