## SUGAR AND SPICE by Bill Smiley

### Of Sewage And Me

I was telling you in last week's column how I was shanghaied into the teaching profession, and how teaching has been good to me.

**But I don't want anyone to go away with the mistaken idea that it has been roses all the way. When I was in the newspaper business, I used to get home, have a couple of drinks before dinner, just to unwind a bit. Strictly medicinal.**

When I came into teaching, I got home from work at 4 o'clock and was so unwound by dinner time I was practically paralyzed.

This year, our school is working a double shift. Our shift begins at a quarter to eight in the a. m. I get home from work at 1.15 in the afternoon. I have little doubt that my liver is the texture of marble and the color of a baboon's behind. I have great doubt that I'll last until Christmas. People on the early shift should get hardship pay.

Another misconception I'd hate to leave with anyone is that I came into teaching as a refugee. because I couldn't make it in the newspaper business. Not so.

Not only was I making sporadic payments on the mortgage, but I was dragging home anywhere up to $35 a week, clear. And, if I do say it myself, I was a pretty important figure in the community.

**For example, I look back with unconcealed and justifiable pride to my four years as President of the Bruce County Publishers' Association. That's a mighty important post, with about 10 weeklies in the County.**

Well, sir, before my term of office, the annual meetings were regular donnybrooks. The publishers, last of a fierce and independent breed, puarreled fiercely about printing prices, stealing linotype operators from each other's sacred hunting grounds.

But during my entire sojourn in the President's office peace prevailed. There wasn't a bicker or a squabble. The secret? In four years, the President didn't call a single meeting. The Association has never run so smoothly,, before or since.

So, if you're having internal warfare in one of the organizations you belong to, there's your solution. Stop holding meeetings.

**Another position in which I made my mark was the Resort Association. I was President of it, too, and also for four years. When II took over, the outfit was struggling. Revenue was only about $2,000 a year. Most of this was spent on printing folders. In our plant.**

Well, I got keen, and started drumming up more money and urging a bigger and flossier folder. In the end, my twin activities bore fruit. Right in the end. We raised so much money and the folder designed was so fancy, that we could no longer print it in our plant, so they took it to an out-of-town printer. This is known as How Not To Get Along In Business By Really Trying.

But perhaps my finest hour was my career in municipal politics. The Bay bordering the home town was polluted and unfit for swimming. As editor of the paper, I had harassed the town council for years, trying to get action.

Finally, I ran for council, carefully choosing a year in which it was obvious that election would be by acclamation, not votes. I won. Within two years, I had spark-plugged the council into installing a new sewage disposal system that would end the pollution. It put the tax rate up about six mills for 60 years. But is was worth it.

There was only one thing wrong. The darn thing didn't work. Some silly little engineering detail about water not running up hill, or something. The Bay was once again polluted. I left town shortly after. And the words sewage and Smiley are still associated in the minds of the grateful ratepayers. Not many men have a living monument like that, during their own lifetime.

### NAME C. N. T. MANAGERS

Two Nova Scotians who rose through the ranks of Canadian National Telecommunications in the Maritimes have been named managers at Halifax and Sydney.

A. C. Dean, a native of New Glasgow, becomes CNT manager at Halifax. He joined the company in 1928 and held various positions throughout the Maritimes, in Moncton and Sydney.

Mr. Dean is married to the former Lily Backman of Lunenburg.

He is succeeded at Sydney by Gerald Keating, a third - generation CN railroader. Captain Red Keating, his grandfather, commanded the first CNR Scotia ferry across the Strait of Canso at the turn of the century.

A native of Port Hood, Gerald joined the company in 1948 and has worked for CNT at Shelburne, Perth, Summerside, Liverpool, Charlottetown, Fredericton and New Glasgow.

Married to the former Margaret Joan McLean of Sydney, Mr. Keating was senior repeater attendant at Sydney until his most recent promotion.

The appointments were announced by William Bellamy, superintendent of CNT's Maritime district.

### BABIN — DECOSTE

Immaculate Conception Church, West Arichat, was the scene of a pretty wedding on Nov. 27th. at 9:00 o'clock Mass, when Marinna DeCoste, daughter of Ernest and the late Mrs. DeCoste, became the bride of Howard Babin, son of Francis and the late Mrs. Babin, both of West Arichat, C. B.

The double ring ceremony was performed by Rev. Fr. A. Doucet. Mrs. Joseph Mury presided at the organ and accompanied the choir.

The bride entered the church with Edwin Landry, by whom she was given in marriage.

She was a picture of of loveliness in a full length gown of white satin, a fitted bodice with a full skirt ending in a slight train. It featured a sweetheart neckline with lily pointed sleeves. Her shoulder length veil of tulle illusion was held in place by a crown of pearls and rhinstones. She carried a bouquet of red roses with fern and satin streamers.

