J. H. LeBrun's Ltd., Arichat, Open New IGA Food Market

97 Years Serving Patrons

Confident in the economic future of this area of Richmond County, J. H. LeBrun's Ltd., of Arichat have expanded their business and the doors of a modern IGA Groceteria will be opened to the public on Wednesday night at 6 p.m.

The official opening will be conducted by Mr. Bill Boland of Dartmouth, general manager of Boland's Ltd., in that town who holds the IGA Franchise for Nova Scotia.

The officers of J. H. LeBrun's Ltd., are J. H. LeBrun, President and General Manager of LeBruns Ltd. and IGA Groceteria. Gerald LeBrun is Vice-President and manager of J. H. LeBruns IGA Groceteria. Mr. LeBrun is a brother of J. H. LeBrun.

John E. LeBrun, son of J. H. LeBrun is manager of the Building Supply Division of the Company.

Aurel David is manager of the Hardware Department. A total of 14 persons are in the employ of J. H. LeBrun's Ltd.

Ninety-seven years ago this firm was established by the late John LeBrun who was only 16 years of of age and a native of Normandy, France. The business had a modest beginning, however as the years rolled on the firm began to enlarge. In 1907 a fire completely destroyed the general store and stock of LeBruns. Undaunted by this great disaster, Mr. LeBrun set up business in a store across from the present site and began construction of a new store which was completed in 1909 and contained three stories besides a large basement and was lighted by a carbide gas system.

Business was conducted here by the late Mr. LeBrun up to the time of his death in June 1923.

At this time the business was taken over by his son Arthur A. LeBrun up to 1935 when J. H. LeBrun took over the management. However his father retained an interest in the business until his death in 1958.

The original LeBrun store is 34 ft. by 48 ft. and three storeys high. The new groceteria and main store measure 34 ft. by 109 ft. and the second storey contains the same measurements.

The Groceteria addition was in charge of Benedict Boudreau head carpenter, of Arichat and is a credit to the skill of Mr. Boudreau and his workers.

The painting was in charge of Alzear David, local painter, who performed a very fine job. The white walls and acoustic ceiling lighted by full length fluorescent fixtures shows up the well displayed merchandise packed with IGA bargain products for the householder.

A large meat department in charge of an expert meat cutter is at the service of the public carrying meats of the Red Brand Tablerite variety, so well known in all IGA Stores across Canada.

Many valuable gifts will be given away to customers during the opening days from Wednesday to Saturday night. See posters and advts.

As well as the Groceteria and large building supply business LeBruns has a large furniture business, electrical appliances and gift department on the second floor where customers can browse around and enjoy the surroundings of a friendly shopping centre under one roof and where merchandise for every need can be found from the well chosen stock.

During the past several days arrangements have been underway at the Groceteria and Mr. Smith, Superintendent of the Cape Breton area of IGA has been on hand to assist the staff.

Mr. J. H. LeBrun, president of the Company invites you to visit the new store and assures the buying public of good service in all departments of the firm.

The Richmond County Record had the honor of printing the big opening poster for the firm and since the past 63 years has received advertising and printing for which we are most grateful and in closing offer our congratulations to LeBruns Ltd. in this venture and may their efforts be crowned with every success.

Do You Remember When?

BY OLD TIMER

Thirty of the ships registered from 1855 to 1934 are shown as having been built at Arichat. The oldest was the MARY, a two-masted schr. 21.61 tons, built in 1834. The last ship launched at Archat was in 1919, the RISK, a one-masted sloop, motor screw, 10.09 tons.

Two of the ships were three masted barques—The CAROLINE, 179.92 tons launched in 1856, and the COUNTY OF RICHMOND, 410.62 tons, launched in 1875. The latter was the largest ship launched at Arichat, owned by the Hon. Isidore LeBlanc member of the local legislature. It was his proud boast that he built the County of Richmond, owned the County of Richmond and sailed the County of Richmond, to the mystification of his hearers who did not realize that he was referring to his barque, not to the County he represented in Halifax.

