Do You Remember When?

(By Old Timer)

The wharves of yesteryear have disappeared from the water front and so has the fleet of ships that made the name of Arichat known the world over.

Arichat was opened as an outport in the early 1800's probably about 1810. I might have to correct this date later.

The early records of the shipping registry were transferred to the Dominion Archives some years ago and at present there are few available records for the early years. But from 1855 to 1932, 413 ships were registered at this port. Considering that a number of vessels—including the Robins fleet which at one time numbered over 30— were operating out of Arichat and the surrounding harbors but registered at other ports, I believe that it would be safe to assume that at least 600 ships sailed out of this port during that period of 77 years. An interesting note is that of the 413 ships registered, 389 were registered between 1855 and 1900 and only 24 between 1900 and 1932.

For the next few months I shall attempt to record the full registry for that period, beginning with the years 1885 to 1932. The earlier records will come later as I can compile them. These records are necessarily short with the little material available, but I hope they will refresh the memories of the other old timers.

Only 3 ships were registered in 1885 as follows:

LIFE BOAT. Registered June 12, 1885, on transfer from Halifax, where previously registered in 1880. Built at Port Medway in 1862; two masted schooner; 48 tons; owned by Thomas Lavache Peter Campbell, David Lavache, Alexander Lavache, Charles LeBlanc, all of Arichat, Abram Meunier and Abram B. Gerroir of West Arichat. The original owners gradually sold out their shares until in 1887 she was solely owned by P. Blancpied of Arichat. In 1897 she was sold to Daniel Anderson of Charlottetown and registry transferred to that port on Oct. 9, 1900.

ELLA BLANCHE. Registered July 7, 1885. Built at Gilbert's Cove, Digby Co. in 1880; two masted schooner, 123.12 tons; owned by Augustus Benoit, Peter Campbell and Isidore LeBlanc Jr all of Arichat. Wrecked on the shores of the Isthmus of Panama March 5, 1886.

S. E. COVE. Registered Dec. 29, 1885 on transfer from Halifax, where previously registered in 1867. Built at Port Medway in 1886; two-masted schooner; 54.42 tons. Owner Arthur Thomas LeBlanc of Arichat. Subsequent owners and co-owners — Peter Campbell, 1887, Stanage Binet, 1887. It was rebuilt at Arichat in 1889 and sold to F. W. Bissett of River Bourgeois in 1894. Registry transferred to Halifax on April 30, 1894.

Regional Convention Assumption Society A Noted Success

Louisdale, N.S.—One of the best attended Regional Conventions of the Assumption Society was held Sunday, Sept. 27 at Louisdale. The Convention opened with a meeting of delegates from the different branches of the Assumption Society in the diocese of Antigonish. There were delegates from Cheticamp, New Waterford, Reserve Mines and from many other parishes of the diocese. Also in attendance were many religious of the Congregation of Les Filles de Jesus. Many matters pertaining to the establishment and the functioning of the Branches of the Assupmtion Society wre discussed. The new Executive Committee of the Convention and the organizer for the area were charged with the reorganization of inactive branches and the establishment of new ones.

At 5.00 p.m. a solemn high mass was held in the Saint Louis Church. Very Rev. A.P. Poirier, P.P., V.F. of Arichat was celebrant. Rev. P. Baccardax, P.P., of Pomquet acted as deacon and Rev. James Pelletier, Administrator at D'Escousse acted as subdeacon, and the Rev. C. P. Girroir P.P. Louisdale acted as master of ceremonies. Others present were the Most Reverend Georges L. Landry D.D. pastor of Mount Carmel Parish New Waterford, Rev. Dr. Charles J. Forest PP at Petit de Grat, Rev. Jovite Doucet C.J.M. assistant at Cheticamp.

The main church was filled to capacity and in the congregation were many religious of the Congregation of the Filles de Jesus. It is evident that these teaching sisters are making an effort to keep abreast of what is being done to foster French Education and French Culture in this area, not only do they keep abreast of what is going on but they themselves are doing much to help the French cause.

The third and last event of the day was a banquet held at the St. Louis Parish Hall presided by Rev. C.P. Girroir, president of the Convention at which over 130 persons participated. Music and songs were rendered during the meal. After the Most Rev. Georges L. Landry, D.D. and the spoke to the gathering; both Very Rev. A.P. Poirier P.P. V.F. stdessed the importance of cultivating the French customs and the French language. Mr. Simon Bujold, general treasurer of the Assumption Society then spoke on the organization of the Society and spoke on the National Society of the Acadians.

The success of this Convention is due to the Executive Committee, the Saint Louis Subdivision of the CWL who prepared the banquet and to all those who participated in the activities of the Convention.

Appreciation is extended to all those who helped make this Convention a success

Clergy Honoured At D'Escousse

On August 26, the parishioners of Saint Hyacinth met in their parochial hall to pay a tribute of gratitude to two venerated and beloved priests Reverend Wilfred Boucher and Reverend John J. MacDonald.

Reverend Father Boucher had been parish priest in D'Escousse for over fifty years. Now, he has decided to take a well deserved rest and has offered his resignation as Pastor. Reverend Jacques Pelletier from St. Agapit, Quebec has been named administrator of St. Hyacinth. We are happy to think that our venerable Spiritual Father will reside in the parish. He will always be "Our Father Boucher".

