LIFE'S LITTLE PROBLEMS

Nothing trivial this week. I'm going to ask, and answer, some questions about the more profound aspects of life. If you don't like the answers, supply your own.

When is a politician, during an election campaign, going to promise the populace the moon, and then reminds us out loud that it is we, not some other-wordly essence called The Government who will have to pay for it.

Answer: When we find out, which may be any day now, that the moon really is made of green cheese, after all.

Why are teen-agers so often so unbearable- Because, like babies, they have learned quickly that the best means of getting attention is to raise a stink, literally and figuratively.

What happens to my socks? Every time my wife washes, I lose one sock. Never a pair; always singles. Just checked my drawer, and I have nine single socks, no two matching. They're about as useful as antlers on a rabbit.

Answer: There is a little man with a bizarre taste in socks built in to these new-fangled automatic washers or dryers. It never happened with the old upright and the clothes-line. At least the dealer could tell you, before you bought the machine.

Solution? Buy all my socks the same color. But this would spoil my image. I've always been noted for my dashing socks: gray, light gray, dark gray, dark blue or black.

Where this vile canard begin that men are babies when they are sick? They're supposed to be whining, querolous, demanding sympathy. This is poppycock, at least in our family. Hugh and I want only to be left alone when we're ill. It's the females who talk endlessly about how they feel, discuss every twinge, demand fresh tea every half-hour and complain about the slowness and sloppiness of the service. After three weeks of it I know.

Why do black people loot during riots? For the same reason white people do: partly to get something for nothing; partly for the sheer hell of it.

What has Pierre Elliott Trudeau who is older and has even less hair got that I haven't? Not much, really. Except a million dollars, a brilliant mind, bags of charm, no family shackles, and a couple of million females who would like to be his mother, wife or in a pinch, sister.

Why are so many draft dodgers coming to Canada? First because they don't want to defend the U. S. and rot or be shot 10,000 miles away in a jungle. Second, it's too hot in Mexico and they don't know the language.

Why is it warm and sunny all week, cold and rainy on weekends? Because the weekend is the only time you have a chance to golf or fish, that's why.

Why all the full and admiration about the teen-agers marching for money on May 4th? They had a ball. Try to sponsor one into marching around behind a lawnmover, with proceeds going to the underprivileged of the world and see what response you get.

When are the clots in this country going to stop cutting down avenues of beautiful trees in towns and cities in order to widen roads and create speedways? Never, unless we non-clots start a holy war about it.

When are governments going to get rid of that vast strangling afterbirth of bureaucracy? Answer: When there are only 300 people left in the country who are working for the government.

How many people would stop smoking if weeds wentup to $2 a pack, or drinking, if booze went to $12 a crock? About as many as a one-armed man with a wooden leg could count on his toes and fingers.

Why is teaching school like washing dishes? There's always another stack coming along, unless you want to stop eating.

Any more questions? No? Well, I guess that clears up a lot of things that have been bothering you.

New Tri-Town Arichat Lions Club Receives Charter

We had the honour of attending the Charter Night ceremonies of the newly organized Arichat Tri-Town Lions Club which was held at the St. Louis Parish Hall, at Louisdale on Friday, May 25th and was sponored by the Port Hawkesbury Lions Club.

The new Charter was presented by District Governor Cecil Day of Liverpool. Mr. Day is a retired publisher and up to a few months ago was the publisher and editor of the Liverpool Advance. It was indeed nice renewing our acquaintance with our good friend Mr. Day who was also accompanied by his charming wife. Both Mr. and Mrs. Day were received by the Lions in a gracious manner and were presented with gifts and Mrs. Day also received a bouquet of roses.