Continuing the shipping registry:—

ELIZABETH. Reg. 7 May 1960. Previous registry Amherst. Built in the Magdalen Islands in 1854. Two-masted schr. 72.42 tons owned by Peter Martell, Petit de Grat. Wrecked off Pope's Harbor on voyage to Halifax in 1864.

Annual Municipal Report
E. C. Doyle, Clerk-Treasurer

Municipality of the
County of Richmond
Year A.D. 1960

Mr. Warden and Councillors:

Today it is our duty and our pleasure to officially welcome you to this, the second Annual Meeting of this 31st Council. But another remains to complete this three year Council cycle. Thus are elected bodies as is all of human endeavour borne along on the wings of time. However, their labours and solid achievements find a meet resting place on History's pages where they become bright beacons to illuminate the paths of the succeeding generations.

On the economic field of the future, consequent of the coming of much needed industry to our County, we now stand at the cross roads—the point at which courage and vision are required—else as a Municipal unit we perish. The lines and boundaries of the Planning Committee, now in skeleton form, must be the kind that will bind and knit Richmond areas together—otherwise our "finest flower" the Point Tupper Industrial Area will in time become incorporated into Municipal divisions other than ours. It is imperative that at this critical moment in our Municipal life we stand on Guard.

The financial year now under review, all things considered, was an average one. Tax collections, the life line of all Municipalities was 92.4 percent of our 1959 levy This ranks with the average in this Province, and was achieved at a minimum of costs to the taxpayers. Frequently, we observe that in other counties from seven to twelve thousand dollars is yearly paid out to tax collectors. In twenty years our method of tax collections has saved Richmond County over One Hundred Thousand Dollars.

Our School Building Program, owing to "tight money" experienced a drastic curtailment. Of the scheduled slate but the Little Anse and Barra Head projects were accomplished. The St. Peters, L'Ardoise and West Bay area School Sections yet await the clearing of the Financial skies.

During the year, as you directed, repairs and improvements were made to Municipal property. New cement steps with metal hand railing were provided the Municipal Office entrance—the offce was redecorated and more office furniture provided. The north foundation wall of the Royal Bank quarters was rebuilt to prevent frosts getting at the plumbing and water supply.

Complete new cement steps were built at the Court House entrance. The Roman design columns that adorn this building were taken down, repaired and reset. A new hardwood floor was placed in the entrance hall—a tile floor laid in the kitchen thereof.

The idea of painting the exterior owing to wet weather, scarcity of painters and the fact more repairs are first needed was left in abeyance. We suggest the committee take another look at the eastern elevation which seems to require new shingles—and the front side windows and cornice repairs.

The receipts and expenditures, on a Cash basis will follow: Thus ends the last Chapter.

The second is our announcement—that effective March 1st, A. D. 1960—we will retire from this position—which includes the duties of Municipal Clerk and Treasurer, Tax Collector, Secretary Treasurer of the Municipal School Board, etc., after a tenure of twenty five years. A long period in a lifetime—but constrasted with the fleeting footsteps of endless time is as a Meteor flashed across a stormy sky.

Through it all we have at all times and at all places, heedless of race, creed, or political affiliations tried to discharge our duty in keeping with the Law and our Oath of Office—edged on in this by an inherent Love of public service and our WILL to—on the Municipal Field—make two blades of grass grow—where but one or none existed. Did we succeed in this? The records and History will give the Answer.

To the army of fellow citizens and the Richmond Record who sheltered my reputation and that of my family, and by so doing gave me real assistance in meeting the requirements of this thankless job I extend my heartfelt thanks. I shall never forget them. Likewise the many Municipal Councils who came and went as the years rolled by. Frequently did the latter accord us a vote of Thanks.

In conclusion, be it understood I am but retiring from the Municipal Office. As always while strength remains—the latter we feel will now renew itself in the lull we shall now have after twenty-five years of continuous Municipal activity—the truth is we never took a real holiday—neither did we ever miss a day from the office desk—like the Brook we just went on each and every day—we shall, God willing, continue our interest in our County and Country.