Mrs. Edwin Landry of Petit de Grat, was matron of honor, wearing a street length royal blue brocaded dress with a matching head piece of blue and silver. She carried a bouquet of yellow carnations- Edwin Landry supported the groom. The little flower girl was Ann Samson, niece of the groom, wearing a floor length dress of pink and white satin and a head piece of pink pearls. She carried a basket of pink roses with red petals. Blair Babin was the ring bearer, carrying a blue satin cushion.

Following the ceremony, the wedding party motored to the home of Mr. and Mrs. Leo Samson of Louisdale, where a breakfast was served. Later they took a motor trip and on their return a reception awaited them at the home of Mr. and Mrs. Valma Babin, West Arichat, for over two hundred guests.

The happy couple left on a honeymoon trip to Halifax. The bride chose a two-piece suit of beige boucle with brown and green accessories. Her corsage was of orange delight. They received many beautiful and costly gifts.

We join with their many friends in wishing them a long and happy wedded life.

### Speed, Style and Comfort

A new chapter has been written in the romance of railroading. I realized this the moment I entered Union Station in Toronto to travel by train to Montreal recently. Curious crowds, photographers with their press cameras slung over their shoulders and expectant travellers milled about a new entrance to train platforms in the main concourse of the station. The whole appearance had the expectancy of a happening. Even royalty could not have received a warmer welcome than those persons who had chosen to make the inaugural trip aboard CN's new train.

Employees who were given the special task of naming this fast train between Canada's two great cities must have a special gift for nomenclature. Nothing could be more appropriate than 'Rapido'. It has cut elapsed travel time to a minute less than five hours.

Dining and parlor cars have been remodelled. Warm red carpets in the latter enhance walnut panelling, lowered ceilings (masking indirect lighting) and red and gray leather seats marching in sets of three down the aisle to accommodate 48 passengers, are all as modern in design as tomorrow.

Canadian National chose the inauguration of this rapid service to show off new employee uniforms. These will be regular attire for train and station employees alike from now on.

Ticket clerks behind the station counters wear bright blue blazers.. Conductors, trainmen and gray serge, single breasted uniporters are smart in charcoal forms. When the train gets under way, the porter dons a bright red jacket. These are also worn by waiters in the dining car with white aprons.

### Infant Service Rates Cigars

Passengers were rather special on that first journey of the Rapido. The ladies each received a red or white carnation boutonniere tied with tricolored ribbons, the gentlemen, cigars. Cigarettes and mints were passed at the conclusion of an excellent meal which is always complimentary to parlor car passengers.

I had a rather warm feeling of hospitality, the kind of feeling one experiences when a guest in a gracious home. It is quite obvious our publicly owned railway is interested in the passenger business and willing to provide the kind of service that attracts this type of revenue.

There won't be flowers, smokes and a special inaugural steak dinner on every run of the Rapido. Punctuality and a smooth ride will be the standard to be maintained. This was set on that last day in October, 1965, when CN launched its first individual train service between Montreal and Toronto in 32 years. Gone are CN-CP pool trains. In their place CN has four trains daily and one other for special holiday periods covering every kind of service required by citizens residing in the area linking these two industrial empires.

### RICHMOND COUNTY SPEECH FESTIVAL

The Annual Speech Festival, sponsored by the Richmond County Council of Home and School Associations, was held in the Parish Hall at St. Peter's on Friday evening. Students of Grades VI to XII from various schools in the county spoke on a variety of interesting subjects.

Mr. James J. Campbell, Supervisor of Port Hawkesbury schools was adjudicator for the English Section of the program, and Dr. R. J. Chiasson, Extension Department St. F. X. University. Antigonish, adjudicated the French Section. Mrs. Eva Landry, Chairman of the Speech Festival Committee, presided, and trophies were awarded by Mr. Paul Doyle, President of the Richmond County Council of Home and School Associations. Mr. M. J. Belliveau, Inspector of Schools for Richmond County, spoke briefly on the value of speech festivals and the encouragement that should be given to students participating in this very important part of their education. He congratulated the pupils on the high quality of their speeches.

Receiving trophies were:

Gail MacKinnon, Johnstown (Class 4 (d) English Grade VI).

Vivian Campbell, Johnstown, (Class 4 (b) English Grades VII & VIII).

Vivian Martell, Arichat (Class 4 (c) French Grade VI)

Brenda Boudreau, Petit de Grat, (Class 4 (a) French Grades, VII & VIII.

Lester Swain, Point Tupper, Class 5 (b) English, Grades IX & X.

Frances Campbell, Johnstown, (Class 6 (b) English, Grades XI & XII)

Valmon Martell, L'Ardoise (Class 6 (a) French Grades XI & XII)

Laura Madden, L'Ardoise (Special Class)

Miss Madden was a contestant in the Class of French Original Speeches for English-speaking students. Mr. Valmon Martell of L'Ardoise received a special trophy donated for the best performance of the evening.