The first half of the evening was dedicated to honor this venerated priest. An address of gratitude was read by Mr. Lauchlin Poirier. Well chosen songs were perfectly rendered by the girl's choir which was under the direction of Mr Dennis Britten. The piano was played by Mr. Ulric Bourque. As no earthly gift was considered worthy enough to be offered to the priest who has consecrated over fifty years of his life for us, a rich Spiritual Bouquet-offering of the parishioners was presented by a young child. "May God Almighty reward you, dear Father Boucher, for everything".

We had the honor to have with us for this occasion two sons of the parish, Reverend Alex Poirier v.f. Pastor of Arichat and Rev. Pierre Baccardax, parish priest in Pomquet. Reverend Albert Doucet of West Arichat accompanied them. Both Father Poirier and Father Baccardax paid a tribute of filial gratitude to the venerated pastor who guided their steps toward the Holy Priesthood. They also paid homage to the priestly virtues of the "Bon Pere Boucher". Mr. Harry MacDonald, master of ceremonies in the name of all the parishioners, thanked Father Boucher for his almost innumerable years of devotedness.

A break was given and during this time a copious and delicious lunch was distributed by the ladies to all present.

The second half of the evening was dedicated to honor Rev. Father John J. MacDonald who has been workng in this parish for almost a year. During his short stay with us Father MacDonald accomplished a tremendous amount of work. The old French sayings: "Il a passe en faisant le bien" and "Il a accompli une longue carriere en peu de temps" can very well be applied to him. His unconquerable courge and devotedness have won for him the heart of each and every parishioner. Father MacDonald is returning to St. Joseph Parish in Bras d'Or, where he no doubt will dedicate his life for the welfare of others and the salvation of souls.

A short address was read by Mr Benedict Britten, a considerable sum of money in gratitude from the parishioners was presented to Reverend Father MacDonald by a young child.

The evening ended with this song:

This little light of mine
I'm gonna let it shine
All the way from Rocky Bay
All the way from Cape la Ronde
All the way from Poirierville
All the way from D'Escousse
All the way from Poulamond
All the way to Bras d'Or.

Confirmation At St. John's Church

Rt. Rev. W. W. Davis, D.D., Bishop--Coadjutor, of the Anglican Diocese of Nova Scotia, held a service of confirmation at St. John's Anglican Church, Arichat, on Friday evening, October 2nd. In attendance at the Service was Archdeacon A. F. Arnold, Priest-in-charge of St. John's, who presented 15 Candidates, to his Lordship for Confirmation.

A beautiful Bishop's Chair donated to the parish by the Cutler family in memory of their late mother, Mrs. Elizabeth MacLean Cutler was dedicated. In dedicating this chair to the memory of the late Mrs. Cutler and to the glory of God, Bishop Davis in his remarks that followed said he felt honoured in blessing this chair on this his first visit to the parish and that he was to be further honoured with being the first Bishop to sit in the chair at that particular service.

Bishop Davis delivered a very impressive sermon on Confirmation basing his text on the "Laying on of Hands."

On Saturday morning the Bishop was celebrant at Holy Communion, in St. John's Church when the newly confirmed candidates made their first communion. A large number of parishoners also attended the Communion Service.

Bishop Davis left for Sydney on Saturday and was accompanied from there by Archdeacon F. H. Holborow, to Neil's Harbor where the Bishop would hold a Confirmation Service and dedicate a Church Hall at Ingonish North.

REPAIRS TO HOSPITAL

Considerable reparis have been made to Saint Ann's Hospital, Arichat. The work was in charge of Councillor Simon LeBlanc.

This building was known as the Glebe House and was built for the Bishop's palace and was occupied as such during the time when Arichat was the seat of the Diocese.

The Red Cross operated this hospital for some years prior to the Rev. Sisters taking over its operation two years ago.

We understand plans are at present under consideration to build a new and modern hospital to care for the medical needs of our population.

Harvesting Cranberries

The harvesting of the Cranberry Crop at Duke of York Meadow, is well underway and J. J. Latimer the progressive owner and operator reports a good crop. He also reports a heavy frost period during the growing season and was fortunate with a surplus of water for flooding of this big meadow. When it comes to growing cranberries we are safe in stating that Mr. Latimer is one of the best authorities in this line in Nova Scotia and beyond its borders.

LIME

AN AID TO BETTER FARMING

Lime can make all the difference between a bumper crop and a poor one. What might have been a wretched crop of poor quality hay without lime, could be, with lime, an excellent crop running as high as 4 tons to the acre.

A SOUND INVESTMENT

Blast Lime: $1.50 per ton

Ground Limestone: $2.50 per ton.

in bulk carlots, delivered to your nearest railway siding. Transportation assistance on truck lots.

Good farmers find that lime is providing an investment return of about $10. for every dollar spent on lime!

ORDER NOW!

It is a good plan to spread your lime on sod land to be ploughed in the period immediately after harvesting. Nova Scotia's soils are sour, and need lime. The Department strongly advises you to order your lime NOW—to be sure of your best crop next year.

For information about the use and handling of lime, contact your local Agricultural Representative.

For the land's sake—use lime