Accordingly, Mr. Warden—the Councillors of the moment and those of yester-years—my fellow citizens of every rank and file—do not now say Good-Night—await a brighter day and under its Kindly Sky bid me GOOD MORNING.

Respectfully submitted,
E. C. DOYLE,
Clerk-Treasurer

Award Contract For New Mill

HALIFAX — Construction of a $40,000,000 pulp mill near Point Tupper will result in employment opportunities for nearly 1,500 persons within two years, Hon. E. A. Manson, Minister of Trade and Industry for Nova Scotia, said recently.

Mr. Manson was commenting on the announcemet by Nova Scotia Pulp Limited that it has awarded a contract worth about $13,000,000 for construction of buildings and other projects at the mill site.

Ten buildings, including the main building, administration building and boiler house; installation of machinery, and constructoin of a pipe line to carry water from the mainland side of the Strait of Canso to the mill, are provided for in the contract.

Mr. Manson said completion date for work specified in the contract is January, 1962.

Mill machinery already has been ordered and delivery dates have been set to enable the mill to be in full operation by early 1962," he said.

"Between 300 and 350 persons will be employed in the mill itself when production starts. Employment opportunities eventually will be provided for nearly

LeBrun's Expand Business Operations

The establishment of a business in a community or the expansion of present business operations is most heartening and speaks well for the future.

This issue of the Record contains advertising from various business places congratulating J. H. LeBruns Ltd. on the opening of an IGA Groceteria.

The firm of LeBruns has been in business at the same site in Arichat for the past 97 years and has been conducted by members of that family ever since.

Conducting a business in a small town has its drawbacks and when one takes into consideration that LeBruns have been operating for nearly a century, speaks well of the management. This firm has witnessed the early sailing days when Arichat was one of the most important ports in eastern Canada when ships sailed to the West Indies and other foreign parts of the world in the exchange of commodities of that day.

This firm saw the sailing ships give way to steam and railroading and a once proud fleet diminish in the wake of modern ways of transportation, thus leaving the economy of Richmond County to take on new means of survival.

The firm saw the horse and buggy days give way to the motor car; dirt roads replaced by modern paved highways.

Step by step LeBruns followed the trend of the times and today a modern groceteria is at the service of their patrons.

We join with our advertisers in congratulating LeBruns Ltd. on this venture and extend good wishes for the years ahead.

West Arichat Notes

BABIN — ROUSSEAU

A wedding of widespread interest took place at the Immaculate Conception Church here recently when Miss Regeanne Rousseau daughter of Mr. and Mrs. Henry Rousseau of Bagotville, Que., became the bride of Francis Babin son of Mr. and Mrs. Wilfred Babin of West Arichat, Rev. Fr. Doucett performed the double ring ceremony and celebrated nuptial mass.

The bride who was given in marriage by Robert Poirier entered the church to the strains of the Bridal Chorus and looked lovely in a waltz length gown of white nylon net over taffeta with full skirt, tight bodice and short sleeves. She wore a matching circlet of feathers, long nylon gloves, and carried a bouquet of white and red roses with fern.

Mrs. Raymond Bona was maid of honor who wore blue organza over taffeta; matching headdress of tiny flowers, white mitts and she carried a bouquet of pink roses.

Cetus Babin was best man.

A reception followed the ceremony at the Arichat Hotel, for about fifty guests. The bride's table was covered with a linen cloth and centered with a three-tier wedding cake. Rev. Fr. Doucett proposed the toast to the bride to which the groom responded.

The young couple later left on a honeymoon trip to Newcastle, N.B. On their return they will reside here.

We join with their many friends in wishing them a long and happy wedded life.

John Theriault was a motor visitor from Halifax, guest of his brother and sister-in-law, Mr. and Mrs. Amedee J. Theriault, Port Royal.