Seated at the head table were: District Governor Cecil Day and Mrs. Day of Liverpool; King Lion Ken Moar and Mrs. Moar of Port Hawkesbury; Deputy District Governor Mike Lundrigan and Mrs. Lundrigan of Port Hawkesbury; King Lion Douglas Allen and Mrs. Allen of Baddeck; King Lion Greg MacIsaac of Antigonish; King Lion Gordon Day and Mrs. Day of Mulgrave; King Lion Dr. S. K. Ummat and Queen Lioness Usha Ummat of Arichat and Rev. Mike MacNeil of Canso.

District Deputy Governor Mike Lundrigan of Port Hawkesbury proposed the toast to the Queen and the toast to Lionism was proposed by Lion Don MacPherson of the Port Hawkesbury Lions Club.

District Deputy Governor Mike Lundrigan then asked King Lion Douglas Allen of the Baddeck Club to read the Lions Code of Ethics which was well presented by King Lion Allen and will long be remember by the Charter members of the Tri-Town Arichat Lions Club.

The Code of Ethics was read by King Lion Gregory MacKenzie of Antigonish and outlined the objectives of the Lions Club.

At this time a very impressive ceremony was conducted by the District Deputy Governor when each of the new members lit a candle and placed it to the front of the head table and then fell back to form a semi-circle to be officilly declared members of the new Club. King Lion Moar of the Port Hawkesbury Club presented the new members with Lions certificates and lapel pins and also presented pins to the officers and directors of the club.

District Governor Cecil Day of Liverpool is shown here after he presented the Charter to the new Tri-Town Arichat Lions Club at a Charter Night Banquet held in Louisdale. To the left of Mr. Day is District Deputy Governor Mike Lundrigan and to Mr. Day's right is Dr. S. K. Ummat, holding the new charter. Dr. Ummat is King Lion of the new club. To the right of Dr. Ummat is Hon. Gerald Doucet, Minister of Education and M. L. A., for Richmond County, who was a guest speaker on the occasion and extended congratulations and best wishes to the club.

DISTRICT GOVERNOR DAY ADDRESSED NEW CLUB

In a very fine address District Governor Cecil Day expressed his pleasure and that of Mrs. Day's for being present on this memorable occasion. and also spoke highly of Cape Breton hospitality and said he appreciated all the kindness that had been extended to both himself and his wife.

Governor Day extended congratulations to the members and officers of the new Arichat Tri-Town Lions Club and said he looked forward to seeing this Club in existence for many years to come. He said that members should not join a Lions Club merely for social purposes, but must strive to help make their communities better places in which to live.

In his address he stressed that Charity was the greatest factor in the successful operation of a Lions Club and must be always foremost in the hearts and minds of all good members.

Governor Day was well pleased with the new club and congratulated those responsible for making the

Josslyn J. Latimer Laid To Rest

Josslyn J. Latimer a highly regarded resident of New Glasgow and a native of Arichat, passed away recently at the age of 72 years.

The late Mr. Latimer for the greater part of his lifetime operated the highly productive Duke of York Cranberry Meadow, located on the Grandique Road, near Arichat, and in this industry devoted much study to the growing of cranberries and was considered an authority in this field. Due to ill health he was obliged to retire and took up permanent residence in New Glasgow, where he was highly respected in the town.

He had many friends in Arichat and throughout Isle Madame, and his return here from New Glasgow every spring was always looked forward to with pleasure. A kindly and hospitable gentleman he made the Latimer home at the Duke of York Meadow a place which will long be remembered by friends.

The late Mr. Latimer served on the Municipal Council and represented the District of Arichat. During his term of office he was appointed Treasurer of the County.

During his residence in Arichat he was a devout member of St. John's Parish and served on the Vestry and was also a Warden of the Parish.

A son of the late Mr. and Mrs. John Latimer of Arichat, he is survived by his wife (the former Hilda Leslie); one son Leslie of Ont., four daughters, Mrs. MacKenzie (Beulah) of Victoria, B.C., Mrs. Greeley (Helena) of Ottawa; Mrs. Bannerman, (Ramona) of Victoria and Joan at home; also two brothers, H. H. (Bob) Latimer of Truro, and Canon Ralph R. Latimer of Toronto; three sisters, Mrs. A. D. Morrison (Bertha) of Truro; Mrs. Leonard MacGillivary (Corrine) of Halifax; and Mrs. Earl MacDonald (Myrtle) of St. Peters.

