Do You Remember When?

By—OLD TIMER

With further reference to the early shipping history of Arichat. A memorandum from the Public Archives of Canada, Ottawa, informs me that Arichat was made a Port of Registry between the 24th. Sept. and the 6th. Oct. 1841.

Prior to this Arichat had been constituted a Free Port by an Order-in-Council of 11 Oct. 1839. A previous unsuccessful attempt, by petition, to have the status of Arichat raised from a Custom House Port of Registry was made on 4 April 1826. In view of this information I believe we could assume that Arichat was constituted an Out Port about 1810 as previously stated.

The first ship registered at Arichat was the "INDUSTRY" on the 25th Jan. 1842, M. O. Jean, Sub-Collector.

As of 1 July 1867 there were already 278 vessels on register at Arichat with a total tonnage of of 19,410 tons. Sixty of these were registered from 1842 to 1855, and 218 from 1855 to 1 July 1867.

Continuing the shipping registry:—

Broken up at Poulamond in 1904.

AREQUIPA. Reg. 1 April 1892. Previous registry Halifax, 1875. Built New Dublin in 1875 by Ronald B. Currie. Two-masted schr., 36 tons, owned by David Gruchy, D'Escousse. Subsequent owners—Philip Gruchy, 1893; Isidore Poirier and Arthur Forest, West Arichat, 1903; Hubert Poirier, West Arichat, 1905. Broken up at West Arichat in 1906.

COUNTING

If you sit down at set of sun
And count the acts that you have done,
And counting find
One self-denying deed, one word
That eased the heart of him who heard—
One glance most kind,
That fell like sunshine where it went—
Then you may count that day well spent.
But if, through all the livelong day,
You've nothing done that you can trace
That brought the sunshine to one face—
No act most small
That helped some soul and nothing cost—
Then count that day as worse than lost —George Eliot

County Council, a circular to Local Associations and to the Provincial Association. A scrapbook of Home and School publicity could be made by each Association. Mrs. Fred Samson mentioned she had attended the group discussion on the duties of officers. Also arising from the minutes was the question concerning visiting day for parents. It was decided that Sister Principal set the date.

The Treasurer's Report was adopted as given. The members voted that $150 be withdrawn from the Credit Union to pay the George Landry scholorship at Junior College and the balance be used to pay other expenses.

Reports from Conveners: Ways and eMans—Mrs. R. G. Samson. House card games would begin in each section this month. The following volunteers were applauded: Leo Gracie, Little Harbour; Mrs. E. A. Martell. Following a lively discussion it was moved that Mr. Oswald Baccardax be in charge of an educational program for the people who are not C. W. L. members and who wait from 7-8 p.m. for the Home and School. The content of this program has not been determined but we feel sure it will be of great interest to all. Father MacDonald then encouraged members to attend and support the Folk School, sponsored by C. Y. O., which will be held in the Co-Op. Hall on Dec. 1, 2 and Srd. Since the meeting plans have been finalized for the Folk School and it should be a great success.

Mrs. Cotie thanked the Conveners and handed the meeting over to Miss Sally Ann Mombourquette, program convener. "Eternal Chidren" was the title of the film shown. This film pointed out in a very clear way the problems of retarded children and especially the problem of slow learners. Discussion followed the film. Father MacDonald told of his experience with retarded children. Father MacDonald also also offered to get books for any member interested in studying the problem. The problem of retardation in this community was then discussed. On motion the following committee was appointed to study the problem in L'Ardoise: Father MacDonald, Mrs. Alexander Momboursuette, Sister Paula and Mrs. Anthony Samson.

The meeting adjourned on motion. A vote of thanks to the ladies for a "swell" lunch.

Lou.s.lale Home And School

The monthly meeting of the Louisdale Home and School Association was held on November the 5th, with Mrs. Viola Landry presiding.

The treasurer reported that the "penny sale" which had recently been held was a great success.

The ways and means committee discussed ways to raise money each month for the association. Mr. MacNeil gave a report on the Home and School workshop which he attended in St. Peters.

We were pleased to have as our guest Mr. Bezanger, representative of the Nova Scotia Power Commission. Mr. Bezanger outlined the fire hazards, which are most common in our homes today due to defective wiring. He demonstrated the advantages of having an inspection by the experts of the Power Commission. His talk was followed by a film: "Living Better Electrically" which made us appreciate the comforts that electricity brings us and left us with a desire for those comforts which we do not already possess.

After the adjournment of the meeting, refreshments were served by Mrs. William MacDonald, Mrs. Lawrence Marchand and Mrs. Norman Spurrell.

KNOW YOUR CANADA

WHO GOT SITTING BULL OUT OF CANADA?

Inspector James Morrow Walsh of the North West Mounted Police. Sitting Bull, the mighty Sioux warrrior, fled to Canada after exterminating Custer's force at the Little Big Horn in 1876. He and some of his band took refuge at Wood Mountain in what is now Saskatchewan. Inspector Walsh, stationed at Fort Macleod in present-day Alberta and noted for his courage and firmness in dealing with the Indians, persuaded Sitting Bull to return to the U. S. and surrender to the American authorities in 1881. In 1897, at the time of the gold rush, Walsh became superintendent of the NWMP and first commissioner of the Yukon Territory. Mount Walsh in the St. Elias range in the Yukon was named in his honour. Walsh, born at Prescott on the St. Lawrence in 1840, died in retirement at Brockville, Ont., in 1905.