Congratulations are extended to Mr. and Mrs. John Babin on the birth of a daughter at St. Martha's Hospital recently.

Wilfred Babin, accompanied by Mrs. Rose Foregron and Mr. and Mrs. Leo Meunier were motor visitors to Antigonish guests of Mr. Babin's son and daughter in law Mr. and Mrs. John Babin.

We regret to learn that Mrs. Alfred Forgeron, Port Royal is a patient at St. Martha's Hospital Antigonish. We wish her a speedy recovery.

JEFFREY LeBLANC

One of our highly respected citizens Jeffrey LeBlanc passed away at his home at Port Royal recently after a lengthy illness.

He was a devout member of the Roman Catholic Church and was in his 85th year. Mr. LeBlanc was unmarried and leaves one brother Emile at Port Royal.

The funeral took place on Monday with Rev. Fr. Doucett officiating. Interment in the church cemetery. C. A. Boucher, funeral director, Arichat, was in charge of arrangements.

We extend our sympathy to the bereaved brother.

Chicken Italienne
A Chafing Dish Specialty

We're right in the heart of guest greeting season. Enthusiastic hostesses search for striking ideas to highlight their holiday buffet. A wise hostess relies on quick foods from her "cantry" . . . cans of savory spaghetti in tomato sauce with cheese and convenient cans of boned chicken. Combine the two for a casserole both flavorful and pretty, made in just seconds on top of the range. Serve in a handsome chafing dish for an elegant entree, Chicken Italienne, a 'tingle with onion and herb seasoning.

For a warm "little supper" atmosphere, complete the menu with toasted English muffins, a chilled, crisp green salad and lots of piping hot coffee served from your favorite carafe. Fill a favorite glass bowl with Tinted Peaches to catch the sparkle of the gleaming candle light.

This menu of sheer simplicity is designed to enhance your reputation as an accomplished hostess. From start to finish it is a snap to prepare, delightful to look at . . . and delicious!

CHICKEN ITALIENNE

- 1 tablespoon butter or margarine, melted
- ¼ cup chopped onion
- ⅛ teaspoon oregano
- 1 can (5 ounces) boned chicken
- 2 cans (15 ounces each) spaghetti in tomato sauce with cheese

In butter, cook onion and oregano. Add chicken and spaghetti. Heat thoroughly. Makes 4 to 6 servings. (For buffet service, keep hot in chafing dish over alcohol lamp or candle warmer.)

TINTED PEACHES

Pour one package of just thawed frozen red raspberries over a 16-ounce package of frozen sliced peaches. Serve when a few of the ice crystals are still remaining.

In Good Health

Some time ago we had a letter from Mrs. Sam Gagnon (nee Alberta Grimes) of Edmonton, Alta., and we were glad to learn that Mr. Gagnon was much improved in health and that her mother Mrs. Maria Grimes was also in good health. Mrs. Grimes was recovering from the effects of a broken leg which necessitated the placing of a silver pin through the bone. She is now getting about with the aid of two canes and we are told that she is happy and mentally alert.

Mr. and Mrs. Gagnon spent some time in Tuscon, Arizona, returning early in the summer due to Mrs. Grimes being in hospital.

Mr. Gagnon had been in Hospital but was expected home shortly after we received Mrs. Gagnon's letter.

Former residents of Arichat, Mrs. Grimes and her daughter, Alberta, will be remembered by many old friends who will join with us in wishing them every happiness and a speedy recovery to health.

Old Timer Finds The Answer

Editor, Richmond Record,

Dear Sir: — Remember when I asked in one of my earlier columns whether a swordfish showed one fin and a "horse mackerel" two fins, or was it vice versa?

Well, I have been given the following data:—

A swordfish shows one fin which is stationary.

A shark also shows one fin, but it moves from side to side.

A "horse mackerel" or tuna shows two "fins", but the back one is not actually a fin but the tip of the forked tail of the fish.

I wish to thank both A. E. E. Terrio, fisheries protection officer and Martin Picco, skipper of the Scatarie Light, for supplying me with the above nformation.