One-stop banking

In a few minutes they'll be out again, with all their banking done. Right now they want to cash a cheque, get something out of their safety deposit box, have their savings account book made up. Next time? He may be in about a loan; she to buy a money order for her aunt's birthday. An able, obliging staff looks after them; and should they need help on some financial problem, the manager is there — a good man to talk things over with. Complete service. Trained people. Convenient, *one-stop* banking at your chartered bank.

### ST. PETER'S PARK AND LENOIR FORGE AMONG ELEVEN NEW PROJECTS IN NOVA SCOTIA

Eleven new projects under the federal - provincial Centennial grants program have been approved by the Province of Nova Scotia and an increase of grants recommended in the case of two which had already been approved.

The announcement was made by the Hon. R A. Donahoe, attorney general and minister responsible for Centennial activities in the Province.

Grants to assist the Centennial projects were approved for the following: Annapolis Royal, Bible Hill, Fairview, East Preston, Chester, Mahone Bay, Arichat, St. Peter's, Yarmouth, Chapel Island and Lunenburg. Increases in grants were approved for Bridgetown and Shelburne.

The new projects include swimming pools, parks, recreation centres and a museum.

The approval of these 11 projects gives Nova Scotia a final total of 37 to be constructed under the Centennial grants program based on $1 per capita contributed by the federal government matched by an equal amount by the provincial government and the initiating agency.

### IMPROVED TELEVISION RECEPTION FOR THE SOUTH SHORE

We note with interest a large display advertisement in the "Coast Guard", of Shelburne, where the Canadian Broadcasting Co-Operation, have announced improved Television Reception for the South Shore and Yarmouth residents and a portion of this advertisement states:—"Work is now in progress on the re-location of the present Liverpool Television Antenna (CBHT-1 Channel 12) to a new 500 foot tower."

We feel that residents of Ile Madame, more especially at Arichat where reception is very poor, that this matter be brought to the attention of the Department of Transport or some other authority vested in this service.

A survey of Television Reception in this area should by undertaken and the local Board of Trade bring the matter before the proper authorities.

If other parts of the province are being looked after in this respect why not give Cape Breton some consideration. We still form a part of Nova Scotia!

### M. V. FAIRMORSE AT LUNENBURG

The M. V. Fairmorse of the Canso-Mulgrave Service, is in Lunenburg, undergoing extensive renovations and is at present replaced by a ship chartered by the Langley Shipping Ltd., owners of the Fairmorse and like the M. V. Vanaheim, of the Mulgrave-Arichat Route, is performing an excellent service.

Art. Langley, Jr., the President of Langley Shipping Limited, believes in having his ships in good shape and only a short time ago had the Vanaheim completely rebuilt at a shipyard, in Dayspring, Lunenburg County.

We congratulate Art for the splendid service his boats are performing here and at Canso.

Further congratulations is also offered Art on his re-election as Mayor of the town of Port Hawkesbury.

### WON'T SAIL ON CHRISTMAS

Yarmouth, N. S. — As in past years, the M. V. Bluenose will not sail on Christmas eve or Christmas eve or Christmas day. December 25.

The ship's tri - weekly winter service will be continued December 27 after the lay - over.

The Bluenose will be taken out of service for her annual dry-docking following cimpletion of her regularly - scheduled trip from Bar Habour, Saturday, January 15. The refit will take approximately a month to complete. This round trip of the Canadian National ferry is being cancelled because of traffic patterns on this holiday.

As a result, the vessel's crew can be with their families in the Yarmouth area for the holiday.

J. G. Davis, manager of CN's Maritime area, announced the Bluenose will not operate from Yarmouth, Friday, December 24, nor from Bar Harbour, Saturday,

**NOTICE TO MOTOR VEHICLE OWNERS**

**OBSTRUCTING SNOW REMOVAL**

In order that the Department of Highways may provide a reasonable standard of winter maintenance including snow ploughing on the highways it is essential that motor vehicle owners and operators observe the law governing parking on the highways during the winter months.

The Motor Vehicle Act, Section 121A provides that:—

121A (1)..... no person wilfully shall park or leave standing a vehicle whether attended or unattended, upon a highway or any part thereof in such manner that it might interfere with or obstruct snow removal or winter maintenance operations on the highway.

(2) Where a vehicle is parked or left standing on a highway in such manner that it interferes with or obstructs snow removal or winter maintenance operations, the Department or a peace officer may cause the vehicle to be moved or towed to some other place.

(3) Any cost incurred by the Department or a peace officer in moving or towing a vehicle under subsection (2) may be recovered from the owner of the vehicle and such debt shall constitute a lien against the vehicle.

Winter parking is a problem for many motorists; the Department asks for YOUR co-operation in parking YOUR vehicle well off the highway (especially overnight), so as not to interfere with snow plough operations.

PLEASE HELP US TO HELP YOU.