In attendance at the funeral were Canon Ralph R. Latimer D.D., of Toronto, General Secretary of the Anglican Church of Canada; also Rev. Robert Latimer, a nephew of the deceased. Both Canon Latimer and Rev. Robert Latimer took part in the funeral service from the Anglican Church, New Glasgow where the rector of the parish conducted the funeral service.

Interment was at the beautiful "Heatherdale Memorial Gardens", at Alma. The committal service at the graveside was conducted by Canon Ralph R. Latimer, D. D., brother of the deceased.

We were personally acquainted with the late Mr. Latimer, better known to his friends as "Joss" whose sincere friendship will always be cherished by us and by our family.

Mrs. Mary Latimer, widow of the late LeRoy Latimer, and sons Dr. Edgar Latimer and Dr. Roy Latimer; Mr. and Mrs. John Latimer and her daughter Margaret, all of Boston, Mass., were in attendance at the funeral.

We extend deepest sympathy to the bereaved wife and children and to the brothers and sisters in the passing of a loving husband, father and brother.

LATE IN PUBLISHING

We have had several interruptions in the publishing of the Record during the past few weeks and this was caused to some extent to the printing of the voters lists for Richmond and Victoria, which comprises only a part of the new constituency of Cape Breton Highlands Canso.

An election only rolls around every four years and sometimes sooner and the printer must take advantage of this new business even if it takes many extra hours to produce the work.

We feel our readers are reasonable and we do hope to be back on schedule and in the meantime we thank you all for your patience and consideration.

Father Johnston is a cousin of the late Warden James Johnston of Johnstown.

We call it our ale.
Our brewmaster calls it his ale.

Our brewmaster certainly has all the say about what goes into our (his) Export Ale. And how it comes out.

He selects the malted barley. He blends the hops. He sets the standard for aging, which is why his (our) Export Ale ages for weeks, and not a day less.

That's why Oland's 'Ex' looks and pours and tastes the way it does. And satisfies the way it does.

His ale? Our ale? Let's just say it's *your* ale.

He extended a welcome and special thanks to Governor Day for being in attendance to personally present the charter and also to Mrs. Day who had accompanied him from their home in Liverpool. Dr. Ummat thanked the Hawkesbury Lions Club who had sponsored the Charter Night supper and celebrations and to the many clubs that had travelled a long distance to be present at the the gathering of the newly organized Arichat Tri-Town Lions Club.

Dr. Ummat expressed his thanks at being chosen King Lion of the new Club and said that he hoped he could merit the confidence of the Club in the carrying out of the many duties expected of a King Lion. He asked for the full cooperation of all members and felt that the Club would receive the full support of citizens within the area of the newly chartered club.

King Lion Ummat thanked the ladies of the C.W.L. of Louisdale for a splendid catering job. At the conclusion of his remarks he called on Deputy District Governor Mike Lundrigan of the Port Hawkesbury Club to lead in the dancing.

Boudreau's Orchestra of Petit de Grat provided the music and a very enjoyable evening was spent by everyone.

A CLEAN UP PROGRAM is underway in Cape Breton to make this Island more attractive to tourists, and a cleaner and healthier place to live.

We are fortunate in Richmond County to have vast Industrial Development in progress in the Strait of Canso area, but we must also realize the large potential of the Tourist Industry which should be developed to a greater extent and is therefore to our advantage to make Richmond County as attractive as possible to derive maximun benefit from this Industry.

To make this possible, the Board of Health has undertaken a SPRUCE UP CAMPAIGN, and ask the citizens of this County for their help and co-operation in this matter This Program can only be successful with your HELP.