Sincerely,

"THE OLD TIMER"

GRAND RIVER HOME AND SCHOOL

(Continued from Page 1)

This being Founders' Night the climax of the meeting was attained when a lovely Birthday Cake with 8 candles was placed on the table and served to the members by the hostesses. The Founders Day collection amounted to $4.25.

The meeting closed with God Save the Queen.

Celebrates His 94th Birthday

Boudreauville — A very pleasant evening was spent at the home of Mr. Alfred Boudreau recently, the occasion being his 94th birthday.

The evening was spent in card playing, singing and music. Among those present were his four daughters, Mrs. Robert Marchand, Mrs. Alzear Fougere, Mrs. Alexander Fougere, Mrs. Wallace Fougere; one son Benedict Boudreau; 22 grandchildren and 7 great grandchildren. One daughter Mrs. Arthur Martell, who now resides in Ontario was not present.

Mrs Benedict Boudreau served refreshments to all present. A three-tier birthday cake centered the table. Mr. Boudreau received many beautiful gifts which were opened by his granddaughter Brenda.

Mr. Boudreau expressed his thanks to all present.

For thirty years Mr. Boudreau was the organist at St. Joseph's R. C. Church, Petit de Grat. He has lived all his life in Boudreauville where he owned a grocery store. A few years ago, his only son Benedict, took over his business. He was also postmaster at Boudreauville for many years.

He is still very active and alert, despite his advanced years and his daily pastime is reading the newspapers.

We join with his many friends in wishing him many happy returns.

High-Lights--Annual Session Municipal Council

On the opening day, January 26th, 1960, all Councillors were present at roll call, with Warden Byron S. Langley, presiding, he opened the proceedings by leading in the recital of the Lord's Prayer, in which all Councillors participated.

Warden Langley gave a very encouraging address and outlined the agenda of the Session. He stressed the importance of the new Pulp Mill development at Point Tupper and said that this would be a major boost in the economy of Richmond County.

This was followed by the reading of the Yearly Report of Dr. G. R. Deveau, County Medical Health Officer. On the whole it gave real evidence that good health was on the march in Richmond County. Dr. Deveau was re-appointed Health Offcer for 1960.

Mr. George Wood representative for the Canadian National Institute for the Blind in the Cape Breton Area, himself totally blind, skillfully described the need and capacity of his organization.

Warden Lieverman of the Municipality of the County of Halifax and also the President of the Union of Nova Scotia Municipalities, delivered a reasonable and well prepared rendition of Municipal activities in Municipal and Provincal levels. He was accompanied by Mrs. Roberts, widow of the late Judge Roberts, the founder and long-time secretary-treasurer of this worthy organization. This cultured and scholarly lady succeeded her late lamented husband in the secretaryship and is now recognized as a worthy successor of a worthy man, Mrs. Roberts delivered a short but pointed and witty address.

On conclusion both distinguished visitors were accorded a sincere vote of thanks by the Council.

On Wednesday opening a committee was appointed to study and report back to the Council its findings on the Councillor increase of salary question—as related to the existing by-law.

A resolution on the firecracker nuisance was adopted.

The Councillor Salary Committee reported back to Council, recommended an increase of $50.00 for the councillors and $100.00 for the Warden—plus 10 cents mileage for once coming and going from the Annual Meeting.

The Council approved in principal the idea of building a hospital in Richmond County, as a Municipal project.

The long time Clerk-Treasurer, E. C. Doyle, announced his retirement from this position which he so faithfully and efficiently filled. Mr. Doyle's retirement to be effective from March 1st. Mr. Doyle's report appears in this issue.

On the Thursday morning opening Veteran Councillor and ex-warden, James H. MacIntosh, addressed the Council. Mr. MacIntosh appreciated the fact that two associates of his Council days of 35 years past had again returned to active Municipal politics. He stressed the point that whilst taxes were much lower in his time the situation grew out of the fact public demands for social services were much lower.

Mr. George Caldwell, executive officer of the Children's Aid Society of Cape Breton addressed the Council.

Dr. J. R. Chiasson, Inspector of Schools, presented his annual report to Council.

Approved the principle of appointing three persons in each district to be known as Boards of Fire Escapes.

Resolved that Councillors receive $10.00 per day and the usual mileage for attending the Special meetings of Council.

Resolved that the same stipends prevail in the case of Councillors attending committee meetings of which they are members, in the periods between Annual Meetings.

On Friday Mr. U. J. Harrington, Municipal Commissioner, attended and assisted with the preparation of the Budget—which was ultimately fixed at $292,-255,00.

The Assessors salary was fixed at $4,680 per year, embodying a three year contract.

On Saturday the Council resolved that the by-law fixing the openng date of Annual Meeting of Councillors be changed to read the 4th Monday of January instead of the fourth Tuesday as now established.

Authorized the Municipal Clerk to contact the Department of Municipal Affairs re an issue of $170,000 of Municipal School Bonds. Applicable to the St. Peters, L'Ardoise and West Bay projects.

Resolved that a revision of Council seats be effected to the extent of providing two additional seats in the Isle Madame area.

Appointed Mr. Joseph Flood as new Municipal Clerk-Treasurer—to succeed E. C. Doyle on the first March 1960.

Appointed Raymond LeBlanc, the Deputy-Treasurer.

Approved the principle of assessing personal property to the extent of 20 percent of Real property.

Approved the Metropolitan Planning Board idea of a Village site as amended by moving the River Inhabitants boundary to the village of Louisdale.

Resolved that River Inhabitants be provided with a modern Bridge at the McCarthy's Ferry site coupled with a paved road linked with the Louisdale Village road—via Whiteside, Walkerville, Evanston, over the proposed bridge and on to Point Tupper.

After God Save Our Queen, the meeting adjourned.

L'ARDOISE C.Y.O. NEWS

1960 proves to be a very busy one for the L'Ardoise Catholic Youth Organization. Already a major play has gotten underway and a great deal of hard work has bogun. This play will be staged around the middle of March.

The organization held a meeting on Friday January 22 in the new parish centre with president Jerome Martell presiding. The meeting opened with prayer by Rev. Fr. MacDonald, spiritual advisor.

Business concerning the forthcoming play was discussed and committees appointed. A stage crew and costume committee were chosen.

A social for Valentine's Day was discussed and it was decided that a box social would be suitable.

There being no further business the meeting adjourned..

L'ARDOISE C. W. L. NEWS

The monthly meeting of the CWL L'Ardoise parish council was held recently with Mrs. R.G. Sampson presiding.

Correspondence read included letters of thanks acknowledging Christmas gifts for shut-ins; donations to the needy and for Masses and spiritual bouquets to sick and deceased relatives of members. A letter of appreciation was read from a seminary student of the parish acknowledging personal donations from CWL members of this parish.

Twelve boxes of clothing and groceries were sent out at Xmas to the needy of the parish.

It was moved that money fora parcel of food be sent to CARE also that a quilt be made to raise funds for the organization.

Members were asked to collect a parcel of religious articles for Immigration at Halifax.

The president's message was read after which the meeting adjourned and lunch was served.

"It is gratifying to see developments taking place so rapidly and to know that the company is making every effort to have the plant in production as quickly as possible.

The poject is one of the largest that has been undertaken in the Atlantic Provinces and the economic benefits to the Strait of Canso area, Cape Breton Island and Nova Scotia generally, will be substantial.."

Mr. Manson said the company's chief forester, Hans Lindberg, now is in Sweden and that he would be moving to Nova Scotia to take up residence in the province within the next two or three months.

Mr. Lindberg's first duties will be to organize a forestry staff, set up camps and arrange contracts with woodlot owners.

Mr. Manson pointed out that the company will require pulpwood in eight-foot lengths rather than the conventional four-foot length, because of the size of some of the mill equipment.
